A figure came out and it was PRAXIS from episode 3 of SPD!

Praxis was created by Mora. Praxis was the first of Mora's drawing to come to life and assist Emperor Gruumm.

Broodwing created a gigantic drill tank-like robot called the Mega Drill and gave it to Praxis. The Mega Drill possessed enormous drills, was able to throw ground on enemies, and armed with laser cannons. Gruumm sent Praxis on Earth to attack Newtech City. Praxis arrived at Earth and attacked the city and encountered the Power Rangers. He nearly defeated four Delta Runners, but Jack arrived at the Red Delta Runner and the Rangers formed the Delta Squad Megazord. Praxis fought the Megazord, but the Megazord's sword and final attack from its blaster destroyed the robot.

Praxis managed to get out but the heroes battled him with their weapons. Praxis told the heroes that they wouldn't scare him. He was then defeated by the Delta Blaster in Combo Mode. Jack told Praxis that if Gruumm wanted to conquer Earth, he had to deal with the Rangers first. Praxis was then judged by Jack, who used the

Judge Scanner to find the monster guilty. Then Praxis was captured by Jack using the Red Delta Morpher in the Data Card.

* * *

Sky: Praxis!

Hsi Wu blasted and smashed him all over the place and then Lincoln tied Dr. Morocco in a rainbow, white, golden yellow, and blue energy straitjacket, so that he couldn't escape, and then, he sent him through a portal he opened up and it led to his new cell in The M.O.E. Lincoln: (Catches the stench of B.O.) UGH! There's no mistaking the stench of B.O. from anywhere, you better get out here, Nathan Matthews, I can see the stink lines coming off you.

A vicious large and muscular punk male with long black hair, black eyes of hatred, and dressed in black leather punk clothes came out, it was Nathan Matthews, the last of Billie Muldoon's five minions.

Lori: I should've known you'd be the last of Billie's minions to show up here, you literally don't even know when to quit or stay away for good, do you?

Nathan Matthews: SHUT THE FUCK UP, BITCH! SCREW YOU! YOU ALL ARE DEAD! YOU'RE ALL GOING TO PAY FOR WHAT YOU DID TO BILLIE!

Brooke Nightshade: I knew from the very moment that Billie Muldoon had returned from The Black Gates, you five shitheads would also return to try and take revenge. But, that's not going to happen, Nathan, I'm putting you down for good, and we finally got rid of Billie Muldoon yesterday. There's a reason why we kicked you all out of Royal Woods after we took care of Billie Muldoon: all of you plotted to destroy the city if that happened, and you wanted to turn the city into a graveyard. Your plans were eventually ruined after we took down Billie Muldoon that day, but none of you refused to give in, you walked the path of a coward crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Lincoln, Brooke Nightshade, Nico, and I went after Nathan Matthews, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, black and purple, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Nathan Matthews, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many

more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Brooke Nightshade did the same by firing black and purple, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Brooke Nightshade, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Nathan Matthews even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Nathan Matthews, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Nathan Matthews' stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Nathan Matthews hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Nathan Matthews was now on his last legs and he was really really mangled.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Nathan Matthews' chest, and he began absorbing him, and he and all of us assimilated his massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Nathan Matthews except for his pants, and he drained the thug's soul of energy, and he sent him to The Black Abyss.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) See you never, moron.

We cheered wildly as we holstered our weapons and powered down and Brooke Nightshade's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large black and purple planets orbiting around her legs and twenty smaller black and purple planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized black and purple yellow planets orbiting around her wrists and ankles, eleven massive and long black wolf tails, and massive black angel wings and four sets of large black angel wings underneath her massive black angel wings are permanent.

Brooke Nightshade: And this is goodbye and good riddance forever, I don't want to see your face ever again! Thanks for helping me take down Nathan Matthews, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Brooke.

Me and Nico: Our pleasure, Brooke.

Suddenly, Brooke Nightshade wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Brooke Nightshade's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and a dark bikini babe flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Brooke Nightshade sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: So, it's finally over, Billie Muldoon's minions are gone forever.

Me: Yep, and now, the last of Billie Muldoon is finally wiped out for good. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL AND DEMONIC MUSIC PLAYS

Suddenly, we saw a massive army of demons and devils flying in the skies and it left an amazing wave of heavenly light across the skies as it was flying all across the skies.

Selene Arcangela: (GASPS) The Demons and Devils...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Demona Demon, Avatar of Lucifer, The Demon Princes, The Demons, and The Devils.

EVERYONE GASPED!

Me: No way!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Demona Demon, Avatar of The Demons and The Devils, is Lincoln's Guardian Angel and she's known as The Heavenly God Archangel Master of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Angela is a powerful master of the powers of heavenly light and holy magic and she's also known for her mastery of the powers of The Demon Princes, The Demons, and Devils of Hell. She lived eons ago during a time of darkness after Lucifer's rebellion, and over time, as she grew, she gained all of the incredible strengths and powers of The Demon Princes, The Demons and Devils of Hell, along with immortality and she also mastered the powers of Lucifer, The Demon Princes, The Demons, and Devils of Hell, and she'd fought against Lucifer and his minions and she swore to keep mankind safe from the forces of Lucifer and the Fallen Angels, and many eons later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of heavenly light and holy magic, and he also gained all of the incredible strengths and powers of Lucifer, The Demon Princes, The Demons, and The Devils of Hell, along with incredible levels of superhuman strength and he became as strong as

999,000,000,000,000,000,000,000,000,000,000 Angels and Archangels and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Demons and The Devils and be damned to Hell for eternity!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be facing eternal damnation!

Lincoln: That's right, and she never ever forgave Lucifer for rebelling against God along with the other fallen angels. If we face him in the future, we've got eons of payback to inflict on him for the pain and suffering he caused to many souls over the eons.

Me: That's for sure!

Bonz: That takes care of that.

Dayu: Now, Griffin Rock has nothing to worry about

MetalSeadramon: At least not from Morocco

Me: Yep.

Mr. Fizz: Let's celebrate with Soda!

Harpymon: After you guys shower.

Me: Yeah and we need it. We're still a mess. But like I said, being a superhero is always a dirty job but somebody has to do it.

Nico: Too true. But great job everyone!

Cody Burns: (To the viewers) But this was a fun and awesome adventure!

Georgina: It sure was.

We returned home and showered and had a great soda, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Suddenly, Carol Anne and her family arrived.

Me: Huh? Carol Anne and her family?

Lucy: Carol Anne? What's wrong? (Realizes why she's here) Wait, don't tell me.

Carol Anne: He's back.

WE GASPED!

We all gasped in horror: Reverend Henry Kane's back!

Me: OH SHIT!

Nico: NOT GOOD!

Me: Carol Anne, you and your family do not need to worry, we won't let Henry Kane touch you.

Lincoln: That's right, tomorrow, we're going to end him and his cult forever.

Me: But we're not going to give him the black abyss yet. We're going to banish him to the Warp till one of the Goths days to shine. My money is on Haiku.

Lucy Loud: Haiku would love that.

Me: Yep.

We then got ready for bed and went to sleep.

Teen Titans VS Corrupt Cop Daizo

This is the Sequel to the Teen Titans Movie Trouble in Tokyo

In the early morning hours at 12:13 AM, Lincoln had a dream, and he saw four figures hiding out and living in Yonkers. But, this was no ordinary four figures, they were Twilight Ludenberg-Loud, daughter of Lincoln's future wife, Celestia Ledenberg. Alexis Loud Jr, daughter of Lincoln's future wife, Alexis Thi Dang. Reptialian Loud, son of Lincoln's future wife, Chameleon (Kung Fu Panda 4). and Tammy Loud, daughter of Lincoln's future wife, Tiamat. Lincoln woke up from the dream, but he wasn't the only one, Celestia Ledenberg, Alexis Thi Dang, Chameleon (Kung Fu Panda 4), Tiamat, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Alexis Thi Dang: And it also means that we found out where our kids are at.

Me: They're at Yonkers.

Nico: Another city of New York State? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Celestia Ledenberg, Alexis Thi Dang, Chameleon (Kung Fu Panda 4), Tiamat (Who has a human disguise), Black Alpha, Me, and Nico were heading to Yonkers. Then, Lincoln saw a young 14-years-old goth girl who has pale white skin, dark red eyes, and white hair in two large twin-tails. She wears a black and white gothic lolita-style dress, black knee-high stockings, and red mary janes flats. A

14-years-old girl who has fair skin, blue eyes, and reddish long hair with brown and white stripes. She wears a red short jacket, black shirt with an Autobot Symbol on it, crimson shorts with white carpi leggings, and white low heel pumps. A slim 12 year old Sea Serpentine-Human girl who has fair skin, blue eyes, and long white hair with purple and cyan stripes. She also has purple fin-shaped ears, fins on her arms and lower legs, and a long tail on the rear. She wears an orange shirt, purple shorts, and blue flip flops. And a large and musculature 14 years old monstrous-like chameleon-human boy who has green scaly skin, red eyes with yellow sclerae, sharp teeth, and spikes running from his head to his spine and a long tail. He wears black and green ninja outfit. Lincoln saw who they were, they were Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud.

Lincoln: Excuse me, are you Twilight, Alexis Jr, Tammy and Reptialian?

Twilight Ledenberg-Loud: Yes we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Celestia Ledenberg, Alexis Thi Dang, Tiamat (Who human disguise is a slim 16-years-old teenage Sea Serpentine/Human girl who has light skin, blue eyes with light violet eyeshadow, sharp teeth, and long purple hair with cyan stripes styled in a high-ponytail. She also has purple fin-shaped ears, fins on her arms and lower legs and long tail on the rear. She wears a misty-teal hoodie-jacket with purple trim on the bottom sides and cyan trim on the black sleeves, purple sport short-shorts with cyan trim, sparkle-like dots and cyan and purple stitching on the sides, knee-length fishnet shorts, and blue flip flops. She also wears a golden-beaded necklace with a large sea serpentine-shaped pendant.), And Chameleon (Kung Fu Panda 4) came out, and when Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptailian Loud saw them, they were stunned. And when Lincoln saw Tiamat's human disguise, he had a atomic red blush on his face, hearts in the eyes, his nose was bleeding.

Twilight Ledenberg-Loud: Mother?

Celestia Ledenberg: I'm here, sweetie.

Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud ran up to Celestia Ledenberg, Alexis Thi Dang, Tiamat, and Chameleon (Kung Fu Panda 4), and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Celestia, Alexis, Tiamat, Chameleon, your mothers are one of my many future wives.

Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Tiamat: And thanks for helping me find a human disguise, Linky. I look like a real teenaged girl.

Lincoln: (Smiles Warmly) You're very welcome, Tiamat.

Suddenly, Lincoln wrapped his massive and powerful muscular arms around Tiamat and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Tiamat still has a pink blush on her face with steam coming out of her ears.

Tiamat: (In Heaven) Whoa! What...A...Kisser.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Celestia Ledenberg, Alexis Thi Dang, Tiamat, and Chameleon (Kung Fu Panda 4) with their kids, and Twilight Ledenberg-Loud, Alexis Loud Jr, Tammy Loud, and Reptialian Loud now has a loving, strong, brave, and caring father in their life. We went back to sleep. Still too early.

* * *

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dream, but it's not good: apparently, his dream took him to Cuesta Verde, California, and as he was flying, he saw a familiar old enemy of us and his sister, Lucy, rise from the ground: it was our old enemy, Reverend Henry Kane, the insane evil 19th century Satanic priest and malevolent spirit, and he's come back from The Warp and he's still after Carol Anne and her family just as we'd feared, and even worse, he came back thanks to the black magic of Morgana Midnight Sparkle as he saw her cackling insanely. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream and it confirmed what we found out yesterday when Carol Anne and her family came to us: Henry Kane is back!

Carly Morgan: And even worse, it was due to that insane witch, Morgana Midnight Sparkle!

Lincoln: Lucy's already furious that Henry Kane's back, but when she finds out that Morgana was the one who brought him back from The Warp to still go after Carol Anne and drain her of her life force, she's going to unleash Hell on them.

Paige: We will be going after them pretty soon along with Dark Gale.

Lincoln: Right. Well, we better brace ourselves for tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you, and it's not good: last night, my dream took me to Cuesta Verde, California, and as I was flying, I saw a familiar old enemy of ours rise from the ground: it was our old enemy, Reverend Henry Kane, the insane evil 19th century Satanic priest and malevolent spirit, and he's come back from The Warp and he's still after Carol Anne and her family just as we'd feared, and even worse, he came back thanks to the black magic of Morgana Midnight Sparkle and I saw her cackling insanely.

WE GASPED!

Me: This is just as we feared yesterday when Carol Anne and her family came to us yesterday.

Nico: So, what we heard was true: Henry Kane's back, and even worse, he was resurrected by that she-demon, Morgana Midnight Sparkle.

Eli: We need to stop him and send him and his followers to The Black Abyss forever.

Lincoln: That's for sure, and there's only one thing that'll get rid of Kane once and for all. (SNAPS FINGERS)

Lincoln snapped his fingers and a beam of light appeared in front of us, and when it faded, what was in its place was the enchanted spear that he used the last time Kane returned, but the spear's head was glowing with rainbow, white, golden yellow, and blue energy, and there's tons of positive energy flowing through the spear.

Me: The spear.

Nico: And it's even stronger than ever, what kind of spell did you use to make it that stronger?

Lincoln: This is a special kind of spell that I'd been working on, in the event that Kane returned from the dead again to go after Carol Anne and her family: the spell channels powerful positive energy into the spear and amplifies the positive energy that was already within the spear and increases its power infinite-fold to deal with the powerhungry evil and immense dark power Kane holds within him, but it also channels in the energy of The Black Abyss, all I got to do is throw it right into his black heart and it will not only destroy him, but it will also destroy his followers as well.

Izuku: His followers? Why are they also involved?

Lucy: They followed him in life, and they still follow him even now in death. After he and his followers died, he harvested the energy from their souls and it fueled the powerhungry evil within him and that transformed him into The Beast. He was evil in life and he's still evil even in death.

Lincoln: But, that evil ends here and now, Henry Kane will die once again, and this time, he will never come back.

Lucy: We will put an end to him once and for all, but if we leave Carol Anne and her family alone in The World Tree Estate, Kane will try to attack there and grab them.

Carol Anne: Which is why we're also coming with you, we intend to end him together, Lucy. Kane is done tormenting me and my family.

Me: Right, he doesn't deserve to live any longer.

Lincoln: Kane is a threat to both the living and the dead, and this time, we'll see to it that he dies here and now, and he and his followers will be sentenced to their eternal damnation in The Black Abyss.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

We see a picture of Chikyu.

Jeramie (voice): So far, our ambassador missions with Team Loud Phoenix Storm are doing great. However, 3 of Super Warumuno World's lackies have been defeated by us. This might be a sign that we might need more King Ohgers. So it goes.

We then cut back to Poromon and Poliwag.

Poliwag:...what just happened?

Deadpool: Oh Jeramie does that to get the story going. It's really cool.

Me: It's like something out of a medieval story. It was fun.

Xenia: Cool.

Me: Yep.

Robin woke up to see Swellow staring at him

Swellow: Morning Robin.

Robin: Oh morning Swellow.

Swellow: Time for breakfast!

He went and got dressed and walked happily to the table and was singing

Robin: (Singing) Morning, morning morning, morning, morning lots to do today so quit your snoring Morning, Starfire! Morning, morning morning, morning , morning breakfast will be cereal that I am a-pouring Morning, Raven! Me: It sure is.

I gave robin some eggs and sausage and ham and steak pizza.

Me: My new meat omelette Pizza. Mr. Lynn has been teaching me how to make breakfast pizzas.

Robin: Cool!

He got to eating and he was hungry.

Me: Boy been a while since we were in your old village Starlight.

Starlight Glimmer: I know. It's looking great.

Me: Last time we were here was during the September 16th, 2022 War.

Nico: I know. Feels like forever ago.

Ace Ukiyo: That must've been intense.

Me: It was.

Qin: Yeah. The Church of Necrom brought back the Doomsday 23 and we battled them leading up to that day.

Camie: That was intense.

Ace Ukiyo: Wow!

Nico: Drill Man, I want to thank you, Slash Beast, and your teams for coming

Drill Man: No problem Nico. This is gonna be so fun.

Qin: Yeah it is!

Drillroid: I'm excited for this too.

Nico: Drillroid, what do you like to do in your free time?

Drillroid: Now that you mention it, I haven't given it much thought. But me and my fellow roids are thinking about working to find jobs for what we're good at. I'm looking to work in a mine.

Xenia: A mine is good.

Me: Yeah.

Drillroid: That is perfect for me too.

Me: Yep.

Nico: Just don't cause a cave in

Drillroid: I won't.

Me: Good.

Lana: Yesterday was fun!

Me: (Picks ear) I'm still picking mud out of my ears!

Nico: (Picks ear) Me too!

Aligned Sideswipe: At least we defeated Morocco.

Me: We sure did.

Lola: Yeah! Georgina's Akuma was REALLY Muddy!

Nico: No kidding!

Me: That's why we're still picking mud out of our ears.

Xenia: Yeah.

Lana: But it was fun!

Me: Yeah. But Fluttershy and Lilja had a really bad day.

Nico: No kidding.

Lincoln: Yeah. Flutters are you and Lilja all better?

Fluttershy: Of course I am.

Me: That's good.

Lilja: (Icelandic Accent) We both are much better.

Lola: We're glad.

Nico: We sure are.

Ace Ukiyo: So what is the history of your village Starlight?

Starlight Glimmer: (Sigh) It's something I'm not proud of.

She went over her history and how it nearly tore all of existence apart and how it lead up to the Great Equalist War on September 16th, 2022.

When she was done everyone that hadn't heard about it was shocked!

Neon: WHOA MAN! That is crazy!

Me: I know. When we first heard about Starlight's Village and what it did it sounded like a cult. But the more we heard about what happened we were shocked. But we were glad that Starlight changed.

Neon: That is really good. But that war was like something out of World War II.

Me: It sure felt like it.

Camie: Yeah.

Horsea: Let me wash you guys off just in case

Me: Thanks Horsea.

She fired water and cleaned the mud out of our ears.

Me: Ahh. Thanks.

Horsea: You're welcome.

Live Action Optimus: Starlight, I am glad you've changed too

Starlight Glimmer: Same here.

Qin: We all are.

We got to her main office.

Starlight Glimmer: This was my old office here.

Me: It sure is spacious. Now lets see.

I looked around.

Me: There should be something here.

I looked at the bookcase and saw something hidden.

Me: Huh?

I pushed the books back and saw a keyhole.

Me: That looks like a keyhole.

Starlight Glimmer: I never noticed that was there.

Me: Hmm.

Sora: Let me.

Sora had his keyblade and had it fire a beam of light and it unlocked it.

CLICK!

Then the bookcase moved to the side and we saw it reveal a hidden staircase.

Me: A secret door!

Starlight Glimmer: You learn something new all the time.

Nico: I know who's here.

Me: Luster Dawn. Lets go.

I formed an energy ball to use as a flashlight and we went down and it was really dark and ominous.

Me: Wow.

My sword then started glowing.

Me: We're getting close.

We got to a huge door and it had Luster Dawn's Cutie Mark on it!

Me: Wow!

Nico: Luster Dawn!

Me: Yep. She is right behind this door.

I saw a keyhole on the door.

Me: This one is locked. But there's an inscription here.

I looked at it closely.

Me: (Reading) "Only with the Sword of Harmony and the power of friendship bright, shall you enter the tomb of dawn and free the princess of sun and light."

I unsheathed my sword and pointed the blade at the door and it fired a beam and opened it.

Me: WHOA!

We saw a beautiful room and in it was a bunch of crystals shining with amazing rainbow color.

Nico: Shiny!

Me: Wow! This is the kind of room I am expecting Rarity to be in.

Nico: Look!

We saw in a crystal coffin, LUSTER DAWN!

Me: There she is!

Luster Dawn: The me from Sunny's world!

Laney: And she's an Alicorn! I wonder what she did that turned her into an Alicorn.

Me: We'll have to find out later.

We went over to her and I pointed the blade of my sword at her and it fired a beam of magic and then a massive flash and blast of magic blasted out and it made Starlight's village more amazing and also made Sire's Hollow more amazing too and even parts of Ponyville were made amazing too! When the light faded, Luster Dawn woke up for the first time in 1,000 years!

Luster Dawn (G5): (Groans) What happened?

Me: Luster Dawn?

Luster Dawn (G5): (Gasp) J.D., everyone, everypony? You're all here!

Nico: We sure are.

Me: Yep. You were asleep for over 1,000 years.

Qin: We have a lot to tell you.

Luster Dawn: Yeah we sure do.

Luster Dawn (G5): What happened?

We told her everything that happened and it was SHOCKING!

She gasped.

Luster Dawn (G5): Opaline ruined everything Twilight accomplished and tore apart all of Equestria!? Oh man.

Me: I know.

Malachite Arcana: I'm helping Opaline redeem herself.

Me: Long story.

Twilight Sparkle: But we're working to restore everything Opaline destroyed.

Nico: That's right.

Me: We still have a long way to go but we can do it.

Luster Dawn (G5): I will gladly help you all. But I will say this, it's great to see you all again after over 1,000 years.

Me: Same here.

We later left.

For the next part of the rescue the mascots had Ben and Riley blindfolded and we were going to the movie theater.

We arrived.

Ben: This will be fun.

Me: Oh it will. TADAH!

Ben: Cool!

Riley: Yeah!

Ben: Riley!?

Riley: Ben!?

Both: YOU'RE MY BLIND DATE!?

Poromon: That's right!

Nico: You guys better run after this

Horsea: We will.

Me: Tickets for Inside Out please.

We got tickets and went in and got snacks for it and went in and saw the movie.

In the mind of a young girl named Riley are a series of personified basic emotions that influence her actions: Joy, Sadness, Fear, Disgust, and Anger. Riley's experiences become memories that are stored as colored orbs and are sent into long-term memory each night. The aspects of the five most-important "core memories" within her personality take the form of five floating islands. Joy acts as the leader; because she perceives Sadness as an unnecessary burden for Riley, Joy also works to limit Sadness's influence.

At the age of 11, Riley moves from Minnesota to San Francisco for her father's new job. At first, she has poor experiences: the new house is cramped and old; her father hardly has any time for Riley; a local pizza parlor only serves pizza topped with broccoli, which she dislikes; and the moving van with their belongings was misdirected to Texas and will not arrive for weeks. On Riley's first day at her new school, Sadness retroactively saddens joyous memories, causing Riley to cry in front of her class and creating a sad core memory. Joy tries to dispose of this memory using a pneumatic tube, but accidentally knocks loose the other core memories during a struggle with Sadness, disabling the personality islands. Joy, Sadness, and the core memories are sucked out of Headquarters.

In the absence of Joy and Sadness, Anger, Fear, and Disgust are forced to take control of Riley; they try to make happy core memories but the results are disastrous, distancing Riley from her parents, peers, and hobbies. Without the core memories, Riley's personality islands gradually crumble and fall into the "Memory Dump", where things fade to non-existence as they are forgotten. Anger, intending to restore Riley's happiness, convinces Disgust and Fear that Riley should run away to Minnesota.

While navigating the vast long-term memory area, Joy and Sadness encounter Bing Bong, Riley's imaginary friend, who suggests riding the "train of thought" back to Headquarters. After several adventures and mishaps, the trio catches the train, but it entirely derails when another island collapses. Joy, who is afraid all of the core memories will become sad, abandons Sadness and tries to ride a "recall tube" back to Headquarters. The ground below the tube collapses, breaking it and plunging Joy and Bing Bong into the Memory Dump. After discovering a sad memory of losing a hockey game that turned happy when Riley's parents and friends comforted her, Joy finally understands Sadness's purpose in alerting others when Riley is emotionally overwhelmed and needs help. Joy and Bing Bong try to use Bing Bong's song-fueled wagon rocket to escape the Memory Dump. They fail to fully ascend due to their combined weight until Bing Bong sacrifices himself to save Joy by jumping out at the last moment.

Joy reunites with Sadness and they return to Headquarters, where they discover Anger's idea has disabled the console, putting Riley into depression as she boards a bus to Minnesota. To the surprise of the others, Joy hands control of the console to Sadness, who is able to reactivate it and prompt Riley to return to her parents. As Sadness re-installs the core memories, transforming them from happy to sad, Riley tearfully tells her parents she misses her old life. Riley's parents comfort her and tell her they also miss Minnesota. Joy and Sadness work the console together, creating a new core memory that is both happy and sad, and a new island forms, representing Riley's acceptance of her new life in San Francisco. A year later, Riley, now aged 12, has adapted to her new home, made new friends, returned to playing hockey and has acquired new hobbies. Inside Headquarters, Riley's emotions admire her new personality islands and are given a newly expanded console that has enough room for all of them to work together.

When it was done we were amazed and more!

Nico: So awesome!

Riley: Boy that brings back memories.

Camie: Wow!

Me: Reminds me of when we first met you Riley.

Riley: Good memories. I'm glad we met.

Me: We are too.

Nico: How did you guys meet?

Me: That was fun and cool.

I went over what happened in Chapter 65 of Loud House Revamped and it was awesome. When I was done everyone was in awe.

Neon: WOW! So that's how you guys met Riley.

Camie: Wow!

Nico: That is cool!

Me: Yep.

But then...

ZOOM!

The mascots ran.

Me: The chase is on.

Ben: Time for some fun.

Nico: Where'd they go?

Eli: (Concentrates) They are in the Gotham Royal York Cheddar Factory.

Nico: CHEESE!

Me: Lets go.

We were off!

Poromon: They'll never look here

Poliwag: We'll see about that.

Vanilluxe: I agree.

But then we came in.

Nico: CHEEESE! CHEESE!

Nico then got to eating all the cheese!

Poliwag: Shh.

But then Nico all the cheese they were hiding behind and found them.

Nico: Oh found you!

But then...

ZOOM!

Nico: They're gone!

Qin: You just had to eat all the cheese Nico.

Me: You know how Nico loves his cheese.

Ed: I think I just thunk. They are heading to Lynn's Table!

Eli: (Concentrates) He's right!

Eddy: Nice work Lumpy.

We were off to there.

Poliwag: They'll never look here!

Poromon: In the meantime lets get some food to go.

Poliwag: Good idea.

They did so.

We came in.

Nico: Good morning Lynn's Table Crew!

Lynn Sr.: Hey guys! How was the movie?

Me: It was fun Mr. Lynn.

We saw the mascots!

Me: There you guys are!

ZOOM!

They ran fast after getting their food and paying!

Me: GEEZ! They are fast.

Nico: I know!

Eli: (Concentrates) OH MAN! They are hiding out in the Pristine Diamond Gentleman's Club.

Nicole: I shut that place down ages ago!

Nico: I hope they use the trailer on those bitches there.

Me: Lets get a move on.

At the abandoned Pristine Diamond Gentleman's Club was the mascots.

Poromon: They won't look in here.

Poliwag: Uh guys?

Horsea: Guys, look where we are!

They saw a bunch of hookers!

Hooker: Look girls! New toys!

Manaphy: Oh no!

Horsea: Lets get them!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

THE HOOKERS SCREAMED IN FRIGHT!

Hooker: THAT IS A HORRIBLE MOVIE!

Manaphy: YOU LOOK AT IT!

Hooker: WHAT IS THAT!?

Hippowdon: YOU LOOK AT IT!

Hooker: GET THAT AWAY FROM ME!

Poliwag: YOU LOOK AT IT!

Hooker: HORRIBLE!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!

Eevee: LOOK AT IT!

Gatomon: LOOK AT IT!

Rattata: LOOK AT IT!

Sandile: LOOK AT IT!

Vulpix: LOOK AT IT!

Tyrunt: LOOK AT IT!

Starmie: LOOK AT IT!

Starly: LOOK AT IT!

Applin: LOOK AT IT!

Carbink: LOOK AT IT!

Reuniclus: LOOK AT IT!

Chimchar: LOOK AT IT!

Vanilluxe: LOOK AT IT!

Mascots: WE WANT ALL OF YOU TO FUCKING LOOK AT IT!

We got there and it was a nightmare place.

Me: Awful place.

But then...

CRASH!

THE HOOKERS CAME OUT AND SCREAMED IN HORROR AND FRIGHT AND INSANITY!

One grabbed me and cried hard.

Me: Whoa easy miss.

We tied them up and put them in straitjackets.

Hooker: JUST GET US HELP! THOSE TOYS ARE MONSTERS!

Me: Geez!

Nico: They showed the trailer.

Sheila: WHOA! The Sapphire Flame Gang. Hookers we were after for years.

Lola: Wow!

We had all the hookers put into a paddy wagon.

We went in and saw the girls all shaking in fright and acting crazy and also they were curled into a fetal position and crying and whimpering in fear.

Qin: Whoa! The Mascots really damaged these girls.

Laney: I would call this Blood and Honey Shock Syndrome.

WE LAUGHED!

Me: Nice one!

Laney: That was good. But yeah.

Lola: That was funny.

We loaded the rest of the girls into the paddy wagon.

Nico: Nice job guys! Well done!

Ben: But we still have to tickle you!

They jumped and tickled them.

Riley: COOCHIE COOCHIE COO!

THEY LAUGHED HYSTERICALLY!

Ben: SAY IT!

THEY LAUGHED MORE!

Riley: SAY IT!

THEY LAUGHED MORE!

Me: In the name of all humanity say it!

Mascots: UNCLE UNCLE UNCLE!

They stopped.

Maria hugged Horsea.

Horsea: We're fine.

Me: Boy well done guys.

Ben: We had a fun time.

Riley: We sure did.

Nico: We're not done yet

Me: Nope.

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12370.2: The U.S.S. Valorous Phoenix is en route to the planet Chikyu for the 3rd part of our rescue and we are heading there to help the King Ohgers with some amazing fun rescues.

Me: This will be cool.

Qin: I agree!

Lola: Yeah!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We were at Chikyu.

Nico: We're here.

We got to landing and we were in front of Hymeno's kingdom. We got out.

Hymeno: Hey guys! You're early.

Me: Awesome to see you all. We're here as part of a rescue.

Nico: Yep.

Hymeno: Unfortunately, the others are busy. So, it's just me

Me: Oh. No worries.

Qin: But it's cool being here again.

Me: We came because of some rescues. We're going to rescue princesses trapped in towers. Like how we remember in books from when we were younger.

Sakura Knudson: Those were some of my favorites and they were fun.

Hymeno: I'll gladly help out. I did catch wind of one princess that appeared recently.

Me: Cool!

Hymeno: And Eli? Kick Ursula's ass for me

Eli: With pleasure.

Me: That's not until Ariel's big day. But I have a good feeling she will appear somewhere on the world Varie has been having dreams about.

Varie: Yep. Wait you knew?

Me: I didn't want to say anything because it's a surprise.

Varie: Okay.

Hymeno: The princess we're going to meet is Alexandra Papillon and she is the princess of the long lost Chōmoeruhane kingdom.

Me: Whoa! The Blazewing Kingdom.

I pulled out my Duel Monster Cards and showed Blazewing Butterfly.

Me: Her kingdom means Blazewing Butterfly.

Hymeno: That's right.

Me: Wow!

Hymeno: So, how was the rest of your day?

Horsea: Hookers tried doing things to us!

Me: Don't fucking ask.

Nico: Yeah.

Hymeno: Oh boy.

Me: But what can you tell us about Alexandra Papillon?

Hymeno: She is the princess of the Chōmoeruhane kingdom. But she is a powerful master of fire. Her kingdom was one of the strongest kingdoms ever and they were good friends of my kingdom. We even had a trade route and alliance with them. But the predecessor king of Gira's kingdom was too afraid of their power and they destroyed them.

WE GASPED!

Me: Oh man!

Kushina: That is just like what happened to my old village, the Hidden Eddy Village.

Poromon flew up to find her

Poromon: I don't see anything.

Eli: I can find her.

Eli concentrated.

Eli: Found her. She's over 6 miles into the forest on the mainland.

Hymeno: Lets get a move on then.

Me: Took the words right out of my mouth.

We went to find her.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Chikyu, but here's the bad news: it appears our old enemy, Nightmare Maestro Minjo, has come back from the dead and she wants revenge on us.

WE GASPED!

Rarity: My word!

Suddenly, Natilee Knudson appeared, and she was pissed.

Natilee Knudson: WHAT THE FUCK?! That nightmare causing bitch is back, that's it, I'm gonna send her straight to The Black Abyss forever!

I restrained her.

Me: (GRUNTS) Whoa, oh man, Natilee's really stubborn!

Nicole: You better watch out, Dad, she's a kicker!

I used two of my eleven massive and long wolf tails to restrain her legs.

Nico: Phew, that was close. So, Minjo's back, eh? What's going to be her punishment, Lincoln?

Lincoln: I have a good idea, we're gonna condemn her to forced eternal servitude to The Masters of Evil.

Rarity: Good idea, Linky. That'll teach her what for.

Nicole: Same here. But, I've never seen Natilee get that pissed! She was pissed at Nehelenia for her crimes along with all the other nightmare causing monsters, but she was really pissed at Minjo.

Me: I agree. Emperor Yodon is the greater threat.

Lincoln: It's best that her dad keeps her restrained until we take care of that monster.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected another old enemy of ours, Ophelia Shroud, but that insane evil genius ran off and created an army of hulking monsters and is now coming after us to get revenge.

Lincoln: You have got to be kidding me! Morgana, you little...!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected another old enemy of ours, Ophelia Shroud, but that insane evil genius ran off and created an army of hulking monsters and is now coming after us to get revenge.

Me: WHAT THE?!

Lisa Loud: SWEET EINSTEIN'S THEORY!

Suddenly, Lisa opened her mouth so wide, her skeleton fell out!

Nico: At least, it wasn't me this time, but this is still really bad!

Qin: I thought we wouldn't have to deal with Ophelia Shroud again, but it looks like we were wrong.

Lisa put her skeleton back.

Lisa Loud: I concur. Lincoln, I hope you absorb her army of hulking monstrosities and suck out that evil monster's brain before you send her to The Black Abyss.

Lincoln: I'll absorb her army of hulking monstrosities, but I'll hold off on sucking her brain out until the end. I intend to make Ophelia Shroud suffer big time for everything she's done. Besides, I knew Anti-Monitor wouldn't have any use for her at all, she may be the land version of Plankton, but to him, she's nothing more than a nuisance, but to Morgana Midnight Sparkle, she's just another pawn to be sacrificed in her mad desire to destroy the world.

Me: That's true.

Lincoln: Plus, I've got some punishments in store for Ophelia Shroud, but fair word of warning: the punishments that we've got for her are so graphic, so horrendous, so gruesome, so hideous, and so unbelievably monstrous, you're gonna be blowing chunks into the toilet for weeks!

MY JAW DROPPED TO THE FLOOR!

CLANG!

BUT, BEFORE ELI COULD CLOSE MY JAW, A FLY GOT IN! THEN, I SPAT IT OUT AND GARGLED SOME MOUTHWASH!

Me: YUCK! GROSS! Looks like I wound up catching a fly in my mouth!

Nico: Gross.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: So, we've got to take down Minjo and send her to Vypra, this should be good. Plus, I literally can't believe Ophelia Shroud's back from the dead and at Morgana's hand no less.

Lincoln: But, this is also the perfect opportunity for us to exact some sweet payback on her for all of the years she'd spent trying to steal Dad's recipe book and the secret of Lisa's inventions, so that she can take over the world.

Lynn Sr.: This has been a long time coming, but now, we're gonna make that evil little monster pay for this.

Rita: That's for sure, honey, and since we got the whole family here, she's about to get a really nasty dose of karma and punishment Loud House Style.

Nico: (GULPS) I don't like the sound of that.

Me: This should be really really good. Besides, messing with any of The Louds is basically the same as getting a death sentence, and many of the jerks wound up getting that punishment.

Sebastian Mendez: Including me because of that little attack on Acme Acres and I didn't know that Lincoln and his Guardian Angels were there, and because of that, I wound up on the top of the list.

Qin: On top of the list of their irredeemable enemies who are going to be killed the next time they see you, I can guess you had to slink into the shadows and stay there to avoid getting spotted.

Plucky Duck: That's right, you had to slink into the shadows, duck into the alleys, hide in abandoned buildings, you were a wanted man to be hunted down and shot down in the streets.

BLAM!

SEBASTIAN HIT PLUCKY DUCK ON THE HEAD WITH A BASEBALL BAT AND HE HAD A LUMP ON HIS HEAD!

Buster Bunny: That's for trying to rile him up, Feather Face.

Nico: Sheesh, I guess even after nine years, you still know how to hold a grudge against Sebastian.

Qin: And you've riled him up so badly, he just reacts in the most negative way possible. I need to know the full story about this whole alliance between you guys and The Z-Fighters and of how you guys had constantly driven Sebastian out after defeating him and The Z-Fighters' old enemies.

Buster Bunny: Trust us, Qin, you'll love hearing about it, same with you and your friends, Nico, and the rest of the team as well.

Me: I've been wanting to ask about that.

Lincoln: Same here, despite that I didn't take action against them on that day when we went to Acme Acres.

Hymeno: I heard about how you all battled Minjo and Shroud before.

Itachi: I told Gira and everyone here about all our adventures over the last 8 years and it was amazing.

Me: I had a feeling Itachi.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms,

and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're

even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Nightmare Maestro Minjo) AHA! There you are, you nightmare causing varmint! I just spotted Nightmare Maestro Minjo, she's 20 yards away, and she's fighting someone. (Sensed Ophelia Shroud) And I just spotted Ophelia Shroud coming right for us.

Nico: Let's tear Minjo apart and send her straight to Vypra.

Me: And we're gonna tear Ophelia Shroud into a million pieces and make sure that insane evil genius lies dead in a pool of her own blood.

Taylor heard a Pokémon cry.

Taylor: Hey look here!

We saw a Tepig.

Me: Cool a Tepig!

Taylor: Poor thing is hungry.

Tepig: I sure am. Got any chili peppers?

Me: I think I can help with that.

I gave a bunch of Carolina Reaper Peppers. She ate them and they were good and then...

LOUD BELCH!

She belched fire into Nico's face!

Nico: Ha ha. Very funny

Me: Well I was expecting you to cough out smoke and ash.

Nico: Sorry.

Tepig: But those were good.

Taylor: Want to come with us?

Tepig: Sure!

Me: Cool!

Lola: Look!

We saw a Cobalion!

Me: Cool! Cobalion!

Nico: What's that doing here?

Me: No idea but it's fitting for Chikyu because it's one of the legendary Swords of Justice.

Lola: I agree.

Apple Bloom: Lets see here.

She used Telepathy and then gasped!

Apple Bloom: Oh my stars! That's Wolf Moon Bloom!

Applejack: What in tarnation! Wolf Moon Bloom is here!?

Apple Star: This is a surprise!

Big Mac: Eeyup!

Nico: Another one of your sisters?

Applejack: Yeah! She is amazing too!

Me: Lets go help her!

We went to help her.

Apple Bloom: Wolf Moon! It's me! Apple Bloom!

All she did was use Sacred Sword.

She formed a powerful blue energy sword and I blocked the strike from it.

Me: WHOA! that is powerful!

Apple Bloom: Yeah!

Me and Cobalion clashed all over with it.

CLASH CLASH CLASH CLASH CLASH CLASH!

Nico: Wow! J.D. is putting up a good fight! Not bad!

Qin: Yeah!

Me and Apple Bloom fired waves of lightning and blasted her.

I then snapped my fingers and she reverted back and was a girl with blue hair, yellow eyes, blue wolf ears and a tail, blue angel wings and had Cobalion in the middle of her forehead and had a blue version of Apple Bloom's Cutie Mark on her arm.

I wrapped her in a blanket and we brought her over.

Me: Wow! This one put up a great sword fight.

Nico: Sure did.

She groaned.

She woke up.

Apple Bloom: Wolf Moon? Are you okay?

Wolf Moon Bloom: Apple Bloom? (Gasp) Apple Bloom? Wow! You grew into a big girl.

She hugged her.

Wolf Moon Bloom: You were just a little one when I left the farm.

Apple Bloom: I sure have.

Wolf Moon Bloom: Applejack, Apple Star, Big Mac. Awesome to see you again.

Applejack: Boy howdy same to you Wolf Moon.

Big Mac: Eeyup.

Apple Star: You're looking great.

Me: You were turned into a Cobalion by Dark Gale.

Wolf Moon Bloom: Whoa! And fitting for me because Cobalion is one of my favorite Pokemon.

She was in a dark blue suit and injected and then she busted out and turned into Cobalion and ran.

Wolf Moon Bloom: It was awful.

Me: I promise we will kill Dark Gale soon.

Qin: Yeah.

Wolf Moon Bloom: I will gladly help you all. For the Honor and Glory of Princess Celestia and Luna you have the support and services of the Swords of the Full Moons Justice.

Me: The Swords of the Full Moons Justice?

Wolf Moon Bloom: It's a group I founded. It's like the legendary Three Musketeers except we represent the moons of the year. I represent the January Full Moon, the Wolf Moon.

Me: Wow! And I have a feeling you have an awesome oath too.

Wolf Moon Bloom: We sure do.

Me: Cool! Me and my friends in 150,000 years formed a similar group called the Knights of The New Fire and we are like the 3 Musketeers too.

Wolf Moon Bloom: That's awesome.

Princess Celestia: The Swords of the Full Moons Justice are mine and Luna's elite warriors and they defend all of Equestria from the most dangerous threats that plague it.

Me: Wow! Just like the Three Musketeers under the Service of King Louis XIII.

Wolf Moon Bloom: Very much like it.

Nico: Your role in Sonya's team?

Wolf Moon Bloom: Me and my teammates of the Swords of the Full Moons Justice are the Swordmasters and moonlight masters of the team and we blast and slash our enemies. Outside the team we teach swordsmanship and protect the cities and countries from all threats like we do in our duties as the Swords of The Full Moons Justice.

Me: Wow! That is amazing!

Nico: Nice!

Me: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome blue clothes and a moon sword.

Wolf Moon Bloom: Wow I look great!

Me: You sure do.

Nico: Let's keep going.

Me: Right.

We then took off into the air and we set out to take down Nightmare Maestro Minjo and send her to The Masters of Evil and send Ophelia Shroud to the warp after we deal unto her total payback and punishment for all of her crimes against Lincoln, his family, the state of Michigan, and the entire world.

We were flying in the air. And then we saw something.

Me: Look!

We saw a forest and in the middle of the forest was castle tower and it was on an island surrounded by a HUGE LAKE OF MOLTEN LAVA!

Qin: Whoa! The castle tower is in the middle of a lake of Molten Lava.

Nico: WHEW! That's Hot!

?: HELP ME! OVER HERE!

Nico: There she is!

We flew over to her.

Me: Are you the princess of the Chōmoeruhane kingdom?

Alexandra Papillon: I am. Alexandra Papillon, Princess of the Chōmoeruhane kingdom.

Me: An honor to meet you your highness. Team Loud Phoenix Storm.

Alexandra Papillon: The Legendary mighty heroes of the universe! I've heard so much about you. It's an honor.

Me: Same here. We'll get you out of here.

Alexandra Papillon: Thank you. And Hymeno it's good to see you again.

Hymeno: You too Alexandra.

Me: Stand back.

I fired a blast of energy and blasted a hole that made an opening in the tower.

She flew out and was flying with Fire Butterfly Wings.

Alexandra Papillon: Wow! Thank you!

Hymeno: There's also an enemy here we need to defeat.

Rarity: An enemy of mine actually.

Me: Long story.

Eli: I sense her. That way.

He pointed to the middle of a meadow clearing in the forest.

Me: Lets go.

We were flying in the air, and we spotted our target: Nightmare Maestro Minjo!

Lincoln: There's Minjo!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit Nightmare Maestro Minjo and that pissed her off greatly as we landed.

Rarity: You've got some nerve showing your face here again, Minjo. You really are a repulsive evil and truly twisted monster.

Nightmare Maestro Minjo: I despise you so much, you ruined all of my plans!

Our energy auras flared up extremely as we gained a massive power boost.

Me: And thank you for the power boost, you evil psycho.

Nico: I guess two years in The Black Gates had made her even worse than before.

Lincoln: That's an understatement.

Me: That is for sure!

Lincoln: That's an understatement. Two years in The Black Gates has destroyed her mind and all she desires is revenge on us.

?: IF ANYONE IS GOING TO HAVE REVENGE ON ALL OF YOU, IT'S ME! YOU DESTROYED ALL OF MY PLANS TO STEAL LYNN SR.'S RECIPE BOOK AND THE SECRETS OF LISA'S INVENTIONS SO THAT I CAN RULE THE WORLD!

Lincoln: Oh great, I knew there was no mistaking that obnoxious voice from anywhere, when are you ever going to learn, Ophelia Shroud.

We then saw our secondary target: our old enemy, Ophelia Shroud, and she had a massive army of hulking monsters and the two years she spent in The Black Gates made her even more insane than ever.

Hymeno: So She's Ophelia Shroud?

Me: Yep. She's Lisa's archnemesis. We call her a LAND VERSION of Plankton. For years she was after all of Lynn Sr.'s recipe's for years. She owned a restaurant called the Pasta Bowl and it was a restaurant that made pasta with chum. YUCK!

Hymeno: That is disgusting!

Nightmare Maestro Minjo: You dare to get in my way? I will destroy you!

Minjo fired blasts of darkness at Ophelia Shroud's monsters, but they didn't have a single scratch on them. Then, one of them grabbed Minjo and was strangling her while Ophelia Shroud was laughing like a truly insane lunatic: SHE WAS TRYING TO KILL MINJO!

Natilee: As much as I hate Minjo for what she did, I despise Ophelia Shroud even more.

Lincoln: Same here. Besides, Ophelia Shroud has and always will be nothing more than a threat to all in her path, time to get rid of her monsters.

Lincoln ran at the extremely massive army of hulking muscular monsters and he turned the tips of his wolf tails into Cell's stingers and he stabbed them one by one into their chests and began absorbing them and he assimilated their massive muscle mass and massive physical superhuman strength and agility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when he was done, nothing was left of them, and finally, he moved onto the last one that was strangling Nightmare Maestro Minjo, he punched the beast so hard, he let go of Minjo who flew back and the force of the punch caused Ophelia Shroud to fall off and she landed on the ground, and then, he stabbed his Cell stingers into the beast's back, and he began absorbing him and assimilated his massive muscle mass and massive physical superhuman strength and agility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the beast, and that made Ophelia Shroud beyond super mega angry at us.

Ophelia Shroud: DAMN YOU! DAMN YOU! IF YOU HADN'T GOTTEN IN MY WAY, I'D HAVE THE WORLD AND EVERY LAST LIVING SIMPLETON ON IT SCREAMING FOR THE SAFETY OF THEIR MOMMIES!

Lincoln: (CRACKS KNUCKLES) Ophelia Shroud, I've had it up to hear with you for the very last time. You've caused us more than enough trouble with all of your schemes, but I can already tell you this: you're never getting your grubby little hands on Dad's recipe book or the secret of Lisa's inventions ever again, this time, we're going to put an end to you once and for all, and this time, you are never ever coming back!

Lisa Loud: I concur. You've had this coming for so many years, Ophelia, I always knew your schemes would result in your mind forever deteriorating so much, you would eventually become only driven by your obsessions and you would never know when to give up. And quite frankly, we're sick and tired of all of your shenanigans and always giving us trouble, this time, we're going to put you down once and for all, and this time, you're never coming back.

Me: UH OH!

Lincoln grabbed Ophelia Shroud by the collar of her shirt and he made The Sushimaker appear, and then, he tossed her in, and what followed was her screaming in so much pain and terror and we saw the horrors of what she was forced into in The Sushimaker and it's so graphic, we can't even begin to describe it! But, when it was done, Ophelia Shroud was mangled up and beaten up, and she had tons of broken bones, missing teeth, black eyes, broken eardrums, and she looked really horrific!

Me: OH! OH! OH, NOW, THAT'S PLAIN NASTY!

Nico: Jeez, so the whole Loud Family really despised her that much! Brutal!

Ophelia Shroud: Ouch!

Qin: You know what they say, Ophelia Shroud, karma's a bitch!

Lincoln: And here's where it all ends for you.

Lincoln sprouted out a tentacle with a leech sucker on the tip from his back and it latched onto her bald head, and then, he began sucking out her brain and absorbing every last bit of her intelligence and he was gaining a massive intelligence boost, and when it was done and the tentacle went back into him, Ophelia Shroud was left as a brainless monkey, but that move also sucked out her lifeforce and killed her, and Lincoln banished her soul to The Warp till later. Lincoln: That's right, you caused enough mayhem for the last time. This is where it ends for you, and it'll also serve as a message to Emperor Yodon who's also returned, telling him that we'll be coming for him and we'll make him pay for everything he's done.

Lincoln, Robin Hood, Rayman, Charlotte Birmingham, Valeria Cenozoica, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Nightmare Maestro Minjo, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, orange, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Nightmare Maestro Minjo and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Charlotte Birmingham and Valeria Cenozoica did the same by firing orange, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Robin Hood, Charlotte Birmingham, Valeria Cenozoica, Rayman, Crash Bandicoot, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and this was making Nightmare Maestro Minjo even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Nightmare Maestro Minjo, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Nightmare Maestro Minjo, this is where your reign of terror ends here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Nightmare Maestro Minjo.

Me: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done to every last innocent soul and in the name of Yodonheim, you deserve no forgiveness for your crimes, Minjo.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into Nightmare Maestro Minjo's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind her then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your pathetic life comes to an end.

Lincoln and I attacked her with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL, YOU VILE WITCH!

Lincoln and I did one final powerful energy slash that hit Nightmare Maestro Minjo hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Nightmare Maestro Minjo was on her last legs and she was really really mangled.

Nightmare Maestro Minjo: (Weakly) You! You! I ain't done fighting yet! I will not stop until all of you are finally dead and Yodonheim reigns supreme over this planet!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Yeah, right. Look at you, we mangled you up, and you still want to fight. Seriously? Please.

Lincoln went up to his face and flicked his left pointer finger at Nightmare Maestro Minjo's forehead and knocked her down on her back. Then, he tied Nightmare Maestro Minjo up in a rainbow, white, golden yellow, and blue straitjacket and threw her in a portal that led to The M.O.E. where Vypra was waiting.

Lynn: AND SHE'S OUT!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty-five orange planets orbiting around the legs and twenty-five smaller orange planets orbiting around the waists, eleven massive and long orange wolf tails, smaller planets orbiting around the fingers like rings, medium sized orange planets orbiting around the wrists and ankles and massive orange angel wings and nine sets of large colored angel wings underneath the colored angel wings of Charlotte Birmingham and Valeria Cenozoica are permanent.

Rarity: That'll teach that nightmare causing witch!

Juru: She deserved it, and is what you said true, Lincoln?

Lincoln: Yes, it is, Juru, there's no doubt about it.

Me: Hmm, we've yet to find out if Anti-Monitor was the one who brought him back, but from what we'd seen, there's no doubt that the enemies from the Ambassador missions from the past three years have returned, but we're going to be ready for all of them.

Lincoln: That's for sure, in fact, I've been battling clones of them in my dreams, and after I defeated them, I absorbed them and assimilated all of their powers, abilities, and skills. Watch this.

Lincoln used Master Xandred's powers and fired symbols that bound a thug, so he couldn't escape and he cut him down.

Me: That's right, you'd absorbed the clones of The Power Rangers' many enemies in preparation for the battle against Rita Repulsa and Lord Zedd last year and gained their powers, skills, and abilities and you also absorbed the clones of The Kamen Riders' enemies as well and gained not only their powers, skills, and abilities, but also, the Legend Items associated with them.

Nico: I still remember that all too well.

Eli: And it's not just the enemies from the Ambassador Missions, but of course, the enemies that we'd killed before the showdown with Team Dark Phoenix Storm and from the early days of the team who also returned as well.

Luna: There's that too.

Lori: For my big day Ambassador mission, there's no shortage to my enemies: Dark Lori for starters, but there's also Rasputin and Jonathan Crane A.K.A. Scarecrow. But, I'm hoping we literally face Dark Lori for that day, I definitely want to hear what you got to say about her, Lincoln.

Nico: She's right, that rant you used on Dark Lynn was genius! I can't wait to see what you got for that control freak.

Laney: Same here. After all the crap she's put Lincoln and all of us through, I think it's time someone took her down a peg or three and remove that 40 ft-stick she has up her butt and shove a chainsaw through it.

Luna: And after all the pranking nightmares that Dark Luan gave us, I think it's time someone gave her the punishment of a lifetime for her madness.

Lana: And after everything that blackmailing rampaging pageant she-demon has caused, I think it's time someone tarnished her name and turn it into nothing but mud.

Lily: And after everything that heartless mad scientist has done in using us and everyone around her as test subjects, I think it's high-time someone ended her entire science career and send her straight to Hell for good.

Qin: Jeez.

Nico: I saw how abhorrently toxic Dark Lori was towards Lincoln, and I absolutely hated that bitch, same with that stupid gorilla, Dark Lynn, along with that rampaging sociopathic pageant she-demon, Dark Lola.

Me: And I've seen how deplorable Dark Luan and Dark Lisa were towards Lincoln and everyone here, whatever Lincoln has in store for Dark Lori, Dark Lola, Dark Lisa, and Dark Luan, I hope their ears wind up bleeding and they wind up foaming at the mouth like the rabid animals they truly are.

Nico: Well, Hymeno, we have to go back home now. But we'll be back later.

Me: Yeah.

Alexandra Papillon: I'll go too as well.

Hymeno: We'll see you soon Alexandra.

They hugged.

We went back to the ship and headed back home.

Me: WOW! That was intense.

Nico: It sure was! Well done Tepig!

Tepig: Thanks Nico. Got any beer?

Poromon: Here you go!

He gave her one and she drank it.

Tepig: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

She got drunk.

Poliwag: Sing the ABCs!

Tepig: (Singing, Belching and farting) ABCDJFNWMKFJWMDMDJFMENF!

WE LAUGHED!

Nico: Oh, Drill Man, what do you like to do in your free time?

Drill Man: I work as a miner in a diamond mine. I drill for diamonds.

Me: Cool!

Alexandra Papillon: Wow! That is cool!

Drill Man: It sure is.

Me: We'll gladly teach you all about Earth too Alexandra.

Alexandra Papillon: Looking forward to it.

Chazz: I've been thinking. What's the harm in upgrading Duel Academy?

Me: I was thinking the same thing Chazz. I do have some plans for it.

Qin: Cool!

Nico: Looking forward to seeing it.

Camie: Me too.

Alexandra Papillon: Yeah!

Nico: Anything else we need to talk about?

We looked around.

Me: Hmm. Not that I know of.

Most of us shook our heads for no.

Nico: No?

Lola: Nope.

Me: Okay.

Nico: Now for the Anothers.

Me: To the gym!

We went to the Gym.

Eli: We got Another Slash Beast, Robin, Carcass, Scarab Undead, The Nun, Lava Monster and Sergeant Tread

We gasped!

Me: WHOA!

Robin: Another me!? Whoa!

Me: So Drill Man, Drillroid, Elemental HERO Grand Neos, Jonah Hex, Liz Sherman and Hellboy.

Nico: Yep.

Eli: I sense the Another Carcass, Scarab Undead, The Nun, Lava Monster and Sergeant Tread are all individual people.

Me: Wow! Easy.

Nico: There they are!

Out came Another Carcass, Scarab Undead, The Nun, Lava Monster and Sergeant Tread

Me: WHOA!

Qin: Awesome!

Another Carcass: (In a girls voice) I have a feeling this will be good.

They each reverted back and were the gene-slammers of Sanga of the Thunder, Kazejin, Suijin, Honoujin and Kagejin!

Nico: (GASP) Kira Kage, Sang Raijin, Kelly Kazejin, Silica Suijin and Hayley Houou!

Me: WHOA! The gene-slammers Sanga of the Thunder, Kazejin, Suijin, Honoujin and Kagejin!

Kelly Kazejin: That's right and also we're the daughters of the Gods of the Elements in Japanese Myth.

Camie: WHOA! That is cool!

Lola: Yeah!

Hayley Houou: It sure is and we are Nico's friends from Japan.

Qin: Awesome!

Me: By the way girls are the Another Slash Beast and Robin friendly or hostile?

Hayley Houou: Friendly and they are cool.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: (Turns Dial) Time for backup! MONKEY FURY 6!

She summoned Large Evil Demon Monkeys (Temple Run 2), Spider antiki monster tikiraidas, Wyvern (Sonic Frontiers) (X-Squad Universe), Jirai Gumo, Idmon and Arachne!

Qin: Oh yeah!

Nico: And now, we wait

But then...

KRASPLAT!

Nico got hit in the face with a pie!

Nico: HEY! (Slurps) Yummy chocolate vanilla swirl. OKAY WHO IS THE WISEASS!?

Silica Suijin: We forgot to mention that the Another Robin is a prankster.

Me: Oh boy.

Silica Suijin: But you're going to get a big shock on who she is related to.

Nico: Duly noted

Then out came Another Slash Beast and Robin!

Another Slash Beast: (In a girls voice) Sorry about that guys.

She reverted back and was the gene-slammer of Tsuchijin!

Nico: Trina Dojin!

Trina Dojin: Awesome to see you again Nico.

Me: Wow! Tsuchijin's gene-slammer! Then that must make you the daughter of Dojin right?

Trina Dojin: That's right. An honor to meet you guys.

Me: Same here.

Nico: Trina is a master of earth and knows how to use the powers of earth. And she is an amazing digger and fighter.

Slash Beast: That is for sure! Awesome.

Me: Yep.

But then the Another Robin was laughing like a REALLY FUCKED UP LUNATIC!

Nico: Who's your friend?

Me: Wait! I know that fucked up laughter anywhere! Is that the Joker!?

Another Robin: (In a girls voice) (LAUGHS INSANELY) NO! IT'S SOMEONE THAT IS FIGHTING HIM INSIDE ME!

She reverted back and was a girl with black hair and one eye that was blue and the other was Red and had the grin of the Joker and had black clothes and had red angel wings.

Robin: (GASP) Charlotte Napier!?

Me: Charlotte Napier!? Wait she's... (GASP) YOU GOT TO BE FUCKING KIDDING ME!? SHE'S THE DAUGHTER OF THE JOKER!?

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Robin: But she's not like that psycho!

Nico put his skeleton back.

Nico: Now it happened to me but I still hate it when that happens. BUT WHAT THE FUCK!? The Joker doesn't have any children!

Robin: Right but this one was made because of Dr. Hugo Strange!

Me: Dr. Hugo Strange!? We haven't faced him before. But I didn't think Genetic Manipulation would be his strongsuit.

Robin: I was shocked myself. but believe it or not, He made her from the Joker's blood and she was fighting this evil monster inside her ever since I found her. It was the last mission I had before I became the leader of the Teen Titans after moving to Jump City.

Me: Whoa!

Charlotte Napier: (GRUNTS) I hate my father inside me. I have this mysterious power to make people insane just by looking at them.

Me: The Cthulhu Glare! I've seen that power before. But wait I just remembered. We have Hugo Strange in the M.O.E. He must've been trying to use the Joker's insanity for good. That is a disaster waiting to happen.

Camie: Yeah!

Charlotte Napier: I agree. But it's hard to control.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (Gets out Battle Fever gear) Because we can grant it instead

Kaito and Zocks got weapons from said gears.

Trina Dojin: No he didn't because he was afraid of me and Charlotte.

Me: No surprises there. But I do have this.

I fired a beam of light and formed a seal on Charlotte to lock her Joker insanity in her.

Charlotte Napier: Thank you.

She fainted.

Me: She's just happy and relieved.

I brought her over to us.

Sougo (gets out Denziman Ridewatch): Sooner or later, your father's getting his just desserts!

Geiz (Gets out Battle Fever Ridewatch): Though we DID fight a future version of him

Sougo got DenziRedArmor while Geiz got BattleJapanArmor

Me: It's true we did.

Trini Dojin: I can tell.

Lincoln: Lets separate you girls first.

We did so.

Me: Here we go.

Nico: (Gets out Slash Beast's Ridewatch) Time to slash and claw!

May: (Gets out Scarab Undead's Ridewatch) These bugs are hungry!

Maria: (Gets out Lava Monster's Ridewatch) COME TO ME!

Drillroid: (Gets out Carcass's ridewatch) Time for some rotting flesh

They used the powers of Slash Beast, Carcass, Scarab Undead, The Nun, Lava Monster and Sergeant Tread and blasted the Anothers.

Me: Take that!

Then Dekotrade, Itasha, Gamera Monster, Strong Bear, Pyodor and Deadshot came.

Me: WHOA!

Nico: Wait two of the Boonboomgers Monsters are in the M.O.E.?

Dekotrade: Yep. Vypra has been busy. After we were defeated by the Boonboomgers, Vypra gave us a much better job.

Me: Cool! John Stewart's team is up next.

John Stewart: It sure is.

Me: Yep.

?: That is awesome.

Out came ANUBISMON!

Me: Whoa! Anubismon!

Nico: WHOA!

Anubismon: (In a girls voice) It will be fun though.

Nico: Aisha Anubis! Wow!

She reverted back and was a girl with black hair, purple eyes, yellow and black clothes, gold angel wings and had the eye of Anubis in the middle of her forehead and she had Anubismon on her shirt and skirt and had the Pyramid of Light around her neck and also had an Egyptian Sword in her hand.

Aisha Anubis: Awesome to see you again Nico. I got this. (Speaks incantation in ancient Egyptian)

She fired a beam of magic and blasted the Anothers with Dark energy balls and blasted them and I caught the ridewatches and purified them.

Me: WHOA! That was powerful!

Xenia: YEAH!

Me: Wait is that the Pyramid of Light?

Aisha Anubis: That's right. And also I am the direct descendant of the evil sorcerer and Egyptian Lord of The Dead, Anubis.

WE GASPED!

Me: WHOA!

Yugi: Anubis was a very dangerous adversary back 5,000 years ago!

Eli: Yeah! And he almost destroyed the world!

Aisha Anubis: I know and I have all of his powers and more. I have all the powers of the Shadow Games flowing in me. I am going to use them all for good.

Me: That's a very dangerous risk. Especially after all the chaos they unleashed centuries ago.

Aisha Anubis: I know.

Nico: Yeah.

Drillroid: Do you have any good memories of Nico?

Aisha Anubis: I sure do. When me and Nico discovered more about my ancestor's origins and more.

Me: Your ancestor put up one helluva fight.

Carly Atlas: I remember that! That was brutal and dangerous. We had to stop him from destroying everything.

Nico: That was intense.

Lola: Yep.

Nico and Aisha hugged.

Nico: I've missed you.

Aisha Anubis: Same here..

We went back home.

This time, it's personal for all of us, we're going to destroy Reverend Henry Kane and his followers once and for all, and we're going to banish him and his followers to The Black Abyss once and for all, and we'll make sure they will never hurt Carol Anne and her family ever again.

Carol Anne and her family are also with us to help get rid of Henry Kane once and for all.

Lincoln: Ah, we're here in Cuesta Verde, California, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news: just as we'd found out yesterday, our old enemy, Reverend Henry Kane, the insane evil 19th century Satanic priest and malevolent spirit has come back from The Warp and he's still after Carol Anne and her family, and even worse, he came back thanks to the black magic of Morgana Midnight Sparkle.

Me: Just as your dream and the sudden arrival of Carol Anne and her family yesterday told us. I had a feeling that madman would return.

Nico: And Carol Anne and her family coming to us yesterday and Lincoln's dream today confirmed it.

Kengo: You told me all about Henry Kane three years ago, and I can't just how evil and powerhungry he really is.

Lincoln: He was that evil in life and he's still evil in death, Kengo. Plus, Lucy could never forgive him for what he did in going after Carol Anne and her family, and it was there we found out about her having the eyes of a demon, and it ratted out Henry Kane before he could grab Carol Anne.

Nico: I remembered you telling me about that, and it's still that awesome that Lucy used her demon eyes to take down Henry Kane and send him off to Hell the first time.

Me: Yep. Now, we're going to make absolutely sure that Henry Kane and his followers are sent to The Black Abyss forever.

Drill Man: You still got the spear, right, Lincoln?

Lincoln: Yep, and with the spell I used to enchant it even further, Henry Kane and his followers stand no chance. Now, we need to get going to the former home of The Freelings, I sensed Kane's presence there along with his followers.

Lucy: And it'll be where he meets his eternal end once and for all.

Luan: We better get going, there's no telling when Kane's going to come after Carol Anne.

Lincoln: Right.

Suddenly, Lincoln felt another presence heading for us: it was Demogorge the God-Devourer, the separate form of Atum, and he was back for revenge, and Lincoln saw that Morgana brought him back.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into Demogorge the God-Devourer and he began absorbing him and he and all of us assimilated Demogorge's Absorption and Transformation, Superhuman Strength, Superhuman Stamina, Superhuman Durability, Superhuman Agility, Superhuman Reflexes, Regenerative Healing Factor, Virtual Immortality added to his True Immortality, Flight, and Energy Manipulation, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Demogorge, and he drained his soul of all his energy and the energy of all the Gods he'd devoured in the past, and he'd banished him to The Black Abyss.

Lincoln: Nice try, Morgana. Alright, let's get going.

We then got a move on to stop Henry Kane and send him straight to The Black Abyss forever, along with his followers.

Suddenly, we saw a massive army of demons flying in the skies and they left an amazing wave of hellfire and darkness, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, blood red eyes, massive black angel wings, white short-sleeved blouse with a demon on it and on her forehead, red sleeveless crop top, black skirt, black knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, hellfire, demons, devils, phoenixes, and angels on the coattails, and on the back is the demon, she has a fire greatsword and with her is the six girls.

Lincoln: (GASPS) Demona Demon, Avatar of Lucifer, The Demon Princes, The Demons, and The Devils.

Demona Demon: That's right, and I got the girls away from Kane, he's still out to capture Carol Anne.

Lincoln: It's time. We need to confront him at once. (Sensed Kane) He's at the cavern where he and his cult died.

We teleported to the cavern where Kane moved to, and then, we saw Henry Kane appear and he was enraged.

Lucy: Henry Kane.

Henry Kane: Give me Carol Anne! You are all going to die!

Lincoln: Not a chance. RAINBOW FIRESTORM STARDUST DIVINER!

Lincoln fired a powerful rainbow fire version of The Stardust Diviner, and the blast hit Henry Kane and exploded, and the positive energy was so powerful, it burned him, and then, he let out a malevolent roar and he transformed into The Beast.

Lucy: Any form of positive energy used against him will transform him into his true form, The Beast. Excellent move.

Me: Nice one.

The Beast roared at us and he summoned his followers who turned into demons and they all tried to grab Carol Anne and drain her of her life force, but we fired very powerful rainbow fire blasts that hit The Beast, and he roared with pure anger and he was burned so badly.

Then, Lincoln summoned the enchanted spear that he used the last time Henry Kane returned and the spear's head was glowing with rainbow, white, golden yellow, and blue energy and the tons of positive energy flowing through the spear grew even stronger. Then, Lincoln threw it, and the spear pierced Henry Kane through his black heart and it not only destroyed the powerhungry evil, but it also destroyed the dark energy that he had inside him and he and his followers screamed in agonizing pain, and Henry Kane's evil spirit along with the spirits of his followers were sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down, and we were back in California.

Lincoln: It's finally over.

Lucy: Yes. I felt it, Henry Kane's presence is finally gone, along with the spirits of his followers.

Me: Henry Kane lived for far too long, and now, he's finally gone.

Lincoln: Good riddance to that monster, may he never return. (To Demona Demon) And it's so good to see you again, Demona.

Demona Demon: You too, Lincoln, it's been seven years since we last met.

Suddenly, Demona Demon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Demona Demon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Demona Demon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Demona Demon and hugged her, and Demona Demon is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Demona Demon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs

Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Demona Demon, Avatar of Lucifer, The Demon Princes, The Demons, and The Devils, she's Lincoln's Guardian Angel and she's known as The Demon Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Demona is a powerful master of the powers of darkness, hellfire, and all forms of dark magic, black magic, demonic magic, and Satanic Magic, and she's also known for her mastery of the powers of The Demon Princes, The Demons, and Devils of Hell. She lived eons ago during a time of darkness after Lucifer's rebellion, and over time, as she grew, she gained all of the incredible strengths and powers of The Demon Princes, The Demons and Devils of Hell, along with immortality and she also mastered the powers of Lucifer, The Demon Princes, The Demons, and Devils of Hell, and she'd fought against Lucifer and his minions and she swore to keep mankind safe from the forces of Lucifer and the Fallen Angels, and many eons later, there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, hellfire, dark magic, black magic, demonic magic, and Satanic Magic, and he also gained all of the incredible strengths and powers of Lucifer, The Demon Princes, The Demons, and The Devils of Hell, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Demons and Devils and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Demons and The Devils and be damned to Hell for eternity!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to anger her, not unless they wanted to spend eternity in Hell, and now that you're here, Demona.

Lincoln with his massive muscular arms still wrapped around Demona Demon leaned his head down first to the right side of Demona Demon's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Demona Demon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Demona Demon with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Demona Demon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Demona Demon.

Demona Demon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Demona Demon's waist, and he leaned down to her face and kissed her on the lips, and with Demona Demon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Demona Demon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Demona Demon: (In Heaven) My God. Oh, Lincoln, the six girls I rescued are...

Travis Tackett: And that's our cue to go.

The rest of us left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the six girls, and when Lincoln saw them, his wolf nose wound up gushing out blood as he saw them, the six girls are Aika Fujii, Kaori Shimazaki, Miya Suzue, Shuri

Miyamae, Yuki Yabuki, and Yura Yabuki from Idol Harem.

Lincoln: Oh whoa, it's Aika Fujii, Kaori Shimazaki, Miya Suzue, Shuri Miyamae, Yuki Yabuki, and Yura Yabuki from Idol Harem.

Nicole: No wonder Travis and the others left, the girls are extremely hot.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Aika Fujii: Yes, we're okay, thanks to you.

Then, when Aika Fujii and the other five girls saw who it was that saved them from Henry Kane, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, sturdy muzzle, and ten-pack abs, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs and wolf teeth, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary

Aika Fujii: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aika Fujii: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aika Fujii, Kaori Shimazaki, Miya Suzue, Shuri Miyamae, Yuki Yabuki, and Yura Yabuki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They came back home to The World Tree Estate.

Maria: J.D. told us everything, and we're so glad we finally got rid of Henry Kane once and for all.

Lincoln: Now, Carol Anne and her family can finally live in peace without any trouble from Henry Kane ever again.

Nico: And we finally helped Lucy end her unfinished business with Kane for good.

Me: That's right. Still, I was worried that Henry Kane would one day return, but how did Morgana pull off resurrecting Henry Kane?

King Kai: (Telepathically) That's what I've been investigating along with Lord Raiden. Morgana's dark magic can bring back those who got sent to The Black Gates or The Warp, and it's those who hadn't been brought back by Anti-Monitor, but I'd found out that Henry Kane's power managed to escape the confines of The Warp and it called out to Morgana.

Raiden: And as a result, it brought her back to Carol Anne's former home: the very place where the hauntings first began, and it led her and her minions to bring Henry Kane back from the dead along with his followers.

We gasped.

Me: So, Henry Kane was plotting his revenge from beyond The Warp.

Nico: And he used Morgana in his plan to bring him back from the dead, so he can try to capture Carol Anne once more.

Lincoln: That fiend.

Eli: Truly, there is no limit to how evil he truly is.

Lucy: He was that evil back when he was alive, and after his death, the evil in his powerhungry heart grew even stronger. But, now that he's finally gone, the souls of the afterlife can finally move on to their eternal slumber.

Caleb Maxwell: We'll keep an eye out for any malevolent poltergeists trying to finish what Kane had started.

Tucker Williams: Good idea. I won't allow any malevolent poltergeists to run free.

Me: We won't let them either.

After Lincoln and all of us finally got rid of Henry Kane and this time for good, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Demona Demon saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Demona Demon: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Demona, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Demona Demon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Demona Demon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jazz Jackson got out a video.

Jazz Jackson: Okay, guys, now you better brace yourselves for this video. This one was taken during the day while Caleb was with some friends the day after the chemistry lab incident at night and they were wanting to investigate what'd happened last night at the chemistry lab. But, of course, during the investigation, two uninvited guests would come to the university and it would lead to a chase through the campus to our precinct and a fight to survive.

Jazz Jackson put in the video and it played on the big screen, and it showed New York University in the daytime and it was very busy and it transitions to the scene of the chemistry lab where Caleb Maxwell along with four male cat students are investigating.

Past Jacob Parson: It looks like someone managed to break the lock on the fridge, but no tools have been used, and look, the blood bags have punctures: it's like they drained the bags dry of blood. Why would they do that?

Past Mark Davidson: I don't know, but this is weird.

Past Ritchie Sanders: And there's no traces of blood anywhere.

Past Jamie Davis: That's a bust, now we don't know who it was that did this.

Caleb Maxwell flashed back to what happened last night: the fight with Cage Blunt and Travis Tackett at the chemistry lab and them showing up with the video tape and they burned it for good, and he's nervous about this because only he knew the truth and he was the only one who was here last night, but he couldn't tell the truth.

Me: Whoa, Caleb, you look really nervous in this one.

Nico: And I know why, only you knew what really happened because you were there last night, but there was no way you could tell them the truth.

Marcus Mackenzie: Of course he couldn't, there's no way anyone would believe him about vampires, and their skepticism helped out greatly in keeping our true existence a secret so as not to give them a reason to panic.

Past Caleb Maxwell: Guys, we should just leave this to the police, they're professionals.

Past Jacob Parson: No way, I want to get some fame and recognition with cracking this case open.

Past Ritchie Sanders: And our girlfriends are gonna think we're so cool.

Past Caleb Maxwell: (Under his breath) Glory-seeking fools.

Past Jamie Davis: I heard that, Caleb.

Lincoln: I know they want to solve the crime, but if they do so, they're gonna come into contact with the very world that you and your family know about, Caleb.

Caleb Maxwell: They were unprepared for that world along with what I've had to deal with in the past month.

Past Mark Davidson: Well, there's no way to find out who it was that did this, but that doesn't mean we're gonna stop.

Past Caleb Maxwell: (Thinking) Damn it, those four are so stubborn, they're unprepared for the world of the vampires. I know they both saved my future, but now, those four stubborn jackasses are trying to find out the truth? This is gonna be a nightmare.

Meanwhile, in a different part of the university, four female cats were walking out of class, they were Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, the girlfriends of Jacob Parson, Mark Davidson, Ritchie Sanders, and Jamie Davis.

Past Carly Evans: Man, that was one really long Trig class.

Past Jackie Tanner: Same here.

Past Natalie Richards: I couldn't wait until class was finally over, so we can head back home.

Suddenly, the girls sensed something inside the next room and they saw the door was slightly open and Sarah Edwards grabbed the doorknob.

Past Sarah Edwards: Alright, whoever it is, this isn't funny and we're gonna...! (GASPS)

Past Caleb Maxwell: (Thinking) Come on, you four, stop this so we can leave.

BLOODCURDLING SCREAMS!

Past Jacob Parson: That sounded like Carly, Jackie, Natalie, and Sarah! Come on!

Jacob Parson, Mark Davidson, Ritchie Sanders, and Jamie Davis along with Caleb Maxwell ran out of the chemistry lab and ran to the room where the screams were heard. They saw the door was slightly open, and they all went inside, but the room was a mess. Then, Caleb Maxwell spotted something: it was Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, but they had bite marks on their necks and were really pale.

Past Caleb Maxwell: Carly, Jackie, Natalie, Sarah!

They got to the girls.

Past Jacob Parson: Hey, they don't look too good.

Past Ritchie Sanders: And look at the marks, it's like someone with fangs bit them.

Past Mark Davidson: And they match the marks on the blood bags.

Past Jamie Davis: This is really crazy. Caleb, do you know of anything about this?

Past Caleb Maxwell: No, I don't, Jamie. Why are you even asking me this? You think I have something to do with this? Well, I don't and I don't know anything about this, okay!

Jacob Parson, Mark Davidson, Ritchie Sanders, and Jamie Davis got shocked at Caleb Maxwell's angry outburst.

Me: Yikes!

Lincoln: Oh no, this meant it was only a matter of time before they found out.

Past Ritchie Sanders: I think you do know something about this, Caleb!

Ritchie Sanders grabbed a glass of water and splashed it on Caleb Maxwell's face as he screamed! BAD MOVE!

Past Caleb Maxwell: YOU CLUMSY BABOON! (DEMONIC GROWL)

Past Jacob Parson: Ritchie, what's the matter with you?! This is not the time to be a dumbass, and that was also a bad move on our part questioning you like that, Caleb, we're sorry.

Suddenly, they heard sinister laughter, and they looked around, and they saw two guys behind Caleb Maxwell: it was Cage Blunt and Travis Tackett, and they gasped in horror and Caleb's tattoo reacted and started bleeding!

Past Caleb Maxwell: Oh shit! It's them!

Past Mark Davidson: What the? Who the hell are these guys?!

Past Cage Blunt: Well, well, well, looks like we've run into four more snacks.

Past Travis Tackett: (Sees Caleb Maxwell) Along with our favorite prey.

Past Jacob Parson: Favorite prey, you mean you two have attacked him before?!

Past Caleb Maxwell: Jacob, Mark, Ritchie, Jamie, get your girlfriends and let's get out of here now!

The boys grabbed their girlfriends and they along with Caleb

Maxwell ran out of the room with those two vampires slowly pursuing them. The boys went with their girlfriends who managed to stay awake despite being bitten and had blood sucked out of them.

Past Carly Evans: Jacob! Where's Caleb?

Past Jacob Parson: (Looked around) Caleb? Oh crap, Caleb ran off somewhere else, and those two are still going after him!

Past Ritchie Sanders: Who cares! Let's leave him!

Past Jacob Parson: You moron! We're not leaving Caleb to die!

Past Jackie Tanner: Those two men are not human, they're vampires, they lured us in and we got bitten and they sucked out our blood.

Past Sarah Edwards: We overheard them say something about going after Caleb and you guys next!

Past Jamie Davis: Jacob, I hate to say this, but maybe we should leave Caleb by himself, those two guys are after him.

Suddenly, Caleb Maxwell ran to them.

Past Jacob Parson: There's Caleb!

Past Caleb Maxwell: Guys, keep running, they're right behind me.

Suddenly, they saw Cage Blunt and Travis Tackett flying after him and laughing maniacally. Then, Ritchie Sanders tried to punch Cage Blunt, but he punched him so hard in the stomach, he was sent flying to them.

Past Jamie Davis: Shit! What do we do? We can't fight them, those guys are really strong, they're monsters!

Past Caleb Maxwell: We need to warn the Dean and fast!

Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, along with Caleb Maxwell ran to the front entrance of the university and ran to the Dean's office with the chair's back pointing to them.

Past Jacob Parson: Sir, we got trouble, two men have come into the school and they attacked Carly, Jackie, Natalie, and Sarah! You need to sound the alarm and declare this an emergency!

But, what they didn't know was that a few minutes ago, The Dean ran out of the school as soon as he heard Cage Blunt and Travis Tackett coming.

"Dean": I appreciate your concern, but I wouldn't worry about that.

Suddenly, the chair swiveled around to face them, and Caleb's blood ran cold when he heard that accent, the one in the chair was Travis Tackett: it was a trap!

Past Travis Tackett: I'd be more worried about yourselves. (LAUGHING MANIACALLY)

Past Jacob Parson: Shit! It's a trap!

Past Caleb Maxwell: The Dean escaped and he left us to die!

Then, they heard another sinister laugh and turned around, and right behind them was Cage Blunt.

Past Cage Blunt: So nice of you to drop in. (Ran past them and appeared beside Travis Tackett) Why don't you guys stay a while?

Past Ritchie Sanders: W-what did you guys do to The Dean?

Past Cage Blunt: He decided to leave and get a little fresh air...leaving you all alone with us.

Past Jamie Davis: What do we do now?

Past Caleb Maxwell: I don't know. (Gasps) We need to get to the police station, come on!

They prepared to run.

Past Caleb Maxwell: Catch us if you can, bloodsuckers!

They ran out of the office and out of the university to get to the police station, but the smirks on the vampires' faces meant they weren't going to give up that easily and they left to pursue them.

Jacob Parson, Mark Davidson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, along with Caleb Maxwell were heading for the police station.

Past Natalie Richards: Why are we heading to the police station? You think the officers are going to even believe you?

Past Caleb Maxwell: I don't know anymore, okay! Stop trying to put pressure on me on a situation that's spiraled into chaos!

Past Mark Davidson: Caleb, this whole thing's literally gone straight to Hell, you either tell us what we are dealing with.

Suddenly, Mark Davidson took out his bag and he got out his gun and aimed it at Caleb Maxwell, same with Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards.

Past Caleb Maxwell: You motherfricking snake! Now, you choose to pull something out of your ass and plan a double-cross?!

Past Ritchie Sanders: Do it, Mark, get rid of this bastard for bringing this nightmare to us!

Suddenly, officers came out and were going to arrest Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards for pulling a gun out and trying to shoot Caleb Maxwell, it was lucky that he lived across from the precinct. But, before they could cuff them, Ritchie Sanders fired and the bullet hit Caleb Maxwell in the left shoulder!

Past Caleb Maxwell: (SCREAMS) You fricking snake! You shot me!

Past Ritchie Sanders: It's what you get for causing us nothing but trouble! You should've died at your brother's hands, he's a rulebreaking badass unlike you! You broke up your own family, this is all your fault!

It was right then and there that Caleb Maxwell lost it!

Past Caleb Maxwell: YOU DARE TO SAY THOSE FUCKING WORDS AT ME, YOU FRICKING SNAKES IN THE GRASS!

They flinched.

Past Caleb Maxwell: First off, the reason why my family broke up is because of Dad and Drake's dark secret being exposed and I couldn't stand Drake's violence and abuse towards me, Mom, and Allie any longer! His abuse took a nasty toll on my body and lifespan! LOOK!

Caleb Maxwell lifted up his shirt and he had bruises on his stomach and back thanks to Drake, some had healed, others had not and left a permanent scar on his body, and he truly didn't look well.

Past Caleb Maxwell: I did what I had to do in order to save my family! All I ever wanted was to create a better life for me, Allie, and Mom and not be dragged down into darkness by those pieces of crap, but you eight don't even give a damn about that! What was I to you all, a hanger-on, a fucking patsy to you? Were you all going to kill me when the time was right?! Huh?! If that's the case, I hope you all rot in Hell! I'm never ever forgiving you eight rotten sacks of shit for this blatant betrayal! Hurry up and die and get the Hell out of my sight!

Caleb Maxwell had an extremely nasty and brutal breakdown and the cops then took Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards to the precinct leaving Caleb Maxwell alone as he broke down and cried in absolute despair.

Me: Oh man...!

Lincoln: That..., what we just saw, I have no words to even describe it.

Nico: You suffered an extremely nasty and brutal breakdown thanks to that double-cross from those eight.

Caleb Maxwell: And despite that I wanted to just lay down and die, someone obviously didn't want me to do so. Isn't that right, Cage and Travis?

Caleb Maxwell was still crying in despair: he'd been betrayed and shot at by his eight former friends, and he'd lost complete control over the situation and his own emotional and physical state. But, then, he felt a hand on his right shoulder and another hand on his left shoulder: it was Cage Blunt and Travis Tackett who'd overheard everything.

Past Caleb Maxwell: You followed me once again. Why can't you just...leave me here to die?

Past Cage Blunt: (Sighs) It's obvious that you can't be let off that easily in your current state. If you did, you'll find a way to kill yourself.

Past Caleb Maxwell: Why do you even care? You two are immortal, I'm not.

Past Travis Tackett: Yes, it's true, but you, you've got a whole life ahead of you, do you truly think if you die at your own hand, you'll finally find peace. No, it won't.

Past Cage Blunt: That's right, for Travis, becoming a vampire wasn't going to make things easier for him, and for you, committing suicide will only lead to your own family suffering even more. Your own brother fell down that road to darkness on his own, his sins aren't even yours to bear, or is your own mind so riddled with darkness and despair that you can't even think straight anymore.

Caleb Maxwell just stayed silent: that proved Cage was right.

Past Travis Tackett: I think that's a yes.

Past Cage Blunt: I think it's clear you need a change, you're coming to live with us for a while since your mom and little sister are with your grandparents and relatives for a week, but first.

Cage Blunt put his pointer finger and thumb through Caleb Maxwell's shoulder and removed the bullet that was lodged in.

Past Caleb Maxwell: You...removed the bullet, but what you said just now, why would you take pity on me? I'm just a regular mortal.

Past Travis Tackett: Unfortunately, that's not true. But, you've been suffering through far too much crap, and if this doesn't end, you're gonna wind up running yourself so ragged, you'll end up in the grave.

They took Caleb Maxwell with them to their apartment, and Caleb Maxwell had to live there for the week and to help him get through this living hell they themselves caused for him and to recover from the act of betrayal.

Past Caleb Maxwell: So, this is your apartment. It's so comfortable here, it feels...nice here.

Past Cage Blunt: Thanks. But, excuse the mess.

Past Caleb Maxwell: I've seen messier thanks to cleaning out Drake's room after we kicked him and Dad out two years ago.

The video ended.

Eli: Well, that was a nice thing you two did for him.

Me: Yeah, you two were at least sober enough to take him in at least while his mom and sister were with relatives for the week.

Marlene Maxwell: It was for the funeral of my sister's husband, he passed away from a heart attack, I took Allie with me, but I also wanted to take Caleb with me too, but of course, he had classes during that time and I didn't want to disrupt his classes. But, I had no idea about this, as soon as I got the phone call from Captain Whitten, I was horrified.

Allie Maxwell: Those eight birdbrains really crossed it: they betrayed my brother and tried to kill him because of a situation that spiraled out of control and he had no control over, and on top of that, he'd suffered that kind of breakdown that would make even the Heavens cry. There was no way in Hell I'd ever forgive those sacks of dung for what they did, I wanted to go down there and beat the snot out of them.

Roxy Drake: Eventually, the whole thing became huge news: The Dean got suspended for a month and his pay was cut, but as for Mark Davidson, Jacob Parson, Ritchie Sanders, Jamie Davis, Carly Evans, Jackie Tanner, Natalie Richards, and Sarah Edwards, because of the news of what they did to Caleb and their arrest was circulated all over the university, they were immediately expelled from the university, and they spent a month in prison for it.

Jazz Jackson: And that ain't the worst part, darling. They also got disowned by their families and got kicked out of their homes, and they blamed Caleb for it so much, they wanted to take revenge on him.

Cuffs Lane: But, they couldn't because one wrong move and they're going to spend decades behind bars. But, that wasn't the end though, it got worse: those eight crossed a serious line when they had killed an innocent bystander and robbed him of his money, and the bad news: it was another cousin of Caleb Maxwell.

Jack Howard: And according to vampire law, since they're murderers, they became fugitives to be hunted down and killed, isn't that right?

James Blunt: That's right. We're allowed to do that to murderers and rapists without any fear of being punished, but mortals can't for fear of being punished by mortal law.

Marcus Mackenzie: It seems you've been looking into vampire law ever since you allowed Cage to join the NYPD. Usually, you'd have your mind wiped after that incident with Crowe, but you were willing to take a chance with him joining and you chose to bear the responsibility.

Caleb Maxwell: I'm still amazed you were taking the chance of having Cage join the NYPD, but if he's taking down criminals, I've got no complaints.

Casey Antonio: At least, he didn't go after any Syndicate thugs since they're your victims.

Caleb Maxwell: Oh really. Need I remind you he did go after one of those thugs and killed him by draining him of blood and stabbing him in the heart with his own knife, Casey.

Lincoln: So, one slipped away from you, but wound up in Cage's sight and got drained of blood and killed.

Caleb Maxwell: Unfortunately, yes. But, he was dead either way.

We got a shower, and then, Lincoln, Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade are heading to Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Kara: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Kara, and it's perfect for our first date, shall we?

Lincoln, Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kara: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade and hugged them in their abnormally massive and powerful muscular arms, and Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade are in your harem, Linky.

Kara, Lydia, Seika Kohinata, Midori Hibiki, Amy (Total Drama), Chica Cristina, Funtime Freddy Hilda, Bonbon Marcy, Funtime Chica Eva, and Shadow Bonnie Shade showed the marks Lincoln made on the right sides of their necks.

Samey: That's great that Amy is now in Lincoln's harem, and if Mom ever comes back, we're ending her once and for all.

Jenna: You guys had no trouble at all.

Kara: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the

funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the 3rd King Ohgers mission.

Nico: Captain's Log, Stardate 12371.3: The U.S.S. Valorous Phoenix is en route to Chikyu for the 3rd mission of Lana, Starfire and May and our mission is to help the King Ohgers again for another awesome and fun adventure.

Me: Boy we were there for a fun rescue.

Lola: We sure were.

Nico: Anyone else want to go with Lana, May, and Starfire? Besides Vexen, Loki, Katnappe, Lillian, Dan, and Artha?

Piper: Me and Robin will go!

Evil Green Ranger: Me, Aladdin, and Magine will come too.

Me: Okay.

Lana: The rest of my siblings will go too.

Me: Cool! Okay then.

Sheila: And I'll go as well.

Me: Okay.

Xenia: This will be awesome.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Chikyu.

Me: Cool!

Nico: Better bundle up. We're going to Rita's kingdom next.

Me: Okay.

We got our coats on and we landed and we got out and we were at the kingdom of Gokkan.

Me: So this is the kingdom of Gokkan.

Nico: Wow! It's a winter wonderland.

Laney: Sure is cold and beautiful.

Rita Kaniska: You guys made it.

Me: We sure did. Awesome kingdom you have here.

Rita Kaniska: It sure is. Come on inside.

We went into the castle and everyone was there.

Lana: Gira, meet Vexen, Loki, Katnappe, Lillian, Dan, and Artha.

Gira: Awesome to see you all and Lincoln it's great to see you and everyone again

Lincoln: You too Gira.

Sheila: This is a really amazing castle.

Rita Kaniska: It sure is.

Morphonia: Team Loud Phoenix Storm, it's an honor to meet you guys!

Me: You too Morphonia.

Alexandra Papillon: It's awesome to see the kingdom of Gokkan again.

Rita Kaniska: It sure is good to see you Alexandra.

Hymeno: Boy the rescue was fun.

Me: Glad you had fun Hymeno.

Yanma: That was awesome.

We saw a big plush toy.

Rita: This is Moffun.

Lola: (Squeals) He's so adorable.

Me: I remember Moffun. He reminded me of Marshmallow from Frozen.

Lana: (LAUGHS) Yeah that is cool.

Sheila: It sure is. Rita I noticed earlier that you and I have so much in common. We're both officers of the law.

Rita Kaniska: That I can relate to.

Drago: So this is where Chikyu's criminals are locked up

Rita Kaniska: That's right. It's a much more continent wide version of the space prisons that you have.

Me: Wow!

Rita Kaniska: Yep. Let me show you some of our prisoners.

We followed her.

Rita: It's also where Racules has chosen to stay of his own accord.

Me: I've been wanting to have a few choice words to say to him.

We arrived in the prison.

Rita Kaniska: This is the prison.

Me: Wow. I remember some of these guys. Absolute douchebags some of them were.

Nico: No shit.

We arrived at Racules' cell.

Racules: Team Loud Phoenix Storm!?

Me: Racules Hastie the Terrible.

I glared at him with piercing red eyes full of hate and bloodlust.

Me: Words can't describe how many times I wanted to kill you over and over and over again for your crimes. Regardless of it being an act.

Racules: Ok, I deserve those words. And I do regret that my whole ploy had to be done. But it was necessary for Gira to become a powerful king. In my shoes, what would you have done?

Nico: Easy, J.D.

Me: I know what I'm doing Nico. Believe me Racules, I know what it feels like to go through a ploy. When Lex Luthor made me that offer to go back in time to destroy all evil, I had to act like I was going to take it and fake like I was gonna do it. And then strike at the last second. That was an emergency situation. But yes I do know what you went through. Even though you did terrible things Racules, and it was bad. Just I just want you to know that I forgive you.

Racules: You were going to... (Realizes something) Wait what did you say?

Me: I said I forgive you. Believe me if I was still under the influence of dark orb contamination I would have just killed you without any second thoughts. But I'm not that kind of person anymore. I realize that you were just doing what was right because of a ploy and for that I forgive you.

Itachi: Like I told you before, Racules, you're not the only brother who had to fake being a villain

Me: Yeah Itachi went through the exact same thing. I can vouch for him.

Racules: I can see that. Thank you J.D.

Me: I do have a proposition for you. Would you like to join our frenemies in the M.O.E.?

Nico: Good thing you're being forgiven. Because with the way Super Warumono World's buddies are popping up, it might be time to expand the King Ohger team. And you just signed up.

Racules: I would like that.

Me: Good. And I know just the archenemy for you too, Callie Zodiac Cancer.

Nico: Nice.

Eli: Yep.

Rita opened the door and he was free.

Me: Lets put all this hatred behind us.

I held out my hand and he shook it.

Racules: For all the things I did, Itachi, I expected you to kill Me.

Itachi: Maybe the fact that we're similar is the reason I didn't

Me: Yeah.

Rita Kaniska: I'm glad. Now we have problems. I found this.

She pulled out a very all too familiar Cobra Staff.

Me: That's Jafar's Cobra Staff!

Eli: We got trouble.

We came back.

Some of Rita's guards approached us.

Rita: Guards? Is anything wrong?

They said nothing and instead pointed their weapons at us

Rita: What is the meaning of this?!

?: Allow me to explain.

A familiar enemy using hypnotism then appeared.

Jafar: As of now, Gokkan has a new ruler. (smirks evilly) Me!

Me: JAFAR! Long time no punch!

Aladdin: You cowardly snake!

Eli: Yeah!

I snapped my fingers and freed the guards.

I teleported and kicked Jafar in his face and knocked him down.

Jafar: WHAT!? What happened to you fool?

Me: You're the fool Jafar!

Jafar: If I can't have Agrabah, I'll just take this kingdom instead!

Me: Over my dead body!

I kicked him in his face and fired waves of fire and blasted him down.

Jafar: YOU'VE GOTTEN STRONGER!

Me: That's right!

I punched him in his face and kicked him in his stomach and kicked him in his face and sent him out of the palace.

We followed him.

Rita: You are obviously not alone. Who else is with you?!

Jafar: Why my dear it's her.

We saw Hilbil Leech!

Me: Hilbil Leech! I remember you!

Rita Kaniska: Not you again!

Yanma: Why are you here!?

Hilbil Leech: To claim this kingdom, of course!

Me: We'll see about that! Also why don't you go suck some disease out of a plague-ridden rat!?

BURN!

Rita: Royal Arms.

The King Ohgers, Lana, Starfire and May transformed!

Gira: Tyrant King of Shugoddam, Gira Husty! (Kuwagata Ohger) (laughing)

Yanma: Intelligent King of N'Kosopa, Yanma Gast! (Tombo Ohger) (hmph)

Hymeno: Dazzling Queen of Ishabana, Hymeno Ran! (Kamakiri Ohger) (giggle)

Rita Kaniska: Steadfast Ruler of Gokkan, Rita Kaniska! (Papillon Ohger) (screaming)

Kaguragi: Abundant Lord of Toufu, Kaguragi Dyboswki! (Hachi Ohger) (Douskoi!)

Jeramie: Rift King of the Bugnarak, Jeramie Brasieri! (Spider Kumonos) (Bang!)

Alexandra: Phoenix Queen of the Fire Butterfly Kingdom of Chōmoeruhane - Alexandra Papillon (Moeruhane Ohger)! (Phoenix Cry)

Lana: Ice Queen of the Cold Kingdom of Arendelle, Lana Loud! (Kōrimibōjin Ohger)! (Polar Bear Roar!)

Starfire: Stellar Queen of The Planet Tamaran, Starfire! (Hoshiga Ohger) (Star Twinkle)

May: Queen of The Cold Ice of Hoenn, May Chan! (Kaminariasashin Ohger) (Thunderclap!)

All: 10 kings united... to form a tale of legend! Ohsama Sentai... King-Ohger! We will rule the universe!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and there were ready!

May was a Pink Ranger, Lana was Aqua Blue and Starfire was Green!

Me: COOL!

Nico: WOW!

May: WHOA! This is awesome!

Racules: Don't forget me! ROYAL ARMS!

He transformed too!

Racules: The people are mere tools, and I am the kingdom!

Me: I remember that line.

Nico: Me too!

Eli: Lets do it!

Magine: Remember me bastard?

Jafar: Oh, I haven't forgotten you. You and your mongoose.

Magine: I got something better this time. Change Zenkai!

She transformed!

Magine: Magical Power! Zenkai Magine! ゼンカイマジーヌ

She was ready!

Me: Lets dance.

I punched Hilbil Leech in her face and kicked Jafar in his face with a powerful roundhouse kick.

Laney and Lola and Lana fired waves of ice and fire and leaves.

Lana: Top this! ICE STORM OF THE LOCUST SWARM!

She swung her sword and fired waves of ice and it formed into a deadly swarm of locusts and blasted Jafar all over the place.

Dan: Bakugan Brawl!

He summoned DRAGONOID!

Me: Oh yeah!

I fired waves of fire and blasted Jafar all over.

Me and Aladdin slashed him.

Rita and Sheila slashed and blasted Jafar all over.

Lillian got out her Lockseed.

Lillian: Taste the light!

She activated the powers of Starfruit and blasted them both.

Me: But we should thank you Jafar.

Eli: Because of you, if you haven't shown us the Cave of Wonders, I would have never gotten that ruby for Nunnally.

Me: So thanks!

POW!

I punched him down!

Eli: And this!

He fired a blast of Force Lightning and electrocuted them both.

Rita: I will cut you down like the snake you are.

Jafar: A snake, am I?

Me: Uh oh. Shouldn't have said that.

Jafar: Would you like to see how Ssssnake like I can be!

HE TURNED INTO A HUGE GIANT COBRA!

But he made a VERY TERRIBLE MISTAKE!

Me: Ha! You made a big mistake Jafar!

Jafar: What?

Me: Look around you!

He saw that he was in cold and he was getting tired and slow.

Dan got out his Lockseed.

Dan: Try this.

Dan activated the power of fire fruit and blasted them both.

Me: But lets see how you like this Jafar!

I fired a blast of magic and it hit him and then he turned into a GENIE!

Jafar: YES! YES! The power! (LAUGHS) THE ABSOLUTE POWER!

Nico: WHAT THE FUCK HAVE YOU DONE!?

Me: Trust me!

A black lamp appeared.

Jafar: THE UNIVERSE IS MINE TO COMMAND! TO CONTROL!

Me: Not so fast Jafar! Aren't you forgetting what happened the last time!?

Jafar: Huh?

Me: You wanted to be a genie, you got it!

Gold cuffs appeared on his arms!

Jafar: WHAT!?

Me: AND EVERYTHING THAT GOES WITH IT!

I held up his lamp and he got sucked in!

Jafar: NO! NOO!

Me: Phenomenal cosmic powers...

He got sucked into the lamp and was locked in it.

Me: Itty bitty living space.

Nico: You are one genius guy J.D.!

Aladdin: Couldn't have said it better myself.

Lola: Yeah! Just like in the movie!

Me: Except the Genie didn't do it. It was me.

I punched Hilbil Leech and kicked her.

Me: We'll hold on to this lamp till Loni's big day.

Eli: Good idea.

Drago: Let's put this somewhere where Loni can have his big day.

Me: I already suggested that. But first we got a job to do.

Artha got out his Lockseed.

Artha: This will be fun.

He used the power of the Dragonfruit and blasted her.

Me: Take that!

But then meteors blasted her all over.

Me: What the?

We turned and saw TERRAKION!

Me: Whoa! Terrakion!

Nico: What's that doing here?

Me: I think I know.

Sweetie Belle then came.

Sweetie Belle: I think I know why too.

She used Telepathy and gasped!

Sweetie Belle: Dioptase Angel Belle!

Me: Oh man! She must be one of the Swords of the Full Moons Justice.

Hymeno: It's a group I learned about when we met Wolf Moon Bloom.

Me: We'll tell you more later. Nico you hold off Hilbil Leech.

Nico: Right!

Me and Sweetie Belle went and faced her.

Sweetie Belle: Dioptase! It's me Sweetie Belle!

All she did was charge at her

We dodged her.

Me: Whoa! She is tough. But she is one of the legendary Swords of Justice pokemon.

Sweetie Belle: She sure is.

I fired waves of lightning and blasted her all over.

Sweetie Belle fired light blasts and smashed her all over.

I then snapped my fingers and she reverted back and was a girl with pink hair, green eyes, pink angel wings and had wolf ears and a tail and had Terrakion in the middle of her forehead and had a blue version of Sweetie Belle's cutie mark.

I wrapped her in a blanket.

Me: Whoa! Little too cold for her.

She woke up.

Dioptase Angel Belle: (Groans) What happened?

Sweetie Belle: Dioptase? Are you okay?

Dioptase Angel Belle: Sweetie Belle? Oh wow! You've grown into an amazing young lady. (Shivering) Man is it cold. Where am I?

Me: You're on the planet Chikyu. You were turned into a Terrakion by Dark Gale.

Dioptase Angel Belle: Oh Man! I remember!

She was in a red suit and was injected and turned into a Terrakion and busted out of the lair.

FLASHBACK ENDS

Dioptase Angel Belle: That was awful. But it was fitting because I love Terrakion.

Me: Wow.

Leni: Lets totes get you some new clothes first.

Dioptase Angel Belle: Good idea.

She was given pink clothes and an amazing moon sword.

Dioptase Angel Belle: Wow! I look great.

I gave her a coat too.

Dioptase Angel Belle: Like old times?

Sweetie Belle: You got it!

Dioptase and Sweetie Belle: ANGEL CRYSTAL BLAST!

They fired waves of crystal and blasted Hilbil Leech down! BUT THEN SHE WENT GIANT!

Gira: Lets summon the new zords!

Then did so and Lana's was a Locust, Starfire's was a Snow Wasp, May's was a Moth and Alexandra's was a fire butterfly! They combined and formed an amazing new King Ohger!

Me: WHOA! That is cool!

Nico: YEAH!

Hilbil Leech: No matter! (Sleepily) Hey I'm so sleepy.

We saw dust being sprinkled on her.

Hilbil Leech: Nighty night.

She fell asleep.

She was snoring.

Me: What the!? She fell asleep!

Nico: HEY WAKE UP! Sleep time is over! Buttkicking time is now!

Eli: What a rotten time to fall asleep!

Gira: Attack before she wakes up!

Me: Wait look!

We saw a girl with blue hair and she had red eyes and black clothes and black butterfly wings and had a tiara with Pesky Dust on it!

Me: (GASP) Nina Peskydust!

Nico: Pesky Dust's Embodiment! No wonder!

Nina Peskydust: (Grunt) I put her to sleep.

Me: That is clever.

Eli: It sure is.

Hymeno Ran: That was cool though.

Nina lost control and points and fires a dust beam at Evil Green Ranger

He dodged it.

I fired a beam of rainbow energy and injected the antidote.

Eli: There!

Gira: Lets attack her while she is down!

They fired waves of energy and blasts and they hit her and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Oh yeah!

Nico: Hilbil Leech you have failed this world!

Me: Now for one last thing.

Dioptase Angel Belle: Lets get her.

Evil Green Ranger charged at her and kicked her down.

He fired energy blasts and blasted her all over.

Lola: Take this!

She fired waves of fire and blasted her.

Piper charged at her And blasted her all over with fire blasts.

Aladdin fired waves of wind and blasted her.

Piper got out her Lockseed

Piper: Try this on!

She used the power of the Pepper and blasted her all over.

Me: Yeah!

Rita slashed at her

SLASH!

She knocked her down and Dioptase fired waves of light and the Antidote took effect. She had her blue eyes back.

Nina Peskydust: (Groans) What a nightmare.

Me: But you're cured.

Dioptase Angel Belle: Cool.

Nico: What's your role in Sonya's team?

Dioptase Angel Belle: Well me and my team are Swordmasters and the Moonlight masters. We are also the Swords of the Full Moons Justice. I represent the Pink Moon of April. Also outside the team I continue my duties with my sisters to serve Equestria.

Me: Cool!

Gira: Next time, you guys will see Shugoddam first. Then Toufu.

Me: Looking forward to it.

Eli: Yep.

Nico: Cool.

We went back to the ship.

Nico: Next time, Trixie, 2012 Leo, and Kouta will come.

Me: Good idea.

Kouta: Sweet!

Qin: Yeah!

We went back home.

We were later at Duel Academy.

Goku: So, what are you guys working on?

Me: You'll see in a few minutes Master Goku.

We got to Chancellor Shepherd's office and showed the blueprints.

Me: Okay here's what we have planned. It's to add many more dorms to the school. I made huge number of upgrades and expansions to the whole school after the fall of Fusion Dimension Duel Academy. Just now I made Slifer Dorm into a full fledge dorm like Obelisk Blue. We also added a bunch of new dorm colors: Exodia Orange, Anubis Black, Horakthy White, Ma'at Indigo, Sobek Green, Tefnut Aqua, Sokar Purple, Nephthys Crimson, Wadjet Gold, Horus Rainbow, Apophis Brown, Hathor Pink and Sekhmet Silver and we added a huge buffet and larger cafeteria and duel arena too.

Nico: Cool!

Qin: WOW!

Laney: That's a lot!

Chazz: Wow! Named after some of the Egyptian Gods themselves.

Me: Yep.

Bridget Brigid: How many dorms are there now?

Me: 16.

Nico: Whoa!

Bridget Brigid: Wow! That's amazing.

Xenia: It sure is.

Goku: Wow! You guys have been busy.

Me: Yep we sure have.

Chancellor Shepherd: I heard all about what happened in the Fusion Dimension and that was horrible. All that just to bring his daughter back.

Me: I know.

Demolishor: He wasn't the one who died though

Me: No he was put in prison.

Chancellor Shepherd: I was told earlier. But I'm glad you want to make all this happen too.

Me: Yes. And it'll give the chance to have more students have fun.

Freeway: And if Sartorious and the rest try to attack this place again, they're in for a shock

Me: I already thought ahead of that.

I showed more blueprints.

Me: These blueprints are for Anti-S.O.L. And Anti-Evil Duelist defense measures.

Nico: Whoa!

Me: Still working on a shorter name. But these will have electric fencing, laser turrets, missile turrets, guard towers, the works. All you have to do is press this button.

I pressed the button and the alarm sounded and then everything appeared.

Nico: WHOA! What a secure facility.

Me: Yep.

I pulled the switch and it deactivated.

Me: Only in case they show. And I have a radar system here to show when they are coming.

Camie: Clever.

Leozack: I'd like to see Sartorious try to take over Duel Academy again now!

Me: Yep and this academy is now completely impregnable.

Leni: It can't make babies!?

Lisa: Leni Impregnable means it's strong enough to not be broken into by intruders.

Leni: Oh right.

Alexis: But leave Sartorious to me

Me: You got it Alexis.

Nico: Yeah.

Qin: We're ready for him.

Nico: Well done J.D. Now Sartorious and Chazz's brothers and Nightshroud are going to have a hard time getting through all this.

Me: Yep. Security like this is now tighter than Fort Knox.

Chancellor Shepherd: Thank you so much everyone.

Me: No problem.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Daizo, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Horsea went into the fridge And got a drink.

Horsea: (Drinks soda.) (Gulping) (LOUD BELCH)

Nico: Excuse you.

Horsea: Pardon me. I needed that.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, former Tokyo Police Captain and convicted criminal, Daizo, he's on the move and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Daizo.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was our old enemy, former Tokyo Police Captain and convicted criminal, Daizo, he's on the move and he's causing havoc.

EVERYONE GASPED!

Robin: I knew Daizo would be on the move.

Nico: Perfect.

Lincoln: And just as King Kai told us, he also has a massive army of mutated cops with him that were created by injecting a massive handful of cops Sebastian kidnapped with a copy of the Titan Formula that he'd snatched from our old friend, The Joker, and Sebastian was planning to frame us all for it.

Me: But, since you removed that Rebellion Chip, that other part of the plan failed. So, where's he at, Lincoln?

Lincoln: He's back in Tokyo.

Me: Where it all began long ago.

Nico: And where it'll end once and for all, and did your tails create an antidote to get the cops back to normal?

Lincoln: You guessed it, and after we take down Daizo, we're going to then take him to trial in a courthouse in Japan and everyone had since known of his crimes, and once he's found guilty, he'll be sentenced to death.

Nico: Awesome. Alright, team, let's go, this'll be the last time we ever have to deal with Daizo.

Lincoln: This time, he's going straight to The Black Abyss for his crimes.

Nico: I have some nasty surprises in store for him too.

Me: Looking forward to it.

Camie: Yeah.

The previous group came.

Captain Boomerang: (Australian Accent) Can me, Dr. Light, Robo Blaze, Skulker, Billy Numerous, Mr. Fizz, Bonz, Dayu, MetalSeadramon and Harpymon go with you mates?

Nico: Yes you all can come with. Daizo is back.

Qin: Yep.

Billy Numerous: Oh man! I heard he caused lots of problems for you all.

Dayu: Yeah.

Rothar: Nico, which Gene Slammer do you think you'll meet next

Nico: Hmm. Candlemon next.

Me: Illuminating.

Billy Numerous: Yeah. Oh guys we need your help. Brushogun disappeared last night.

Me: Uh oh! I bet Daizo got him. He must be using him to resume what he started in the past.

Nico: Oh shit!

Girl Jordan: Me and Leeli will free him and save him from his clutches.

Nico: Okay.

Me: I'm not going to let history repeat itself! No way in hell are we going to be fugitives again!

Luan: Don't worry. With the way we exposed him when we first faced him, the people are NEVER going to believe him again.

Me: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Abaddon the Despoiler, one of the main antagonists of the Warhammer 40,000 franchise, and he's here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Hunter: (German Accent) Mein Gott, was that...?

Lincoln: It is, Hunter, the figure we saw was Abaddon the Despoiler, one of the main antagonists of the Warhammer 40,000 franchise, and he's here to destroy us.

Kali Timestream: Leave him to us, we'll take him down and you're going to absorb him, right Lincoln?

Lincoln: You got that right, Kali.

Nico: Oh man, taking on the Warmaster of Chaos, former First Captain and now Supreme Leader of the Black Legion, this is gonna be one dangerous fight. Alright, team, let's go, this is the last time we ever have to deal with Daizo.

Lincoln: After everything he's done, he's heading for a one-way trip to The Black Abyss after we get done trashing him and send him to court, and once we get done with him, you're next, Abaddon the Despoiler.

Kali Timestream: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Abaddon the Despoiler.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Tokyo, Japan to finally get rid of our old enemy, former Tokyo Police Captain and convicted criminal, Daizo, who's come back to get revenge, and once we take him down and put him through trial for his crimes and send him to The Black Abyss, Lincoln and Kali Timestream are going to destroy Abaddon the Despoiler.

We were off ot Japan.

* * *

We arrived in Japan.

Me: Here we are.

Lola: Awesome to see Japan.

Xenia: Yep.

Dr. Light: First of all, I never liked Daizo to begin with. Second, let's call Common Cold

Me: Agreed Arthur.

We called him.

Common Cold: (Sneezes) I'm here guys.

Me: Bless you.

Common Cold: Thank you.

Nico: I think I speak for all of us when we say that Daizo is of Japan's ultimate corrupt cops.

Camie: Who is Daizo?

Me: Oh right many of you don't know who he is. His name is Commande Uehara Daizo.

Viceroy: I know. He's a piece of work

Nico: He's someone that we hate with a vengeance.

I went over his history.

Police Commander Uehara Daizo is the main antagonist of Cartoon Network's fourth animated feature film Teen Titans: Trouble in Tokyo.

He resembles a parody of Lupin the 3rd character Inspector Zenigata. Daizo was originally called a hero, but in the end, it was revealed that he had captured the criminal Brushogun, who the Teen Titans arrived in Tokyo to search for, and was forcing him to use his powers to create monsters, supervillains and criminals he could capture and imprison in order to be praised as a hero. He is also Robin's second archenemy.

He was voiced by Keone Young, who also played Saico-Tek in the same film, Kai Ti Chang in Indiana Jones and the Emperor's Tomb, Silas Sinister in Return to Halloweentown, Mr. Wu in Men in Black 3, Jei in Teenage Mutant Ninja Turtles (2012) and Rumi Mori in Batman: The Enemy Within.

Daizo first appeared when he sent his troopers to capture a giant green reptilian monster named Deko-Mida. He later invites the Teen Titans to his hideout to inform them about how he and his organization operate. When Robin asks about Brushogun, Daizo laughs him off and informs him that Brushogun is actually just an urban legend.

Later in the film, Daizo arrests Robin for killing Saico-Tek (fully aware he was actually just one of Brushogun's creations and not a real person) and sent him to jail.

After a wild goose chase from chefs, girls who are in love with Beast Boy, and Brushogun's creations, the Teen Titans entered Brushogun's hideout. Daizo then revealed that he was the real mastermind and sent his troopers to attack Robin and his friends. While Daizo tried to flee, Robin confronts him, but Daizo leaped into Brushogun's magical ink vat and fused with Brushogun to turn himself into a giant ink monster. After Brushogun was freed by Robin and died from age and exhaustion, Daizo's giant ink form, along with his powers, disappeared. Daizo was then arrested for his crimes against Tokyo offscreen.

When it was done everyone that hadn't heard about it was shocked and horrified and enraged!

Camie: That fiend!

Qin: Yeah he tried to frame the Teen Titans and us for HIS Crimes and make us look like criminals!

Nico: Yep. Now the tables have turned. 2 years ago we battled him on Water Hazard's home planet and exposed him as a fraud and a fake.

Me: And freed Brushogun from would have been a fate worse than death.

Camie: Geez!

Smithers: And we might run into some of them

Me: We just might.

Camie: What is the story of Brushogun though?

Me: Well he was Tokyo's FIRST EVER supervillain.

Dr. Light: But he has a very tragic story.

Me: Yep.

I went over his history.

Brushogun was an ordinary artist during his youth, and soon fell in love with the image of a woman he had painted. He used a dark magic spell to bring his creation to life, but the spell came at a terrible price. It cursed his body, and transforms him into a paper-skinned, ink-blooded being, Brushogun. He could create minions in a variety of colors when drawing with this magical ink. With his newfound powers, Brushogun became Tokyo's first supervillain and terrorized Japan, but was eventually caught by Uehara Daizo, who sought to use his magic for his own personal gain.

The Titans came into conflict with Brushogun when his creation Saico-Tek attacked Jump City and Titans Tower. Determined to solve the mystery behind the attack, Robin and the other Titans travel to Tokyo, where they meet more creations of Brushogun but are popularly assured - particularly by Commander Uehara Daizo of the Tokyo Troopers - that Brushogun is merely an urban myth. However, shortly, the Titans find themselves under attack from more of Brushogun's creations - among them another Saico-Tek, Nya-Nya, and Mecha-Boi and are framed as enemies of the state, making them hunted fugitives.

Finally, they manage to backtrack Brushogun to a closed manga publishing house, only to find out that Brushogun is a victim himself: he has long been imprisoned by Daizo and hooked up to a giant printing press to produce more villains for Daizo to fight, so he would be worshiped as a hero; the Tokyo Troopers are also Brushogun's creations. The first Saico-Tek and various helping hands lent to Robin were actually Brushogun's calls for help to prompt the Titans into finding and freeing him.

Revealing himself as the villain he really is, Daizo orders the living ink creations to attack the Titans, but these are soon overwhelmed by the Titans; as a result, Daizo chooses to merge with Brushogun, mutating into a giant ink monster. Robin defeats the monster by pulling Brushogun out of it, causing the ink creature to revert back to Daizo. Finally released, Brushogun peacefully dies in Robin's arms, fading into nothingness. After the well-fought battle, Robin and Starfire share their true love's kiss.

When I was done everyone that hadn't heard about it was shocked!

Camie: Oh man! That is horrible.

Tsuyu: Yeah no kidding!

Lola: Yeah it sure was.

Brittney: What happened to him was the result of messing around with forces no mere mortal can understand.

Me: Dark Magic never does anything for free. There's always a terrible price.

Bonz: There always is

Me: Yep.

Nico: Well now we got to be ready for anything.

Me: Yep.

But then...

SLASH!

I got slashed in my cheek by an unseen force!

Me: OW!

I had blood drip down my face.

Me: Whoa! Something took a swipe at me!

Family Guy Penelope: Daizo knows we're here!

Lincoln: (GASP) No it's worse! I just had a premonition. This is the work of Robin's Akuma, Crowninja. The Hypothetical Akuma of Robin and a true ninja of darkness and a master of the night and the shadow. He has intensely fast lightning fast speed, reflexes and swordsmanship and even strength and agility. He was made because of Daizo framing him and turning him and the titans into criminals and vowed to kill Daizo.

WE GASPED!

He showed us a sketch and he was a black ninja with piercing red eyes and had black demon wings and was moving at incredible speed!

Me: WHOA!

Qin: WOW!

Me: Whoa! I didn't even see him!

Lola: He is that fast!?

Me: Lethal! And he looks like Shinobi from when we fought as the Brave 12.

Nico: Wow! We're going to have to be very careful with this one!

Me: If he was able to land a cut on me then he must be REALLY Fast and unpredictable.

MetalSeadramon: All that for a drop of blood

Me: Took me by surprise.

I healed my wound.

Me: Like old times huh Jack?

Samurai Jack: Yes it sure is very familiar.

Xenia: Yeah.

Me: But we've dealt with this before.

I then saw something reflecting in Nico's eye and I saw a figure coming behind me and I blocked a strike and it was CROWNINJA!

I clashed with him!

CLANG CLANG CLANG CLANG!

I ducked under a kick and dodged a punch from him and punched him and kicked him down.

Me: WHOA! You are REALLY FAST!

Nico: WHOA! He is REALLY Quick!

I clashed more with him!

CLASH CLASH CLASH CLASH CLASH!

I punched him and kicked him and sent him into a tree! He threw numerous kunai and I caught them and threw them and he dodged them.

Nico: WHOA! His speed is incredible!

Laney: I can't even see how fast they are going!

Me: LIGHT STYLE NINJA ART: CHAINS OF THE WHITE LIGHT!

I formed powerful chains of light and restrained him by his arms and legs.

Me: Whoa! This has to be the fastest Akuma we've ever encountered!

Major Ghastly: Robin? Is that you?

Crowninja: Yes it's me.

Starfire: Robin you look so amazing as a black ninja.

Me: I agree Starfire, fitting too because we're in Japan and they had a lot of ninjas here over the centuries.

Crowninja: They sure have.

Me: Your speed is incredible. You got a cut on my cheek here.

Crowninja: I sure did.

Harpymon: You need to calm down!

Crowninja: Not until Daizo is dead.

He then broke out of the chains and fled! He went to a HUGE Castle Dojo in the middle of the park.

Me: Look at that castle.

Nico: Wow! It's amazing.

Me: Let me handle this. I know his arts as well. But I know how to use the light.

I snapped my fingers and donned a white ninja outfit.

ZOOM! ZOOM ZOOM ZOOM!

I followed him with intense speed like his.

Everyone followed and we went in and the castle was amazing. It looked like a 17th Century Japanese Temple.

Nico: Wow! Nice place.

Eli: Fitting for a ninja.

I used the light and dark camouflage technique.

Crowninja came to find me. Then..

CLANG CLANG CLANG CLANG CLANG!

We clashed in light and dark and it was intense.

I clashed with him in light and he clashed with me in dark.

I kicked him and then shined a light and blinded him and kicked him into the floor!

Common Cold blasted him with snot and stuck him to the floor.

Crowninja: My turn!

He threw shuriken but I grabbed them and threw them back and pinned him.

Camie: Time for me to finish him.

She used her quirk and blasted him with nebula energy and knocked him out.

Camie: YEAH!

Lola: Wow! That was fast!

Tyrone: I thought he would've been Akumatized because of Slade.

Me: I was thinking the same thing. But Daizo did an even worse thing: Turning the Titans and Robin into wanted fugitives.

Tyrone: Good point.

Dayu: Um... guys?

We then saw a lot of pretty schoolgirls skipping towards Beast Boy.

Me: Wait aren't these girls passed curfew.

Beast Boy: Sorry ladies I'm happily married.

But then they turned into NYA NYA!

Me: WHOA! Nya Nya!

Xenia: The pink cat girls!

They kissed Beast Boy on the cheek.

Jean Bison: (sees Tara's look) Oh fuck.

Me: These girls are about to have all nine of their lives wiped out!

But then...

KRABLAM!

THEY PUNCHED HIM HARD IN HIS FACE!

Me: OKAY THAT DOES IT! I do have plans for one of them!

I fired a beam of light and it turned one of them into a girl named Miko Tezumi!

Miko Tezumi: WHOA! I'm real now!

Me: You sure are! But the rest aren't so lucky!

I fired waves of water and destroyed the rest.

Tara: MY BEAST BOY! MINE!

Mr. Fizz: We get it!

Miko Tezumi: I'm sorry Tara. I know he is spoken for but it was what Daizo wanted. To make you jealous.

Me: Miko it's okay.

Tara: Miko thank you for your honesty.

Me: Yeah.

Nico: Looks like we have you joining the Redemption Squad and the M.O.E

Camie: Awesome.

Me: Now we got to find Daizo and destroy him.

Tara held Beast Boy close to her as she hissed around her.

Anemone: Someone's guarding her territory.

Me: Tara calm down. She didn't mean any harm. Besides we got bigger fish to fry.

Camie: And save Brushogun.

Xenia: Yeah!

Billy Numerous: I never liked that Varmint either!

Me: Yeah! Billy we're going to need a massive army.

Billy Numberous: You got it!

He made 10,000 clones!

Nico: And I got a bunch of nasty surprises in store for Daizo.

Eli: He's in that printing company where we fought him before.

Me: Deja vu.

Nico: Lets go!

We went to the company where we faced him before.

We arrived.

Me: Here we are.

Exhaust: Entrance time!

We went at the building!

Daizo was infuriated.

But then the spirits of the Teen Titans appeared and then swirled around him and then converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and fireballs rained down from it and burned much of the paper. Then a Phoenix Cry was heard and we came out.

Nico: Hello Daizo. Miss us?

Me: You've got some nerve showing your face here again, Daizo.

Nico: I would've thought we were finally rid of you for good, but thanks to Anti-Monitor bringing you back and Sebastian's act of madness due to Billie Muldoon, looks like we've got to take you down once again, and since everyone already knew of your crimes, we're still taking you to trial and you're going to be punished by the very law you broke.

Daizo: (Japanese Accent) We'll see about that. ATTACK!

We then saw the massive army of hulking mutated cops created by injecting the massive handful of cops Sebastian kidnapped with a copy of the Titan Formula that he'd snatched from our old friend, The Joker, coming after us.

Lincoln sent his eleven massive and long wolf tails and the tips pierced their necks and they injected a liquid in their bodies as we saw their veins glowing golden yellow, and they turned back to normal and Lincoln sent them into ambulances and they were taken to the Infirmary.

Daizo: (Japanese Accent) No! I thought they were supposed to be invincible!

Buster Bunny: Should've never listened to the words of a lunatic with a bad reputation and who can't be trusted by what he said. Lincoln had a cure ready in case this sort of scenario were to happen, and we knew you'd one day return, but it's sad though: you return once more only to be defeated and die once again.

Robo Blaze: Wanna know the difference between you and Racules? Racules pretended to be a villain for the sake of his people and Gira. You pretend to be a hero for your own purposes. Thta makes you no better then the rest of Team Buktu!

Nico: That's right! What you did makes you just as pathetica as they are!

Daizo: We'll see about that my friend! I am still a hero!

Nico: You are no hero Daizo! All you are is just a worthless inconsiderate jerk that would rather fake everything just to get all the fame and glory! A True hero must do what is right and risk his life to protect those that he cares about as well as do it all out of the goodness of his heart! You only do it for the love of yourself!

Qin: That is not what being a true hero is all about!

Eli: That is for sure!

Me: Now first we have some business to discuss.

Billy Numerous: YEAH! Where is Brushogun!

We then saw him in the printing press he was in before!

Me: Oh no!

Xenia: Deja-vu!

Girl Jordan: We'll have you out of there in a second Brushogun!

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They fired a beam of light and freed him from the machine

Daizo: NO!

Me: Yes!

Swellow charged at him And blasted him with stars and wind.

Nico: Also another thing...

Nico slammed his hand and rubbed it on the ground and ink poured out and formed into the very criminals that Daizo used and Brushogun made!

Daizo: WHAT THE!?

Nico: Ironic huh? Now the criminals you use serve me! ATTACK!

They did so and blasted and bashed and smashed him all over the place!

Nico formed more troopers!

Nico: TROOPERS! CHARGE!

Daizo fired his gun and Eli deflected the blasts with his lightsaber and blasted him all over.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF DAIZO TO NO END!

NOW, THE BATTLE TO FINALLY DESTROY DAIZO WAS ON!

Lincoln, Crash Bandicoot, Robin, Nico, and I and the rest of us went after Daizo, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Daizo and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Crash Bandicoot also did the same by firing rainbow, white and blue energy slashes from his massive greatsword and gold-plated claws, and Lincoln, Crash Bandicoot, Robin, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Daizo even angrier than ever.

Lori: (Sees the Monitor Orb) There's The Monitor Orb. Lincoln, you're up.

Lincoln fired ricocheting rainbow, white, golden yellow, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles as they shatter the Monitor Orb embedded in Daizo's head, and not only did we gain a massive power boost, but Daizo screamed in agonizing pain.

Eli: Got him!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We got him on the ropes, now, let's finish this!

Lincoln: (Smirks) Oh, and here's a little welcome back from the dead gift, Daizo.

Lincoln fires a massive black energy ball with blue Eldritch writings around it and with eyes and writhing black tentacles around it, and it hit Daizo, and then, his mind snapped as he heard the Eldritch chants and his sanity was being destroyed, and then, he began seeing horrific visions of The Deep Ones emerging from the seas, and his sanity which was already being slowly destroyed crumbles even further, and then, the final stage of the curse hit him when he finally lay eyes upon something emerging from the ocean, it was Dagon himself, and then, Daizo's mind was utterly destroyed as his brain suffered horrific seizures as we saw the sclera of his eyes turn black and his eyes turn blue with blood tears running from his eyes.

Nico: What the heck was that?!

Raven: That was The Lovecraftian Curse, Dagon's Maelstrom of

Hate and Carnage, it was meant for corrupt officials like Daizo.

Me: (GULPS)

Beast Boy: That's just brutal!

Nico: That is frightening!

Raven: He made him see horrific visions of The Deep Ones emerging from the seas, and his sanity which was already being slowly destroyed crumbles even further, and then, the final stage of the curse hit him when he finally lay eyes upon Dagon himself.

Me: Damn!

Robin: (Smirks) A little something to not only welcome him back, but also, to say farewell too. Nice one, Lincoln.

Lincoln: Thanks, Robin. Now, then, let's finish this bastard off.

Wolf Moon Bloom was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Dioptase Angel Belle.

Wolf Moon Bloom: NO! We control the power...

Dioptase Angel Belle: It doesn't control us.

They concentrated and reigned in the power and turned into Cobalion and Terrakion and slashed Daizo all over!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

DAIZO SCREAMED IN FRIGHT!

Daizo: THAT IS A HORRIBLE MOVIE!

Qin: YEAH!

Horsea squirted Ink and blinded him.

Lola fired waves of fire and blasted him down.

Then Pterodactyl Ghost, Black Knight Ghost, 10,000 Volt Ghost, Black Lance, Deadwood, Dumbbelltron, Manta Bayarsh, Seadramon, Puppetmon and Machinedramon came.

Nico: Pterodactyl Ghost, Black Knight Ghost, 10,000 Volt Ghost, Black Lance, Deadwood, Dumbbelltron, Manta Bayarsh, Seadramon, Puppetmon and Machinedramon.

Pterodactyl Ghost: I have expected you to kill Jafar.

Black Knight Ghost: But a lamp works better

10,000 Volt Ghost: At least until Loni's day.

Me: Yep. Also to be honest I didn't know I had the power to turn people into genies like in the movie. It was the first time I've ever used that kind of power.

10,000 Volt Ghost: Wow! That is cool!

Me: It sure was.

Black Lance: (to Nico) Speaking of Chikyuu, I heard you had a rescue there.

Nico: We sure did and it was fun and also found Luster Dawn of Sunny's World and even the mascots had Ben and Riley go on a date.

Black Lance: WOW! You were busy.

Me: We sure were.

Manta Bayarsh: (to Taylor) You should take care of that Tepig

Taylor: I will and it will be fun.

Mucor then came.

Me: Mucor! Up for another round?

Mucor: I sure am.

Me: Cool!

Mucor: Boy this guy really pisses you all off huh?

Me: Tell me about it.

Mucor: And here's the next Hitotsuki.

It was the Hibiki Hitotsuki, HIBIKIKI!

Hibikiki: Hibikiki, Hitotsuki of Hibiki!

Me: WHOA!

Gali: That is cool! The Hibiki Team was the first Rider Team we recruited.

Nico: Yep.

Hibikiki: Awesome!

Mucor: Show your human form.

He reverted back and it was a man with brown hair, red eyes, blue clothes and a clarinet.

Lily: Wait! I remember seeing you before! You were at that restaurant in Los Angeles when I was showing SpongeBob and Patrick a great time on his birthday!

Edward: That's right. Edward Tenticlees. I am the land version of Squidward.

Squidward: Oh my!

Edward Tenticlees: Good to see you again Lily.

Lily: Same here. How have things been at the Trusty Slab?

Edward Tenticlees: Busy as ever.

Me: I heard about Lily and SpongeBob and friends meeting Land Versions of SpongeBob and friends at a restaurant like the Krusty Krab in Los Angeles. It's awesome to meet you.

Edward Tenticlees: Same here. Lily I am amazed how you made amazing patties there.

Lily: I learned from the best.

Squidward: Lemme guess. You play clarinet, right?

Edward Tenticlees: I do. But everyone hates it.

He played some notes and then...

KRASPLAT!

NUMEROUS KRASPLATS!

Me: OKAY WHO IS THE WISEASS THAT THREW THOSE!?

Nico: I can see why.

Lily washed him off.

Me: And like Squidward in the sea, you're pissed off because nobody accepts your talents.

Squidward: HE REALLY IS ME!?

Edward Tenticlees:That's right!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

---

Pterodactyl Ghost was first.

Pterodactyl Ghost (to Maximum Ride): First, you guys Found Luster Dawn from Sunny's World. Then, you guys took Ben and Riley on a date

Maximum Ride: We sure did and it was really cool! We found Luster Dawn underneath Starlight's old office in her village and it was really something. Also the mascots took Ben and Riley on a date and it was in the movie theater. It was for Inside Out.

Pterodactyl Ghost: Boy they must've loved that one.

Maximum Ride: They sure did and J.D. said it brought back memories of how they first met Riley.

Prowl: That was really fun and cool. Also the mascot chase was funny. They ended up going into a bunch of funny places. They went into a cheese factory and Nico ended up eating all the cheese there.

Suki: They went into a Lynn's Table and got some food and a meal for themselves. We did too.

Rainbow Dash: And lastly they went into a whorehouse and showed the trailer to a bunch of hookers there and scared them bad with it and it was funny. They busted out of there screaming hard.

Comet Thunder: That was funny! We had to put them in strait-jackets because there were in so much shock!

Scootaloo: The Mascots gave them what we call Blood-And-Honey Shock Syndrome.

THEY LAUGHED!

Pterodactyl Ghost: (LAUGHS) That is too funny! Those hookers are now going to think twice about using the mascots as Sex Toys like that when they show them the trailer.

Whirlwind: That is for sure on that and it was awesome. The hookers were curled up in fetal positions and even vomiting hard.

Pterodactyl Ghost: GEEZ! They were traumatized by it! Fitting and funny. Lets do it!

MAXIMUM RIDE! PHARAOH MAN!

Black Knight Ghost (to Red She Hulk): Nico's rescue was on Chikyu. Didn't expect that, actually

Red She Hulk: We didn't either but it's fitting for you because of you being a knight. Also we had a lot of fun there. We went to rescue a princess there. Her name is Alexandra Papillon and she is the princess of the long lost Chōmoeruhane kingdom and she is from the planet Chikyu. She is a powerful master of fire and is also the 7th King Ohger. She is the Orange King Ohger.

Red She Hulk: 12 Actually. Now Lana, May, Starfire, Nico and J.D are King Ohgers too and that was so awesome and cool.

Black Knight Ghost: WOW! She appeared on Rarity's big day mission 2 years ago. I bet Natilee was pissed when she saw her.

Catherine Windsor: (British Accent) I know and she was! It was crazy and fun though. But this time we sent her to the M.O.E. Emperor Yodon is the true threat for Rarity's big day.

Applejack: Yeah that was amazing there though. We had a lot of fun doing that.

Apple Star: J.D. and Sakura said it was fitting because it reminded them of stories they used to read all the time back when they were younguns and it was fun for them.

Wolf Moon Bloom: Yeah they used to read stories about how knights would save princesses from castle towers that were guarded by evil sorcerers and terrifying dragons and they had to slay the dragon and kill the sorcerer that was in their way.

Black Knight Ghost: Ahh yes those stories bring back so many memories.

Apple Bloom: They sure do and they were so fun too.

Flashwing: I agree there and it's awesome.

Black Knight Ghost: So many fun memories and good times. Lets do it!

RED SHE-HULK! TOMAHAWK MAN!

Rarity: That was really amazing to hear about darlings.

Sapphire Ocean: It sure was.

Dioptase Angel Belle: Yeah it sure is and I represent the Pink Moon of April. We are like the legendary 3 Musketeers and we serve the Princess of Equestria in the name of all good and defend all of Equestria from all threats. Team Loud Phoenix Storm got rid of some of those threats in our absence.

10,000 Volt Ghost: WOW! That is so cool!

Sweetie Belle: It sure is! J.D. said that it's like the Knights of the New Fire and they have a really cool oath just like the 3 Musketeers, The Knights of The New Fire and the Swords of Justice.

Rolf: Rolf was surprised crybaby Jimmy.

Billy: But we were prepared for him too.

Black Lance: That's good! Also Fluttershy, Lilja are you both feeling better since yesterday?

Fluttershy: Oh yes we're feeling much better after all that.

Lilja: (Icelandic Accent) We are so much better. I can't believe I was crying that hard.

Daffodil Bloom: Boy that was rough for you two. But at least you are both much better.

Bluebell: Yeah no kidding. But Lincoln's rescue was a fun one. We banished Kane to the Warp ready to face when one of the goths big day comes.

Fluttershy (G5): Yeah that is for sure.

Tornado Bolt: It sure was awesome that we faced him. Lucy told us about how she and Carol Anne first met and that was crazy.

Poliwag: We couldn't even see him because he was moving so fast.

Caren: Yeah! It was intense! But J.D. learned from past experiences was able to dodge his moves with amazing speed.

Twilight Sparkle: That was amazing speed and power. Robin's Akuma was called Crowninja and he was really fast! As fast as the Shinobi ninja that Samurai Jack faced.

Stellar Sparkle: But it was fitting here because Japan back in the 16th Century was home to loads of ninjas and all that.

Starshine Sparkle: But they didn't have all the amazing powers like Naruto and friends do.

Ninja Bart Simpson: So far this is turning out to be awsome.

Princess Celestia: We're really having fun there.

Dawn Eclipse: What's also mega ironic is that Daizo is the one that brought Robin and Starfire together as a couple.

Solar Eclipsa: Yeah he sure did.

King Solar: That is for sure.

Amber Morning: It cemented their love officially back then.

Spotlight: It sure did.

Machinedramon: I remember hearing about that. You guys a gonna need to REALLY wash your clothes when you are finished here.

Nico teleported and opened his safe and got weapons called the Destroyers of Daizo, they're a massive collection of greatswords, blasters, spellbooks, and magic rings that'll really put some serious damage on that corrupt cop bastard!

Nico teleported back with them.

Nico: Lets get him!

Mystic Force Rangers: MAGICAL SOURCE! MYSTIC FORCE!

Megaforce Rangers: LEGENDARY RANGER MODE! MYSTIC FORCE!

They transformed and were ready!

Rangers: MAGICAL SPELL SEAL!

They fired waves of magic and energy and elements and the blasts hit him and he exploded!

Troy Burrows: Rangers that's a Super Mega Win.

We regrouped!

Me: It's over Daizo!

Daizo: I still have one last trick up my sleeve!

HE PULLED OUT AN ANTIMONITOR ORB!

Me: (GASP) An Anti-Monitor Orb!

Nico: HE WOULDN'T!

HE THEN SHOVED IT INTO HIS CHEST AND THEN INK FORMED AROUND HIM!

(Cut to the exterior of the building, which sits quietly under the thick storm clouds for a moment before the entire ground-floor facade blows out in a terrific explosion.)

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

(All five Titans and all of us are propelled out along with it, bouncing heavily across the courtyard and we landed, and find their footing for a good look at the blast site. Cut to behind Robin and pull back slowly as three more detonations trace their way up the building; he then jumps backward to avoid the smash of two massive black hands that reach out from the remains of the company headquarters. The arms are nearly as long as the building is, or was, tall, and the jet-black body that stands up from them is humanoid, with the ink pipes hooked into his back, shoulders, and body. Eyes and mouth blaze a hideous red as the creature bellows the next four words in a horrible, demonic parody of Uehara's voice, he has been changed into this form by jumping into the press.)

Uehara: THE POWER IS MINE!

(Lightning cracks the sky A long roof-level shot frames his full height properly, towering over just about every building in the city.)

Me: OH FUCKING SHIT!

Beast Boy: That's a lotta ink!

Cyborg: Gonna be one heck of a stain when this is over!

(Uehara raises a dripping hand, which disappears briefly under the glare of more lightning, and lets a few globs of ink splatter on the ground. These swiftly assemble themselves into three-dimensional form and take on details as the camera pans across the courtyard; Troopers and henchmen, but with their colors mismatched in every conceivable way.)

(The other hand throws down more ink; cut to a long shot of the Titans and pan across as a new crew takes shape, then to a head-on view of Uehara and his entire contingent. Lightning throws his form into sharp relief for a moment)

Me: NOW THIS IS MORE LIKE IT!

I grew to his size!

Troy: The word Japan comes to mind with this team.

Tsukasa: So this is to honor Japan!

Kamen Ride: Battle Japan!

Kamen Ride: Battle Cossack!

Kamen Ride: Battle France!

They turned into the Battle Fever J rangers too!

Maria: (TURNS DIAL) INDORAPTOR FURY FORCE!

She summoned Indoraptor, Honk, Gunfighter Dinos, Flying Riptocs, Riptoc Tourists and Wizard Riptocs!

Me: You're finished Daizo! We're gonna need to wash our clothes when this is done. But I forgot to mention one thing Daizo. If it weren't for you, Robin and Starfire wouldn't have gotten together as an official couple. So you have my thanks for that. Consider that my only thanks. Now Die!

They fired waves of energy and elements.

Sunset Shimmer, Robin, Laney, Yakumo and me: TITANS FURY BLAST!

They fired waves of energy and elements.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Daizo, this is where your freedom and life ends here. Lincoln and the girls fired waves of energy and elements that turned into said Teen Titans, and they slammed into Daizo and exploded.

Lincoln and his harem: Now, for the grand finale! This is where your corrupt ways end here and now, Daizo! TEEN TITANS FINAL SMASH: TEEN TITANS BLAST!

Lincoln and his harem fired Ki blasts based on the Teen Titans, and they slammed into Daizo and exploded with incredible power.

I then plunged my hand into his chest.

Me: Keep on laughing you sludge head!

(Close-up of the laughing face, which suddenly goes slack with shock as a loud rumbling issues from somewhere below decks.)

Uehara: Huh?

(Back to his chest, the source of the new distress; It was me ripping out the orb! Then I crushed it and we got stronger!)

(Then gobbets of black sludge begin to splat down all around him and a pan across the surviving enemies shows them turning into the same stuff. Uehara's wails mingle with the smoke rising from his body.)

Raven: Anti-Monitor's power! It's breaking!

(One more groan from the behemoth gives way to a sudden swelling about the head and shoulders. And Uehara's entire body bulge out of all proportion. His tortured screams rend the air as the camera pulls back between the nearby buildings to frame his vast, distorted bulk, and after a couple of seconds that last perhaps six months, the dam bursts. Uehara's body comes apart in a flood of ink that douses the entire street and leaves the three boys smeared and speckled from head to toe.)

Me: OH SICK!

WE WERE INNUNDATED IN INK!

Me: YUCK!

(Cyborg leans against Beast Boy for support as Robin straightens up; the big man throws an A-OK salute to the leader, who begins to brush himself off. Raven stands up a moment later, puts down the hood of her befouled cloak, and lets him have a tranquil little smile that sums up her thoughts quite nicely. As Robin returns it from beneath his sodden hair, an arm clad in a lavender wrist guard flops weakly up from a mass of half-congealed ink behind him.)

Me: Are you all okay?

Nico: We're fine.

THUNDERCLAP! THUNDERCLAP!

(Lightning flashes over and over from the storm clouds to mark the start of the long-expected thunderstorm. The ink is washed from Beast Boy, Cyborg, and Raven in an instant, and the changeling tips his head back and opens wide to let the drops go down his throat. A particularly large splotch of the gunk gradually dissolves away under the action of the water, revealing none other than Uehara; his normal self, flat on his back, and in about as bad a shape as Starfire was before. He can only manage a barely audible groan of supreme exhaustion as the rain drenches us. He was in really bad shape.

Common Cold: Time to finish this!

He fired waves of snot and drenched him all over.

Then, Lincoln cuffed Daizo and tied him up in a rainbow, white, golden yellow, and blue energy straitjacket.

We cheered as we holstered our weapons and powered down.

Lincoln: Now, for Part 2: the trial, and I happen to know the judge who'd handled many cases when I brought in some criminals when I went to Tokyo.

Me: Really?

We teleported to the courthouse in Tokyo where we were greeted by Judge Kuroki Yamamoto, an old friend of Lincoln's and local district judge with an impressive record of trying many cases over the years despite his young age, and everyone from Tokyo was here along with the entire Masters of Evil, and the court was also being broadcasted all over the world. The trial began with witnesses and victims giving their testimony on what Daizo had done in the past, and when Lincoln and his Guardian Angels came up, they also brought out all the files they had documented on Daizo's malicious deeds and what he did in trying to frame the Titans using Brushogun's power, and when they finally got done, everyone in the court including the jury and Judge Yamamoto were still absolutely disgusted at Daizo.

Daizo was about to open his big mouth and start threatening the people, but one glare from Judge Yamamoto silenced him. The jury went into deliberations, and in less than ten minutes, the jury came back.

Kuroki Yamamoto: (Japanese Accent) Has the jury reached a verdict?

Foreman: We have, Your Honor. We find the defendant, Daizo, guilty on all charges.

Everyone whispered in shock and awe, but the message was clear: Daizo was found guilty for all his crimes, and now, his punishment was about to be decided.

Kuroki Yamamoto: (Japanese Accent) This is truly one of the worst cases I have ever been presented with, you've gotten away with everything you've done through nothing more than lies, deceit, cruelty, and manipulation. But, it was only a matter of time before your lies came back to haunt you along with all of your crimes in the past. The severity of your crimes are indeed too severe, plus when I found out about how you used Brushogun's power to create the criminals to frame the Titans, I was indeed disgusted: so in addition to not only being an enemy to Team Loud Phoenix Storm, you're also a traitor to the world. Daizo, it is with the judgement of this court that I hereby sentence you to death for your crimes, and you're also ordered to pay all of your victims over ¥900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 in damages.

WE GASPED AT THE AMOUNT!

Me: MY GOD! THAT'S AN ASTRONOMICAL AMOUNT! THE AMOUNT THAT HE WAS ORDERING DAIZO TO PAY IS $900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 in damages.

Nico: HOW IS HE GOING TO PAY THAT KIND OF AMOUNT?!

Lincoln: (Smirks) I already know just the solution.

Me: Gessius Flores Vengeance Curse?

Lincoln: Bingo.

After the trial ended, Lincoln blasted Daizo with gold energy giving him The Gessius Flores Vengeance Curse, and then, he invited all those who he deceived in the past, and they beat him up severely, and every brutal assault they'd done caused massive tons of gold, gems, coins, and many currencies to explode out of Daizo!

Eli: BRUTAL!

Lincoln: This is merely payback for everything he'd done in his insane desire for glory.

Nico: Daizo's finally getting his just desserts for his misdeeds, and once the money's collected, it's off to The Black Abyss for him.

Eventually, every last one of Daizo's victims were done trashing him, and we counted all of the gold, gems, coins, and many currencies that exploded out of him, and the total amount added to ¥900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 the amount of damages that he was ordered to pay in restitution to his victims.

Lincoln: Alright, and now, for the execution.

Robin: Leave that to me and Cyborg. I know just the place for that.

Lincoln removed The Gessius Flores Vengeance Curse.

They took Daizo to Suicide Forest

Robin and Cyborg just dropped Daizo off at a nearby forest.

Cyborg: We're dropping you off here.

Daizo: You think you've all won?! Guess again! I will not stop until all of you are branded criminals!

Robin: No, Daizo. It's over for you now. Like Nico said before, Luan broadcasted everything you said to him to the entire world. And Stewie and Bowser Jr. froze all your bank accounts and destroyed every single asset and source that you possessed. Now you're wanted by your own country that you claim to serve. The whole world now knows of crimes that you've committed against me, my team, and Team Loud Phoenix Storm. And now, you have nothing except for the clothing you're wearing and the gun you have. Originally, I was planning to kill you. But now, you're not worth it. Farewell.

With that, Robin got on his motorcycle while Cyborg got into the T Car before they both drove off. Daizo slowly looked at the pistol in his hand, and then to the sky. His eyes were wide, and his mouth hung open. Then, as if reality was finally hitting him, Daizo let out a cry of despair, before placing the gun's barrel to his chin and then pulled the trigger. With Robin and Cyborg, they heard a gunshot and a body hitting the floor.

Then he was banished to the Black Abyss.

Robin: And that is that.

Nico: You got that right, we're now rid of Daizo forever.

Me: You said it.

Lincoln: Good riddance. Now, there's one last thing to do and one last loose end to tie up: Abaddon the Despoiler.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Abaddon the Despoiler, there's nowhere to run.

A figure came out, it was Abaddon the Despoiler.

Hunter: (German Accent) You blasphemous monster! How dare you show your face here!

Abaddon the Despoiler: I will never stop until humanity is united under the dark banners of Chaos.

Kali Timestream: No, humanity will not be united under the dark banners of chaos, and I will make sure of that.

Kali Timestream: From the very moment that you'd shown your face, we'd known you'd be back to try and fulfill your goal of uniting humanity under the dark banners of Chaos. But, that is never going to happen, Abaddon the Despoiler, as the leader of The Guardians of Reality and Fusion Gene-Slammer of The Timelords, I hereby sentence you to death for all of your crimes.

United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Ultimate Harmony Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, your crimes have finally come back to haunt you, and now, it's time for you to die!

Lincoln, Kali Timestream, Nico, and I went after Abaddon the Despoiler, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, black and purple, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Abaddon the Despoiler, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Kali Timestream did the same by firing black and purple, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Kali Timestream, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Abaddon the Despoiler even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Abaddon the Despoiler, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Abaddon the Despoiler, this is where your conquest ends here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Abaddon the Despoiler.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, your conquest to unite humanity under the dark banners of chaos have caused far too much pain and suffering to too many innocent souls and so many have suffered thanks to you.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Abaddon the Despoiler's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Abaddon the

Despoiler hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Abaddon the Despoiler was now on his last legs and he was really really mangled.

Then, Lincoln's greatsword assimilated Abaddon the Despoiler's greatsword, Drach'nyen, and it'd gained all of its powers of soul consumption, reality warping, and durability negation, and he turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Abaddon the Despoiler's chest, and he began absorbing him, and he and all of us assimilated his Blessings of the Chaos Gods, Enhanced senses, Superhuman strength, Superhuman speed, Superhuman reflexes, Superhuman durability, Superhuman resilience, Superhuman stamina, Self-sustenance, Regeneration, Resurrection, Night vision, Excellent melee prowess, Longevity added to his true immortality, Immunity to disease and poison, Immune to most forms of manipulation, Immune to fear and terror, Mastery of various tactics, Genius-level intellect, Highly resistant to mortal weapons, Highly resistant to magic and psychic powers, Highly resistant to sonic attacks, Exceptional leadership skills, Teleportation Via his terminator armor, Skilled in Daemonancy, Can call upon the Powers of Chaos for various supernatural powers, Soul consumption, and reality warping, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Abaddon the Despoiler except for his armor, and he drained the heretic's soul of energy, and he sent him to The Black Abyss.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

We cheered wildly as we holstered our weapons and powered down and Kali Timestream's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large black and purple planets orbiting around her legs and twenty five smaller black and purple planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized black and purple planets orbiting around her wrists and ankles, eleven massive and long black wolf tails, and massive rainbow angel wings and nine sets of large rainbow angel wings underneath her massive rainbow angel wings are permanent.

Kali Timestream: This is the price that you must pay for all of your crimes, you vile monster! Thanks for helping me take down Abaddon the Despoiler, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Kali.

Me and Nico: Our pleasure, Kali.

Suddenly, Kali Timestream wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kali Timestream's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and The Timelord Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Kali Timestream sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Hunter: (German Accent) That's it for Abaddon the Despoiler, that monster deserved to die for all of his crimes.

Me: You got that right, Hunter, and he also destroyed his armies by sucking out their energy and their power as well. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a massive army of sylphs flying in the skies and it left an amazing wave of wind gusts across the skies as it was flying all across the skies and it left an amazing breeze blowing through us.

Selene Arcangela: (GASPS) The Sylphs...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Serena Sylph, Avatar of The Sylphs.

EVERYONE GASPED!

Me: No way!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Serena Sylph, Avatar of The Sylphs, is Lincoln's Guardian Angel and she's known as The Sylph Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Serena is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Sylphs. She was born to a family of Sylphs during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Sylphs, along with immortality and she also mastered the powers of The Sylphs, and she'd fought to protect the Sylphs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Sylphs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Sylphs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Sylphs and be blown away by the winds!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: Blown away by the winds, that's right.

Deadwood: That takes care of Daizo.

Dumbbelltron: He'll never trouble Brushogun again.

Seadramon: No, he won't.

Me: Thank goodness.

Miko Tezumi: I'm glad to be real now. Also it'll be awesome to be part of the team.

Me: Yep.

Puppetmon: Where will we celebrate?

Cyborg: (smirks) Oh, I got a good idea.

Machinedramon: And that is?

Cyborg: At an amazing pizza restaurant I know.

Me: Cool.

Nico: Great job today everyone. And now Daizo is never going to terrorize Japan ever again.

Camie: Yep.

Robin: (To the viewers) Boy this was an amazing adventure.

Me: Yes it was.

We went to the pizza restaurant Cyborg Told Us about and it was awesome.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: Yep, and we got that corrupt cop sentenced to death, and I was disgusted that someone like that could exist.

Captain Whitten: That's what disgusted me: corrupt cops are worse than the criminals we've gone after. Now, Daizo's finally gone and he's never ever coming back.

We then got ready for bed.

THE END

Another awesome chapter done.

Daizo is now dead and gone.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Beverly Hills to take down and hopefully, not kill another of Sam, Clover, and Alex's enemies, his name is Fremont, but this guy had really caused big problems for Clover, Alex and Sam, especially because of his fake course called "Espionage 101" while pretending to be a professor, and the worst part is that he managed to convince them to steal an invention used to enlarge objects and that, because of him, they ended up in JAIL! And when Lincoln finds out about this, HE'S GONNA GO ABSOLUTELY FUCKING BALLISTIC AND HE'S REALLY GOING TO BEAT THE SHIT OUT OF HIM, AND HOPEFULLY, HE'S NOT GOING TO KILL HIM IN A GRUESOME MANNER! Next is Saint Patrick's Day and it's gonna be fun.

see you all next time.

SAINT PATRICK'S DAY 2024 IRISH FUN

HAPPY SAINT PATRICKS DAY 2024!

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had an interesting dream: apparently, his dream took him to the planets of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela, and as he was flying, he saw nine girls appear from those nine planets. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream: those are the Keyblade Knights of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela, the home planets of Big Chill, Heatblast, Overflow, Rath, Four-Arms, Stinkfly, Diamondhead, Wildvine, and Jetray.

Michelle Emperyous: Oh man! And if I remember right, they're also friends and allies of Ben, Gwen, Kevin, and their friends.

Lincoln: I remember all too well, and they helped them out in dealing with their dangerous enemies including Vilgax. They're gonna be glad to hear that Vilgax got The Black Abyss for good, and his body has now been turned into our servant thanks to The Wolf Moon Servant Quirk.

Laney Emperyous: That's true. But, now that Anti-Monitor has brought back Aggregor and Enoch, we got huge trouble.

Michelle Emperyous: And don't forget Eon, he's still in The River of Fire, but I don't think his power can reach even Hell itself, but we got to keep an eye out.

Lincoln: That's true.

Paige: You know, their return could be a sign of trouble to come.

Lincoln: I know. Vilgax is gone, but Aggregor, there's no doubt he'll try and take his place, and like I said, we also can't ignore the threats of Eon and Enoch. Well, we better brace ourselves for tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to the planets of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela, and as I was flying, I saw nine girls appear from those nine planets.

Nico: Nine girls from the home planets of Big Chill, Heatblast, Overflow, Rath, Four-Arms, Stinkfly, Diamondhead, Wildvine, and Jetray. Who are they?

Lincoln: They're the Keyblade Knights of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela.

WE GASPED!

Me: What?! The Keyblade Knights of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela?

Ben: I remember them all too well.

Gwen: Same here. And I'm surprised you know them as well.

Laney Emperyous: We had to keep that a secret for five obvious reasons.

We knew what she meant: they had to be kept secret because of Lori, Lynn, Lola, Lisa, and Luan.

Eli: Figures they'd be the reason.

Suddenly, we saw the symbols of Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, tornadoes of blue, red, orange, green, pink, and blue green energy appeared, and then, the tornadoes disappeared and in their place were nine girls who were tall at 7'0" in height, they have the bodies of a goddess and large breasts, long blue, red, orange, green, pink, and blue green hair, blue, red, orange, green, pink, and blue green eyes, massive red, blue, orange, green, pink, crystal, and violet angel wings and green butterfly wings, blue, red, orange, green, pink, and blue green clothes, long white sleeveless trenchcoats with stars, elemental forces, phoenixes, and angels on the coattails, and on the back are the planets Kylmyys, Pyros, Cascareau, Appoplexia, Khoros, Lepidopterra, Petropia, Flors Verdance, and Aeropela, and they have Keyblades in hand.

Lincoln: (GASPS) Katarina Kylmyys, Keyblade Knight of Kylmyys, Penelope Pyros, Keyblade Knight of Pyros, Cienna Cascareau, Keyblade Knight of Cascareau, Anya Appoplex, Keyblade Knight of Appoplexia, Kelly Khoros, Keyblade Knight of Khoros, Leah Lepidop, Keyblade Knight of Lepidopterra, Penny Petropia, Keyblade Knight of Petropia, Sonia Sequoia, Keyblade Knight of Flors Verdance, and Aera Aeropela, Keyblade Knight of Aeropela.

Ben: No way, I knew they'd come here.

Nico: That's incredible! And you know them, Lincoln?

Lincoln: Indeed I do.

Selene Emperyous: And so do we, the first girl is Katarina Kylmyys, Keyblade Knight of Kylmyys, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and a powerful master of ice, cold, and endothermic fire. She is the Keyblade Knight of Kylmyys, Big Chill's planet and she's one warrior no one wants to mess with. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of ice, cold, and endothermic fire. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a vengeance and vowed to freeze her for over 200,000,000 years and leave her on Earth as the only human being there.

Michelle Emperyous: The second girl is Penelope Pyros, Keyblade Knight of Pyros, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and a powerful master of heat and fire. She is the Keyblade Knight of Pyros, Heatblast's planet and she's one warrior no one wants to mess with. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of heat and fire. Lincoln made her an awesome necklace, and to show thanks, she kissed Lincoln on the lips, and as a result when Lincoln comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a vengeance, the reason is because he blackmailed Girl Jordan into eating chum and she vowed to make Chandler eat toxic waste.

Laney Emperyous: The third girl is Cienna Cascareau, Keyblade Knight of Overflow's home planet Cascareau in the Andromeda Galaxy, she's Lincoln's Guardian Angel and she's a powerful force of epic power to be reckoned with. Me: Incredible!

Nico: That's so awesome!

Lincoln: Plus, they've helped Ben, Gwen, Kevin, Max, and their friends in taking down many of their most dangerous enemies including Vilgax, and we sent Vilgax to The Black Abyss since Anti-Monitor didn't bring him back.

Katarina Kylmyys: Good riddance to that bastard, and to think he also used Lord Zedd in his own plot, damn.

Suddenly Lincoln made eight clones of himself, and while he pinned Katarina Kylmyys to the floor, his clones also pinned the other eight to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had nine Elemental Thunderbird Necklace of Eternal Love with green and orange gems on the gold lightning bolts and green and orange crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and nine white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Kelly Khoros: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Lincoln: Alright, alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

It was Saint Patrick's Day and it was gona be a really fun one for all of us.

Camie: I love Saint Patrick's day.

Natilee: Me too. My favorite holiday as well as a true day of fun for me and many of us because I love the Celtic Traditions.

Xenia: They sure are fun.

Qin: Yeah it's awesome.

Lola: Yeah it sure is cool!

Lincoln: I love Ireland too because we dance and have fun here too.

Lana: I'll say!

Saoirse McMurphy: (Irish Accent) Ah this is so fun lads. I can't wait to party with the luck of the Irish.

Camie: Me too.

Nico: Same here. John, I want to thank you, Dekotrade, and your teams for coming.

John Stewart: No problem Nico. I'm really looking forward to this. And Green Lanterns coming with you guys for this is fitting for you too.

Me: For us and for today as well.

Jade: I agree there.

Nico: Jade, what do you like to do off duty?

Jade: Haven't given it much thought. I've been so busy protecting Earth and Oa that I haven't given it thought.

Me: You'll think of something Jade.

Jade: Well my real name is Jennifer-Lynn Hayden and also if I were to think about it, it would be helping the police force.

Nico: That's a great job

John Stewart: I agree there and that is a perfect job.

Camie: It sure is.

Nico: You can ask Sheila for pointers.

Jade: I would like that.

Camie: Cool.

Lola: Awesome.

Nico: Yep.

Me: Wow! Yesterday was intense!

Lola: No kidding! But at least we're rid of Daizo forever.

Camie: Good riddance!

Me: Yeah! His days of corruption are now a forgotten memory.

Robin: I could hear the gunshot and the body dropping even after I was riding off

Me: So he commited suicide in the forest. Good fucking riddance to bad rubbish.

Eli: I've heard of Seppuku by Sword but never by Gunshot.

Camie: His honor was totally destroyed.

Nico: What honor?

Tara: And those girls had the nerve to flirt with Beast Boy!

Me: Tara calm down. They understood you and he are married.

Tara: MY BEAST BOY! MINE!

Me: Tara! Calm down. Besides we don't want you to make a scene here on Saint Patrick's day.

Tara: Sorry.

Me: Yeah. Also wow! Robin's Akuma was the fastest ever. Slashed me across the cheek.

Lola: I didn't even see him move!

Tara: I'm sorry. It's just that Beast Boy's MY husband.

Me: We know Tara. We know.

Tara: Yeah.

Lola: Man that was cool though.

Qin: Yep. I was expecting Robin's Akuma to be made because of Slade.

Me: Same here.

Nico: Maybe his next Akuma will be.

Me: Maybe.

Qin: Yeah.

Me: Yep. For now lets just enjoy this fun day and have fun in Ireland.

Nico: Good idea.

Poromon was looking for beer

Poromon: Ireland makes awesome beer.

Nico: It sure does.

Laney: And the best part Ireland is known for?

Nico: Besides the food?

Laney: Is dancing.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Ireland, but here's the big news: it appears Natilee's Akuma has been sighted here.

Me: An Akuma of Natilee? Who is she?

Lincoln: Her name is Celtic Princess, the Hypothetical Akuma of Natilee Knudson and she is the actual Celtic Princess and is an amazing and very true Irish Dancer and Celtic Master. She loves all things Irish and also loves to dance the Riverdance and all forms of Celtic Dancing. She was made because of not enough people loving the Celtic Dancing and more and she vowed to show the joy and love of Celtic Traditions and Dancing to the world and it'll be fun.

Lincoln got out his sketchbook and we saw what she looked like: she was an actual Celtic Princess with a Celtic Triquetra on her forehead and a short-sleeved green dress with the Tree of Life and Celtic Knot on it and green angel wings.

Nico: Whoa!

Me: Cool!

Nicole: That definitely fits Natilee's hypothetical Akuma completely, and they're both Celtic Princesses and Defenders of the Celtic Traditions.

Natilee: Too awesome!

Laney: Why don't we face her in an Irish Dance Contest first, then, we can take her down.

Natilee: Perfect.

Me: Fitting.

Lincoln: That's awesome, Laney.

Nico: An Irish Dance contest is a perfect idea.

Me: Yep.

Lincoln: Oh, and just for that attack Wertz instigated against us yesterday...(SNAPS FINGERS)

Lincoln snapped his fingers, and while Wertz was in hiding and instigating more terrorist groups to attack us again, ALL OF THE TERRORIST GROUPS SCREAMED IN AGONIZING PAIN AS ALL THEIR ENERGY AND LIFEFORCES WERE SUDDENLY BEING SUCKED OUT OF THEM AND THEY FLOWED OUT AS VISIBLE BLUE ENERGY AND THEY FLOWED INTO LINCOLN AND ALL OF US AS WE WERE GETTING STRONGER AND STRONGER!

AND WE SAW IT ON A ONE-WAY WINDOW AS THE TERRORIST GROUPS WERTZ GOT TOGETHER HAD SUDDENLY TURNED INTO WITHERED DESICCATED DRIED UP HUSKS DRAINED OF LIFE AND ENERGY, AND LINCOLN SNAPPED HIS FINGERS AGAIN AND WERTZ WOUND UP GETTING ELECTROCUTED BY A SHIT TON OF BLACK LIGHTNING BOLTS THAT CAME DOWN FROM THE HEAVENS, AND IT GOT EVEN WORSE WHEN LINCOLN FIRED A MASSIVE BLACK ENERGY BALL THAT HAD ELDRITCH WRITINGS IN RED AND CREEPY EYES AND TENTACLES SURROUNDING IT AND THE ENERGY BALL HIT

HIM AND WE SAW WHAT HAPPENED AS A RESULT: ELDRITCH WHISPERS AND CHANTS DESTROYED HIS ALREADY DECAYING SANITY AND HIS INSANITY HAD SUDDENLY GOTTEN A SHIT TON WORSE, THAT'S WHEN WE FOUND OUT: WERTZ WAS SUDDENLY HIT WITH A BRAND-NEW CURSE LINCOLN CREATED!

We then saw it: Wertz became even more Nth-Degree Fucked Up Insane and Crazy as the viewing window closed.

WE GASPED!

Me and Nico: HOLY FUCKING SHIT!

Me: OH MAN!

Kevin Reynolds: What kind of curse did you hit him with this time?

Lincoln: That was my special kind of curse meant for fucked-up insane basket cases like Wertz: I call this one The Forbidden Tongue of The Cthulhu Mythos Gods, it's one of the many Lovecraftian Curses that I created, and this one was perfect for a lunatic bastard like Wertz. After what he did, I think he deserves it, and what you guys also saw me do was basically drain the lifeforce and energy out of the huge majority of the terrorist groups Wertz had gotten together since January when Anti-Monitor came into the picture. Plus, now that Wertz is under that brand-new Lovecraftian Curse I put on him, I doubt he'll be causing us more trouble.

Me: Wicked!

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected D'Vorah, along with The Black and Red Dragon Clans and sent them after us.

Lincoln: You have got to be kidding me! Morgana, you little...!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected D'Vorah, along with The Black and Red

Dragon Clans and sent them after us.

Me: WHAT THE?!

Nicole: THAT FILTHY KYTINN AND THOSE MOTHERFUCKING BLACK AND RED DRAGON ASSHOLES ARE BACK?! (GROWLS)

Natilee: Oh boy. Now, Nicole's beyond mad!

Me: (GULP)

Lincoln: Don't worry, Nicole, I'm going to end D'Vorah and drain the life and energy out of The Black and Red Dragon Clans and send them all to The Black Abyss for good.

Nicole: Thanks for that, at least, I feel a lot better.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility,

testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Celtic Princess) Aha, there she is, I just spotted Celtic Princess, she's 20 yards away and she's waiting for us. (Sensed D'Vorah and The Black and Red Dragon Clans) And I just spotted Morgana's next army of resurrected puppets.

Nico: Let's get this St. Patrick's Day started with a bang!

John Stewart heard a Pokemon cry.

John Stewart: Look here.

We saw a Natu!

Me: Cool a Natu.

Eli: That's my kind of Pokemon because of my Egyptian Ties.

Natu: It is cool.

Me: Are you hungry?

We gave it food.

Natu: Thank you.

She ate it.

Flash: Wanna come with us?

Natu: I would like that.

Me: Awesome.

Camie: Cool!

Laney: Look there!

We saw a Virizion!

Me: Whoa! Virizion!

Nico: What's it doing here?

Me: I think I know.

Scootaloo: Lets see.

She used Telepathy and then gasped!

Scootaloo: Oh man! That's Thunder Rainbow Zoom!

Rainbow Dash: Oh man! Thunder Rainbow Zoom! Your sister!?

Scootaloo: That's right!

Me: We got to help her.

Nico: That's what we're gonna do!

Me, Scootaloo and Rainbow Dash went to face her.

Scootaloo: Thunder it's me Scootaloo!

All she did was charge at her

ZOOM!

Scootaloo dodged her.

Scootaloo: Wow! She is fast.

She formed a green energy sword and we clashed.

CLASH CLASH CLASH CLASH CLASH!

Me: WHOA! This is awesome too.

Me, Scootaloo and Rainbow Dash fired waves of lightning and blasted her.

Me: Lets bring her back.

I snapped my fingers and she reverted back and was a girl with blue green hair, blue eyes and had blue wolf ears and a tail and had blue angel wings and had Virizion on her forehead and had a blue version of Scootaloo's Cutie Mark.

I wrapped her in a blanket.

Me: There.

Scootaloo: Wow! That was awesome!

Rainbow Dash: It sure was!

We brought her to a bench.

She woke up

She groaned.

Scootaloo: Thunder? Thunder are you okay?

Thunder Rainbow Zoom: Scootaloo? Rainbow Dash? (Gasp) Scootaloo! Rainbow Dash!

She hugged them.

Thunder Rainbow Zoom: Wow awesome to see you girls. What happened? Where am I?

Me: You're in Ireland and you were turned into a Virizion by Dark Gale.

Thunder Rainbow Zoom: (GASP) I remember.

FLASHBACK!

Thunder was in a green suit and was injected and she busted out and turned ito Virizion! She busted out of the place.

FLASHBACK ENDS

Thunder Rainbow Zoom: It was awful. But it was cool because I'm now a Virizion. It's one of my favorite pokemon.

Wolf Moon Bloom: Thunder is the third member of the Swords of the Full Moons Justice and she represents the Buck Moon of July.

Me: Cool!

Nico: Your role in Sonya's team?

Thunder Rainbow Zoom: I'm the swordsmaster of the moon light all my sisters of the Swords and I have the powers of nature.

Nico: Cool!

Thunder Rainbow Zoom: And also outside the team I take care of my sister Scootaloo and also work with the Wonderbolts. And also work with the Swords to defend Equestria.

Me: Wow! Well we destroyed many of Equestria's major enemies. Long story. But it's true.

Rarity: Lets get you some new clothes now darling.

The Fashion Brigade gave her awesome aqua blue and green clothes and a moon sword.

Thunder Rainbow Zoom: Wow! I look awesome and cool.

Nico: You sure do.

Thunder Rainbow Zoom: Yep.

Lola: Awesome.

Nico: Now to find the Akuma.

We then took off into the air and we set out to take down Celtic Princess and send her to The Masters of Evil and send D'Vorah and The Black and Red Dragon Clans to The Black Abyss forever.

We were flying in the air, and we spotted our target: Celtic Princess, the hypothetical Akuma of Natilee Knudson.

Lincoln: There she is, now to give her a Celtic surprise I've been working on.

Lincoln got out his Flute of Ogma and played a beautiful Celtic song on it which summoned tornadoes of emerald green energy and shamrocks, and they were about to hit Celtic Princess, but she dodged the tornadoes, but they did hit some of Wertz's hired men who were hiding out and they wound up getting hurt badly, and then, Lincoln sucked out their souls and drained them of energy and he sent them to The Black Abyss and we landed.

Lori: Looks like that didn't work, she literally dodged them with ease.

Lincoln: I expected that when I tried that trick on Natilee when we were doing some combat training Celtic Style, but it did force out some of Wertz's hired men and I used my own soul sucking power to suck out their souls and drain them of energy.

Me: I still remember that day all too well. Natalie, is that you?

Celtic Princess: It's me, Dad.

Natalie: Wow, now I really look like a Celtic Princess in that form.

Nicole: And like Lincoln said, you just like spreading the joys of the fun of the Celtic Traditions, same with Natilee, so you're among the nicer Akumas. The others, well, some of them were really hostile.

Nico: (Shudders) Let's not even mention them.

Lincoln: We all wound up getting the creeps when we fought them. Speaking of creeps, you better get out here, D'Vorah, same with the Black and Red Dragon Clans, I know you're here.

We then saw our secondary targets: D'Vorah, the Kytinn Queen and the Black and Red Dragon Clans, and they all have the demonic Alicorn on their foreheads.

D'Vorah: You have dealt unto us a humiliating defeat last year, and now, we shall return the favor.

Lincoln: Not on your miserable life, D'Vorah!

Lincoln unholstered his massive greatsword and he fired blasts of rainbow helix fire energy blasts that hit D'Vorah and one of them pierced through her chest and she exploded in an explosion of rainbow fire and she was sent to The Black Abyss forever.

Lincoln: Now, for the Black and Red Dragon Clans.

Lincoln fired blasts of anti-matter, and they hit The Black and Red Dragon Clans and he sucked out their lifeforces and souls and he assimilated their fighting skills and techniques and drained their souls of energy and sent them to The Black Abyss forever and their lifeless corpses exploded into a gory mess.

Eli: Excellent work.

Selene Laverna: That's sure to have pissed off Shao Kahn, Quan Chi, and Shang Tsung who are hiding out in the shadows.

Suddenly, a one-way window opened in front of us, and we saw a powerful magical barrier forming all around Outworld, and it cast out Shao Kahn, Quan Chi, and Shang Tsung, and then, Lincoln snapped his fingers and Shao Kahn, Quan Chi, and Shang Tsung screamed as Lincoln began sucking out and stealing Shao Kahn's Dark magic, Immense strength, Immense durability, Immense stamina, Immense endurance, Skilled war hammer fighter, Skilled with lances, Very skilled hand-to-hand combatant, Cryokinesis, Immortality, Green energy, Soul spear, Energy projection, Empowerment and power bestowal through soul absorption, High intelligence, Master intimidator, Indomitable will, Cunning, and Tai Tzu and Lui He fighting styles, Quan Chi's Sorcery, Necromancy, Illusions, Expertise in hand-to-hand combat, Manipulation, Tang Soo Do fighting style, Escrima fighting style, and Portal creation, and Shang Tsung's Sorcery, Soul absorption, Master martial artist, Shapeshifting, Pyromancy, Soul blasts, Teleportation, Soul empowerment, Swordsmanship, Charisma, Cunning, Master of manipulation, Indomitable will, and Intimidation, and rendered them powerless.

Kitana: You stole the powers of Shao Kahn, Quan Chi, and Shang Tsung after the barrier suddenly came to life.

Lincoln: That was the second part of my plan, the first plan you saw was the barrier spell I created for the protection of Outworld and it was meant to be triggered after I'd gotten rid of D'Vorah and The Black and Red Dragon Clans, and just like what J.D. did to All For One, I stole the powers of Shao Kahn, Quan Chi, and Shang Tsung and made them my own and rendered them powerless, and they'll be easier for us to kill.

Nico: They didn't even see it coming, it's true those three wield powerful dark magic, but the magic we wield is far greater than theirs and outclasses their dark magic.

Lincoln: And now, I have their powers and abilities under my control, and I also gave Shang Tsung his youth just to make sure that we kill him when the time comes, I can't have him just turn to dust right away.

Selene Laverna: So, in addition to stealing all his powers, skills, and abilities, you removed the curse on my former father that was put on him centuries ago. That was genius, Lincoln, and you're right, we can't have him turn to dust right away, he needs to suffer for all of his crimes.

Jacqui Briggs: Same with Shao Kahn and Quan Chi, though for Shao Kahn, the pain we're gonna put on him will be a culmination of all the pain and suffering he put a lot of people through, and Quan Chi needs to also suffer for what he's done in Shinnok's name too.

Cassie Cage: That's for sure. Though I didn't see him or Kronika anywhere when the barrier came up.

Lincoln: That's cause I took care of them last night, before we went to bed, I stole all their powers, skills, and abilities and made them my own using the same tactic J.D. used on All For One, and I'd made them powerless and mortal.

Raiden: So, that way, we can put an end to them when the time comes. Impressive work, Lincoln.

Lincoln: Thank you, Lord Raiden. (To Celtic Princess) Now, then, Celtic Princess, we challenge you to an Irish Dance Contest.

Celtic Princess: Is that so? Very well then, but first, let's take this dance to a different location in Ireland.

We then headed to the picturesque Dunluce Castle, one of the world's most picturesque castles, and it perches dramatically on a cliff edge along the beautiful Causeway Coast of Northern Ireland, not far from Belfast.

Nico: Whoa, where are we?

Natilee: I know where we're at, we're at Dunluce Castle in Northern Ireland. This is perfect for our Irish Dance Contest. But, to be on the safe side, Caleb, you, Cage, Travis, James, Gabriel, Allie, Robin Hood, and Rayman, keep an eye out for any trouble.

Caleb Maxwell: Understood.

Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Gabriel Maxwell, Allie Maxwell, Robin Hood, and Rayman stood on guard.

Celtic Princess: Alright, then, let the contest begin!

Lincoln summoned musicians who played on traditional Celtic instruments, and we immediately began the Celtic Dance Contest, and we danced to the sound of Celtic songs.

Allie Maxwell: Aw man, they're having so much fun while we're on guard duty.

Caleb Maxwell: There's a reason why, Allie, Morgana's bound to have some more dastardly tricks up her sleeve, so we got to be ready.

Suddenly, they felt thundering footsteps, and they saw something heading their way: it was none other than Surtur, the Fire Giant and enemy of the Asgardian pantheon.

Lincoln: (GASPS) Surtur! Aw man, Caleb and the gang don't stand a chance against him!

Suddenly, Lincoln charged at Surtur and he grew to the size of the Fire Giant and punched him hard in the face and knocked him down. Then, he turned the tips of his eleven massive and long wolf tails into Cell's stingers and he stabbed them into Surtur's chest and began absorbing him and he and all of us assimilated Surtur's Superhuman strength, Invulnerability, Pyrokinesis, Energy Manipulation, Living Flame, Cosmokinesis, Immortality, Telekinesis, Swordsmanship, Combat prowess, Magic, and Necromancy, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when he was done, nothing was left of Surtur and he also drained the Fire Giant's soul and he banished him to The Black Abyss forever.

Lincoln came back and continued dancing.

Me: Sorry that you had to stop and go after Surtur, Lincoln.

Celtic Princess: But, it had to be done though.

Caleb Maxwell: We could've handled that big monster.

Lori: No, you couldn't, Caleb, you would've gotten burned badly!

Cage Blunt: She's right. Besides, that guy was an absolute giant, and Lincoln had to deal with him in the past.

Lincoln: Yep, my greatsword absorbed his weapon, The Twilight Sword, and I gained all of its powers and abilities, and that angered him to no end, and after I defeated him two years ago, I absorbed him and assimilated his powers and abilities and banished him to The Black Gates.

Travis Tackett: No wonder you pissed him off.

Me: Lets dance!

I danced with her.

RIVERDANCE MUSIC PLAYS!

We were dancing all over the place with her.

We danced to Cry of the Celts and it was awesome.

The Celtic Dance Contest ended with us emerging as the winners.

Celtic Princess: Whew! Oh man, you guys loved Celtic Dance as much as I do! I'm almost worn out!

Natilee: Everyone got into the Celtic spirit thanks to me introducing them to the Celtic culture years ago, and Lincoln and his family being descendants of Scottish royalty came naturally to them. Alright, then, let's do this.

Now, let's use a combo on her.

Sora: You got it.

Robin Hood and Sora stood ready and faced Celtic Princess from both the East and West with her in the center. Suddenly, a Celtic Triquetra appeared on the ground below their feet and it glowed with green energy.

Lincoln: Whoa, what's happening?!

Natilee: Oh man, I think I know what's about to happen! HIT THE DIRT! THEY'RE GONNA USE A CELTIC COMBO ON HER!

WE IMMEDIATELY RAN FOR COVER BEHIND A HILL!

Robin Hood and Sora: CELTIC FIRESTORM FURY!

Robin Hood and Sora fired blasts of emerald green energy with Celtic knots and symbols and they both hit Celtic Princess from both sides. They flew back to us and we came out, and Celtic Princess survived the onslaught!

Me: That was an awesome Celtic themed combo!

Natilee: And she survived it as well! She's tough!

Nicole: She is you after all, Natilee, and we've seen just how tough you are especially when it came to participating in the many sports competitions that were held in Scotland.

Lincoln: And she also has the same powers as you. Alright then, let's bring this Celtic themed fight to a close.

Natilee: Right, Lincoln. Alright, Celtic Princess, prepare yourself, time we both settled this fight: Celtic Princess to Celtic Princess, and with none of Morgana's resurrected minions or Wertz's minions to butt in.

Celtic Princess: I couldn't agree more.

Suddenly, Natilee's green eyes turned neon green and she was surrounded by an emerald green, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Celtic knots, leaves, dream energy, Celtic energy, animals of nature, phoenixes, and angels, she unholstered her massive Celtic Princess' Eternal Dream Greatsword of Celtic Dream Justice, and as she approached Celtic Princess, she left emerald green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Celtic knots, leaves, dream energy, Celtic energy, animals of nature, phoenixes, and angels with every step.

Natilee: This has been fun and it's time for me to bring about the fun of some Celtic Love!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF NATILEE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE CELTIC ANIMALS, RAINBOW FIRE CELTIC TREE OF LIFE, AND RAINBOW FIRE CELTIC KNOTS, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE CELTIC ANIMALS, RAINBOW FIRE CELTIC TREE OF LIFE, AND RAINBOW FIRE CELTIC KNOTS WENT BACK TO EARTH AND NATILEE GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Natilee was surrounded by a massive vortex of emerald green, white, golden yellow, and blue energy, with stars, aura energy, white and blue heavenly flames, Celtic knots, leaves, dream energy, and Celtic energy surrounding the vortex, there are animals of nature, phoenixes, and angels flying around the vortex, and in the vortex is a green phoenix with the Celtic Tree of Life on its stomach and red eyes glaring at Celtic Princess: the blood red eyes of eternal judgement, and we saw heavenly lights shining down on the vortex.

Me: WHOA!

Nicole: Oh man! Incredible!

Nico: The power of The Celtic Princess is about to be unleashed!

Lincoln: Really awesome!

Suddenly, our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost of epic proportions, and we also now have The Celtic Tree of Life on our left shoulders and Celtic Triquetra tattoos on top of The Celtic Tree of Life.

Eli: Wow! Now, we have Celtic Triquetra tattoos as well.

Me: That was quite a surprise Natilee had.

We also saw that Lincoln and his entire family also have the Celtic Tree of Life and the Celtic Triquetra tattoos they have were on top of The Celtic Tree of Life as well, but we also saw the symbol of The McLoud Clan of Scotland appear as well, and their power suddenly grew even stronger.

Duke Lincoln: (Scottish Accent) The Mark of The McLoud Clan, this is no doubt a sign.

Lincoln: And there's also no doubt as to who's also returned from The Black Gates as well thanks to Anti-Monitor: Morag McLaughlin. That evil insane witch, if I see her, I will unleash 400 years of rage and retribution upon her once more and kill her again, but this time, she'll be banished to The Black Abyss forever along with Aggie McLaughlin.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Nightmare Maestro Minjo, and we found ourselves in Heaven.

Lincoln: But, the fun's just getting started back home.

?: (Scottish Accent) Aye, but, I did managed to see you dance in the Celtic Dance Contest, Lincoln.

Suddenly, we saw the Celtic Tree of Life and Celtic Triquetra appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, a tornado of emerald green energy appeared, and then, the tornado disappeared and in its place was a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long emerald green hair with emerald green flower in her hair, emerald green eyes, massive emerald green angel wings, the Celtic Triquetra on her forehead, white short-sleeved blouse, emerald green sleeveless crop top, emerald green bridal gloves, emerald green skirt with The Tree of Life on it, emerald green knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, Celtic Knots and symbols, leaves, plants, trees, Celtic animals, phoenixes, and angels on the coattails, and on the back is the Celtic Tree of Life with a Celtic Triquetra on top and surrounded by a circle of Celtic Knots, and in her right hand is a nature greatsword.

Lincoln: (GASPS) Arabella Anndrasden, Celtic Princess of Scotland.

Natilee: Wait, I know her, and like Lincoln said, she's The Celtic Princess of Scotland and she's a direct descendant of Scottish Royalty.

Me: Just like Lincoln and his family, awesome! And Lincoln, you know her?

Lincoln: Indeed I do, and so do my sisters, Mom, and Dad.

Selene Arcangela: Along with us, this is Arabella Anndrasden, The Celtic Princess of Scotland, she's Lincoln's Guardian Angel from Scotland and she's an actual Celtic Princess and she's an extremely incredible and powerful one and she's a powerful master of nature and everything Celtic-themed. Plus, she's also a descendant of Scottish royalty as her family, The Anndrasden Clan, are well-known powerful warriors and rulers in Scotland back in the 17th Century and they'd repelled many of England's forces, and they along with Melanie McPherson and Celine McPherson's ancestor, Elsie McPherson, have been great friends with Duke Lincoln McLoud and his family over 400 years ago, but when Aggie McLaughlin, the evil and insane witch and ancestor of Morag McLaughlin, murdered the McLoud Family, they were truly enraged at what that insane witch did, and they teamed up with Elsie McPherson and killed Aggie McLaughlin, and they hated the McLaughlin Family with a bloody vengeance and condemned that hated family to being traitors and enemies of the world and this hatred lasted for over 400 years, and it went on to the present day. Arabella knew that Mira wasn't like her mother, Morag, but she absolutely despised Morag big time as the blood hatred towards Morag and Aggie from 400 years ago passed down to her. Arabella moved to Royal Woods, Michigan, and when she met Lincoln, she saw that he looked exactly like Duke Lincoln McLoud, Duke of Loch Loud, and she pieced together that Lincoln and his family are the descendants of The McLoud Family of Loch Loud, but she'd sworn to keep it a secret because of Morag, and she'd trained Lincoln and his family in mastering the powers of nature and Celtic Energy, and she's an idol of Natilee Knudson, and her love for everything Celtic is just as strong and powerful as hers. Lincoln made her an incredible nature greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She knew of the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan, and Chase Young's Dark Side was to blame, so she used a powerful Celtic spell to keep those dark she-demons in check, and she hated Chandler, Killjoy Huggins, and the rest of Lincoln's enemies and swore that if they tried to hurt Lincoln, she'd force them to eat sheep guts, and she absolutely despises Morag and Aggie McLaughlin, and she swore that she would rip them to shreds and send their black souls into The Celtic Underworld to be torn to shreds by the demons that dwell in the shadows.

Melanie McPherson: (Scottish Accent) So, the legend is true.

Celine McPherson: (Scottish Accent) And the prophecy has been realized: you have indeed returned.

Arabella Anndrasden: (Scottish Accent) Aye, that's right, Descendants of Elsie McPherson. (Suddenly sees Duke Lincoln and his family) (GASPS) Bless me ancestors! The McLoud Clan?! But, how?!

Lincoln told her everything, and she was indeed stunned.

Arabella Anndrasden: (Scottish Accent) I knew Morag was nothing more than a witch, but to try and destroy the earth and all for peace and quiet, she deserves nothing more than death!

Lincoln: And we'll be sure to give her that death sentence, and it's so good to see you again, Arabella.

Arabella Anndrasden: (Scottish Accent) Aye, you too, lad.

Suddenly Lincoln pinned Arabella Anndrasden to the grass, and he kissed her on the lips and marked her by biting her on her right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flared up as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with emerald green gems on the gold lightning bolts and emerald green crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and an white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and still had his massive muscular arms around her.

Arabella Anndrasden: (Scottish Accent) Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition you've grown from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman I know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me and Nico: Lincoln, you sly wolf.

Arabella Anndrasden: (Scottish Accent) Aye, and that wolf new look really suits you: wolves are both strong, handsome, and beautiful. I've seen you in your Lincoln the Nocturnal form before, but now, you have that brand new wolf form of yours, it's truly magnificent.

Varie: Same with J.D. with that new wolf look.

Nico: Gotta love St. Patrick's Day!

Me: YEAH!

Natu: Me too!

Nico: Nice job Natu!

Natu: Thanks Nico! Got any beer?

Poromon: Here you go!

Natu: Thanks!

She drank it.

Natu: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the drunk party! (BELCH)

She got drunk!

Poliwag: Sing the ABC's!

Natu: (BELCHING AND SINGING) ABCDHDMAJGMFJDMGJDLEJEJFSIVJQJ!

We laughed hysterically!

Poromon: Bebe, we got a surprise for you later.

Bebe: Looking forward to it.

Me: Cool.

Qin: Awesome.

Nico: Now, for the Anothers.

Me: Yep.

Qin: Cool!

Me: I guess Another one of us is not going to appear because of it being not a core 310 day.

Deadpool: Of course not. After all, it's a holiday.

Me: I had a feeling. Thanks Captain Obvious.

Deadpool: Very funny.

Eli: (Concentrates) So we have Dekotrade, Itasha, Gamara Monster, Strong Bear, Pyodor and Deadshot coming.

Me: Whoa! So John Stewart, Jade, Salaak, Kilowog, Kyle Rayner and Katma Tui.

Nico: That was easy to figure out.

Eli: Yep. WHOA! And I sense that they are the gene-slammers of

They merged and split into ten figures! They were the gene-skanners of Fairy Dragon, Dokuroyaiba, Fairywitch, Alinsection, Big Insect, Vennominaga the Deity of Poisonous Snakes, Curse of Dragon, Skullbird, Giant Axe Mummy and Maiden of the Moonlight!

Nico: (GASP!) Dahlia Necros, Lori Grogon, Catherine Dokuroyaiba, Lori Lepidopterra, Zvezdania Villorecta, Vivian Vennominaga, Fira Fairywitch, Sira Skullla, Callie Amanhotep and Lori Luna!

Me: Whoa! Awesome to meet you girls.

Lori Lepidopterra: Same here J.D.

Shanan: WHOA! Zvezdania you're a Zvezdannian from the planet Zvezlona.

Zvezdania Villorecta: That's right Shanan. How did you know?

Shanan: I know all about every kind of creature there is. But that is amazing that Nico knows one.

Nico: Yep.

Me: By the way girls is the Another Dekotrade friendly or hostile?

Catherine Dokuroyaiba: Friendly and she is amazing.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: Yeah!

Nico: And now we wait.

Poromon: Hey, I found the Irish beer!

Me: That's Guinness Beer. It's strong stuff.

Poromon: Cool!

He drank it down.

Poromon: Ahh. (BELCH!)

He got drunk big time.

Poromon: (Slurred Speech) (To me) Oh look who it is! Mr. I-Know-Fucking-Everything-Under-The-Sun! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning at me and electrocuted me! But it didn't make me flinch.

Me: WHOA! Thanks I needed to be warmed up.

Nico: Poromon, please save that for later

POW!

Poromon punched Nico in the face!

Nico: OUCH!

POW!

He punched me!

Me: OUCH! Okay you little pipsqueak lets rumble!

Poromon: Bring it on old man! Bring it on fatass!

Nico snapped his fingers and Poromon is back to normal.

Poromon: (Groans) That was horrible.

Me: Told you Guinness beer was really strong stuff.

Luna: It sure is dudes.

Me: But it tastes great in French Onion Soup. Oh there's the Another.

Out came Another Dekotrade!

Me: This is gonna be good.

Another Dekotrade: (In a girls voice) I think so too.

Nico: That voice!

She reverted back and It was the gene-slammer of 30,000 Year White Turtle!

Nico: Arianna Manfred! Wow!

Arianna Manfred: Yep awesome to see you again Nico.

Nico: Same here. Arianna believe it or not is an immortal cavewoman and she lived for over 200,000 years.

All of us: WOW!

Me: That is amazing! So you have been around since the beginning of humanity!

Camie: That is cool!

Arianna Manfred: That's right and it is amazing.

Logan White: You would get along great with Kru'll the Eternal. He is an immortal caveman like you.

Arianna Manfred: That is interesting.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: Lets separate you first.

Lincoln: I agree.

We did so.

Me: Hey Another Dekotrade, you sound like a bunch of being played by a monkey. No wonder you sound so horrible!

Another Dekotrade: Well, maybe we wouldn't sound so bad if some people didn't try to play with big, meaty claws!

Mr. Krabs: What did you say, punk?!

Another Dekotrade: [shouts loudly] Big... meaty... claws!

Mr. Krabs: Well, these claws ain't for just attractin' mates!

Another Dekotrade: Bring it on, old man! Bring it on!

Candlemon: (In a girls voice) It sure will be cool too.

Nico: Griselda Ollivander! Whoa!

She reverted back and was a girl with purple hair, purple eyes, black clothes and had black angel wings and had Candlemon in the middle of her forehead and on her skirt and shirt and had a Drippy Candle Magisword in her hand.

Griselda Ollivander: Awesome to see you again Nico. I got this.

She fired waves of fire and blasted the Another and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and I caught the ridewatch and purified it.

Me: YEAH!

Nico: Dekotrade you have failed this world!

Me: YEAH HE HAS!

Nico: Nice job!

Griselda Ollivander: Thanks Nico.

Me: Are you related to Ollivanders from Diagon Alley?

Griselda Ollivander: (LAUGHS) Everyone keeps asking me that because we share the same name. But no I have no bloodties to him. Me and my family make candles. I come from a long line of candle makers. We've been making candles ever since 2,500 BC.

Me: Whoa! That is amazing history and bloodties.

Griselda Ollivander: It sure is. Also being a Candlemon is fitting for me too.

Nico: Yep.

Jade: Do you have any favorite memories of Nico?

Griselda Ollivander: I sure do. When me and Nico had dinner together with my family and I showed him all my family's candles.

Nico: You should see all the candles they make. They make thousands of candles on a daily basis.

Me: Wow! Like how we made lots of candles before the days of Thomas Edison.

Nico: Yep.

Nico and Griselda hugged.

Nico: I've missed you.

Griselda Ollivander: Same here.

We went back home. We were gonna be back in Ireland later.

And when Lincoln finds out about this, HE'S GONNA GO

ABSOLUTELY FUCKING BALLISTIC AND HE'S REALLY GOING TO BEAT THE SHIT OUT OF HIM, AND HOPEFULLY, HE'S NOT GOING TO KILL HIM IN A GRUESOME MANNER!

Lincoln: Ah, we're here in Beverly Hills, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to take down another of Sam, Clover, and Alex's enemies.

Sam: I think I know who it is, the next of our enemies is Fremont, but this guy had really caused big problems for us, especially because of his fake course called "Espionage 101" while pretending to be a professor.

Lincoln: Jeez, this guy's a fraud.

Alex: (Gulps) It gets worse.

When Sam, Clover, and Alex told Lincoln that Fremont managed to convince and manipulate them to steal an invention used to enlarge objects and that, because of him, they ended up in JAIL! When they were done, Lincoln suddenly had an angry glare in his eyes and he clenched his hands so tight, he drew blood and when it hit the ground, it sizzled!

THEN, LINCOLN'S BODY TURNED ATOMIC RED AS IT ROSE FROM HIS LEGS TO HIS HEAD LIKE A THERMOMETER, AND THEN...!

STEAM WHISTLES!

STEAM BLEW OUT OF LINCOLN'S LARGE WOLF EARS AND NORMAL EARS LIKE A TRAIN WHISTLE!

Me and Nico: OH SHIT!

Lincoln: HE...DID...! WHAT?! (WOLF ROAR)

THAT ULTIMATELY DID IT! LINCOLN'S NOW BEYOND PISSED!

Lincoln: (SAVAGE WOLF GROWL) THAT PIECE OF CRAP! I CAN'T BELIEVE HIM, THAT ABSOLUTE FREAK! FIRST, HE PUT

YOU THREE IN TROUBLE WITH THAT FRAUDULENT COURSE OF HIS, AND THEN, HE MANIPULATES YOU INTO STEALING AN INVENTION USED TO ENLARGE OBJECTS, AND BECAUSE OF IT, YOU THREE WOUND UP IN JAIL BECAUSE OF HIM! THAT'S IT! I'M GONNA TEAR THAT PIECE OF CRUD INTO A MILLION PIECES! (WOLF ROAR)

WE SCREAMED AND RAN FOR COVER!

Nico: Oh man! Now, that shithead's done it! Lincoln's now beyond pissed!

Me: This is possibly the third time someone hurt his future wives like this! And yes, we're counting what you did throwing a pot of hot coffee on Lincoln's wives when you were under that stupid Rebellion Chip, you moron!

SEBASTIAN GROWLED IN ANNOYANCE!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of wolf's teeth remained the same, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild white hair with orange streaks and rainbow highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)

Eli: Oh no!

Me: The werewolf's out, and Hell's about to be unleashed.

Lincoln: (Beastly Voice) Now, let's go find that piece of crud and I'm gonna tear him apart for this!

John Stewart: Oh boy, now Fremont's gone and done it.

Nico: This is gonna get mega ugly.

Suddenly, we saw a sylph flying in the skies and it left an amazing wave of wind gusts across the skies as it was flying all across the skies and it left an amazing breeze blowing through us, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long sky blue hair, sky blue eyes, massive blue angel wings, white short-sleeved blouse with a sylph on it and on her forehead, sky blue sleeveless crop top, sky blue skirt, sky blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, winds, sylphs, phoenixes, and angels on the coattails, and on the back is the sylph, she has a wind greatsword and with her are the four girls.

Lincoln: (Beastly Voice) (GASPS) Serena Sylph, Avatar of The Sylphs.

Serena Sylph: That's right, and I got the girls away from Fremont, but he's heading here now, and he's pissed off at Sam, Clover, and Alex.

Lincoln: (Beastly Voice) Are you kidding me? He's getting pissed his plans fell apart? Heck no, if anyone's going to pissed off, it's me!

?: YOU MISERABLE SPIES! YOU'RE GONNA PAY FOR THROWING ME IN PRISON!

We then saw our target: Fremont, and boy was he pissed as he was heading right for Sam, Clover, and Alex.

Lincoln: (Beastly Voice) (GROWLS) There you are, you piece of crap. NOW, IT'S HIGH TIME FOR YOU TO PAY FOR YOUR TRANSGRESSIONS! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Fremont, and he proceeded to brutally smash him into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIPS! HOING! SHRILL GIRL SCREAMS!

LINCOLN ALSO GAVE FREMONT IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIES!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIE!

Cage Blunt: See what you lot have done?

Travis Tackett: You went too far and messed with his future wives like that, I don't blame him for going apeshit on you!

James Blunt: Be glad he's not gonna kill you all!

We saw Fremont shaking and begging for mercy, and he was a mess: Lincoln tore some of his hair off and he left claw marks on his face and on his clothes.

Fremont: PLEASE! WE BEG YOU! HAVE MERCY! FORGIVE ME!

Lincoln: (Beastly Voice) If Christ above forgives you for your atrocious actions, will I, The Eye of Dread and Scorn, henceforth forgive you?!

LINCOLN SHOT THEM AN EXTREMELY DEATHLY GLARE AND THAT GLARE MADE FREMONT SO SCARED, HE SCREAMED IN FRIGHT AND PISSED HIS PANTS IN HORROR!

Fremont: (BLOODCURDLING SCREAM)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT HIM DOWN WITH THAT AND A DEATHLY GLARE AT HIM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH HIS FUTURE WIVES, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKER!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! SCREW YOU!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending threats at Fremont, and they're also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to that dirtbag!

and transformed, and we went after Fremont and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

Then, Lincoln fired a rainbow, white, golden yellow, and blue energy straitjacket that tied up Fremont and he kicked him into a portal he opened up that led to The M.O.E. We cheered as we holstered our weapons and powered down.

Lincoln: And that's it for you, you manipulative cretin! Enjoy being forced to serve The M.O.E. for all eternity. Suddenly, Lincoln was hugged by Sam who wrapped her arms around his waist and Clover hugged his right arm and Alex hugged his right arm, and then, while Clover and Alex kissed him on the cheeks, Sam kissed Lincoln on the lips, and then,...!

LINCOLN'S BODY TURNED ATOMIC RED LIKE A THERMOMETER RISING, AND THEN,...!

TRAIN WHISTLE!

RED STEAM WHISTLED OUT OF HIS LARGE BROWN WOLF EARS AND NORMAL EARS, BLOOD GUSHED OUT OF HIS WOLF NOSE LIKE A GEYSER, AND HE HAD AN IN HEAVEN LOOK IN HIS EYES AND A GOOFY SMILE ON HIS FACE!

Lincoln: (Beastly Voice) (In Heaven) So...awesome!

Lincoln changed back as the slit pupils of his deep sapphire eyes and Third Eye changed back to normal pupils and his large dark blue halo with four large dark blue orbiting rings changed back to gold.

NICO AND I ALMOST BUSTED A GUT LAUGHING, AND LORI TOOK A PHOTO ON HER PHONE!

Lori: That's literally going in the photo album.

Nico: But, at least, Fremont's in The M.O.E.

Lincoln: It should serve him right after what he did to Sam, Clover, and Alex. (To Serena Sylph) And it's so good to see you again, Serena.

Serena Sylph: You too, Lincoln, it's been seven years since we last met.

Suddenly, Serena Sylph had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Serena Sylph was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Serena Sylph: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Serena Sylph and hugged her, and Serena Sylph is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serena Sylph: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Serena Sylph, Avatar of The Sylphs, she's Lincoln's Guardian Angel and she's known as The Sylph Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Serena is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Sylphs. She was born to a family of Sylphs during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Sylphs, along with immortality and she also mastered the powers of The Sylphs, and she'd fought to protect the Sylphs from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Sylphs, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Sylphs and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Sylphs and be blown away by the winds!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to anger her, not unless they want to be blown away, and now that you're here, Serena.

Lincoln with his massive muscular arms still wrapped around Serena Sylph's leaned his head down first to the right side of Serena Sylph's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Serena Sylph: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Sylph with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Serena Sylph: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Serena Sylph.

Serena Sylph had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Serena Sylph's waist, and he leaned down to her face and kissed her on the lips, and with Serena Sylph's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serena Sylph had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Serena Sylph: (In Heaven) My God. Oh, Lincoln, the four girls I rescued are...

Travis Tackett: And that's our cue to go.

The rest of us left for The World Tree Estate leaving Lincoln, Nicole, and his harem, and they went up to the four girls, and when Lincoln saw them, his wolf nose wound up gushing out blood as he saw them, the four girls are Cotton, Silk, Queen Velvet, and Universe 666 Wool from Cotton: Fantastic Night Dreams.

Lincoln: Oh whoa, it's Cotton, Silk, Queen Velvet, and Universe 666 Wool from Cotton: Fantastic Night Dreams.

Nicole: No wonder Travis and the others left, the girls are extremely hot.

Lincoln: And the girls are easy targets for perverts, and I'll smash them into the dirt. Are you girls okay?

Silk: Yes, we're okay, thanks to you.

Then, when Silk and the other three girls saw who it was that saved them from Fremont, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many

Silk: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out

and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Cotton: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cotton, Silk, Queen Velvet, and Universe 666 Wool with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They came back home to The World Tree Estate.

Maria: J.D. told us everything, and we saw Lori's video of the fight! Damn, Lincoln, you really tore them apart, it was just like what you did to Sam's evil scumbag ex-boyfriend, James, last year!

Lincoln: But, for those dirtbags, I wound up turning into Lincoln the Nocturnal and really tore them all apart.

Nico: It was brutal! So brutal!

Me: Even I was stunned at what Lincoln did. (Shudders) But, it was pretty ugly!

Lola: Everyone's still talking about what Lincoln did to those dirtbags!

We also got responses from The Masters of Evil cheering Lincoln on and cursing those dirtbags!

Qin: And The M.O.E. heard it. Ooh, you even got some thumbs-up and cheers from The Big Claw Gang.

Roxy Drake: I knew Dad and the others saw it.

Suddenly, we heard the screams of James, Fremont, Salty Schooner, Eugene, Margie, Mia Hansen, Myra Sokolov, Cyril

Hearsay, Boogie Gus, and Felicity Fences screaming with pure hatred at Lincoln for humiliating them and his rainbow, white, golden yellow, and blue energy aura flared up extremely as he gained a massive power boost.

Nico: Oh boy, and it also got the attention of the other dirtbags who also hurt Sam, Clover, and Alex.

Lincoln: Seriously? Even after I'd kicked their hides in, they're still ranting and raving hatred at me? What a bunch of sore losers.

Suddenly, Lincoln formed a massive black energy ball with Eldritch Runes around it and writhing black tentacles surrounding it in his left hand.

Me: (GASPS) Oh no. He's not planning on...!

Nico: If those shit for brains fucks try to break out of The M.O.E. and come after Lincoln, Sam, Clover, and Alex for revenge once more, he's gonna put a Lovecraftian Curse on them to shut them up!

Then, the massive black energy ball with Eldritch runes around it and writhing black tentacles surrounding it in Lincoln's left hand disappeared.

Lincoln: Relax, I wasn't going to put a Lovecraftian Curse on them, like I said, it's only meant for the truly irredeemable and insane.

Me: So, that's just to scare them, right?

Lincoln: That's right.

Nico: Well, you sure scared the shit out of us.

Many of us were shuddering in fright.

Maria: To think you also know the darkest and most dangerous forms of dark magic and you'll use it on the truly irredeemable and insane, Wertz pretty much sealed his fate due to that, and if anyone dared to hurt you and those around you, they're pretty much screwed like that nutcase.

Me: You said a mouthful.

After Lincoln and all of us took down Fremont and sent him to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Serena Sylph saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Serena Sylph: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Serena, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Serena Sylph: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Serena Sylph: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Roxy Drake got out a video.

Roxy Drake: Okay, guys, now this next video I got here, this takes place a week after the whole incident with those four former friends of Caleb, and right there and then, Caleb had recovered thanks to spending a week with Cage and Travis. But, of course, those two drank demon blood yet again and you can guess it was back to business.

Roxy Drake put in the video and it played on the big screen, and it showed New York City in the late afternoon and it was very busy at Christiano Maxwell's restaurant and Caleb Maxwell was helping with the restaurant. Suddenly, he saw the sun was about to set.

Past Caleb Maxwell: The sun's setting, it's been a week since I stayed with those two vampires, but I was unable to get rid of the demon blood they'd stashed in the fridge. Which means, if they drink it again, it's back to business. I need to get back home and fast.

Caleb Maxwell went to his uncle and he clocked out, and then, he came out of the restaurant, and he hightailed it home, and at the rate the sun was setting, it was only a matter of time before night fell on the city. Suddenly, he sees his home.

Past Caleb Maxwell: Yes, yes, I'm gonna make it, I'm gonna make it!

Suddenly, Caleb Maxwell heard the sounds of gunshots, and he saw the thugs of The Syndicate heading for him.

Past Caleb Maxwell: Seriously?! Drake, give me a break!

Caleb Maxwell saw that even if he did make it, Drake's thugs weren't going to stop until Caleb was dead. Suddenly, they heard the sound of hissing in the air, and then, they suddenly turned the guns on themselves and shot themselves in the head.

Past Caleb Maxwell: The hissing in the air? (GASPS) Oh no, the sun!

Suddenly, the sun went down and the moon rose in the night sky as night has fallen on New York once again.

Past Caleb Maxwell: Shit, I'm too late!

Suddenly, Caleb Maxwell saw Cage Blunt and Travis Tackett come out as the sclera of their eyes were black and the iris of their eyes were bright red and they were really out for blood.

Past Caleb Maxwell: Damn it, I wasn't able to make it back home.

Past Cage Blunt: You were never able to make it back home in the past, Caleb.

Past Travis Tackett: You were always a mere step behind.

Past Caleb Maxwell: We'll see who's laughing, wiseguy.

Caleb Maxwell attacked Cage Blunt and Travis Tackett with some punches to the face and kicks to the stomach followed by some karate chops to the stomach and arms. It got brutal, and Cage Blunt and Travis Tackett had messed up hair and their outfits have tears especially on the shirts.

Past Caleb Maxwell: Had enough?

Past Cage Blunt: (Smirks) That didn't even hurt a bit, but you did mess up our hair and outfits.

Past Travis Tackett: That was just plain rude messing up the threads.

Lola: I know that feeling.

Past Caleb Maxwell: I don't even believe it, you were able to withstand that kind of brutal attack and survive, what kind of vampires are you?

Past Cage Blunt: I don't think you want to know. But, what you just did, you realize you're in for it now.

Cage Blunt took off his black jacket and he grabbed his shredded red shirt and ripped it off showing off his well-built body.

Maria: Uh oh, that meant you were in huge trouble, Caleb.

Caleb Maxwell: Tell me about it. Facing someone physically stronger than me meant big trouble for me, and I had to run.

That meant big trouble for Caleb Maxwell as he ran away to his house, but before he could get to the front door, Cage Blunt ran behind him and he leapt in the air and got in front of him blocking his way to the front door.

Past Caleb Maxwell: No! Damn it!

Suddenly, Caleb Maxwell saw a knife from one of Drake's thugs who dropped it as soon as he killed himself, and he ran to it and grabbed it.

Past Travis Tackett: Heh, what are you gonna do with that?

Caleb Maxwell remembered that they got the knife away from him when he tried to kill himself the last time, and he was caught in a dilemma as the two vampires were right in front of him and were coming in for the kill.

Past Cage Blunt: What's wrong? Not gonna slit your wrists or throat?

Past Caleb Maxwell: Keep laughing, bastard.

Caleb Maxwell took the knife and slit his right palm and he left the blood flow. Then, he clenched his right hand but making sure to leave it open for the blood, and he swung his right arm and fired a wave of his own blood right into the mouths of Cage Blunt and Travis Tackett who drank it, and then, it caused them to groan in pain, and we saw it as the black sclera of their eyes changed back to white.

Me: Whoa!

Lincoln: Awesome, so your blood basically cleansed them of the demon blood in their veins.

James Blunt: I remembered Alternate Caleb say that his blood could remove the demon blood in a vampire. Then, I remembered: a Maxwell's blood has the ability to cleanse the demon blood out of a vampire and return them to sobriety.

Victor Bristow: (German Accent) I remember hearing of that.

Timothy Maddock: (British Accent) It's one of the rarest abilities that a Maxwell has, and it's one that is of course a life-threatening move. Caleb knew of the risk, but he chose to take it.

Past Cage Blunt: (Groans) What the Hell hit me? (Sees Caleb Maxwell) Caleb Maxwell? What on? (Sees Caleb's right palm bleeding) No, you didn't.

Past Caleb Maxwell: I had to, you both drank demon blood again.

Past Travis Tackett: Damn, what a hangover. (Sees Caleb's palm bleeding) Oh man. Caleb, you really shouldn't have done that.

Past Caleb Maxwell: I had to.

Cage Blunt went up to Caleb Maxwell and looked at his right palm.

Past Cage Blunt: You really did it this time. Hang on, let me disinfect that.

Past Travis Tackett: And try not to look because it's gross.

Cage Blunt then licked the blood still pouring out of Caleb's bleeding right palm and his saliva healed the wound and prevented it from getting infected.

Past Caleb Maxwell: Now, I know why you told me not to look.

Eli: Yeech!

Cage Blunt: I know it's gross, but a vampire's spit actually disinfects someone's wound and prevents it from getting infected.

Then, Travis Tackett got some bandages and wrapped it around Caleb Maxwell's right palm. Suddenly, Marlene Maxwell and Allie Maxwell came out.

Past Marlene Maxwell: Caleb! Are you okay?

Past Caleb Maxwell: I'm okay. But, Drake sent his thugs after me again, but Cage and Travis scared them and it caused them to kill themselves.

Past Marlene Maxwell: What the? Usually, you two would've been chasing him down and trying to snack on him?

Past Cage Blunt: Normally, that was true, but your son almost got blown to pieces by your former youngest son if we hadn't come out.

Past Caleb Maxwell: He's right, even if I got close to home, they would've shot me dead.

Caleb Maxwell continued to explain everything as the video ends.

Marcus Mackenzie: And Caleb was right, even if he were to get close to home, he would've been shot dead if Cage and Travis hadn't scared them into committing suicide.

Roxy Drake: And from where he was located at, he wasn't able to make it back home on time either, because by the time he got near to home, the sun has set and night falls, and it's around the time the vampires come out to play.

Caleb Maxwell: Roxy, seriously?

Cage Blunt: Well, she's right. We can walk about during the day, but we're far more active when night falls which was another advantage we had over you.

Nico: He got you on that one.

We got a shower, and then, Lincoln, Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime are heading to Bubblaine.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Opaline Arcana: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Opaline, and it's perfect for our first date, shall we?

Lincoln, Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Symonne: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime and hugged them in their abnormally massive and powerful muscular arms, and Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby

Jennifer, Marionette Luna, Marionette Mona, and Solus Prime on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime are in your harem, Linky.

Opaline Arcana, Symonne, Labrys, Aigis, Lavenza, Presa, Chidori Yoshino, Toy Chica Madison, Circus Baby Jennifer, Marionette Luna, Marionette Mona, and Solus Prime showed the marks Lincoln made on the right sides of their necks.

Sunny Starscout: I remembered what Lincoln did in comforting Opaline after he saw her tears and that she was suffering from the nightmares of what she did in the past, and he had to comfort and soothe her when he went into her dreams.

Jenna: You guys had no trouble at all.

Labrys: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We may not have a mission for today since today's St. Patrick's Day, but I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed massive dark energy signals with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: the figures were none other than Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army from Warhammer 40,000, and they've come back from the dead and they all want revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Hunter: (German Accent) Mein Gott, was that...?

Lincoln: It is, Hunter, the figures we saw were none other than Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army from Warhammer 40,000, and they've come back from the dead and they all want revenge on me for killing them.

Nico: Great, looks like we got a massive vampire army to get rid of.

Firaza Diamond: Leave them to me and Lincoln, we'll take them down and Lincoln's going to drain all of them dry of blood.

Lincoln: Right, Firaza, they're not getting away with this, all of them are going to die here and now for their crimes, and they're in the park and Morgana used a spell to protect them from the sun.

Me: Figures that witch was behind this.

Nico: That monster, she really pulled a dangerous move bringing those vampires back. Alright, team, let's go, we need to head for the park and slay Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, along with the entire Vampire army.

Lincoln: Their days of running free end here and now.

Firaza Diamond: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, along with the entire Vampire army.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Gotham Royal York Park to destroy Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, along with the entire Vampire army and send them all to The Black Abyss.

Alright, here's the match-up scene: Firaza Diamond, The Shiranui Fusion Gene Slammer and Lincoln VS. Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army from Warhammer 40,000

We arrived at Gotham Royal York Park to hunt down and destroy our targets: Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army from Warhammer 40,000

Me: We're here in Gotham Royal York Park.

Nico: Now, where's Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army hiding?

Lincoln: They're here, there's no doubt about it. (Catches the scent) I smell their blood in the air.

?: You will all pay for what you did in killing us, Lincoln Loud!

Lincoln formed a massive and indestructible diamond barrier infused

with absorption energy that protected all of us from a sudden barrage of energy and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you and the entire Vampire army better get out here, Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein.

Many figures came out, they were none other than Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army from Warhammer 40,000.

Hunter: (German Accent) You bloodthirsty monsters, I should've known you'd come back from the dead.

Abhorash: And we will have our revenge on you before we feed on every last human here on this entire plane.

Firaza Diamond: There's no way in Hell am I going to allow that, and I will make sure of that!

Firaza Diamond: From the very moment that you've shown your faces, we'd known you'd be back once again to get revenge on Lincoln for killing you all and no doubt it was thanks to that insane evil witch, Morgana Midnight Sparkle. But, that is never going to happen, Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire Vampire army, as the member of The Guardians of Reality and Fusion Gene-Slammer of The Shiranui Duel Monsters, I hereby sentence you all to death for all of your crimes.

Generosity, Kindness, Selflessness, Courage, and Trust) I was absolutely disgusted by all of your actions and what you've done, and even now, you're still as unforgiveable as ever. You wanted to feed on all of humanity and turn everyone into vampires, but your hunger for blood and power has led you all to your own undoing, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Abhorash, Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, may you suffer for all eternity with not a kindred soul to give you solace!

THAT PISSED OFF THE VAMPIRES EVEN MORE!

Lincoln, Firaza Diamond, Nico, and I went after Abhorash, Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, red and pink, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Abhorash, Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on the and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Firaza Diamond did the same by firing red and pink, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Kali Timestream, Nico, and I attacked the hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army even more angrier than ever.

Suddenly, Abhorash turned on Konrad Von Carstein, Mannfred Von Carstein, and Vlad Von Carstein as he slashed at them, and he'd went back to his homeland, and Lincoln knew that he was an honorable vampire who finally freed himself from the curse.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army and clusters of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Konrad Von Karstein, Mannfred Von Carstein, Vlad von Carstein, and the entire Vampire army were now on their last legs and they were really really mangled.

Then, Lincoln fired red energy blasts that hit the entire vampire army and he sucked them all dry of blood and they were killed, and he turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into the chests of Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, and he began absorbing them, and he and all of us assimilated Konrad Von Karstein's Superhuman Strength, Swordsmanship, Immortality, and Intimidation, Mannfred Von Carstein's Dark magic, Necromancy, and Immortality, and Vlad von Carstein's Superhuman Strength, Superhuman Endurance, Mastery in Magic, Expert Manipulator and Charmer, Tactical Leadership, Political Charisma, Master Warriorship, Immortality, and Intimidation, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein except for their armor, and he drained their souls of energy, and he sent them and the entire Vampire army to The Black Abyss.

We cheered wildly as we holstered our weapons and powered down and Firaza Diamond's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large red and pink planets orbiting around her legs and twenty five smaller red and pink planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized red and pink planets orbiting around her wrists and ankles, eleven massive and long red wolf tails, and massive red angel wings and nine sets of large red angel wings underneath her massive red angel wings are permanent.

Firaza Diamond: This is the price that you must pay for all of your crimes, you undead monsters! Thanks for helping me take down Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein and the entire vampire army, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Firaza.

Me and Nico: Our pleasure, Firaza.

Suddenly, Firaza Diamond wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Firaza Diamond's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and The Timelord Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Firaza Diamond sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Hunter: (German Accent) That's it for Konrad Von Karstein, Mannfred Von Carstein, and Vlad von Carstein, and the entire vampire army, they deserved to die for all of his crimes, and Abhorash was an honorable vampire knight who freed himself from the curse by drinking the blood of an ancient red dragon and invigorated by the blood of the dragon and infused with its ancient strength, he no longer thirsted for the blood of humans.

Me: You got that right, Hunter, and he deserves to live his life in peace. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Wendigo flying in the skies and it left a wave of darkness across the skies.

Selene Arcangela: (GASPS) The Wendigo...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Whitney Wendigo, Avatar of The Wendigo.

WE GASPED!

Me: No way!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Whitney Wendigo, Avatar of The Wendigo, is Lincoln's Guardian Angel and she's known as The Dark Wendigo Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Whitney is a powerful master of the powers of darkness and the Wendigo, and she's also known for her master of darkness and she's also known for eating the flesh of her enemies. She lived during an age of darkness and she was said to be born in a graveyard long forgotten, and over time, as she grew, she gained all of the incredible strengths and powers of the Wendigos along with immortality and she also mastered the powers of the darkness and The Wendigos, and she'd fought against the most despicable humans and after she kills them, she eats their flesh, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness and the powers of the Wendigos, and he also gained all of the incredible strengths and powers of the Wendigos, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Wendigos and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Whitney kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would kill them and eat their flesh.

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: Devoured and eaten by her. That's right.

Later it was time for the last Super Mario Odyssey adventure.

Me: Wel here we are.

Nico: Well, this is it. Our last Mario adventure.

Martian Manhunter: Me and Danny will go with you

Me: Yep. The last one.

Nico: It was really fun.

Me: No worries Nico. We can still go to the kingdoms we visited on our rescues.

Nico: That is true.

Nicole: This time we'll all go in. Lets finish this with a bang.

Nico: I was about to say the same thing.

We all went in and it activated and we were in BOWSER'S KINGDOM FOR ONE LAST TIME!

Nico: They were fun while they lasted

Me: I still loved them Nico. We had so much fun.

Qin: Yeah!

Xenia: We sure did!

Laney: You know what's cool here? When we're wearing all green like this for Saint Patrick's Day, in a kingdom like this, we stick out like a sore thumb.

Nico: Yeah it does make us noticeable doesn't it.

Camie: I agree.

Nicole: Bowser is waiting for us in the spot where we battled the Broodals here last time.

Me: Okay.

Nico: Lets go.

We were off.

Me: Wow. This is an amazing place.

Qin: It sure is.

Mulan: It's just like what I know back home.

Qin: I was thinking the exact same thing ancestor.

Lola: Yeah.

Danny: We can also visit the previous Galaxies we visited

Me: Oh right I forgot about those. But that's a good idea too.

Qin: Yeah.

Camie: I agree there as well.

Sunset Shimmer: I do too. But this was so fun being part of the action here.

Lola: It sure was cool.

Rarity: We had a lot of fun though darlings.

Me: All of us sure did.

We landed in the circle and then BOWSER LANDED!

Bowser: HEY GUYS! Wow! Love all the green! Oh right! Happy Saint Patrick's Day to you all.

Me: Same to you.

Nico: Thanks. But this is our last Mario adventure.

Bowser: I know. But you guys can still do all the fun things we did on your rescues.

Me: See and that also includes Delfino Island too.

Camie: Yeah!

Lola: I loved that game Super Mario Sunshine.

Nico: Now that was fun.

Bowser: Yeah it all was awesome and cool. Lets finish this all with a bang.

Me: You got it!

(BREAK FREE (LEAD THE WAY) BY KATE HIGGINS PLAYS)

We went at him and I kicked him in his face and fired waves of lightning and blasted him.

Nico fired waves of energy and blasted him.

Bowser: Don't be sad that it's ending. Be glad you had fun!

Me: Don't worry. We aren't sad. It was some of the best fun ever!

WE CHEERED!

I fired waves of fire and blasted him.

Bowser fired waves of fire from his mouth and we absorbed it all.

Rarity and Sunset Shimmer fired waves of jewels and fire and blasted him.

Fluttershy and Lilja fired waves of leaves and grass and blasted him.

Applejack and Apple Bloom hurled huge boulders and smashed him all over.

Me: Take this!

I used my quirk and formed an image of the Trifid Nebula and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck him all over the place and electrocuted him.

Nico: YEAH! On the bright side, after rescues, we can skip ahead to the occurences before a mission on certain days like this

Bowser: That is true.

Camie: Yep.

Nicole: Now watch this! DEMON STAR!

Nicole used the powers of Lavos and formed a blood red moon and it swirled around and it blasted Bowser all over.

Nico: Take that!

I fired waves of energy.

Qin fired waves of lightning.

Lana and Lola and Lily fired waves of fire, water and ice and blasted him.

Varie and Carol fired energy and water blasts and blasted him.

Nico: OH YEAH!

Horsea squirted ink and blinded him.

Me: Yeah!

But then blades of yellow energy slashed him.

Me: WHOA!

We saw Keldeo!

Me: Whoa! Keldeo!

Nico: What's that doing here?

Me: I think I might know.

Bowser: I heard about what was going on with Dark Gale and all that. That is crazy.

Me: It sure is.

Gabby Griffon: Lets see here.

She used Telepathy and then gasped!

Gabby Griffon: OH MAN! That's my sister Sylph Wind Griffon!

WE GASPED!

Me: She must be the last member of the Swords of Full Moons Justice.

Qin: Yeah!

Me: Bowser we'll be right back. We got to save her.

Bowser: Okay.

Me and Gabby went to face her.

Gabby Griffon: Sylph Wind! It's me Gabby!

All she did was charge at her

We dodged at her.

Me: This is gonna be hard but cool.

Gabby Griffon: It sure is.

Me: Lets go.

I fired waves of lightning and electrocuted her and Gabby did the same.

It electrocuted her.

Me: Now this.

I snapped my fingers and she reverted back and had dark blue hair, blue eyes, blue wolf ears and a blue tail, blue angel wings and had Keldeo in the middle of her forehead and had a blue version of Gabby's cutie mark on her arm.

I wrapped her in a blanket.

She woke up.

Sylph Wind: (Groans)

Nico: You okay?

Sylph Wind: (Groans)

Gabby Griffon: Sylph?

She saw her.

Sylph Wind: Gabby? (Gasp) Gabby!

She hugged her.

Gabby Griffin: Thank goodness you're okay.

Me: You were turned into a Keldeo by Dark Gale.

Sylph Wind: (GASP) I remember!

FLASHBACK!

She was in a yellow suit and was injected and busted out and turned into Keldeo! She busted out of the lair.

FLASHBACK ENDS

Sylph Wind: It was awful.

Me: Well the good news is we saved you.

Nico: But we're in the middle of a battle now.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her an awesome white ensemble and a moon sword.

Sylph Wind: Boy I look great!

Me: You sure do.

Nico: Lets get him!

Me: YEAH!

Nico: (gets out Dekotrade and Slash Beast's Ridewatches) Time to slash and burn rubber!

Nico activated them and slashed and burned him all over.

We all fired a massive blast of energy and elements and blasted Bowser all over.

Sylph Wind: Like old times sis?

Gabby Griffin: You know it!

Sylph Wind and Gabby Griffin: GRIFFON FURY MOON BLAST!

They fired waves of energy and blasted Bowser all over.

Me: Yeah!

But then Thunder Rainbow Zoom and Sylph Wind yelled as their bodies started twitching and their bodies were expanding.

Thunder Rainbow Zoom: No! We control the power!

Sylph Wind: It doesn't control us!

They concentrated and reigned in the power and turned into Virizion and Keldeo and slashed him and then they turned back and cheered!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP!

Me: Mario, Lets unleash a combo final smash on him!

Mario: (Italian Accent) Lets-a go!

Mario, Luigi, Peach, Daisy, Rosalina and Pauline: MUSHROOM KINGDOM ULTRA STAR BLAST!

They fired waves of energy and stars and the blasts combined and they hit Bowser and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was knocked out cold!

Nico: OH YEAH!

WE CHEERED WILDLY!

Me: YEAH!

Nico: Your role in Sonya's team?

Sylph Wind: Well I'm the wind and moonlight master of the team and a swordmaster. Outside of the team I serve to defend Equestria in the Swords of Full Moons Justice. I represent the Cold Moon of December.

Me: The last full moon of the year.

Sylph Wind: Yep.

Wolf Moon Bloom: Now that we're all back together would you all like to see our oath?

Me: Sure.

They unsheathed their swords and held them up together and the full moon formed in the background.

Wolf Moon Bloom: THE WOLF MOON TO START THE YEAR!

Dioptase Angel Bloom: THE PINK MOON OF SPRING FOR FLOWERS BLOOM!

Thunder Rainbow Zoom: THE BUCK MOON OF SUMMER FOR THE SUN SHINE!

Sylph Wind Griffon: THE COLD MOON FOR THE JOY AND FUN OF COLD WINTER!

All: WHEN THE LAND OF EQUESTRIA IS IN DANGER, THE SWORDS OF THE FULL MOONS JUSTICE WILL BE THERE TO DEFEND! LOVE AND JOY UNDER THE FULL MOONS LIGHT OF LOVE!

Me: WOW!

Nico: Awesome Oath!

Xenia: Yeah!

We left the simulator.

Nico put Super Mario Odyssey on the shelf with the Mario Galaxy games. Nico turned around to exit. When he was in the doorway, he glanced at the games one last time with a smile.

Nico: You were a big help for these adventures too. Thank you.

As Nico left, the door closed behind me.

It was SO FUN!

Me: Don't be sad dude, we had so much fun. But there are MANY MORE adventures to be had.

Nico: Too true.

Later we were taking Bebe on a date.

Poromon: You'll love where you're going.

Bebe: Where are we going?

Me: You'll love it Bebe.

Yun of Street Fighter was with us.

Yun: I have a feeling this will be fun.

Mindy Chan: You will love it Master Yun. It will be fun.

We arrived.

Me: Here we are.

Poromon: We're here.

Poromon took off their blindfolds and they were at an amazing and awesome luxurious 5 diamond and star burger restaurant called the Golden Jeweled Fois Gras.

Nico: WHOA!

Bebe: The Golden Jeweled Fois Gras!? I've always wanted to come here!

Me: I know. But getting in here is almost virtually impossible! You have to wait like a year to two years to get in here! So I pulled some strings and got us in here.

Bebe: WOW!

Yun: This is amazing!

Bebe: (GASP) YUN!?

Yun: Bebe!?

Both: YOU'RE MY DATE!?

Poromon: We arranged this for you!

Me: Yep. But it will all be worth it. You should see the food they have here.

Nico: (to the mascots) You 4 better get ready to run

Poromon: We know.

Me: After we eat.

We got our seats and Bebe and Yun sat down.

Nico: Whoa look at all this.

We saw the menu and it was all burgers that were WORTH A FLIPPING FORTUNE!

Nico: Whoa the Richard Neuveau Burger, $300.00!?

Me: I know. I've had it before in New York City. It's really good.

Nico: Wow. What's on it?

Me: It's a burger made with Kobe Beef, Gruyere cheese, black truffles, fois gras and sprinkled with gold dust.

Nico: (whistles) Luxurious.

Camie: I'll say.

Me: You should see the desserts they have here too.

We ordered our meals and man was it good.

Me: (Eating a Richard Nouveau burger) Mmm! Oh that is good.

Nico: (Eating a Richard Nouveau Burger) Mmm! Boy you weren't kidding.

We were eating many kinds of burgers.

Poromon ate his burger

Poromon was having a really good buffalo fois gras burger.

Poliwag and the mascots had really luxurious burgers.

Me: So what do you think of this place?

Bebe: It's incredible. It's amazing you can afford all this.

Me: Not to brag but when it comes to places like this, money is never an issue.

Homer: Don't Take it from me. I spent all my money on Bart and ended up broke and all because Burns didn't pay me. (SEASON 12 EPISODE 5)

Me: We'll kill Burns later on. I promise. Then you can strangle him and get all the money he owes you out of him.

Homer: It's a deal.

Nico: (to Bebe) I bet your shark form can eat many of these.

Bebe: I sure can.

Me: Cool.

French Narrator: (French Accent) One amazing and delicious meal later

---

We left the restaurant after paying for it.

Nico: WOW! $1,000,000.00 for that!? That's insane!

Me: Yeah but like I said, it's never an issue for places like that. But man that was good.

Poromon: (BELCH) Oh excuse me.

Camie: But that was delicious!

Yun: It sure was!

Varie: Wow! I'm stuffed!

Nico: Me too!

Bebe Bolton: That was so good though. Thank you mascots. Now for your...

ZOOM!

Bebe Bolton:...punishment.

Me: They got a head start. The hunt is on!

Nico: Lets go!

We went to find them.

YOU CAN RUN BUT YOU CAN'T HIDE!

At the Funny Pants Emporeum was the mascots. They were hiding among a bunch of stuffed animals.

Poromon: This time, a whorehouse won't be included!

Poliwag: Good! But it was funny showing the trailer.

Then the mascots got buried in more stuffed animals.

Poromon: HEY!

Luan: Huh?

Luan saw the mascots.

Luan: Hey what are you guys doing in there?

Manaphy: Oh Hey Luan. Wait you work here?

Luan: Yeah it my day job.

Manaphy: Awesome. And in a prank store too.

Horsea: Please be quiet!

Luan: Blind date chase?

Poromon: Yep.

Then we came in.

Nico: Wow look at this place.

SpongeBob: Reminds me of the Palace of Pranks.

Patrick: [in another aisle] Hey, Peanut Brittle! [purple tubes appear popping above the aisle that Patrick is in] Oh, darn it, not again!

WE LAUGHED!

Me: That always cracks me up!

Luan: Hey guys!

Me: Hey Luan.

Nico: I didn't know you work here Luan,

Luan: It's my day job.

Me: Cool.

Luan: Want to see a cool prank?

Me: Sure.

Luan: This came in just this morning. [shows a package of gum] Have some gum. [Patrick chews the gum but then he screams as his head explodes] Ha! Exploding chewing gum. Only $9.95.

Patrick: [His head is gone, leaving a neck bone in the shape of a femur and he talks muffled] I don't get it.

Me: That is funny!

Qin: (LAUGHS) Yeah!

Laney: Yeah!

Applejack: (LAUGHS) Funny!

Lily: I remember that prank in Bikini Bottom. That was a riot.

Nico: No sign of them. Also I wonder if this is where the mascots got that invisible spray.

Luan: Yep it is.

Then...

ZOOM!

The mascots ran off.

Luan: The mascots were hiding out in the stuffed animals.

Me: They gone somewhere else. But I think I'll get some exploding chewing gum. We'll use that on criminals we hate.

Nico: Good idea.

Luan: Awesome choice.

We bought some.

Poliwag: Where are we now?

The mascots were in a whoopee cushion factory!

Poliwag: A whoopee cushion factory? Who knew.

LOUD FART!

Poliwag: Poromon!

LOUD FART!

Poromon: Sorry!

They were stepping on Whoopee Cushions!

Horsea: We need to be quiet!

LOUD FART!

Horsea: Sorry.

We came in.

Me: A whoopee cushion factory? Boy they pretty much make everything in a factory now these days.

Camie: They sure do.

LOUD FARTS!

I stepped on a bunch of whoopee cushions.

Me: Whoa! (LAUGHS) Pardon me!

WE LAUGHED!

Twilight stepped on one.

LOUD FART!

Twilight Sparkle: Okay that is not funny.

Me: Oh come on Twilight, if Izzy Moonbow, Pinkie Pie and Rainbow Dash can get a good laugh out of it then anyone can. Besides I don't think you can help but step on these, they're all over the place.

Nico: He's right on that.

Twilight Sparkle: (LAUGHS) You're right on that.

Horsea: We have to go!

LOUD FART!

Me: There!

We saw the mascots shadows.

Me: AHA! Caught you fart handed!

ZOOM!

They ran.

Me: And now they're gone.

They were running again.

Horsea: Where now?!

Poromon: In there!

They went into a factory and hid behind something.

Poromon: Whew!

But then they smelled something and then...

Mascots: (BAWLING UNCONTROLLABLY!)

They saw that they were in an ONION PACKING PLANT!

Poromon: (CRYING HARD) AN ONION PACKING PLANT!? (CRYING)

Manaphy: Bad choice!

Poromon: HEY! I DIDN'T KNOW!

We came in.

Me: WHOA! An onion packing plant? WHEW! Man it stinks in here.

Rarity: (CRYING HARD UNCONTROLLABLY!)

Pinkie Pie: (CRYING HARD UNCONTROLLABLY) IT HURTS MY EYES!

SpongeBob: (CRYING HARD!)

Stimpy: (CRYING HARD UNCONTROLLABLY)

Me: GEEZ!

Then we saw trails of tears and saw the mascots!

Me: Shh.

I pointed behind a bag of onions.

I tip toed and then jumped and grabbed them!

Me: GOTCHA!

Poromon: HEY!

I caught them.

Me: Nice try.

Poliwag: I demand a lawyer!

She-Hulk: I'll be one.

Me: First lets get out of here before we all cry.

We went outside.

Me: Whew.

I gave the mascots and some of us tissues and we blew our noses.

Me: There.

Bebe and Yun tickled them.

Bebe: COOCHIE COOCHIE COO!

Horsea: You'll never take me alive!

We grabbed her and we were tickling her all over.

THEY LAUGHED HYSTERICALLY!

Me: SAY IT!

Mascots: (LAUGHING HYSTERICALLY!

Nico: SAY IT!

Manaphy: Have mercy!

Me: Not until you say it!

They laughed more!

Eli: SAY IT!

They laughed more!

Me: IN THE NAME OF ALL HUMANITY JUST SAY IT!

Mascots: UNCLE! UNCLE! UNCLE!

We stopped.

Bebe: We had a great time though.

Camie: That was awesome.

Nico: At least you didn't go on a rollercoaster unsupervised.

Poromon: That's next time.

Later we were back over in Ireland for the Saint Patrick's Day Festival.

Mascots: HAPPY SAINT PATRICK'S DAY!

Me: Same to you guys too.

I was having green cream soda. It was mint flavor cream soda. Really good.

Dekotrade: (to John Stewart) You should take care of that Natu

John Stewart: I will.

Lola: Boy this is fun!

Laney and Joey and Natilee were dancing to Celtic Music playing.

The mascots got drunk.

Poromon: We have an announcement to make!

Me: Uh oh.

Lola: This can't be good.

Poromon then burped into the microphone

LOUD BELCH!

Me: WHOA! Excuse you!

THE PEOPLE OF IRELAND LAUGHED!

Me: (LAUGHS) Seems doing drunk burping to them is funny.

Lola: In Ireland it's no surprise.

Camie: That is true.

Ebonwumon: That is true lad. But Ireland is where beer mostly came from. {Second Head} It sure is amazing for them. {First Head} Oh you just had to rub it in Mr. Festival-Lover-Pants!

Me: I agree there though.

Nico: There's actually a dance contest

Me: I think Natilee, Laney and Joey got the right idea for that.

Camie: Yeah!

Qin: Yep.

Rapunzel and Sora and Eli and even Misty and me joined in and it was fun.

The Scotsman was playing bagpipes and we were dancing to it

Natilee was dancing really well to it and she was having fun.

Lincoln and some of his family danced Scottish Style.

Sydney tried her best at dancing. She got it down and it was awesome.

They were playing The Haughs of Cromdale.

Nico: Awesome song.

Me: That's the Haughs of Cromdale. It was about what happened during The Battle of Cromdale which lasted from April 30th to May 1st, 1690 and it was one of the battles that lead to the overthrowing of King James II.

Nico: Amazing.

Camie: Wow.

Sheila tried her best at dancing

Sheila did great dancing.

They then started playing Riverdance music and it was fun.

Me: Love Riverdance.

Nanette tried her best at dancing

And she did great.

Qin: Awesome and fun!

Rice tried her best at dancing and did good.

Same with Kendra, Georgina and Maxxine.

They were all doing really well dancing.

Qin tried her best at dancing too

She did great.

Irene Malloy tried her best but she fell down.

CRASH!

Irene Malloy: Ouch. Sorry guys I got two left feet.

Leni: Do you really?

Irene Malloy: Actually I got more like two and a half left feet.

She showed that she LITERALLY DID have two and a half left feet!

Announcer: (Irish Accent) And we have a winner! Laney, Joey and Natilee!

WE CHEERED FOR THEM!

Me: Way to go guys!

Nico: Wonder what the prize is.

Me: I think it's that!

We saw an amazing house mansion boat!

Qin: WHOA!

Laney: WOW! We won that!?

Joey: (British Accent) That is amazing!

Laney: Perfect for the park.

Captain Whitten: That was good news for many of us in the precinct, I hadn't forgotten about all the times we'd arrested many who'd gotten drunk on that day.

We then got ready for bed.

We went to sleep.

But, that's the last straw, Lincoln's going to put an end to Hades and his army once and for all and send them all to The Black Abyss forever and end Hades' plan to conquer the Earth, and we're going to meet the next Avatar of The Mythical Beasts, her name is Whitney Wendigo, Avatar of The Wendigo, she's Lincoln's Guardian Angel and she's known as The Dark Wendigo Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Whitney is a powerful master of the powers of darkness and the Wendigo, and she's also known for her master of darkness and she's also known for eating the flesh of her enemies. She lived during an age of darkness and she was said to be born in a graveyard long forgotten, and over time, as she grew, she gained all of the incredible strengths and powers of the Wendigos along with immortality and she also mastered the powers of the darkness and The Wendigos, and she'd fought against the most despicable humans and after she kills them, she eats their flesh, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness and the powers of the Wendigos, and he also gained all of the incredible strengths and powers of the Wendigos, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Wendigos and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Whitney kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would kill them and eat their flesh.

MASCOTS VS PARROT AND ANTI-MASCOTS

THIS IS THE LAST STRAW FOR SERGIO!

In the early morning hours at 12:13 AM, Lincoln had a dream, and he saw five figures hiding out and living in Buea. But, this was no ordinary five figures, they were Sting-Fly, son of Lincoln's future wife, Snarehuntress. Carly Loud, daughter of Lincoln's future wife, Carol (Skullgirls). Sea Melody, daughter of Lincoln's future wife, Minette. Karla Loud, daughter of Lincoln's future wife, Squigly. and Wild the Badger, son of Lincoln's future wife, Sticks the Badger. Lincoln woke up from the dream, but he wasn't the only one, Snarehuntress, Carol (Skullgirls), Minette, Squigly, Sticks the Badger, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Sticks the Badger: And it also means that we found out where our kids are at.

Me: They're at Buea.

Nico: A city of Cameroon? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Snarehuntress (Who has a human disguise), Carol (Skullgirls), Minette, Squigly, Sticks the Badger, Black Alpha, Me, and Nico were heading to Buea. Then, Lincoln saw a 14 years old insectoid-human hybrid who has green, blue, light blue, cyan, and gray exoskeleton, red large eyes with black lines that make a sideways T-shape in each one, white fangs/mandibles next to his small mouth, four large orange wings with black edges and red tips, two dark cyan and orange antennae, spiked forearms, claw-like fingers, three pincers-like toes and heel, and long stinger-like tail. A 11-years-old girl who has pale skin with an X-like scar on her face, black eyes with red pupils, sharp teeth, and brown and white shoulder-length hair. She has black claw-like nails, and she also has a mechanical tail with four large blades at the tip resembling a large shuriken. She wears white button-down collared shirt, short black necktie, pleated black skirt, black knee-length stockings, and dark brown loafers. A young 11-years-old human-sea creature hybrid who has light skin with light blue and dark blue fish scale markings on her arms with yellow and orange fish fins on each wrist, yellow eyes with blue and pink pupils, and dark blue and white scaly fish-like hair with a long yellow and orange eel-fin resemble a ponytail. She wears a grayish-blue shirt, yellow skirt, white thigh-high socks, and dark blue mary jane flats. A 12-years-old girl who has light skin with lavender blue markings, red and blue mismatched eyes, and brown, white, and bluish-purple hair in pigtails with a white demon-like serpentine snake named Spearhorns who has two ear-like horns on his head, yellow eyes and a spear-like tail. She wears a yellow and purple dress that reached down to her ankles with white cuffs and collar, and black Mary Jane flats. And a large and muscular 13 years old human-badger hybrid who has peach skin, blue eyes, and orange and white fur-like hair. he also has white sharp teeth and claws, and a long tail with a curved horned tip resembling a scorpion stinger. he wears gray shirt and black biker shorts. Lincoln saw who they were, they were Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger.

Lincoln: Excuse me, are you Sting-Fly, Carly, Sea Melody, Karla and Wild?

Wild the Badger: (Growls in defense)

Sting-Fly: (To Wild the Badger) It's okay, boy. there are no threats. (To us) Yes we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Snarehuntress (Who human disguise is a slender woman-insectoid hybrid who has dark-skin with green, blue, and black markings, blue eyes, and long black hair which she sports pulled back with a golden diadem on her forehead. She also has a larger mandibles, and a larger abdomen with a black stringer. She wears a strapless gray mini-skirt dress, black pants, and high-heel boots. Around her shoulders hangs a translucent pale blue veil. She wields a staff with the blade that resembles an insect wing.), Carol (Skullgirls), Minette, Squigly, And Sticks the Badger came out, and when Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger saw them, they were stunned. And when Lincoln saw Snarehuntress's human disguise, he had an atomic red blush on his face, hearts in the eyes, and his nose was bleeding.

Wild the Badger: (Growls in confusion) (clears his throat) Mother?

Sticks the Badger: I'm here, boy.

Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger ran up to Snarehuntress, Carol (Skullgirls), Minette, Squigly, and Sticks the Badger, and they hugged, and they cried tears of happiness (especially Wild the Badger who licked his Sticks' face like a dog), and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Snarehuntress, Carol, Minette, Squigly, Sticks, your mothers are one of my many future wives.

Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Snarehuntress: And thanks for helping me find a human disguise, Linky. I look like a real queen.

Lincoln: (Smiles Warmly) You're very welcome, Snarehuntress.

Suddenly, Lincoln wrapped his massive and powerful muscular arms around Snarehuntress and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Snarehuntress still has a pink blush on her face with steam coming out of her ears.

Snarehuntress: (In Heaven) Whoa! What...A...Kisser.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the Badger to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Snarehuntress, Carol (Skullgirls), Minette, Squigly, and Sticks the Badger with their kids, and Sting-Fly, Carly Loud, Sea Melody, Karla Loud, and Wild the badger now has a loving, strong, brave, and caring father in their life. we went back to sleep

---

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had an interesting dream: apparently, his dream took him to Animus, and as he was flying, he saw The Red Lion, Yellow Eagle, Blue Shark, Black Bison, White Tiger, Elephant, Giraffe, Black Bear, Polar Bear, Gorilla, Rhino, Armadillo, Wolf, Hammerhead Shark, Alligator, Deer, Falcon, Black Lion, Condor, Sawshark, Water Buffalo, Jaguar, Kong, and Panda Wildzords, and then, he saw twenty-three girls with said Wildzords on their foreheads and clothes. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream: that was The Wild Force Brigade.

Nicholette Torrington: It's been a very long time since we've last seen them.

Michelle Emperyous: It sure has.

Paige: I had no idea they were also members of The Wild Force Rangers, that's so awesome. Cole and the others are in for a huge surprise tomorrow.

Lincoln: Along with the rest of the team as well. Well, we better brace ourselves for tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Animus, and as I was flying, I saw The Red Lion, Yellow Eagle, Blue Shark, Black Bison, White Tiger, Elephant, Giraffe, Black Bear, Polar Bear, Gorilla, Rhino, Armadillo, Wolf, Hammerhead Shark, Alligator, Deer, Falcon, Black Lion, Condor, Sawshark, Water Buffalo, Jaguar, Kong, and Panda Wildzords, and then, I saw twenty-three girls with said Wildzords on their foreheads and clothes.

Nico: Wait, what? Gene-Slammers of The Wildzords?! Unreal! Who are they?

Lincoln: They're The Wild Force Brigade.

WE GASPED! AND WHEN COLE AND THE WILD FORCE RANGERS HEARD IT, THEY GASPED IN SHOCK!

Cole: No way! The Wild Force Brigade!

Taylor: It's been a long time since we ran into them.

Maz: That it has.

Danny: Oh man, and since your dreams and premonitions are always right, that means...!

Alyssa: They're coming here before we head out for Nico's next rescue.

Merrick: We've certainly got a lot of catching up to do, and now, we know why they went missing, Team Rocket Gene-Slammed them.

Kendall: And into The Wildzords! I don't believe them, they used the DNA of our Wildzords as well!

Colette: Giovanni's has since been sent to The Black Abyss. Aw, and I wanted to beat the crap out of him. But, how did they get the DNA of our Wildzords?

Toxica: It must've been during the final battle when Master Org destroyed The Wildzords and long before J.D. collected and rebuilt them, Team Rocket collected their DNA.

Jindrax: And used them for their Gene-Slammer project.

WE GASPED!

Me: WHAT THE HELL?!

Eli: I don't fucking believe it!

Nico: That goddamn piece of shit! Giovanni really is nothing more than a powerhungry bastard who wanted to take over the world!

Me: Same with Elise Elexton. Well, she and Dark Gale are gonna suffer the same fate as Giovanni and Team Rocket real soon along with Morgana Midnight Sparkle and The Midnight Princesses.

Lincoln: Death and banishment to The Black Abyss.

Cole: Yep. So, when's our Wild Force Brigade going to show up?

Lincoln: They should be arriving (Looks at his Swiss Watch merged with his left gold Bracer of The Champions of The Universe on his left wrist) Right...now!

Suddenly, we saw the Red Lion, Yellow Eagle, Blue Shark, Black Bison, White Tiger, Elephant, Giraffe, Black Bear, Polar Bear, Gorilla, Rhino, Armadillo, Wolf, Hammerhead Shark, Alligator, Deer, Falcon, Black Lion, Condor, Sawshark, Water Buffalo, Jaguar, Kong, and Panda Wildzords appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, tornadoes of colored energy and elements appeared, and then, the tornadoes disappeared and in their place were twenty-three girls who were tall at 7'0" in height, they have the bodies of a goddess and large breasts, long colored hair, the Wildzords on their foreheads, skirts, and blouses, blue eyes, massive colored angel wings, white short-sleeved blouses, colored clothes, long white sleeveless trenchcoats with stars, elemental forces, animals, phoenixes, and angels on the coattails, and on the back are the Red Lion, Yellow Eagle, Blue Shark, Black Bison, White Tiger, Elephant, Giraffe, Black Bear, Polar Bear, Gorilla, Rhino, Armadillo, Wolf, Hammerhead Shark, Alligator, Deer, Falcon, Black Lion, Condor, Sawshark, Water Buffalo, Jaguar, Kong, and Panda Wildzords, and they have greatswords in hand.

Me: WHOA!

Merrick: And it gets even better, these twenty-three girls are Lincoln's Guardian Angels from Japan and classmates in Gym, and they're also part of the Wild Force Power Rangers, and here's where it gets really interesting, what most people don't know is that Lincoln's part of The Wild Force Brigade.

OUR JAWS DROPPED TO THE FLOOR AT THIS SUDDEN

REVELATION!

CLANG!

ELI CLOSED OUR JAWS!

Nico: Wait, what?! Lincoln's also part of The Wild Force Brigade?!

Me: Which means, by extension, he's part of The Wild Force Power Rangers?! So awesome!

Cole: That's right, and they and Lincoln helped us battle Master Org and his minions and they even wield other Wildzords as well as long lost Wildzords they've been taking care of. Show them, Lincoln.

Lincoln and the girls showed us the Animal Crystals for The Panda, Peacock, Crow, Stingray, Horse, Camel, Mouse, Wallaby, Tortoise, Walrus, Manta, Boar, Bat, Cobra, Mammoth, Hawk, Vulture, Owl, Swallow, Swan, Turtle, Koala, Fox, Hedgehog, Flamingo, Cougar, Mole, Wombat, Flying Squirrel, Kangaroo, Pangolin, Rabbit, Orangutan, Prairie Dog, Ape, Japanese Wolf, Asian Black Bear, Toad, Crane, Beaver, Hamster, Lynx, Whale, Dolphin, Orca, Pelican, Red Panda, Raccoon, Mink, Skunk, Mongoose, Panther, Cheetah, Penguin, Dugong, Goat, Sheep, Seal, Donkey, Hound, Hippopotamus, Reindeer, Crocodile, Lizard, Chameleon, Coyote, Zebra, Great White Shark, Gaur, Eel, Sea Snake, Jackal, Antelope, Carp, Salamander, and Snake, and we also saw the Wildzords of said animals.

Isabel: HOLY GUACAMOLE! THAT'S SO AWESOME!

Me: And you and The Wild Force Brigade have been taking care of these lost Wildzords, Lincoln?

Lincoln: That's right, and we've also protected them from Master Org, after what he did in destroying The Wildzords of Cole and the team, I wasn't going to let him destroy the lost Wildzords as well.

Bella Thi Dang: That's right, we weren't.

Me: That's some strong dedication you guys displayed.

Nico: But, I'm still stunned, so that means in addition to being a member of The Wild Force Brigade, you're also a member of The Wild Force Power Rangers by extension.

Twilight Sparkle: Then, that means, when you got The Buffalo Spirit...!

Lincoln: Yep, I also got The Buffalo Crystal and Buffalo Wildzord as well, and as you saw three years ago, I'm the Wild Force Orange Ranger for the Strong Buffalo.

The Wild Force Brigade gasped in awe!

Emily Whiplash: Wait, really?!

Lincoln: That's right, let me show you. WILD ACCESS!

Lincoln transformed into his Wild Force Orange Ranger outfit for The Buffalo, but it'd grown a lot for his new body and it showed off his massive upper and lower body muscles even more.

Lincoln: STRONG BUFFALO! WILD FORCE ORANGE!

The Wild Force Brigade gasped in awe!

Fiona Berge: No way, that's so awesome!

Lincoln changed back.

Taylor: And you guys are gonna be surprised when you find out which member of The Wild Force Brigade is related to in Lincoln's harem: Bella Thi Dang is Alexis Thi Dang's twin sister with pink hair and red clothing with lions, Emily Whiplash is Ferham Whiplash's twin sister, who like Ferham, is a Reploid with pink hair and yellow clothing with eagles, Fiona Berge is Fram Berge's twin sister with green hair and blue clothing with sharks, Nadia Bravehunter is Merida's twin sister with red hair and black clothing with bison, Alexa Remond is Astrid Remond's twin sister with orange hair and white clothing with tigers, Mana Kaname is Madoka Kaname's twin sister with blue hair and grey clothing with elephants, Kara Sakura is Kyoko Sakura's twin sister with yellow hair and black clothing with giraffes, Hannah Akemi is Homura Akemi's twin sister with black hair and red clothing with black bears, Sara Miki is Sayaka Miki's twin sister with white hair and blue clothing with polar bears, Nami Tomoe is Mami Tomoe's twin sister with green hair and yellow clothing with gorillas, Rena Darkballet is Opera's twin sister with black hair and blue clothing with rhinos, Jenny Langenstein is Irma Langenstein with brown hair and grey clothing with armadillos, Merril Korbel is Marie Korbel's/Bloody Marie's twin sister with white hair and blue and black clothing with wolves, Victoria Holidaynurse is Valerie Holidaynurse's/Valentine's twin sister with red hair and blue clothing with hammerhead sharks, Pearl Watson is Patricia Waston's/Peacock's twin sister with blue hair green clothing with alligators, Nanami Robotnik is Maria Robotnik's twin sister with white hair with pink clothing with deer, Canopy Renoir is Parasoul Renoir's twin sister as well as Umbrella Renoir's older sister with pink hair and red clothing with falcons, Fiona is Filia Medici's twin sister with blue hair and pink clothing and black lions, Anita Starhero is Annie Starhero's sister with orange hair and black clothing with condors, Lila is Minette's twin sister with blue hair and indigo clothing with sawsharks, Belle Veranos is Cassandra Veranos'/Cerebella's twin sister with yellow hair and blue clothing with buffalo, Mika Fortune is Ms. Nadia Fortune's twin sister who like her sister is a cat girl with blue hair and green clothing with jaguars, Tiana Contiello is Sienna Contiello's/Squigly's twin sister with pink and blue clothing with primates, and Emily Desertqueen is Eliza Desertqueen's twin sister with black hair and same clothing as Eliza, but black and white with pandas.

Me: Wait, what the?!

Alexis Thi Dang: That's right, and it's so good to see you, sis.

Bella Thi Dang: You too, Alexis.

Merrick: And Lincoln made the Wild Force Brigade bikinis based on their favorite colors and animals, and to show thanks, they kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry The Wild Force Brigade along with the rest of his harem, and they hate the jerks and perverts with a blazing passion.

Me: Plus, we got rid of Master Org once and for all, and sent Victor

Adler to prison for the rest of his life.

Bella Thi Dang: Good, he deserves to be in prison after what he did to Cole's parents.

Lincoln: You said it, and J.D. had since reunited Cole with his parents after bringing them back.

Emily Whiplash: That's good.

Suddenly, Lincoln made twenty-two clones of himself, and while he pinned Bella Thi Dang to the floor, his clones also pinned the other twenty-two to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had twenty-three Elemental Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and twenty-three white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Merrill Korbel: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, even more handsome, and extremely manly rugged heartthrob hunk of a man and wolf, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me: Lincoln, you really are a sly wolf.

Girl Jordan: But, he's our sly wolf and an awesome husband.

Lincoln had another blush on his muzzle as his harem hugged him, and he returned it.

Lincoln: Alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Poromon woke up to see Hoppip staring at him

Hoppip: Morning Poromon!

Poromon: Morning Hoppip.

Hoppip: Time for breakfast!

Poromon: Oh boy!

ZOOM!

He went to the table and we were having sausages and steaks and we were hungry. Poromon and the mascots all were hungry.

Later the U.S.S. Valorous Phoenix was flying through space.

Qin: I have a feeling we're going to have a fun time there.

Lola: Yeah!

Xenia: Whoever the baddie is we're facing there they better be ready.

Lana: I'll say!

Nico: Spring Man, I want to thank you, Splash Warfly, and your teams for coming

Spring Man: No problem Nico. We're gonna SPRING into action!

WE LAUGHED!

Me: YEAH!

Jawbreaker: I agree there too!

Nico: Jawbreaker, you know your name is similar to the candy, right?

Jawbreaker: I know! But it's how I punch that got me my name. I smash my enemies faces in and break their jaws hence why I got my name.

Me: That is brutal and awesome.

Lola: Yeah!

Xenia: It sure is awesome.

Camie: Yep.

Jawbreaker: But it gets the job done.

Lola: I agree there.

Ed was about to chomp on Jawbreaker

Edd: Ed!?

Ed: What?

Eddy: He's not really a jawbreaker lumpy. That's his name you idiot!

Qin: Nice try though.

Varie: Yeah.

Jawbreaker: It was a nice try.

Natilee: I agree. Man Saint Patrick's day was fun.

Lola: Yeah it was!

Horsea: I loved the dance contest!

Me: Same here!

Laney: That was so much fun.

Qin: Yeah!

Fluttershy: We all thought it was so fun.

Lilja: (Icelandic Accent) We all did great and had lots of fun.

Joey: (British Accent) Everyone sure had a great time.

Luna: Too bad we didn't get to eat any shepherd's pie. That's Mick

Swagger's favorite dudes.

Sam S.L.: It sure is.

Nico had some saved up in a box.

Nico: I actually have some right here. Want some?

Luna: Sure!

Sam S.L.: Right on!

They got to eating.

Me: The mascots made us laugh with beer.

Natilee: They sure did and also we got to dance with my Akuma. That was so fun.

Poromon: The beer was yummy!

Me: It's strong too. Guinness beer is good in french onion soup though.

Mary Knudson: I do have something fun planned for it though. Poromon and the mascots brought back 60 cases of bottles of Guinness Beer.

Nico: What!?

Poromon: Mary told us to bring all that beer back. She has something planned for it.

Nico: Oh. Okay.

Me: Looking forward to it.

Bebe Bolton: That was fun going on that date for me and Yun.

Me: You had a lot of fun.

Poromon: Yeah!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Chikyu.

Nico: We're here.

Me: We're going to land in Rita's kingdom.

Nico: Cool!

We bundled up and engaged the landing.

We landed and got out and we were in Gokkan, Rita Kaniska's kingdom.

Me: Wow.

Rita Kaniska: Hello everyone. Glad you all could come.

Me: Awesome to be here too Rita. It's for a rescue here.

Nico: How are the guards since Jafar hypnotized them?

Rita Kaniska: They have tremendous headaches. But they will get better.

Me: Hypnosis can do that to some people. We locked up Jafar's lamp in our vault till Loni's big day. Not sure when that will be.

Camie: Yeah.

Rita Kaniska: Good. Justice will catch up to him soon.

Me: Yep. Also to be honest it was my first time ever turning someone into a genie like that. I didn't know I had that kind of power.

Rita: I suggest having Loni's battle in the Cave of Wonders. It's actually fitting

Me: I agree there.

Eli: That is fitting. It's where I found the jewel for Nunnally.

Me: Yeah.

Nunnally: Yep.

Rita Kaniska: Jafar is a monster and he deserves to be destroyed.

Me: Yep.

Rita: But I know that's not why you're here.

Nico: We're here to rescue another Princess

Me: Yep.

Rita Kaniska: And I know who it is. Follow me here.

She lead us to the castle and took us to the library. We saw a huge amount of books!

Me: Whoa! Look at all these books.

Twilight Sparkle: (LONG GASP) Oh my gosh! Oh my gosh! Oh my gosh! Oh my gosh! So many amazing books!

Me: You brought Twilight Sparkle to her favorite place Rita.

Rita Kaniska: I know how much she loves to read.

Me: Yep.

Rita: As before, the others are busy.

Me: That's okay Rita. But it's always so fun and cool to come here to Chikyu from time to time to have a fun rescue.

Nico: Yep.

Rita then grabbed a book and handed it to Nico.

Nico: (Reads Title) "The Chronicles of the Māmeidoagehachō Kingdom." Wow. That sounds interesting.

Me: That name means Mermaid Swallowtail. That is interesting.

Laney: Yeah.

Nico read it and discovered that the kingdom was a mermaid kingdom on Chikyu that govered the Morpho Butterfly and it was a powerful force of water. It was the 8th King Ohger Power for the Sapphire Blue King Ohger of the Morpho Butterfly.

Nico: Whoa this is amazing.

Horsea: I like it already!

Varie: Me too.

Me: Wow this that is cool that there's a mermaid kingdom here on Chikyu.

Rita Kaniska: It's very rare to see mermaids here on Chikyu. But they are definitely real.

Varie: That is amazing.

Eli: Let me see if I can find her.

Me: My mermaid senses will pick her up too.

Eli: (Concentrates) Whoa! She is in a hidden castle underwater in a lake in the forest 20 miles southwest from here.

Me: I sense her too.

Manaphy: Lets go!

Nico: Right!

We were off.

We were flying and we arrived the lake. It was a beautiful blue lake.

Me: Whoa.

Xenia: Amazing lake.

Me: Looks like we're going underwater.

We dove in!

SPLASH!

We went down to the bottom of the lake and it was amazing.

Me: Wow!

We saw a HUGE UNDERWATER CASTLE!

Lola: WOW!

Camie: Amazing! Looks like no one has been down in this castle for a long time.

Varie: I agree.

We turned and saw that Rita couldn't breathe!

Me: (GASP)

I gave her a breathing helmet.

Me: Sorry Rita we forgot that you don't have the same powers we do yet.

Rita Kaniska: It's okay.

Me: Good.

Rita: But it's only a matter of time

Me: Yeah. We went into the castle and it was beautiful. So many fish and coral and more.

Qin: Wow.

Lola: Beautiful.

We came to a huge tower.

Me: Wow!

We heard singing.

Me: I think she's up here. Hello!? Are you up there?

Poking her head out a window was a blue hair girl with blue eyes and in the middle of her forehead was a symbol that looked likea water drop with butterfly wings and a mermaid on it. She had a blue clamshell bra on and a blue tail and had blue butterfly wings.

Princess: How is it for the people of the surface to breathe down here?

Me: We are Team Loud Phoenix Storm.

Melanie Ageha: Oh wow it's an honor! I'm Melanie Ageha, princess of the Māmeidoagehachō Kingdom.

Me: Pleasure to meet you Melanie.

Nico: We're here to save you.

Me: We'll have you out of there in a second.

I swam up to the tower.

Me: Stand back.

She did so.

I fired an energy blast and blasted a hole out of the tower and she swam out and hugged me.

Melanie Ageha: Thank you so much.

Me: You're welcome.

We then got back up to the surface and dried off.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Chikyu again to rescue another amazing princess: but here's the emergency, we're here to battle the Himiko Toga from Nebula

Bikini's world and she's DR. BLOODSPLASH INSANE!

WE GASPED!

Me: I did promise to Nebula Bikini that we'd kill her world's Himiko Toga.

Nico: That you did, and to think she's here on Chikyu of all places, that bloodthirsty psycho's going to pay.

Lincoln: That's for sure, and I want to try out how my Quirk, Element Lightning, and all the Quirks that we now have in our possession affected my Surekill Techniques as well.

Eli: Good idea.

Me: This is gonna be awesome.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected Phoenix Man and Boros, the leader of the Dark Matter Thieves from One Punch Man and sent them after us.

Lincoln: You have got to be kidding me! Morgana, you little...!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected Phoenix Man and Boros, the leader of the Dark Matter Thieves from One Punch Man and sent them after us.

Me: WHAT THE?!

Nico: Not good. Lincoln, I hope you absorb them and send their souls to The Black Abyss.

Lincoln: Oh, I'm going to do just that, Nico.

Ed Cowart: We got here as soon as possible.

Lori: So, we're finally going to kill the Himiko Toga of Nebula Bikini's world. That's good, but if she's just as insane and bloodthirsty as

Leni's insane 2nd Akuma, we really need to keep an eye out.

Lincoln: For sure, Lori. Himiko's old Quirk made her unstable and insane, and the one from Nebula Bikini's world is far worse, so we need to put her down for good.

Me: I agree.

Himiko: This is gonna be a brutal battle.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the Himiko Toga from Nebula Bikini's world) AHA! There you are, you deranged psycho! I just spotted the Himiko Toga from Nebula Bikini's world, she's 20 yards away and she's fighting the next princess there. (Sensed Phoenix Man and Boros) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Lucy Heartfilia heard a Pokemon cry

Lucy Heartfilia: Huh? There's a Pokemon here.

Me: LUCY! LOOK OUT!

She saw a meteor fall from the sky and it was coming at her!

She dodged it and it crashed into the ground!

KRASMASH!

She looked and saw that it was not a meteor! It was a Minior!

Me: Cool it's a Minior!

Lola: Wow! That's one way for a Pokemon to make an entrance.

Me: Wow!

Minior: Sorry!

Its shell popped off and it was blue.

Minior: Wow! That was a cool entrance.

Lucy Heartfilia: Wow no kidding! Are you hungry?

Minior: I sure am.

Lucy gave her food.

Lucy Heartfilia: There you go. Would you like to come with us?

Minior: Sure!

Me: Cool!

But then a bolt of lightning hit Nico!

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

Nico: (SCREAMS IN PAIN)

Ed: Zappity Zap Zap!

Nico was burned and electrocuted!

Nico...ow.

Me: YIKES!

Nico: (Blubbers) OKAY WHO IS THE WISEASS!?

Me: I think that is!

We saw a Thundurus!

Me: WHOA! Thundurus!

Nico: What's that doing here?

Adagio Dazzle: I think I know.

She used Telepathy and gasped!

Adagio Dazzle: Oh man! Melody Thunder!

Me: Your sister I take it?

Adagio Dazzle: That's right!

Me: Lets go!

Me and Adagio went to help her.

Adagio Dazzle: Melody it's me Adagio!

All she did was use Wildbolt Storm

We dodged it and I fired waves of energy and blasted her all over.

Me: Looks like we're going to have to use the song of the siren.

Adagio Dazzle: Agreed. Sisters?

The Dazzlings sang their song and we absorbed negative energy from her!

Me: WHOA!

Nico: WOW!

Rita Kaniska: Wow! So that's what a Negative Energy power boost feels like.

Nico: Yep.

She got weak and I fired a blast of energy. Then I snapped my fingers and she reverted back and was a girl with red hair and had purple eyes and had Thundurus in the middle of her forehead and had yellow angel wings and had a red and orange version of Adagio's cutie mark on her arm.

I wrapped her in a blanket and brought her over.

Melanie Ageha: Wow that was intense.

Alexandra Papillon: It sure was.

Me: Yep.

She groaned and she woke up.

Adagio: Melody? Melody?

Melody Thunder: (Groans) Adagio? (GASP) Adagio!

She hugged her for the first time in 1,000 years!

Melody Thunder: I thought I would never see you again after all this time.

Adagio Dazzle: I know. Its been a long 1,000 years sister.

Melody Thunder: I know.

Me: You were turned into a Thundurus by Dark Gale.

Melody Thunder gasped.

Melody Thunder: I remember.

She was in a neon blue suit and injected and then she turned into lightning and became Thundurus! She blasted out of the lair.

FLASHBACK ENDS

Melody Thunder: That was awful.

Me: I know but we'll kill Dark Gale soon.

Nico: Yep.

Me: Why were you looking for Adagio after all this time?

Melody Thunder: To help her and our sisters get rid of those accursed gems.

She pointed to the cracked jewels of the Dazzlings.

Melody Thunder: I found out that they were the reason why Adagio and our sisters turned into the Sirens and what lead Starswirl to banish them to another world.

Me: They were banished to the human world.

Sunset Shimmer: The world I went to long ago

Me: It's an ugly story.

Nico: Your role in Sonya's team?

Melody Thunder: We are known as The Weather Mages. I am the master of lightning and storms. I use lightning and storms to neutralize our enemies. Outside the team we use our powers to battle evil criminals.

Me: Wow!

Nico: Yeah.

Me: We found out the reason why the Dazzlings became the Sirens too. They were cursed because of Opaline. Those jewels were the cause behind them turning into them.

Adagio Dazzle: It's true.

Malachite Arcana: It's a really horrible story Melody.

Me: We found out that Opaline was responsible for not only the atrocities that tore all of Equestria apart and destroyed everything that Twilight Sparkle worked so hard to accomplish but also lead to the creation of some of Equestria's most dangerous enemies. 3 of those being the Dazzlings that we redeemed a while back.

Malachite Arcana: Yeah. Like I said it's a really horrible story.

Nico: One we'll have time for later.

Rarity: I agree. Lets get you some new clothes though darling.

The Fashion Brigade gave her awesome new yellow and red clothes and she had a Thunder Sword.

Melody Dazzle: Wow! I look awesome.

Me: You sure do and I'm sure you have a lot of catching up to do with your sister.

Melody Dazzle: I sure do and J.D. Take good care of my sister Adagio and the Dazzlings.

Me: You have my word.

Nico: Now to find Evil Himiko!

We then took off into the air and we set out to rescue the next princess and send the Himiko Toga from Nebula Bikini's world along with Phoenix Man and Boros to The Black Abyss forever.

We were flying in the air, and we spotted our target: the Himiko Toga from Nebula Bikini's world and we heard her absolutely insane laughter echoing in the air.

Lincoln: Laugh while you can, you deranged psycho!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings and they hit the Himiko Toga from Nebula Bikini's world and she was still laughing like an insane lunatic as we landed.

Me: So, that's the Himiko Toga from Nebula Bikini's world. She sure is insane like Dr. Bloodsplash!

Nico: No fucking shit!

Suddenly, the Himiko Toga from Nebula Bikini's world tried to attack me with a knife, but I punched her hard in the face and sent her flying into a rock.

Nico: And just as dangerous, she's worse than the slasher villains from horror movies.

Lincoln: There is no way we're letting a deranged psycho like you live any longer!

I kicked her in the face and sent her crashing into a rock!

Lincoln: Here's my first Quirk-enhanced Surekill technique. ELEMENT LIGHTNING THUNDERBOLT CUT! エレメントライトニングサンダーボルトカット！

Lincoln swung his massive greatsword and fired bolts of lightning with the elemental forces, and they hit that deranged psycho and she got electrocuted and blasted all over the place!

Me: Ooh! Nice one!

Lincoln: Now, for my second Quirk-enhanced Surekill technique. MYTHIC WOLF RAGE OF INFERNO! 神話の狼、地獄の激怒!

Lincoln swung his massive greatsword and fired a massive vortex of light and rainbow fire with packs of wolves circling around the vortex, and that deranged psycho got hit hard, burned, and mauled by the packs of wolves!

Me: So awesome!

Nico: That was awesome!

Lincoln swung his massive greatsword again and fired a blast of black energy, but that psycho dodged it and it hit some of Wertz's terrorists and they decayed and rotted until they were nothing but bones.

Lincoln: I didn't expect to see some of Wertz's terrorists here, I'm gonna drain all of them dry of their lifeforces and energy after we take care of that psycho. And Phoenix Man and Boros, you better get out here right now.

We then saw our secondary targets: Phoenix Man and Boros from One Punch Man.

Boros: Now, we can continue our fight from long ago.

Lincoln: It's going to end in the same way, Boros.

Lincoln ran at Boros and he turned the tips of his wolf tails into Cell's stingers and he stabbed them into Boros' chest and he began absorbing him and he and all of us assimilated Boros' Incredible intelligence, Excellent leadership, Immeasurable strength, Immeasurable mobility, Immeasurable endurance, Immeasurable senses, Immeasurable resilience, Immeasurable stamina, Master tactician, Energy projection, Regeneration, Transformation, Alien army, and Master hand-to-hand combatant, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when he was done, nothing was left of Boros, and finally, he stabbed his Cell stingers into Phoenix Man's chest, and he began absorbing him and he and all of us assimilated Phoenix Man's Flight, Superhuman Strength, Superhuman Speed, Superhuman Durability, Resurrection, Reanimation, Phoenix Fire Falcon Mode, and Phoenix Brilliant Eagle Mode, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Phoenix Man and he drained the souls of Boros and Phoenix Man of their energy and sent them to The Black Abyss forever.

Lincoln: That'll teach them.

Me: Now for you Evil Himiko.

We glared at her ferociously!

Me: Himiko Toga, You're under arrest.

She laughed like a fucked up lunatic!

She went at me and clashed with my sword!

CLANG CLANG CLANG CLANG CLANG!

Then her knife snapped in two and shattered!

Evil Himiko: MY KNIFE!

Me: You call that little toothpick a knife? THIS! Is a knife.

I showed my sword.

Evil Himiko: Well lets see you face my friends! (LAUGHS INSANELY!)

Me: What friends?

Just then, the Blood and Honey versions of Pooh, Piglet, Tigger, and Owl appeared.

WE GASPED!

Poromon: IT'S THE ABOMINATIONS!

Blood Pooh: Heard you've been spreading the word about us.

Blood Tigger: (smirks evilly) Naughty naughty.

Me: SHUT YOUR FUCKING TRAPS YOU MONSTERS!

Rita Kaniska: OH GOD! Are those the Blood and Honey versions of Winnie the Pooh!?

Me: The very same.

Poromon: LOOK AT IT!

Me: Looks like the cats out of the bag.

Lana: We were going to show you the trailer but seeing is believing!

Rita Kaniska:...when you guys show me the trailer on Lana's big day, I'll have plenty of time to scream about this. But right now, I'll agree to keep quiet about this from the others.

Me: Okay.

?: RITA!

The King Ohgers all came!

Me: You all came!

Gira: WHAT THE FUCK! Are those the Blood and Honey Versions of Winnie the Pooh we heard about!?

Me: That's them!

Hymeno: They are ugly!

Me: Yep.

Itachi: I told you guys they were that scary

Nico: We'll explain more later. Right now it's time to end these monstrosities once and for all!

Poromon: THE ABOMINATIONS MUST DIE!

Nico: LETS GET THEM!

Minior charged at them and bashed Evil Himiko all over.

I kicked Evil Himiko in her face!

I slashed Blood and Honey Tigger and slashed his tail off! HE SCREAMED IN PAIN! HE LOST HIS POWER TO BOUNCE!

Manaphy latched onto Blood Tigger's face.

Blood Tigger: Get off me, you fucking bitch!

Manaphy: NO!

She then ripped his head open and RIPPED OUT HIS BRAIN!

SQUELCH!

Nico: NICE ONE!

May: GET HIM MANAPHY!

I leg swept Evil Himiko and kicked her in the back.

I then used my quirk and formed an image of the Lagoon Nebula and then..

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

She got hit by lots of lightning strikes.

Blood Owl: (to Horsea) I will enjoy feasting on your bones.

Horsea: FEAST ON THIS!

She fired a HYPER BEAM BLAST AND BLASTED HIS WINGS OFF! He fell to the ground and smashed into it!

Horsea then fired another blast and blasted his chest open and blew him in half and killed him!

Maria: WAY TO GO HORSEA!

Nico: I was expecting Poromon to do that to that Owl.

Owl: I say now. He deserved it though for ruining my image.

Blood Piglet (to Poliwag): I'll enjoy making you squeal in pain as you die.

Poliwag: Don't count on it PIGGY!

He fired a blast of energy from his mouth and blasted him!

Rita Kaniska: This power is risky but it will get it done.

She pulled her hair back and revealed that her right eye is white and she fired a beam of energy from her eye and froze Blood Piglet solid in ice!

Poliwag shattered him with a slap of his tail!

SMASH!

Nico: WHOA!

Qin: WOW! Rita that was incredible!

Blood Pooh (to Poromon): You won't be bleeding honey. You'll be bleeding blood!

Poromon: I don't have any blood! Only data! (ECHOING) LIGHTNING JAVELIN!

He fired waves of lightning and blasted him all over!

Eli: Try this on!

He fired a blast of Force Lightning and blasted him.

Poromon, Manaphy, Poliwag, Horsea, Jirachi, Tentacool, Hoppip, Mevya, Emolga and Eevee: CUTIE ULTIMATE KARMA CERO BURST!

THEY CHARGED UP A MASSIVE AND POWERFUL ENERGY BLAST AND THEN CONDENSED IT AND THEN FIRED IT!

THEY RELEASED A MASSIVE AND POWERFUL BLAST OF ENERGY AND IT HIT BLOOD POOH AND OBLITERATED HIM IN AN INSTANT IN A MASSIVE AND INCREDIBLE EXPLOSION!

Me: YEAH! Ready Rita?

Rita Kaniska: Ready.

I went at her and a massive wall of fire exploded out with intense force!

(HALLOWEEN ENDS OST - THE PROCESSION PLAYS)

I emerged from the wall of fire with intensely glowing red eyes of intense hatred and I had a fanged smile!

Lincoln, Robin Hood, Rayman, Dark Magician Girl, Magician's Valkyria, Element Valkyrie, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after the Himiko Toga of Nebula Bikini's world, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink and blue, pink and teal blue, red and blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus,

Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at the Himiko Toga of Nebula Bikini's world and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Dark Magician Girl, Magician's Valkyria, and Element Valkyrie did the same by firing pink and blue, pink and teal blue, red and blue, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Robin Hood, Dark Magician Girl, Magician's Valkyria, and Element Valkyrie, Rayman, Crash Bandicoot, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that lunatic was still laughing psychotically.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit the Himiko Toga of Nebula Bikini's world, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the Himiko Toga of Nebula Bikini's world.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into the Himiko Toga of Nebula Bikini's world's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind her then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and I attacked her with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL, YOU VILE WITCH!

Lincoln and I did one final powerful energy slash that hit Himiko Toga of Nebula Bikini's World, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and the Himiko Toga of Nebula Bikini's world was on her last legs and she was really really mangled.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end it. PARASITIC BLOOD LEECH WAVE!

Lincoln fired a massive wave of blood and tentacles with leech mouths from his left hand and they latched onto that psycho and they sucked out all of her blood and nutrients and they flowed into Lincoln, and when they were done and the tentacles unlatched themselves, She was drained but not dead.

Deadpool: This is too easy. (points gun at her)

Evil Himiko: Oh bother.

BANG!

He shot her in the head and killed her!

Lynn: AND SHE'S OUT!

We banished the Blood and Honey versions of Pooh and Friends to the Black Abyss and even Evil Himiko.

Duncan Bloodthorne, he was the worst of the worst. Back in my high school in Colorado, he terrorized all of the students and teachers and even killed some of them, he was absolutely devoid of humanity and absolutely heartless and ruthless to anyone who got in his way. His parents caused him to spiral down that road, and he sought to destroy the lives of everyone around him and he also sought to destroy the world because that's all he ever cares about: causing chaos and absolute destruction to anyone who crosses his path.

Eli: My God.

Varie: I thought we'd never have to see that dirt pile again because five weeks before J.D. moved to Michigan, he stopped Duncan from blowing up Washington DC and killing the president and he threw him to the cops who arrested him and because of what he did, he was found guilty and sentenced to death. But, before his death sentence could be carried out, he caused a riot in a prison in Denver and escaped from there.

Lincoln: And he wound up in Royal Woods where he still continued to cause havoc, and he began to gather tons of followers to help him in his wanton desire to bring death and destruction to the world and kill the entire human race.

Nico: Graveyard Fire.

Lincoln: Our intel shows he gathered 666,666,666,666,666,666,666,666,666,666,666,666,666 men for his insane twisted plan to bring death and destruction to the world, thus Graveyard Fire was born. But, a week before J.D. moved here, he could finally launch his attack, my Guardian Angels and I defeated and took down Duncan Bloodthorne, but before the cops could finally re-arrest him, he and the entire Graveyard Fire group fled Royal Woods.

WE GASPED!

Me: My God! So, the real mastermind behind this whole Graveyard Fire terrorist group was none other than another old enemy of yours and another old enemy of mine. That's it, that piece of shit is going to die for this!

Lincoln: It'll be on my rescue tomorrow, and I found out where that pile of dogshit was hiding: he's hiding in an abandoned building far from Syria, and that's where the whole Graveyard Fire group is located at and stationed their operations, but we got to watch it, their numbers have grown since he established their group seven years ago.

Nico: You're right, but we can't let that piece of dogshit get away with this. Before the big day mission of Namine and her group tomorrow, Graveyard Fire will die.

Me: Along with Duncan Bloodthorne.

Luna: He's brought down the thunder for that one.

Nico: You got that right. So, what exactly happened to Duncan's parents?

Me: Duncan murdered his parents years ago when he reached eighteen, and they tried to piss him off by trying to sell him off to a drug dealer, but he killed them and the drug dealers. They were found the next day with their throats slit and shot in the head.

Lincoln: This guy is dangerous to the core, so we really really need to watch it with him.

Nico: I know you guys have questions.

Gira: You can give us the explanation when Lana's big day comes.

Me: Okay.

Nico: Great! Is it okay if we teleport back home now?

Racules: Sure. See you on Lana's final mission!

Me: Will do. I have a feeling it's gonna be good. Sorry you guys had to see all that so soon.

Gira: No worries.

We went back to the ship and went back home to Earth.

Me: (SIGHS!)

We were relieved now that the Blood and Honey versions of Pooh and friends were gone forever.

Me: God that was brutal.

Nico: Nice job Minior!

Minior: Thanks Nico.

Poromon: Want some beer?

Minior: Sure!

Poromon: YAY!

He gave her one and she drank it.

Minior: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the club! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Minior: (BURPING) ABCDFEJHKAKVJSMCKVNSJG!

WE LAUGHED HYSTERICALLY!

Me: Always funny!

Raven: That was really clever using the voice of my father to scare Evil Himiko.

Me: Thanks Rachel. It was my first time doing that one.

Nico: We're so proud of your guys!

Poromon: Thanks Nico!

Qin: Wow! Now we're rid of Blood and Honey Pooh and friends forever!

Xenia: Good riddance!

Camie: Yeah!

Me: Sorry the truth had to come out so early.

Lana: It was bound to happen though.

Melanie Ageha: That was crazy though.

Horsea: THE ABOMINATIONS ARE FINALLY DEAD!

All of us: HERE HERE!

Me: How about Root Beer Floats to celebrate?

WE CHEERED!

Poromon: We're still using the trailer on scumbags!

Me: Yep. And to show during big days.

Camie: Yep.

I made Root Beer Floats for us.

Me: A toast to the death of the Blood and Honey versions of Pooh and Friends. THE ABOMINATIONS ARE DEAD!

All of us: THE ABOMINATIONS ARE DEAD!

We clinked our mugs.

Vypra and Dark Spicer came.

Vypra: Can we celebrate too?

Me: Sure Vypra.

Dark Spicer: Great job Poromon and guys! Those guys got their asses kicked!

Me: Big time! By the cutest mascots on the team!

Nico: Oh, Spring Man, what do you like to do in your free time?

Spring Man: I like to work at a gymnastics club and make gymnastics fun.

Me: Cool!

Poromon: That was awesome!

Me: And Wade that was awesome how you shot Evil Himiko.

Deadpool: Thanks J.D.! (To the viewers) Hey guys! I did good on that!

Jamesdean5842: You sure did Wade.

Nico: Now for the Anothers.

Me: Oh right! Lets head to the gym.

We headed to the gym for the Anothers.

Eli: Lets see. (Concentrates) WHOA! We got Another Splash Warfly, Glaspinas, Meteosam, Skeletony, Raprad and Fourmore.

Me: WHOA! Wait are there Another Mascots too?

Eli: There's Another Poromon. Does that count?

Me: It does bro.

Eli: And I sense the Anothers minus Splash Warfly and Poromon are 13 people.

WE GASPED!

Vypra: WHOA! Swartz really squeezed in a bunch of gene-slammers into 6 Anothers.

Me: No shit there.

Sakura Knudson: No kidding! But bro you make good root beer floats. (Slurps) Ahh. I haven't had these in a long time.

Me: I can tell sis.

We arrived at the gym.

Me: Here we are.

Nico: There they are!

We saw Another Glaspinas, Meteosam, Skeletony, Raprad and Fourmore!

Me: WHOA! Cool!

Nico: Yep.

Another Glaspinas: (In a Girls voice) This will be fun.

They merged and split into 13 people! They were the gene-slammers of Fungi of The Musk, Silver Fang, The Pots of Greed, Sloth, Pride, Envy, Lust, Gluttony and Wrath, Maiden of the Aqua, Lunar Queen Elzaim, Eldeen and Yashinoki!

Nico: Charlotte Lupin, Farah Amanita, Gina Greed, Lisa Lust, Gaia Gluttony, Winona Wrath, Penelope Pride, Enya Envy, Sienna Sloth, Elrena Elzaim, Aqua Mariana, Elaine Eldeen and Yvonne Yashinoki! Wow!

Lana: WHOA! Gene-slammers of Fungi of The Musk, Silver Fang, The Pots of Greed, Sloth, Pride, Envy, Lust, Gluttony and Wrath, Maiden of the Aqua, Lunar Queen Elzaim, Eldeen and Yashinoki!

Me: WHOA! Wait! I've heard of Pot of Greed but never ones for the other Seven Deadly Sins.

Winona Wrath: Yeah they are brand new.

Gaia Gluttony: We have the powers of all those sins.

Sienna Sloth: (Snoring)

Me: Hey wake up sleeping beauty!

Nico: Ah she can't help it. She sleeps all the time.

Me: Oh. Right. Awesome to meet you girls.

Aqua Mariana: Same here.

Yvonne Yashinoki: We saw your battle and Poromon... (Picks him up) Great job destroying those abominations! I hated those monsters.

Poromon: ME TOO! DEATH TO BLOOD AND HONEY! DEATH TO BLOOD AND HONEY!

All of us: DEATH TO BLOOD AND HONEY! LOOK AT IT!

WE LAUGHED!

Qin: (LAUGHS) YEAH!

Nico: YEAH!

Me: By the way girls are the Another Splash Warfly and Poromon friendly or hostile?

Elaine Eldeen: Friendly and they are amazing.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: Yeah! Want some root beer floats?

Gaia Gluttony: Sure!

We gave them some.

Maria: Time for backup! (TURNS DIAL) BOONBOOM BUTTKICKERS!

She summoned Dekotrade, Itasha, Gamara Monster, Strong Bear, Pyodor and Deadshot!

Qin: YEAH!

Me: Nico to be honest, I was not expecting the Blood and Honey versions of Pooh and friends to be there on Chikyu. But because it's the Mascots day to shine it doesn't surprise me.

Nico: But I'm still proud of them. And now, we wait.

Me: I am too. Oh we don't have to wait long!

We saw Another Splash Warfly and Poromon!

Me: WHOA!

Qin: This will be good!

Another Splash Warfly: (In a girls voice) It sure will be!

She reverted back and was the gene-slammer of Monstrous Bird!

Nico: Megan Ragnarok! Wow!

Me: Monstrous Bird's Gene-slammer! Wow!

Megan Ragnarok: That's right and awesome to see you again Nico.

Nico: Same here. Megan is a master of wind and she flies amazingly well.

Splash Warfly: That is too awesome. Like me.

Me: Yep.

Megan Ragnarok: Yeah.

Me: Wait your last name is Ragnarok. Are you the Emissary of the Norse version of Doomsday?

Megan Ragnarok: No I just am called that because of this.

She revealed a birthmark on her back in the shape of the Viking symbol of Ragnarok.

Me: WHOA! That's the Vegvisir! The Norse Symbol of Guidance.

Megan Ragnarok: That's right. How did you know that?

Me: I am part viking myself because one of my ancestors was Leif Erikkson.

Megan Ragnarok: Wow! Cool!

Nico: And who's your cute friend?

Another Poromon: (In a girls voice) Someone that HATES BLOOD AND HONEY SO MUCH! LOOK AT IT!

She reverted back and was a little girl with brown hair and blue eyes and had brown angel wings and had black clothes with anti-Blood And Honey symbols on them!

Nico: (GASP) Melanie!

Mindy: Melanie!

Alicia: Melanie!

Connor: Melanie!

They went and hugged her.

Poromon and Poliwag: Melanie!

They hugged her too.

Me: You all know her?

Nico: We sure do. Melanie is our long lost little sister.

Alicia Chan: We tried for a long time to find her but we couldn't. She disappeared back in 2019 before we moved to Michigan.

Me: WHOA! So she just vanished before you joined us.

Laney: Bizarre.

Me: You started hating Blood and Honey before it came out?

Melanie Chan: Well actually 3 months before it came out

Me: Oh.

Nico: Yeah it was back in 2023 and we killed him in 2022.

Melanie Chan: Oh. But you guys beat me to the punch.

Me: Yeah we did.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Lincoln: Lets separate you first.

KRABBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

I caught the ridewatch!

Me: That is funny!

Jamesdean5842: Never gets old!

Nico: (gets out Splash Warfly's Ridewatch) Time to make a splash!

May: (Gets out Meteosam' Ridewatch) Fire up!

Maria: (Gets out Raprad's ridewatch) Feel the pain!

Jawbreaker: (Gets out Glaspina's ridewatch) DOWN FOR THE COUNT!

They used the powers of Splash Warfly, Glaspinas, Meteosam, Skeletony, Raprad and Fourmore and blasted the Another all over!

Then Neon Tiger, Black Skull Dragon, Drillhorn, I M Meen, Infected Airazor and Horned Saurus came.

Me: WHOA!

Nico: Nice team Neon Tiger!

Neon Tiger: Thanks Nico!

Starlight Glimmer: Wait is that Airazor from the Live Action Universe!?

Vypra: Long story.

Me: I see.

Spark Man: My team's next!

Me: YEAH!

Nico: Darn right it is!

But then we saw HUGE LIGHTNING BOLTS FLASH ALL OVER!

Me: WHOA! Lightning!

Then out came MONGOLIANDEATHMON!

WE GASPED!

Me: MongolianDeathmon!

Qin: HOLY CRAP!

MongolianDeathmon: (In a girls voice) (Mongolian Accent) Looks like we're going to have some fun!

Nico: (GASP) Badamlyanhua!

She reverted back and was a girl with black hair and blue eyes and had black and purple clothes and had black angel wings and had MongolianDeathmon in the middle of her forehead and on her skirt and shirt and had the Mongolian Coat of Arms on her arm and she had a powerful lightning sword in her hand.

Badamlyanhua: Awesome to see you Nico. I got this. (Echoing) LIGHTNING WORM BLAST!

She fired a wave of intense lightning from her hand and blasted the Another and destroyed it! I caught the ridewatch and purified it!

Me: YEAH!

Laney: She doesn't have a last name?

Me: No Laney. Mongolia doesn't usually have last names in their people.

Nico: Yeah.

Qin: Wow.

Nico: Nice Job!

Badamlyanhua: Thanks Nico. It was fun.

Me: It sure was.

Jawbreaker: Do you have a favorite memory of Nico?

Badamlyanhua: I sure do. When me and Nico found the legendary Mongolian Death Worm.

Laney: Wow! I saw the worm on the Global Race years ago.

She showed pictures of it.

Laney: We were in that race and it was so much fun.

Badamlyanhua: Wow! That is amazing you got a picture of it.

Laney: It sure is.

Me: Yeah that was fun.

Nico: Yep.

Nico and Badamlyanhua hugged.

Nico: I've missed you.

Badamlyanhua: Same here.

We later arrived back home.

But, that's the last straw, Lincoln's going to put an end to Hades and his army once and for all and send them all to The Black Abyss forever and end Hades' plan to conquer the Earth.

Lincoln: Ah, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got bad news: the old enemy of Athena's Saints and my old enemy, Hades, has come back from the dead, along with Thanatos and the Specters, and he still desires to defeat Athena and conquer Earth along with getting revenge on me for killing him. But, that's the last straw, I'm going to put an end to Hades and his army once and for all and send them all to The Black Abyss forever and end Hades' plan to conquer the Earth.

Me: And let me guess, Hades, Thanatos, and the Specters in his army were brought back by Morgana Midnight Sparkle.

Lincoln: Yep. Plus, we only got one more day before 2024's Ridonculous Race begins and our war against Dark Gale, so Morgana and her minions are going to escape from The Netherworld and come after us with all they've got.

Nico: Let those she-demons try and do so, we'll beat them all down and send them all to The Black Abyss along with Elise Elexton.

Spring Man: That's right. So, this is it, this is where you finish your final unfinished business with Hades.

Lincoln: That's right. For too long, Hades has caused mankind and the world so much pain with his plan to conquer the world and destroy humanity due to his hatred. But, that ends today, this will be our final battle.

Suddenly, Lincoln got out a gold whistle and he blew on it, and that summoned Pegasus Seiya and his team.

Eli: Huh? Lincoln, what was that whistle?

Lincoln: It was something Lady Athena gave me: The Whistle of Athena, and it allows me to summon the Saints to battle.

Pegasus Seiya: We'd heard the situation from her, so our final battle with Hades is close at hand. This is where we bring our fight with Hades to an end.

Lincoln: That's right. This has been a long time coming.

Suddenly, we saw a Wendigo flying in the skies and it left a wave of darkness across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, massive black angel wings, white short-sleeved blouse with a wendigo on it and on her forehead, black sleeveless crop top, black skirt, black knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, darkness, wendigos, phoenixes, and angels on the coattails, and on the back is the wendigo of Algonquin lore, she has a darkness greatsword and with her are the eight girls.

Lincoln: (GASPS) Whitney Wendigo, Avatar of The Wendigo.

Whitney Wendigo: That's right, and I got the girls away from Hades, Thanatos, and The Specters and they're heading our way.

Lincoln: It's time. Saints, this is it, this is where our fight against Hades ends here and now.

Suddenly, the gold circular chestplate on Lincoln's chest harness glowed and Lincoln donned his gold Thunderbird God Cloth as he was in his elaborate gold armor with gold mask and his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings were covered in gold armor with gold armor wings behind the gold armored angel wings.

Lincoln: Let's go.

We then took off to confront Hades, Thanatos, and the Specters and bring this conflict to an end once and for all.

?: Lincoln Loud, Mako Pegasus, Bronze Saints, Athena, I will kill every last one of you for what you did in stopping my conquest of Earth!

We then saw our targets, Hades, Thanatos, and the Specters heading for us, and they were out to kill us all.

Lincoln: I always knew you'd come back again, Hades, but I've grown a lot more since last year, and this will be the final time you ever come back to cause us trouble.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Hades, Thanatos, and the Specters, and he proceeded to brutally smash all of them into the ground with his massive superhuman strength, slashed at Hades and Thanatos with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, Cosmos energy, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HADES AND HIS ARMY! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

Lincoln fired powerful blasts of Cosmos energy with power leeching energy mixed in, and they hit The Specters, and he sucked out all of their powers, skills, and abilities, and he made them his own and he also purified the cloths Hades gave them and sent their souls to Athena after he drained them of energy.

Thanatos: My lord, let me deal with him, he will pay for ruining your plans!

Hypnos: Yes, he will pay dearly for...!

SHEEN!

But, before Thanatos and Hypnos could attack, Lincoln stabbed Thanatos right in the chest with his massive greatsword and stabbed his left hand's claws into Hypnos' chest and he sucked out Thanatos' Dark powers, Possession, Ninth Sense, Super strength, Super speed, and ability to Open portals to a Dimension that destroys non-divine things, and Hypnos' Mass Destruction, Possession, Ninth Sense, Super strength, Speed of light attacks, make the enemy sleep forever, and sends the enemy to Dream World and he also purified the Thanatos Surplice and Hypnos Surplice, and he drained their souls of energy and sent them to The Black Abyss.

Lincoln: And now, only you remain, Hades.

Hades (Saint Seiya): It doesn't matter how much powerful you've gotten, nothing will stop me from conquering Earth and defeating Athena!

Lincoln: That's enough, Hades! Never again will we ever let you destroy mankind and conquer Earth, you and your armies will perish here and now!

Hades drew his sword and he and Lincoln clashed with undeniable power and fury, it was a really massive fight as Lincoln kept blocking Hades' attacks one by one, and Lincoln dealt blow after blow of ferocious attacks on Hades himself!

Me: This is really getting intense!

Nico: You said a mouthful!

Then, Lincoln slashed Hades in the chest with his massive greatsword, and we saw it: Lincoln drew blood!

Phoenix Ikki: Oh boy, he drew blood.

Dragon Shiryu: This indeed reminded me of the fight Lincoln had with Hades seven years ago, and it's just like what happened back then.

Me: Incredible.

Andromeda Shun: I knew Lincoln's a good and kind person, but if anyone dared to hurt those he loves and cares about, he will not show any mercy to them.

Nico: That's for sure.

Cygnus Hyōga: Hades had this coming for a very long time, and now, this is where it all ends for him.

Eli: That's right.

Equuleus Shoko, Northern Crown Katya, Ursa Minor Xiaoling, Freya, Cassiopeia Erda, Sparrow Mudan, and Delphinus Mii: Get him, Lincoln! Don't let Hades get away with this! He needs to answer for all of his crimes!

That gave Lincoln an additional push as he fired a massive Cosmos Blast that hit Hades hard, and that really made him angry.

Luna: No way!

Laney: That really was awesome!

Me: That extra push was definitely what was needed. Now, it's time we end this!

Nico: Right! This is where you meet your final end, Hades!

and transformed, and we went after Hades and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

Then, Lincoln ran at Hades, and...!

SHEEN!

Lincoln stabbed Hades through the chest with his massive greatsword, and he sucked out Hades' Very High Intelligence, Charisma, Leadership, Mass destruction, Super strength, Super durability, Super speed, Possession, illusions creation, Telekinesis, Ninth sense, and Necromancy and made them his own, and his greatsword also absorbed Hades' sword and Lincoln purified the Hades Surplice and drained Hades' soul of energy and sent him to The Black Abyss forever. We cheered as we holstered our weapons and powered down and Lincoln's Thunderbird God Cloth came off and it changed back into a Thunderbird and went back into his backpack.

Lincoln: Rest in peace, Hades. Now, your centuries-old plan to conquer Earth ends here and now. (To Whitney Wendigo) And it's so good to see you again, Whitney.

Whitney Wendigo: You too, Lincoln, it's been seven years since we last met.

Suddenly, Whitney Wendigo had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Whitney Wendigo was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Whitney Wendigo: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Whitney Wendigo and hugged her, and Whitney Wendigo is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Whitney Wendigo: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Whitney Wendigo, Avatar of The Wendigo, she's Lincoln's Guardian Angel and she's known as The Dark Wendigo Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Whitney is a powerful master of the powers of darkness and the Wendigo, and she's also known for her master of darkness and she's also known for eating the flesh of her enemies. She lived during an age of darkness and she was said to be born in a graveyard long forgotten, and over time, as she grew, she gained all of the incredible strengths and powers of the Wendigos along with immortality and she also mastered the powers of the darkness and The Wendigos, and she'd fought against the most despicable humans and after she kills them, she eats their flesh, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness and the powers of the Wendigos, and he also gained all of the incredible strengths and powers of the Wendigos, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Wendigos and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Whitney kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would kill them and eat their flesh.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: And no one dared to anger her, not unless they want to be devoured, and now that you're here, Whitney.

Lincoln with his massive muscular arms still wrapped around Whitney Wendigo's leaned his head down first to the right side of Whitney Wendigo's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Whitney Wendigo: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Whitney Wendigo with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Whitney Wendigo: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Whitney Wendigo.

Whitney Wendigo had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Whitney Wendigo's waist, and he leaned down to her face and kissed her on the lips, and with Whitney Wendigo's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serena Sylph had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Whitney Wendigo: (In Heaven) My God.

Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized seven of them, and when I saw the eighth girl, I was stunned. The eight girls are Rio, Aria Viria Amiteji, Fran, Kana Amamiya, Mai Kuuba, Mana, and Misao Tokugawain from Chokotto Vampire! and my old friend, Anaisha Yadav.

Lincoln: Oh wow, it's Rio, Aria Viria Amiteji, Fran, Kana Amamiya, Mai Kuuba, Mana, and Misao Tokugawain from Chokotto Vampire! And who's the eighth girl in the group?

Me: (GASPS) My God, that's Anaisha Yadav, she's from Calcutta, India and she like you, Lincoln, was born with white hair, but she has piercing red eyes and she lived in the poor community. She's also a very close and dear friend of mine that I rescued from her parents and she was born with amazing fire angel wings and also has powerful fire powers. So, she's among the...? (GROWLS) Hades, you've got some nerve trying to kill her!

Lincoln: I had no idea that one of your dear friends was among the group, she must've gotten caught in the process by Hades and his minions.

Suddenly, Anaisha Yadav saw me.

Anaisha Yadav: (Indian Accent) J.D., is that you?

Me: It's good to see you again, Anaisha.

We hugged after a long time of being separated.

Nico: And there's also someone you should also meet.

Then, when Anaisha Yadav and the other seven girls saw who it was that saved them from Hades, Thanatos, Hypnos, and The Specters, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and ten-pack abs, sturdy tan muzzle, long wild white hair going to the length of his shoulders with orange streaks and colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large brown wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal Hero and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video

Anaisha Yadav: (Indian Accent) Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rio:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rio, Aria Viria Amiteji, Fran, Kana Amamiya, Mai Kuuba, Mana, Misao Tokugawain, and Anaisha Yadav with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home to The World Tree Estate and told the team what had happened, and the rest of the team was shocked to find out the villains we went after was the old enemy of Athena's Saints and Lincoln's old enemy, Hades, who's come back from the dead, along with Thanatos, Hypnos, and the Specters, and he still desired to defeat Athena and conquer Earth along with getting revenge on Lincoln for killing him.

But, when Lincoln showed everything that happened, everyone cheered wildly and hugged us and Lincoln's harem kissed him which he also returned. Lincoln and Whitney Wendigo have a lot of catching up to do, now that she's back in town, same with Anaisha Yadav.

Maria: That's the last time Hades and his army dares to cause trouble for the final time, and this is the first time we ran into one of J.D.'s friends who hadn't been turned into Another and on your rescue.

Lincoln: It sure was.

Nico: But, at least, we're finally rid of Hades and his army for good, and another unfinished business of yours is done, Lincoln.

Me: That's for sure. We'll need to increase security though, now that Anaisha's back, her parents will no doubt be after her again.

Lincoln: What did they try to do to her?

Me: They tried to sell her to a pedophile for money.

WE GASPED!

Lincoln: What the?! (WOLF GROWL)

Lincoln fired two black energy balls with Eldritch runes in orange with eyes and writhing flaming tentacles that travelled to Calcutta, India, and they found the targets: Anaisha's parents, and the black energy balls hit them and we saw them go completely mad upon hearing the Forbidden Scream of Cthugha, and they are not only driven mad by the Eldritch Chants, but also, they'd begun seeing flame vampires everywhere, but no one else can, and the final part of the curse was when they see the flame vampire Cthugha and it sucked the life out of them and they burned to ashes as we saw it on the big screen.

Eli: Looks like there's no need to increase security.

Me: Damn, when I told Lincoln of what they tried to do to Anaisha, he used a brand-new Lovecraftian Curse. Nice one.

Nico: Talk about direct action. But, what was that?!

Lincoln: That was my new Lovecraftian Curse I call THE LOVECRAFTIAN CURSE OF THE FORBIDDEN SCREAM OF CTHUGHA! I fire a black energy ball with Eldritch runes in orange with eyes and writhing flaming tentacles which hits the abusive mothers who break the sacred bond between mother and daughter and son and are abusive to children and that also includes abusive fathers, and when they hear the Forbidden Scream of Cthugha, they are not only driven mad by the Eldritch Chants, but also, they began seeing flame vampires everywhere, but no one else can, and the final part of the curse is when they see the flame vampire Cthugha appear and he sucks the life out of the cursed victims and they burn to ashes.

WE GASPED!

Me: Damn.

Nico: That's the price someone must pay for abusing children, and that also includes abusive parents.

Eli: Yep.

Anaisha Yadav then hugged Lincoln and he hugged her back.

Maria: You did the right thing, Lincoln: those two weren't going to change from the looks of it, and they really hated J.D. for what he did in saving them from those abusive assholes.

Me: You got that right.

* * *

After Lincoln and all of us finally got rid of Hades, Thanatos, Hypnos, and The Specters once and for all, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Whitney Wendigo saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Whitney Wendigo: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Whitney, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Whitney Wendigo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Whitney Wendigo: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Marcus Mackenzie got out a video, but this one was glowing.

Marcus Mackenzie: Okay, now this next video I got here, this one takes during the afternoon hours

before The Hallowshade Bloodbath and right when Caleb was leaving, he felt that very darkness grip his heart. But, this video I have here shows what really happened on the night of the events of The Hallowshade Bloodbath and a more deeper look into Caleb Maxwell's death.

Jack Howard put in the video and it played on the big screen, and it showed New York City in the late afternoon and everyone at New York University was getting ready to head back home and in time for Halloween, and Caleb Maxwell was working at his Uncle Christiano's restaurant and it's really packed, but this is also the day that he foretold would be of his own death.

Past Caleb Maxwell: This is going to be one of the biggest surge of customers ever, Halloween is the one night of the year New York truly earns its reputation as The City That Never Sleeps. Though this will also lead to a huge surge of police activity.

Suddenly, as Caleb Maxwell was working in the kitchen, he'd let out a sharp gasp as he felt his chest tightening and a cold feeling rushed through his body: it looked as though he had a heart attack, but it wasn't.

Me: Whoa!

Nico: You looked like you suffered a heart attack.

Caleb Maxwell: That was no heart attack, that was the same dreadful feeling I had when I first met Marcus Mackenzie and my wounds were treated at Yuridia. It was right then and there that I felt that I felt that something terrible happened.

Past Caleb Maxwell: W-what on Earth? (Realizes what that was) No...! Oh God, something terrible has happened.

Caleb Maxwell clocked out and ran out of the restaurant and he began running. Suddenly, he stepped in something: it was blood and it was coming from The Hallowshade Bar.

Past Caleb Maxwell: The Hallowshade Bar. What on Earth? And the blood is coming from inside.

Caleb Maxwell slowly opened the door, but what awaited him was an absolute scene of utter horror: everyone in the bar was dead and cause of death was bring drained of blood.

Past Caleb Maxwell: (Horrified) My God. What the Hell...happened here?! This is so horrible!

Caleb Maxwell walked slowly and he saw the patrons dead, and when he went behind the counter of the bar, he found Junie dead like the others and drained of blood.

Past Caleb Maxwell: Oh man. Junie. Wait, what about...?

But, when Caleb Maxwell turned around, he found Mabel Jensen in the same position as the others: dead and drained of blood. Caleb Maxwell grabbed Junie's gun and he had it in hand.

Past Caleb Maxwell: Guys, whoever did this to you is going to pay.

Suddenly, he saw something on Junie's neck: they were bite marks, and he found them on Mabel Jensen and the other patrons, and that was when a black chill ran down his spine

Past Caleb Maxwell: Oh God no. It was them! I've got to get out of here and get back home! Going out the back door would be a bad idea, they're waiting out there, and the front door is a no go, they could no doubt spot me. Oh, what am I going to do?

Caleb Maxwell proceeded to get a move on as he heads for the back door, but suddenly, his mark on his right arm reacted as blood seeped out.

Past Caleb Maxwell: Shit.

Caleb Maxwell had his right hand on the door handle and gun in left hand and he turned the knob and threw the door open as he aimed the gun, but there was nothing. Suddenly, Caleb felt two hands on his shoulders and he turned and came face to face with Cage Blunt and Travis Tackett.

Past Cage Blunt: You've finally made it, Caleb.

Past Travis Tackett: We've been waiting very patiently for you.

Past Caleb Maxwell: You...! You two did this...! You murdered everyone here...!

Past Cage Blunt: (Smirks) We had our fill of booze fueled blood, and we were about to leave until you showed up.

Past Travis Tackett: (Smirks) Well, what's one more bite for the road?

Past Caleb Maxwell: Y-you bastards...!

Suddenly, Caleb snapped.

Past Caleb Maxwell: YOU BLOODY BASTARDS! (RAISES THE GUN)

Caleb Maxwell began shooting at them, but the bullets just went through their bodies and they didn't even flinch. Then, Junie's gun ran out of bullets, and then, he grabbed a nearby pool cue and swung at them, but Cage Blunt grabbed it and broke it on his knee, and that made Caleb's blood run cold. Then, he tried to punch Cage Blunt with his right fight but he grabbed it with his left hand and he'd proceeded to put so much pressure on it, Caleb screamed in pain until Cage Blunt let go.

Past Caleb Maxwell: (SCREAMS) Damn it! (Thinking) Is this it? Is this how I'm going to meet my end?

Suddenly, Caleb Maxwell was about to break down and cry, but then, he along with Cage Blunt and Travis Tackett saw some black cars, and then, they saw Drake Maxwell enter along with the four senior members of The Syndicate.

Past Caleb Maxwell: That...shithead! What the Hell...!

Past Drake Maxwell: KILL THEM!

Drake Maxwell and the four senior members of The Syndicate got out their guns.

Past Travis Tackett: You think those things are going to work on us?

Past Cage Blunt: Too bad.

Caleb Maxwell saw it for himself: they were going to fire, and then, something got to him: the very feeling of wanting to save someone even at the cost of his own life. Even though they'll survive, he won't, but he suddenly felt an overwhelming feeling of accepting his own fate.

Past Caleb Maxwell: Mom..., Allie..., I'm sorry, but it appears I won't be coming home ever again.

Caleb Maxwell ran and he pushed Cage Blunt and Travis Tackett out of the way, but then, that led to Drake Maxwell and the four senior members of The Syndicate to start firing and the bullets ripped and tore through him and he let out a bloodcurdling horrific scream that echoed throughout the East Bronx.

Past Drake Maxwell: You...! I was supposed to kill you last after I had killed Mom and Allie! YOU FUCKING...!

Suddenly, Cage Blunt and Travis Tackett ran at Drake Maxwell, but he and the others fled in their cars as Caleb Maxwell slowly walked to a still standing chair and sat down as blood began running down from his eyes and body.

Past Cage Blunt: Hey, are you okay?

Past Caleb Maxwell: (Looks at the multiple bullets in his body) Heh, not really.

Past Travis Tackett: What the Hell were you even thinking, stupid?! We can't die from getting shot just as you saw, but you...! You realize you just put yourself through that?! And for what?! To save us?!

Past Caleb Maxwell: (Weakly) You finally figured that part out all too well. That was...(Coughs up some blood) that was the second part..., but the first part..., the first...was the depression that I had. As you guessed it, I had suffered from a severe incurable form of depression that no form of medicine or mental help could cure. It was one born from the years of constant physical violence and abuse. That shithead...that you saw come into the bar, he was the one...who did this to me, all of his violence and physical, mental, and emotional abuse had shortened my lifespan to a dangerous degree, and by the time I reached 21 years old, I...!

Past Cage Blunt: You would be dead.

Past Caleb Maxwell: Yes..., that's correct. I hoped that...I would achieve my dream of being a police officer and take my brother and father and The Syndicate down. Instead..., instead, I would die here. (Smiles Sadly and Weakly) But..., I had a feeling that I would die. It may have been...for the best that I die here...rather than wait for that dreaded year to come. But, it's all...such a waste, my life's coming to an end..., and I also have to leave my sister and Mom alone...and at the hands of that bastard...and those shithead relatives of my dad. In the end, it's all my fault. It's my fault that I've now put Mom and Allie in danger, and you were right..., I've run my own body so ragged..., that I'm going to die.

Finally, Caleb Maxwell broke down for one final time as he cried tears of blood.

Past Travis Tackett: Cage, we should get going, the cops are going to be here any second.

Suddenly, Cage Blunt walked up to Caleb Maxwell and hugged him: a final hug for someone who was now about to die. Travis Tackett did the same as he too also hugged Caleb Maxwell.

Past Cage Blunt: I never knew just how badly you've actually been suffering, and your brother was the one behind it all.

Past Travis Tackett: And our actions were no better as they'd only prolonged your suffering. We're so sorry for this.

Past Cage Blunt: If this was the only way for you to finally be able to move on, even if this is your last day alive, you managed to find some closure at least.

They turned to leave, but not before Cage Blunt turned to face Caleb Maxwell and uttered one last sentence.

Past Cage Blunt: Rest in peace..., (Smiles) Caleb Maxwell.

They left and Caleb Maxwell closed his eyes and died, but he had a smile of peace on his face as the video ended, and we were absolutely gutted by what we saw.

Me: (Voice Breaking) My God...!

Nico: (Voice Breaking) Oh man, this..., this was way worse than seeing that version of Lincoln who had all of those scars from all of the abuse and damage, but this, I have absolutely no words to describe it.

Eli: (Voice Breaking) Damn...!

Lincoln: (Voice Breaking) Caleb..., was this...?

Caleb Maxwell: Yes, what you saw was what really went down in The Hallowshade Bloodbath in the events leading up to my death. The one you saw was one given to Hunter's friends by The Watchers, the real one was kept in Marcus Mackenzie's hands.

Marcus Mackenzie: That's correct, and I had to show it to your mother not long after the cops arrived and she cried when she heard everything and of how badly you were truly hurting, but while the cops collected the bodies of the slain patrons there, we were the ones who collected your body and as per the request, we arranged for your funeral. But, it wasn't just your mother, Allie, and your mother's relatives along with us who attended, all of New York attended. This proved how much you were truly adored, Caleb. Your family's compassion and need to help others regardless of who and what they are touched us to our hearts, it was a rare case for mortals to have compassion for us and answering the need to help.

James Blunt: And from what I saw you did in sacrificing yourself to save Cage and Travis, you wanted to fulfill that final need to help someone in need even at the cost of your own life, and in the end, you also opened up about everything.

Carla Claw: I can't believe it..., so this is why...!

Roxy Drake: He kept it hidden well, but in the end, as he was dying, Caleb's pain was finally let out.

Caleb Maxwell: It was something that needed to be said, I was so afraid of everything that happened: from the monstrous abuse that occurred thanks to Drake going from a good son to a monster to the constant fear of leaving Mom and Allie to fend for themselves, and that hit me deep in my heart and that stayed with me before and after my death and my resurrection eight years later.

Lincoln: I know that very feeling all too well.

Caleb Maxwell: They're the same, but our cases were different: it was because of Chase Young's Dark Side that you suffered and for us, it was due to that generational evil that perpetuated throughout my dad's family. (To Sebastian Mendez) And if you so much as mock my pain and disregard all the team's teachings and go back to your old ways once again, I swear the next bullet I fire will be right through your black heart, and no form of magic will ever bring you back from Hell!

Sebastian Mendez: (GROWLS)

I put my hand on Caleb's shoulder to calm him.

Me: It's alright, Caleb, it's okay. Besides, he's on permanent thin ice.

Lincoln: He's basically on the same boat as Sergio. I may be nice and forgiving, but I'm not naïve to think Sebastian can easily be forgiven. Ever since he fell into darkness nine years ago thanks to Chase Young's Dark Side, he'd committed far too many atrocities that are so horrendous and evil, he basically turned from a shining star from the old days of Nico and Qin's childhood to The Black Heart of Darkness itself and an absolute monstrous nightmare towards mankind and all life in the universe and beyond.

Sebastian Mendez: How much longer are you going to keep lording that over my head? I said that I was sorry.

Nico: Sorry doesn't change what you've done, Sebastian. You crossed too many lines ever since you fell into darkness nine years ago and they're completely unforgiveable, and there have been many times that I wished I could've killed you when you showed up once again. It's like every time you come back, the chaos you perpetually bring causes nothing but pain and hurt towards everyone in your path.

Sebastian Mendez: WHAT?!

Qin: Nico's right to say that, and even now, you disregarded the value of life along with what we've always protected: the values of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, values that were once instilled in you, but you discarded them when you went insane and pulled that shitty double-cross at Helen Wendova's wedding and conspired with that shithead, Clark, and that slut, Andrea to kill Helen, her mother, and us.

Connor Chan: And if you so much as try that shit again, not only are we permanently cutting our ties with you, but we'll also post your file on the internet and expose all of your horrendous actions and atrocities to everyone in the world and have you turned into humiliation fodder alongside the jerks at Lynn's Table.

Sergio: Ha! Ha!

Connor Chan: That also goes for you too, Sergio!

Sergio: Rrawk! You can't prove anything!

Connor Chan: Don't fucking test me, bird! (ROARS LIKE A DRAGON)

THEN, CONNOR FIRES A BLAST OF FIRE FROM HIS MOUTH AND IT HIT SERGIO AND HIS FEATHERS WERE BURNED OFF AND IT ALSO HIT SEBASTIAN AND HE GOT BARBECUED!

Sergio: Ouch.

Nico: See what you two have done, your horrendous actions have come back to hit you with a dose of karma when you caused my little brother to roar like a dragon and burn your feathers off, Sergio, and also, barbecue you to a crisp, Sebastian.

Mindy Chan: You had that coming though, Sergio, for all of the things you've done!

Alicia Chan: Same with you, bat shit for brains!

Leandro Chan: I can't even keep count on all the times you've kept us awake at night with your boombox blaring while you were out, Sergio.

Aurora Chan: And I've kept a careful account of all your horrendous actions and toxic behavior after that whole wedding disaster, Sebastian.

Sebastian Mendez: (GROWLS) Damn it!

Sergio: Rrawk! Not cool!

Sebastian Mendez: Shut up, bird!

SMACK!

SEBASTIAN SWATTED SERGIO'S BUTT WITH A FLYSWATTER!

We got a shower, and then, Lincoln, Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya are heading to Bonefin Galaxy.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all, and Lincoln resurrected Christmas, Patty, Hallow, and Easter, and Valentine was so happy to hear that.

Camula: (Transylvanian Accent) Wow, so this is Bonefin Galaxy, it sure is beautiful.

Lincoln: It sure is, Camula, and it's perfect for our first date, shall we?

Lincoln, Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Dark Magician Girl of Chaos: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya and hugged them in their abnormally massive and powerful muscular arms, and Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico

and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bonefin Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya are in your harem, Linky.

Camula, Dark Magician Girl of Chaos, Vampire Lady, Vampire Vamp, Element Valkyrie, Christmas, Patty, Hallow, Easter, and Miko Tezumi A.K.A. Nya-Nya showed the marks Lincoln made on the right sides of their necks.

Shizuka Marikawa: I was surprised to find out that Camula became part of Lincoln's harem, but she did find out his secret that he's an Alpha Vampire-Werewolf Hybrid and kept it hidden.

Jenna: You guys had no trouble at all.

Dark Magician Girl of Chaos: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12376.8: The U.S.S. Valorous Phoenix is en route to Chikyu for Lana, Starfire and May's final mission and this is gonna be an amazing one.

Me: It sure is.

Nico: We're heading to Shugoddam first. Anyone else want to go with May, Lana, and Starfire? Besides Kouta, 2012 Leo, and Trixie?

Sora: Me, Kaito, Juran, Jack Skellington, Batman, and Stacey will come.

Penny: I'll come too.

Ben Ravencroft: So will I

Jason Lee Scott: And can't forget all the ranger teams.

Me: Awesome idea. All the rangers from over the last 46 years helping out is perfect.

Xenia: I agree.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Chikyu once more.

We engaged the landing and we landed in Shugoddam. We got out and saw it.

Me: Whoa! Shugoddam is incredible!

Eli: It sure is.

We walked around.

Me: Wow! Gira's kingdom is awesome.

Eli: It sure is.

Jason Lee Scott: It sure is.

Aurico: I agree there.

Yamato: I think it's amazing.

Lana: I'll say.

Me: Hard to imagine this was the battlezone for the Bugnarak War. What happened during that was horrible.

Jack Skelington: It sure was fellas.

Me: I agree. It may have all been an act but it was still a horrible war. And learning from past experiences, nothing good EVER Comes from war. All it does is bring death, destruction, chaos and pain.

Nico: Yeah no kidding there.

Juru: I agree there too.

Gira: Hey, guys!

Me: Hey Gira! I will say this, your kingdom is amazing!

Gira: It sure is! It's home.

Me: It sure is.

Lana: Sorry you had to see the truth about the Blood and Honey versions of Pooh and friends so early.

Me: But because it's the mascots big day the truth was bound to come out sooner or later.

Gira: It's okay guys. But now I see what the mascots get all worked up about.

Itachi: Its been that way for a long time ever since 2023.

Me: Yeah Blood and Honey first came out on February 15th, 2023 and the mascots HATED that movie ever since we saw the trailer for it around Christmas of 2022.

Nico: Yep. Lily calls it our Ambassador mission tradition.

Gira: That is silly though. But congratulations to the mascots for destroying those abominations!

Nico: I'll be sure to tell them that.

Eli: Yeah.

Nico: Gira, meet Kouta, 2012 Leo, and Trixie

Kouta: Good to see you again Gira.

2012 Leo: Same here.

Trixie Lulamoon: The Great and Powerful Trixie is ready for action!

Gira: Awesome to see you all again. Let me show you the palace.

We went in and it was amazing.

Nico: Wow! What a palace.

Me: Beautiful.

Gira: Yep it's home.

Me: I have this feeling something crazy is gonna happen shortly.

Nico: Same here.

Kouta: You might be a king, Gira. But I'm an actual God

Me: It's true. Kouta became a god.

Gira: Wow! I remember Itachi telling me that.

Itachi: Yeah it was intense.

Me: Yep.

We arrived in Toufu.

Kaguragi: Behold, Toufu!

Me: Wow!

Eli: Magnificent!

Me: Incredible.

Nico: It sure is awesome.

We went into the palace and it was amazing.

Me: Wow!

Kuroda: You guys must be Team Loud Phoenix Storm.

Me: That's right Kuroda. Awesome to meet you.

Kuroda: Same here.

Jeramie: My fellow Bugnarok should be here any minute now

Me: Okay then.

But then a man came stumbling in and he was hurt.

Me: (GASP!)

We got him over.

Me: Sir! Are you alright?

He was wounded but not bad.

Me: What happened? Who did this?

Hymeno: I'll get him healed up.

The rest of the Bugnarok came.

Me: Oh you all made it.

Then the man started laughing?

Me: What's so funny?

But then he started laughing LIKE A FUCKED UP LUNATIC AND HE HAD AN ALL TOO FAMILIAR GRIN!

Me: THIS IS JOKER POISON!

I injected the anti-venom into him.

Me: There.

Nico: How did that happen!?

Me: Huh?

I saw a note on him and I read it.

Me: (Reading) "Laugh it up Team Loud Phoenix Storm, I'm coming to make you laugh. The Joker." (GASP!) The Joker is here!

Nico: We'll worry about him later.

Me: Okay.

The guards took him to the infirmary.

Jeramie: My fellow Bugnarok. You must be wondering why I've called you here.

They nodded.

Jeramie: I've called you here because of you all wanting a formula for beer!

Me: Last week one of your own came after one of the mascots secret formula for their beer.

Nico: Which was both funny and crazy.

Jeramie: It was. But this is not what I want to establish peace for us on Earth!

Danjim: But it's so good!

Me: So is the Krabby Patty.

Nico: Yeah. I'll be sure to tell the mascots how good their beer is. But we don't want to cause trouble between two worlds.

Eli: I agree there.

Danjim: Sorry.

Kaguragi: Hmm. What's that over there!

Me: What is it.

Eli: Uh oh! I sense an evil figure coming.

Then a shadow came in and it was actually OOGIE BOOGIE!

We gasped!

Me: OOGIE BOOGIE!

Shadow Oogie: Well well well! What have we here? Team Loud Phoenix Storm!

Lana: OH BOY! I'm going to love eating your bugs again!

Hymeno: (Turns green around the gills) Lana ate his bugs?

Me: Yeah she did. Lana ate his bugs 3 times.

Nico: Yep.

Hymeno was turning queasy!

ZOOM!

I ran fast and got a trash can and Hymeno hurled.

Me: For old times sake, lets dance!

Oogie Boogie's shadow (singing): Well, well, well!

Jack, the Pumpkin King!

And Team Loud Phoenix Storm too, huh?

Oh, I've been waiting!

So how do you like

My Oogie-Town?

Ha, ha, ha, ha!

Jack (singing): It's over! It's over!

This time you've gone too far!

It's over, I'm serious!

Just who do you think you are?

Juran (singing): Just because you've fooled the town

Doesn't make you king!

You'd better give up, surrender now!

We're fixin' everything!

Oogie Boogie's shadow (singing): That's what you think, ha!

But you couldn't be more wrong!

And this will be the last time

You hear the Boogie song!

Whoa-oh!

Ghosts: Whoa-oh!

Oogie Boogie: Whoa-oh!

Ghosts: Whoa-oh!

Oogie Boogie: Whoa-oh!

Ghosts: Whoa-oh!

Oogie Boogie: I'm the Oogie Boogie Man!

Jack Skellington: Oogie, what have you done to everyone?

Oogie's shadow: They're all under my control!

Kaguragi (singing): We see you're pretty proud of

All your booby-trapping schemes . . .

But we can say you'll rule this town

Only in your dreams!

Oogie Boogie's shadow (singing): Heh, that's funny, it was a dream!

But now it's coming true!

'Cause even my mere shadow knows

Your days as king are through!

Whoa-oh!

Jack punches the Shadow and lashes it with Soul Robber. Jack: Whoa-oh!

Oogie Boogie: Whoa-oh!

Sora: Whoa-oh!

Sora Slashes the Shadow with his Keyblade.

Oogie Boogie: Whoa-oh!

Venom: Whoa-oh!

Venom punches the shadow.

Kaguragi: I'm Toufu's only King!

I blasted the shadow all over the place.

Eli: I never get tired of those songs!

Me: Me neither. Always fun and they are also iconic too. Been that way for 30 years.

Nico: Yep. I've got something to say to you Oogie! I can never forgive you during those terrible days during the 20 Days of Darkness! You opened your big ugly bug filled mouth and caused me to go into sadness! NO MORE!

Lana: Oh, I've been looking forward to eating your bugs again!

Hymeno vomited in a trash can.

Me: And I got a few words for you about how you sent Nico into a depression!

Oogie's Shadow: (chuckles) Oh, those are gonna have to wait

Kaguragi: And why's that?

Oogie's Shadow: Because the real me isn't even on Chikyuu right now!

Nico: Say what?!

Me: I had a feeling he was somewhere else!

Oogie's Shadow: That's right. While you all have been fooling around here, Maleficent, Joker, and Minongan Moth have been attacking Shugoddam. Have fun with that!

With that, Oogie's Shadow exploded, leaving nothing behind.

Me: So this was all just a distraction!

Eli: Lets get over there fast!

Nico: Right! Team Loud Phoenix Storm! Prime Omega Emergency! Rendezvous at Shugoddam double time!

Lana: Aw! I wanted to eat his bugs again!

Gira: Lana, we got more important things to worry about. Oogie causing trouble here was a distraction. Joker and Maleficent want to take over Shugoddam. But they won't get it without a fight!

Me: Right! But lets not waste any time and get there before Hymeno is too weak from exhaustion from hurling.

Nico: Right! Lets go!

We were off!

Gira: Starfire, while we're getting there, what was your life like before the Titans?

Starfire: My life was really unpleasant. I was captured and almost sold into slavery by the Gordanians.

Nico: The Gordanians are dangerous reptilian aliens that capture and sell alien slaves on the Interstellar Black Market.

Gira: I see. I hope you guys destroy them.

Nico: We will.

We saw Maleficent and Joker moving close to the kingdom.

Me: Oh no you don't. A FOREST OF THORNS SHALL BE THIS TOMB! FORMED THROUGH THE SKIES ON A CLOUD OF DOOM! NOW GO WITH THE CURSE AND SERVE ME WELL! AROUND GIRA"S KINGDOM CAST THY SPELL!

I formed a storm over the kingdom and lightning struck the ground an huge walls of thorns grew fast and formed a huge wall of thorns to block their path!

Nico: WHOA! Well done!

We landed in front of them and we faced MALEFICENT, JOKER and MINONGAN MOTH!

Me: Long time no punch Joker and Maleficent!

Racules ducked under some debris to avoid Joker's gunfire

Maleficent: I'm impressed you know that spell J.D.

Me: Doesn't take a rocket scientist to figure you out Maleficent! And also I don't see your fuck buddy Xehanort coming to save you this time? Didn't you hear? Me and Nico killed him and destroyed all of his evil!

SHE GASPED!

Me: Also for the record, I'm not the same as I was when we fought the last time.

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: OH YEAH!

Stacey summoned clones of the Kyoryugers and Hurricanegers

Stacey: Get them!

I fired waves of energy and blasted Maleficent!

Sora, Aqua, Kairi and Riku blasted her all over.

Me: Had enough?

Maleficent: I'm just getting warmed up! Now shall you deal with me J.D.! AND ALL THE POWERS OF HELL!

BOOOOOOOOOOM!

IN A MASSIVE VORTEX OF GREEN FIRE SHE THEN TURNED INTO AN EVIL DRAGON! SHE LAUGHED MALEVOLENTLY!

Gira: Mistress of Evil, huh? Well, you are about to face the King of Evil! (laughs evilly)

Maleficent: You are no king. You're not even evil. All you are is a simple boy!

Gira: Nice try!

We fired waves of energy and blasted her all over. She fired massive blasts of green fire from her mouth and blasted at us all over. We absorbed the fire.

I summoned the sword of truth!

Me: NOW SWORD OF TRUTH FLY SWIFT AND SURE THAT EVIL DIE AND GOOD ENDURE!

I threw the sword and skewered her all the way through her black heart!

SHE SCREAMED IN PAIN!

SHE DIED IN AN INSTANT!

Eli: Good riddance you evil witch!

I banished her to the Warp.

We went to face the Joker.

Joker: Let's find out how much stress you guys can take. Because I don't think it's much. I think you're only a few bad days away from losing it!

Me: Like you're any better you fucked up clown! You are NOT FUNNY!

I punched him and knocked out some of his teeth!

Kouta got out his Lockseed and used the powers of oranges and fruit and blasted the Joker.

Nico: Take that!

Trixie: The Great and Powerful Trixie is ready for this!

She got out her Lockseed and used the power of Black Diamond Apples and blasted the Joker all over.

Batman, Nico, Eli, Kouta and Trixie punched him all over!

SMASH WHAM SMASH WHAM SMASH WHAM SMASH WHAM!

He was being smashed all over!

Racules (punches Joker): Gira, bring out the big guns!

Gira: Right!

You are, I am, We are the, We are the King! King-Ohger! King Kuwagata Ohger!

Gira became King Kuwagata Ohger

Soiya! Kachidoki Arms! Iza shutsujin! Ei! Ei! Oh!

Kouta became Kachidoki Arms.

Me: COOL!

Nico: Love that form!

Eli: Me too!

Me: Lets finish this disgusting clown!

Nico: Be my guest J.D.!

Me: Hey Joker! I got something for you!

I pulled out a gun!

Joker: You gonna shoot me!? (LAUGHS)

Me: Not just that.

BANG!

A flag with bang on it came out.

Me: Here's something I learned from Tim Drake!

BANG!

I fired it and it skewered him through his black heart and he landed on a rock!

Joker: That's not funny. That's not (Gasps)

HE DIED IN AN INSTANT!

I banished him to the Warp!

We then set our sights on Minongan Moth.

Me: Time for this moth to get the bugzapper!

2012 Leo got out his Lockseed.

He used the powers of Cinnamon and blasted Minongan Moth all over.

Eli: Take that!

Me: Oh Gira! Guys!

I gave them their Legend Items!

Me: Here are your Legend Items!

Gira: COOL! Lets see what they can do.

He used the Lockseed of Knightmon!

He slashed Minongan Moth all over.

But then a tornado appeared and blew Minongan Moth all over.

Me: WHOA! Where did that come from?!

Nico: I have no idea!

Eli: I think that!

We saw a Tornadus!

Me: Tornadus!

Eli: WHOA!

Me: Let me see here.

I used Telepathy and gasped!

Me: WHOA! Aria Blaze's sister Lyre Sonata!

Nico: WHOA!

Me: Be right back!

I went to face her.

Me: Lyre, Aria wouldn't want you to be like this!

All she did was use Bleakwind Storm

I dodged it and it hit Minongan Moth and I fired a blast of energy and smashed her all over.

Me: YEAH!

Nico: We need to calm her down!

Me: Leave that to me!

I fired waves of energy and blasted her. Then I snapped my fingers and she reverted back and was a girl with green hair and purple eyes and had Tornadus in the middle of her forehead and had green angel wings and she had a green version of Aria's Cutie Mark on her arm.

I wrapped her in a blanket.

She groaned and woke up.

Lyre Sonata: (Groans) Man what hit me?

Me: You were turned into a Tornadus by Dark Gale.

Lyre Sonata: (GASP) I remember.

She was in a green jumpsuit and was injected and she turned into wind and flew out as Tornadus and blasted out.

FLASHBACK ENDS

Lyre Sonata: It was awful.

Me: I know. We're in the middle of a battle right now. I promise Dark Gale will be destroyed.

I snapped my fingers again and she got green clothes and had a wind sword.

Lyre Sonata: Oh wow. I look good.

Me: Yep.

We went at Minongan Moth and bashed and smashed him.

Minongan Moth: I won't go down easy!

He then grew giant!

Me: WHOA! Like we didn't see that coming.

The rangers summoned their zords!

Me: OH YEAH!

But then a massive hypnosis beam blasted Minongan Moth and he was hooting and acting like a monkey!

Me: What the fuck?

Nico: Who did that?

Eli: She did!

We saw a girl with blue hair, red eyes, black clothes and wings and had a tiara with Hypnotick on it.

Me: (GASP) Hilary Hypnotick!

Nico: WHOA! Hypnotick's Embodiment!

Hilary Hypnotick: (GRUNT) Thought it would be funny for him to act like a monkey!

Me: Okay that is funny!

Yanma held in some laughter and then broke into laughter.

Me: That is funny!

She lost control and tried hypnotizing Ben Ravencroft

But because he was a warlock he couldn't be hypnotized.

He fired waves of magic and blasted her.

Lyre Sonata: Time for some powerful magic!

She fired waves of energy and blasted her all over.

I fired the Antidote Ray and injected her.

Me: Yeah!

Gira: Lets form the true king!

The King Ohgers then formed their awesome and cool ULTRAZORD!

Me: COOL! I remember that one!

Eli: Me too! So cool!

Lana: AWESOME!

Starfire: Glorious!

Penny charged at her and kicked her.

Penny used her Diamond Fruit Lockseed.

Penny: Taste this!

She fired jewel blasts and smashed her down.

Eli: Oh yeah!

Gira: This actually takes everyone to pilot this

Nico: COOL! True power comes from strength together!

Gira: Yep!

Penny and Lyre fired waves of energy and blasted her and the antidote ray took effect and she was cured.

Hillary Hypnotick: Man what hit him?

Penny: Jewels and fun?

Hillary Hypnotick: Oh.

Gira: Lets do it!

Me and the King Ohgers and the rangers all fired waves of energy and it hit him and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead! I caught the Moth Soul Gem and purified t.

Me: YEAH!

Nico: Minongan Moth you have failed this world!

Lyre Sonata: Take that!

Nico: Your role in Sonya's team?

Lyre Sonata: I am a weather mage and use wind, tornadoes and storms to destroy our enemies. Also outside the team I help bring criminals to justice with weather powers.

Me: WOW! Also I bet you were looking for Aria to help her.

Lyre Sonata: How did you know?

Me: We met Melody Thunder earlier and she said the same thing.

Lyre Sonata: Wow!

Me: Yep.

Lana: That was awesome though!

Gira: Lana, ever since I met you, May, and Starfire, I've seen you 3 as sisters.

Lana: Awesome!

May: Same here!

Starfire: Glorious!

They hugged him.

Nico: I guess that makes us in-laws.

Me: Yep and Lana's siblings with them too.

We had a great time with the King Ohgers.

We went back to the ship and went back home.

Lana: That was awesome!

Rita: We're so proud of you sweetie.

Me: We all are.

Camie: I'll say!

Lana: Thanks mom. Thanks guys.

Me: We'll still go to Chikyu for rescues though.

Nico: Silverstream, you, Shining Armor, and Bebe are next for Ambassador missions

Silverstream: Cool!

Shining Armor: Awesome! This will be fun! Twily are you gonna be excited for me?

Twilight Sparkle: I sure am big bro.

Me: Awesome.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

We were later at the table and eating French Onion soup.

Mustard Persephone: What are we eating again?

Me: French Onion Soup. Mary made it for all of us. It's for a great contest. We're having a French Onion Soup eating contest.

Fluttershy, Tara and Hinata already ate lots of bowls of it!

Mustard Persephone: Oh wow!

Nico: Love this soup.

Ketchup Boris: I think this is gonna cause something

Me: It will but it will be good.

Camie: Yep.

We were eating and eating and eating and eating.

We were stuffed.

Fluttershy, Tara and Hinata: (LOUD BELCH)

Fluttershy: Oh pardon me.

Lola: 1, 2, 3, WHOA! YOU ATE SIXTY BOWLS OF IT!?

Thunderblast: Maybe nothing's going to happen

But then...

LOUD NASTY FART AND BELCH!

Me: WHOA! Pardon me!

Qin: WHEW! Pardon!

Me: Uh oh!

Searchlight: You were dead wrong!

Nico: Yep. Okay bathroom time.

We went to our bathrooms and we were really relieving ourselves.

Laxus: Feel better?

Me: We sure do.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was The Mascots' old enemies, Officer X, Phantom, Fifi, and Shaw, they've busted out of prison and they want revenge on The Mascots. But, when we saw who it was that busted them out, we were pissed off to the extreme!

Lincoln, me, and Nico: ARE YOU FUCKING KIDDING US?!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli. (Growls) That lunatic!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was The Mascots' old enemies, Officer X, Phantom, Fifi, and Shaw, they've busted out of prison and they want revenge on The Mascots.

EVERYONE GASPED!

Mascots: I knew it was them!

Lincoln: But, it gets worse: take a look.

Lincoln showed everyone the vision orb, and when they saw who it was that busted them out, they too were pissed off: the figure who busted them out was Sergio, he snuck out of The World Tree Estate and busted Officer X, Phantom, Fifi, and Shaw out of prison.

Poromon: Why, that stupid conniving flying colored rat with wings! Sergio, you're gonna pay for this!

Me: This is the last straw! Sergio is officially going to be booted out!

Manaphy: That'll be for after we take down those four and send them right back to prison. But, if that rat with wings thinks he's gonna get away with this, he's got another thing coming! Lincoln, where are Officer X, Phantom, Fifi, and Shaw at?

But, before Lincoln could tell us, Sebastian tried to attack Lincoln out only for Buster Bunny to hit him in the face with a frying pan!

BLANG!

Lincoln: Thanks for the save, Buster.

Buster Bunny: No problem, but let me save you the trouble: Officer X, Phantom, Fifi, and Shaw are in New York, and there's no doubt Sergio's with with, and Sebastian also had a hand in this because he wanted revenge on you, Nico, Qin, and Caleb for telling him off like that.

Qin: Thanks for telling us that, Buster. Poromon, Mascots, tie this filthy animal up.

The Mascots tied Sebastian up in a straitjacket.

Nico: So, those four along with that rainbow chicken are hiding out in New York, eh? Perfect, now The Mascots will take them down and throw those four in prison, and as for Sergio, I'm sure they got something pretty good for his punishment. Alright, let's get going, we got four assholes and a dirty party animal to take down.

Hunter: (German Accent) Mein Gott!

Me: YEAH!

The previous group came.

10,000 Volt Ghost: Can me, Pterodactyl Ghost, Black Knight Ghost, Black Lance, Deadwood, Dumbbelltron, Manta Bayarsh, Seadramon, Puppetmon and Machinedramon go with you guys?

Nico: Yes you all can.

Qin: This time that bird has gone too far.

Camie: Yep

Taylor: Nico, which Gene Slammer do you think you'll meet next?

Nico: ElDoradimon next.

Me: Whoa! That is cool!

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Abraxas, the villainous cosmic entity from the Marvel universe, and he's come back from the dead to get revenge on us for destroying him. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Hunter: (German Accent) Mein Gott!

Rayman: Lincoln, was that...?

Lincoln: It is, the figure we saw was Abraxas, the villainous cosmic entity from the Marvel universe, and he's come back from the dead to get revenge on us for destroying him.

Me: You destroyed him two years ago, and it looks like he refused to learn his lesson.

Jenny Kuradoberi: He's one of the most dangerous cosmic entities and one of our most powerful enemies as well. Leave him to us, we'll take him down and you're going to absorb him, right Lincoln?

Lincoln: You got that right, Jenny.

Nico: Abraxas deserves to die for everything he's done, and he deserves no forgiveness for any of his crimes. Alright, gang, let's go, we're off to New York. We've got four Mascot-Hating assholes to hunt down along with that scheming party animal rainbow colored rat with wings, Sergio.

Lincoln: Those four are heading back to prison for good, and as for you, Sergio, I'm gonna make you pay dearly for what you did in not only busting those four out of prison, but also, for all of the trouble and chaos you've caused me, my Guardian Angels, and everyone in your path, and once we got done with them, you're next, Abraxas.

Jenny Kuradoberi: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Abraxas.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to New York to hunt down the four Mascot-Hating assholes, Officer X, Phantom, Fifi, and Shaw, along with that scheming party animal rainbow colored rat with wings, Sergio, and we're throwing those four back in prison and punish Sergio for what he's done, and once we get done with them, Lincoln and Jenny Kuradoberi are going to destroy Abraxas.

We were off to New York City.

We arrived.

Me: New York City.

Qin: Love coming here.

Pterodactyl Ghost: We should call Seadramon.

Mevya: Um... isn't he already with us?

Seadramon: Yeah I'm right here.

Pterodactyl Ghost: Oh sorry.

Seadramon: No worries.

Driscoll: I think it's agreed Sergio needs to go.

Me: I agree there! The old me would have been against it but not this time. What he did crossed the line.

Camie: I agree.

Varie: Same here!

Twilight: I know who Officer X, Shaw, and Fifi are. But not the Phantom.

Broccoli Guy: Oh right. You and your friends weren't there when we first fought him.

Me: It was shortly before the Great War with The Royal Defenders.

Manaphy: He was a pirate that was after me to get to the power of my home temple Samiya and for the Sea Crown.

I went over his history

Phantom the Pirate is the main antagonist of the movie Pokémon Ranger and the Temple of the Sea.

He is voiced by Hiroshi Fujioka in the Japanese version, and Eric Schussler in the English version.

History

At the beginning of the movie, Phantom managed to snatch the Manaphy Egg that is drifting through the sea and has it in his possession for a few seconds until Pokémon Ranger Jack Walker steals it and escapes on a Mantine. The reason Phantom wants Manaphy is because he wants to become the "King of the Sea" but he can't become that unless the "Prince of the Sea" Manaphy shows him where the Sea Temple is.

Later, he is seen tracking Jack and his friends. When he finds them, he and his crew attack them with Beedrill, but the gang escapes to the ruins left by The People of The Water in which Phantom follows.

Later at the Sea Temple, he is seen pulling crystals out of the Sea Crown (after following Jack, Ash and friends who were led by a now hatched Manaphy) one by one, causing the Sea Temple to start to sink and then escapes. Jack puts most the crystals back in place until the final crystal fell off the edge. Ash went to get it, nearly drowning in progress, and puts it back in the Sea Crown, stopping the Temple from sinking.

A while after that, he got out of the sinking temple on a water rocket. After the temple was saved, he came up and stole Manaphy one last time. However, Ash grabbed it back (in a yellow energy beam, now being the temporary "King of the Sea") and Phantom was flung into the water. This wasn't the end of Phantom, as he soon rose above the waves in his submarine base and attempted an onslaught using the base's supersonic projectors that caused all Pokémon in the vicinity to writhe in pain.

Manaphy, however, began to fight the sonic waves and counters with its Heart Swap ability, restoring order to the water Pokémon. Soon the water Pokémon counterattack the base, with the Wailord bashing the submarine (nearly knocking Phantom off in the process), as well as creating a tear in the base. The Chinchou swim into the crack, short-circuiting the submarine. Lastly, Manaphy ordered Kyogre to use its Hyper Beam to destroy the sub. On the remains of the sub, Phantom attempted to hold up a pillar of debris up to prevent it from crushing him, revealing his mechanized super-suit (the object of his overwhelming strength), in which Jack says "I didn't think he took his vitamins.". But after the suit malfunctions, the pillar crushes him beneath its weight.

During the credits, both Phantom and his second-in-command Galen are seen in prison.

When I was done they were shocked!

Twilight Sparkle: Oh man!

Xenia: Yeah.

Applejack: Why that lowdown snake in the grass!

Camie: Yeah! What a jerk!

Fluttershy: Goodness.

Rarity: That monster is really selfish!

Ace: Guys, I think some of us need to be informed about ALL of them.

Manta Bayarsh: Right, not just the Phantom. We can do that.

Me: Okay good idea.

I went over the histories of Officer X, Fifi and Shaw and they were rough.

When I was done everyone was shocked and horrified.

Camie: WHOA MAN!

Horsea: Shaw gave me horrible nightmares!

Poliwag: I got into a horrible Peter Griffin VS Ernie the giant chicken style fight with Fifi.

Poromon: And we battled Officer X all over the place from time to time.

Chompy made a growling sound!

Me: I agree there.

Camie: Yeah!

Sunset Shimmer: These guys are jerks.

Qin: Big time.

Lola: Yeah! But they are going back to prison.

Me: Ms. Rosa, I'm sorry but Sergio has got to go. He has caused too much trouble for all of us.

Lincoln: I agree Mrs. Casagrande. He needs to go.

Rosa Casagrande: (Spanish Accent) Si you're right amigos. It's time he got the boot.

Puppetmon: If there's one thing you need to watch for with Officer X, it's his puns.

Skipper: That's right! His puns are terrible!

Me: Oh right! I forgot he was after the penguins before the mascots and he is known for those awful puns.

Luan: And people say that I'm not funny.

Eddy: You ARE funny Luan. He isn't!

Boog: And Shaw and Fifi were me and Elliot's enemies before.

Me: That's right. I remember.

Qin: Yeah.

Fluttershy: And Shaw is a big fat meanie!

Me: I remember Fluttershy exploded after him for hurting animals.

Boog: I remember that.

Fluttershy: I'm going to use my stare on all 4 of them!

Me: That you can do Fluttershy!

Lilja: (Icelandic Accent) Go mom!

Lincoln: You can do it Flutters!

Qin: Yeah!

Hoppip: I'll help you against Officer X, Poromon.

Me: Awesome!

Poromon: Thanks Hoppip.

Lincoln then had a big premonition!

Lincoln: WHOA MAN! That is a huge number of Akumas!

Me: What is it?

Lincoln: I saw the Akumas we're going to face! It's the Mascots Second Akumas. Their names are Firejub, Malevosiren, Terrorhydra, Cnidaricarnage, Volcanofrog, Extraterresterror, Leviaterror and Gorerose.

The 2nd Hypothetical Akuma of Poromon and he is a Jubjub bird on fire and he always appears in a massive fiery explosion! He also can appear when he takes a whiff of the smell of the Wily Jubjub Plant and just a tiny smell of it sends it into a frenzy! He was made because of the Digimon Emperor hurting Nico and he vowed to burn that monster with intense fire and make him pay.

The 2nd Akuma of Manaphy and she is a scary mermaid from the Dark Side of the legend. She sings a hypnotic song and lure people to their deaths. She also has water powers and dark angel wings. She was made because of Phantom hurting May and vowed to kill that monster no matter what.

The 2nd Akuma of Horsea and she is a 14-Headed Hydra Dragon and a deadly force of terror. She has the powers of the 14 elements in each head and she can blast her opponents from multiple angles. She was made because of Maria turning into Aquamaria again because of Ebon and vowed to kill him and the Metabreed.

The 2nd Hypothetical Akuma of Poliwag and he is a frog of lava and volcanoes and he has intense lava and fire powers. He was made when Nico got depressed because of Oogie Boogie and vowed to barbecue that sack of bugs for opening his big ugly mouth!

The 2nd Hypothetical Akuma of Jirachi and he is a flying saucer with a ball of energy hanging from it and he can grant wishes of terror. He was made because of Giovanni hurting his fellow Pokemon and vowed to kill him.

The 2nd Hypothetical Akuma of Tentacool and she is a ginormous jellyfish with a massive appetite for blood. She has intense lightning powers and is strong enough to electrocute anyone with the power of 100,000,000 Big Lenny's! She was made when Nastina destroyed her home and she vowed to kill that rotten to the core woman no matter what and make her pay.

The 2nd Hypothetical Akuma of Mevya and he is a terrifying fish monster of intense terror. He has water and ocean powers of intense power. He was made when Aggregor invaded his home planet and hurt Kevin and vowed to kill that monster no matter what.

The 2nd Hypothetical Akuma of Hoppip and she is a rose that can spew blood that smells REALLY HORRIBLE! It smells so bad that it can make anyone throw up. She was made because of Shaw hurting her fellow mascots and she vowed to innundate him in nasty blood and make him die by hurling his guts out.

WE GASPED!

Me: WHOA MAN! THAT HAS TO BE A RECORD!

Qin: YEAH!

Lincoln showed us sketches of them. Poromon's Second Akuma looked like a flaming Jubjub Bird, Manaphy's looked like a black winged mermaid, Poliwag's looked like a frog made of lava, Horsea's looked like a scary 14 headed hydra, Mevya's looked like a scary sea monster, Jirachi's looked like a ball of energy held up by a ship from another planet, Tentacool's looked like a scary jellyfish with three mouths and Hoppip's looked like a rose with red eyes dripping blood!

Nico: WHOA! Those are scary!

Eye Scream: This is probably a new record

Me: YEAH! Tentacool's 2nd Akuma is more fitting because Nastina ruined her home.

Lola: I agree!

Maria: But Horsea's Akuma is crazy because Ebon is not like that.

Me: Must be one from its world. Also what he did crossed the line.

Nico: The Digimon Emperor is in our prison.

Varie: Yep.

Machinedramon: We're gonna be working up a sweat with this.

Lola: I agree!

MetalSeadramon: But it will be a good warmup.

Me: And Poromon's Second Akuma comes when the Wily Jubjub plant is smelled? Like the Tengo Beast when we met it as the Brave 12. Learning from past experiences I know how to draw it out.

I reached into my Scottish Sporran kilt bag and pulled out a tiny plant and it was the Wily Jubjub plant.

Camie: That tiny little plant is enough to make the Tengo Beast go nuts?

Me: Yep. Just a tiny whiff of this plant makes it go nuts.

But then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion lasted out of the park ground and then out came a figure and it was FIREJUB!

Me: There he is!

He screeched ferociously!

Me: WHOA Nice entrance!

The bird roared and landed in front of us.

Alternate Chrysalis: Can you and your friends come out so we can address your concerns one at a time?

Then out came the rest. We saw Malevosiren, Terrorhydra, Cnidaricarnage, Volcanofrog, Extraterresterror, Leviaterror and Gorerose.

Qin: WHOA!

Firejub: That was clever using the jubjub plant to draw me out.

Me: I learned from past experiences.

Lola: WOW! You guys look awesome!

Leviaterror: We sure do.

Gorerose: Yeah!

I smelled Gorerose.

SEAL BARK!

Me: OH GOOD GOD! Hoppip you smell really horrible!

Gorerose: I know.

Seadramon: You guys need to calm down!

Gorerose: Not until our enemies are dead!

She fired disgusting blood and drenched Rarity and she screamed and hurled her guts out!

Me: OH SICK!

Stacy Bolton: Like my Akuma in flower form.

Me: Yep. Then you leave us no choice.

Cnidaricarnage grabbed Nico and then...

NASTY ULTRA SUPER ZAP!

Nico was burned to a crisp!

Nico: Ouch.

Me: Boy that is powerful lightning!

Cnidaricarnage: Yeah no kidding!

Varie: What kinds of jellyfish are you?

Cnidaricarnage: Lots of jellyfish. Many of them EXTREMELY venomous.

Me: Wow! Also Poromon you look like the fearsome Jubjub bird from Alice in Wonderland. "Beware the Jubjub Bird and shun the frumious Bandersnatch."

Firejub: (LAUGHS) That's exactly who I am based on.

Me: Yep.

Seadramon charged at them.

Seadramon: (Echoing) ICE BLAST!

He fired waves of ice from his mouth.

Machinedramon: (Echoing) GIGA CANNON!

He fired energy blasts from his cannons.

MetalSeadramon: (Echoing) RIVER OF POWER!

He fired a massive energy blast from his cannon nose.

Puppetmon: (Echoing) PUPPET PUMMEL!

He smashed the ground with his hammer and fired a massive blast of fire from it.

Me: (ECHOING) TRUMP SWORD!

I threw a bunch of swords and we blasted the Akumas all over!

Me: Just like during the war with the Dark Masters right?

MetalSeadramon: It sure feels like it!

Firejub: My turn! (ECHOING) INFERNO JAVELIN!

HE FIRED A MASSIVE BLAST OF FIRE FROM HIS MOUTH AND IT WAS AS INTENSE AS 100,000,000,000,000 GREAT CHICAGO FIRES AND WE ABSORBED IT!

Me: WHOA! That was intense! I guess we can call this a second dark digivolution form for you. How about InfernoJubjumon? インフェルノジュブジュモン

Firejub: Hey I like the sound of that.

Nico: Good idea.

Nico healed up.

Me: Now our turn!

We fired waves of energy and elements and blasted them and knocked them all out.

Shield Shredder: That was intense!

Me: No kidding!

Lola: Yeah!

RARITY HURLED!

Lincoln pat her back and comforted her as she hurled bad into a trash can.

Camie: Poor Rarity.

Maria washed Rarity off.

Dumbbelltron: I think that was a good workout!

Me: I agree. Now for the main event!

Nico: Lets go get those jerks and Sergio.

Lola: YEAH!

Eli: They are in central park!

Nico: Lets go get them.

Gulper: I could use some soda before that.

Me: I am pretty thirsty. All those onions in that soup made me thirsty.

We agreed.

I saw a vending machine.

Me: Perfect!

I went to the machine and pulled out my change bag and put in some coins and got us a bunch of sodas.

I bought out the machine and gave everyone sodas.

Nico: Thank you.

Me: No problem.

We drank our sodas.

Me: (Gulping) Ahh! Needed that.

Black Lance: How do the sodas taste?

Me: Refreshing and tasty.

Nico: You said it.

LOUD BELCH!

Me: Oh pardon me.

Nico: Scuse me.

Lola: Sorry.

Nico: Thanks J.D.

Me: No problem.

We found a recycling basket and put the soda cans in it.

Me: There we go.

Koichi: Entrance time!

Me: Lets go!

We went to the park.

Sergio was laughing along with the Anti-Mascot 4!

Then the spirits of birds appeared and swirled around them and then converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out!

Me: Okay you rat with wings! It's personal!

Poromon: You've got some nerve showing your faces here again, Officer X, Phantom, Fifi, and Shaw.

Poliwag: I knew you four would one day break out.

Hoppip: But, we've gotten a lot stronger and we are so ready for you four once more.

Jirachi: And we're gonna make you four pay for this!

Tentacool: You better be ready for another thrashing once again!

Horsea: And you're heading back to prison once again.

Mevya: And you'll stay there until the day you all die.

Manaphy: And you all deserve it big time.

Poromon: That's right, and Sergio, you better get out here right now! Lincoln already found out you were the one who busted those assholes out of prison, you colored rat with wings!

We then saw our second target come out: it was Sergio, our resident troublemaking scheming colored rat with wings.

Sergio: Hope you liked my little surprise, whiny crybabies. (LAUGHING)

Sergio fired bombs of garbage at us, but Lincoln formed a massive indestructible diamond barrier that protected us from the garbage bombs as they exploded and we didn't get covered in garbage. Then, Lincoln summoned a massive water wave that swept away all of the garbage, and he took down the barrier.

Poromon: YOU REPULSIVE RAT WITH WINGS! Seriously, you're always making things hard for us, Sergio! I thought you would've learned your lesson after the trials we had, but it looks like I was so wrong.

Manaphy: We all were.

Poromon: But, now we got a chance to correct that mistake, we're taking down your new buddies, and before we went after you, we also alerted Sancho and the pigeons along with The Great Lakes City Alley Cats of what you did, and they're really pissed off at you!

Sancho and the pigeons came and they were mega pissed off at Sergio, and The Great Lakes City Alley Cats also arrived in a massive fight cloud.

Sergio: Well, if it isn't the traitor and the other traitor pigeons.

Poromon: Don't start with that shit, Sergio. At least, Sancho had remorse and stopped, but you, you absolutely have no remorse at all when you put that Anger and Paranoia Chip on Lincoln. You really are a piece of crud, and now, I know what Bobby, Ronnie Anne, and Mariposa have had to put up with whenever you caused a shit ton of trouble.

Sergio: (GROWLS) We'll see who's laughing when we get done with you! Batlings! Demon Warriors! Rinshi! Piranhatrons! Putra Pods! Chromites! Bruisers! X-Borgs! Royal Guards! Swabbies! Putty Patrollers! Super Putty Patrollers! Z Putty Patrollers! Tenga Warriors! Tronics! Chillers! Kudabots!

Basherbots! Upgraded Basherbots! Skullgators! Oozemen! Tengu Warriors! Ninja Stuntmen! Hengemen! Kelzaks! Kelzak Furies! Cogs! Tyrannodrones! Triptoids! Lava Lizards! Lavadactyls! Hidiacs! Styxoids! Cyclobots! Putrids! Moogers! Spitfangs! Grinders! Papyrox! Putrids! Stingwingers! Ghouls! Zentinals! Copyguards! Scuttleworms! Krybots! Blue-Head Krybots! Orange-Head Krybots! Quantrons! Loogies! ATTACK! DESTROY THEM ALL!

We saw a massive army of Batlings, Demon Warriors, Rinshi, Piranhatrons, Putra Pods, Chromites, Bruisers! X-Borgs, Royal Guards, Swabbies, Putty Patrollers, Super Putty Patrollers, Z Putty Patrollers, Tenga Warriors, Tronics, Chillers, Kudabots, Basherbots, Upgraded Basherbots, Skullgators, Oozemen, Tengu Warriors, Ninja Stuntmen, Hengemen, Kelzaks, Kelzak Furies, Cogs, Tyrannodrones, Triptoids, Lava Lizards, Lavadactyls, Hidiacs, Styxoids, Cyclobots, Putrids, Moogers, Spitfangs, Grinders, Papyrox, Putrids, Stingwingers, Ghouls, Zentinals, Copyguards, Scuttleworms, Krybots, Blue-Head Krybots, Orange-Head Krybots, Quantrons, and Loogies arise and they came after us.

Me: What the?! (SAVAGE WOLF GROWL) As if you couldn't stoop any lower than that, you depraved rat!

Sergio was laughing maniacally at us, but then, we saw Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, mythical beasts, and mythological animals flare up to such an extreme level, and it was so incredible!

Lincoln: (Thinking) You just don't even know when to stop making things hard for us and you only think about yourself and your desire to cause trouble! No more! (Out Loud) NO MORE, SERGIO! I'VE HAD IT UP TO HEAR WITH YOU ALWAYS MAKING THINGS HARD FOR US AND ALWAYS CAUSING US NOTHING BUT TROUBLE! (SUDDENLY HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARED UP EXTREMELY

AND HIS MUSCLES BULGED EVEN MORE) AND YET, YOU STILL HAVE ABSOLUTELY NO REMORSE FOR WHAT YOU'VE DONE, YOU'RE GONNA PAY FOR EVERYTHING THAT YOU'VE DONE, YOU BLACKHEARTED SCHEMNING CONNIVING SACK OF FEATHERS! (EXTREMELY LOUD WOLF ROAR)

WE GASPED IN SHOCK!

Me: (GASPS) HOLY SHIT!

Nico: WHOA! SERGIO MADE LINCOLN SNAP BIG TIME!

Sergio: Rrawk! I ain't afraid of you! Now, SUFFER FOREVER! (LAUGHING MANIACALLY)

Eli: YOU DEPRAVED FIEND! YOU'RE GONNA PAY FOR THIS!

Suddenly, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 195'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 95'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 75'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 55'0" and the second another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 35'0", and the shoulder blades of his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings now have four sets of eyes with rainbow iris and his large brown wolf ears on his head and eleven massive and long brown wolf tails grew a bit larger and longer.

Me: Did Lincoln evolve once again?!

Nico: You're really screwed now, Sergio!

Lincoln: That he is. Now, let me take out the trash!

Lincoln went after the massive army of Batlings, Demon Warriors, Rinshi, Piranhatrons, Putra Pods, Chromites, Bruisers! X-Borgs, Royal Guards, Swabbies, Putty Patrollers, Super Putty Patrollers, Z Putty Patrollers, Tenga Warriors, Tronics, Chillers, Kudabots, Basherbots, Upgraded Basherbots, Skullgators, Oozemen, Tengu Warriors, Ninja Stuntmen, Hengemen, Kelzaks, Kelzak Furies, Cogs, Tyrannodrones, Triptoids, Lava Lizards, Lavadactyls, Hidiacs, Styxoids, Cyclobots, Putrids, Moogers, Spitfangs, Grinders, Papyrox, Putrids, Stingwingers, Ghouls, Zentinals, Copyguards, Scuttleworms, Krybots, Blue-Head Krybots, Orange-Head Krybots, Quantrons, and Loogies and he proceeded to slash at them with his massive greatsword and gold-armored dragon claws, and he even blasted them with a barrage of rainbow, white, golden yellow, and blue energy blasts and elemental forces, and he knocked them down.

Then, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers, and he stabbed them into the chests of the monster grunts, and he began absorbing all of them, and he assimilated their powers, strengths, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when he was done and the stingers changed back, nothing was left of them, and that really and I mean, REALLY PISSED SERGIO OFF BIG TIME! Then, Lincoln let out another loud wolf roar and he charged at Sergio who was about to fly away, but then, he got pounced on by Lincoln and he got severely clobbered!

POW! CRACK! BANG! BLAM! CRUNCH! WHACK! BLANG! SUMO SOUNDS! COW MOO! HORSE WHINNY! SEAL BARKS! ELEPHANT TRUMPET! CAR HORN! LION ROAR!

BLARGA FLARGA!

Me: OH MAN! THIS IS REALLY GETTING FUCKING BRUTAL!

Nico: TOO BRUTAL! OH! I DON'T THINK SERGIO'S SPINE IS

SUPPOSED TO BEND LIKE THAT!

Lincoln: EAT BOOT, YOU RAT WITH WINGS!

LINCOLN KICKED SERGIO OUT OF THE FIGHT CLOUD, AND WE SAW WHAT LINCOLN DID: SERGIO WAS ABSOLUTELY BRUTALIZED AND MANGLED AS HE TORE THAT RAT WITH WINGS' FEATHERS OFF IN BRUTAL RAGE, GAVE HIM A BLACK EYE, AND DENTED HIS BEAK WITH ONE PUNCH!

WE WERE LAUGHING OUR BUTTS OFF, BUT THAT MADE OFFICER X, PHANTOM, FIFI, AND SHAW REAL MAD!

Fifi: YOU! YOU MISERABLE!

THE MASCOTS FIRED BLASTS OF ENERGY AT THE MASCOT-HATING JERKS AND THEY GOT HIT HARD, BIT THEY GOT BACK UP AND THEY'RE SUPER ANGRY NOW!

Sergio: RRAWK! You guys are useless, useless, useless! BAH!

Buster Bunny: Well, what did you expect, you moron. Well, then, let's trash those four morons!

Fifi: You 4 have humiliated us for the last time. Now, WE SHALL HAVE OUR VENGEANCE!

Black Knight Ghost: Not gonna happen, knave!

Me: Time to settle a score for the last time you Wild Hater!

FLUTTERSHY THEN USED HER STARE ON THEM!

Officer X tied up the mascots with his grapple hook. Then he called animal control.

Officer X: Animal control? Let me speak to the top dog. (chatter on the other line) No, I don't want to talk to an actual dog. I'd like to speak to the boss lady. (more chatter) Why yes, it is indeed former Animal Control Officer X. Who is this? (more chatter) Dave? Well, I don't know why you need to know that, Dave. All you need to know is that I need to talk to Supervisor Ubanks. (more chatter) Well, yes, it does have something to do with the mascots. What of it? (Dave hangs up) Dave? Dave? I never liked Dave.

Nico: Pretty sure the feeling's mutual!

Me: You are so pathetic.

I fired waves of lightning and blasted Officer X.

Me: Also those weren't the mascots.

He saw they were a bunch of Stuffed Animals!

But then...

Mascots: CUTIE BUTTKICKING!

The mascots smashed him all over in a brutal fight cloud! The penguins helped them.

Hoppip: Manaphy, you and Jirachi can have the Phantom after this!

Hoppip charged at the Phantom

She fired a Solar Beam and blasted him all over the place!

Manaphy and Jirachi blasted him.

Max: Jirachi I wish he would get hit with a bunch of anvils!

Jirachi: You got it Max!

He had a bunch of anvils bash Phantom!

Luan: That is one way to make you Coconuts! (LAUGHS) Get it?

WE LAUGHED!

Me: (LAUGHS) GOOD ONE!

Eddy: (LAUGHS) That was funny!

In a Supermarket, Poromon and Hoppip were hiding from Officer X. Officer X found Hoppip hiding behind some Kitkat.

Officer X: This hiding spot is not so sweet! (reveals Hoppip)

Hoppip: Sweet? That's what you're going for? (avoids X's hand)

Hoppip hid behind some fizzy soda but Officer X found him there too

Officer X: (reveals Hoppip) This spot is fizzed out!

Hoppip: Ok, that's a little better. (avoids X's hand)

Hoppip hid in a garbage can but Officer X kicked it down and revealed him.

Officer X: And that one was just garbage!

Hoppip: It's too much. Too much!

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and blasted him.

Shaw: Alright, Lorraine. Let's kiss this Pokemon and fish goodnight!

Nico: You name your gun Lorraine?!

Lori: Lincoln, if you would.

Lincoln fired ricocheting rainbow, white, golden yellow, and blue energy beams from his fingers and the planets orbiting his fingers like rings and ankles and they turned into paddles and they swatted Officer X, Phantom, Fifi, Shaw, and Sergio on their butts as they screamed in agonizing pain.

Eli: That'll teach you, you repulsive rat with wings!

Horsea squirted ink at them and blinded them.

Qin: Take that!

Camie: YEAH!

Me: Lets hit them hard with more funny gags.

Nico threw a bowling ball and it smashed into Shaw's face!

I put lobsters in their pants and then...

SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP!

THEY SCREAMED IN AGONY!

I pulled out my Wonder Ride Book.

Me: I haven't done this in a while. (Reads Verse) "The poor fool's luck was going downhill as a record flew in from out of nowhere and hit him square in the head."

A phonograph record flew in and then...

SMASH! SMASH SMASH SMASH!

It smashed into a thousand pieces when it hit them on their heads!

Qin: OOH! OUCH!

Eddy then put a record player next to them

Eddy: Listen to this.

Eddy then played THE MAN IN GAUZE!

THEY SCREAMED IN PAIN FROM THE HORRIBLE MUSIC!

Then the record flew out and bashed them on their heads!

CRASH CRASH CRASH CRASH!

Qin: OUCH!

We laughed hysterically!

Eddy put a bed near them and they landed on it and then...

BOING!

They got launched by a spring and then fell down and smashed into it and got entangled into the spring.

Nico: Nice!

Ed: I know where you're going with this Eddy. (Gets into the bed) Nighty night.

Eddy placed an ice cream cart near them and then it went at them and ran up a tree and then...

KRASMASH!

It smashed onto the Anti-Mascot 4.

Ed: Twisted Prince John in pain now. He'll have too call ya back.

WE LAUGHED!

Me: Sniff on this Vomitpooper!

I sprayed them with skunk juice from my armpits!

Me: Sorry Eddy but I did bring the next best thing. My stinky pits.

WE LAUGHED!

Qin: (LAUGHS) Yeah.

Eddy: (LAUGHS) That is true.

Eddy then placed a street light near them

And then...

KRABLANG!

It fell onto them.

Anti-Mascot 4: Ouch.

Eddy placed a concrete pipe near them and it rolled and crushed them.

Qin: Nice!

SEMI TRUCK HORN HONK!

Motormaster as A Semi Truck driven with Nico in him appeared and ran over them!

KRASMASH!

HONK HONK HONK!

Nico: 10 4 good buddy!

Me: Copy that Nico!

Motormaster: Always love doing that!

Eddy then walked over to a nearby tree and chopped it down and then...

Eddy: TIMBER!

The tree fell right on top of them!

CRASH!

Ed: Good morning tree!

Eddy went over to a nearby sandbox and threw a pail and bucket and then the Anti-Mascot 4 grabbed the bucket and then the sandbox fell on them.

CRASH!

Sand piled on them.

I whistled and then there was a rumble!

Anti-Mascot 4: HIPPOS!

They got trampled by a massive stampede of hippos!

Nico then got out Weather Wizard's Ridewatch and then activated it.

Then...

LOUD THUNDERCLAP! ZAAAAAAAAAAPPPPP!

They got struck by lightning!

Qin: OUCH!

I then snapped my fingers and then...

AIR WHISTLING!

And then...

SUPER MEGA KRASMASH!

A HUGE HOUSE CRASHED ONTO THEM!

They got mangled up bad!

Eddy: Better them than me!

WE LAUGHED HYSTERICALLY!

Then the Anti-Mascot 4 got REALLY PISSED!

Nico: And Shaw? I'll be taking your gun as our own!

Nico took it.

Shaw punched Nico in his stomach! But the punch didn't make him flinch and it broke all his bones in his arm.

Nico: That tickles.

Nico kicked him down.

Nico: Kinda weird that you would call it Lorraine though. But I'm not complaining

Me: Me neither.

Then Count Spankulot, Xigbar, SkullMeramon, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Killer Shrike and Shendu came.

Nico: Count Spankulot, Xigbar, SkullMeramon, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Killer Shrike and Shendu.

Xigbar: It's a good day to be a mascot, huh?

SkullMeramon: It sure is!

Trap Jaw: Especially after they killed the...abominations!

Me: You got that right.

Beast Man: (to Nico) We heard you killed a version of Himiko.

Nico: We sure did and we killed the Blood and Honey versions of Pooh and friends.

Poromon: LOOK AT IT!

Spankulot: (to Lucy) (Transylvanian Accent) You should take care of that Minior.

Lucy Heartfilia: I will.

?: Awesome.

A figure came and it was Giant Sea Creature from episode 2 of Operation Overdrive!

This monster emerged from the seas after it was called by Moltor to attack after losing Andrew to the Rangers. The Rangers summoned the DriveMax Zords for the first time and battled this creature. They had the upper hand and formed the DriveMax Megazord, which defeated the monster with the Overdrive Saber.

As a final ditch effort, Moltor activated the monster's self-destruct system to blow up the Megazord and it tried to take the Rangers down with it by grabbing on to the Megazord. However, the Rangers managed to have the DriveMax Megazord kick the monster away before it blew up.

Mack: Giant Sea Creature!

Giant Sea Creature: Been a while rangers!

Me: I remember you! You were the monster that battled the rangers zords for the first time and that was cool!

Giant Sea Creature: That's right. Good memory

Me: Also you didn't talk in the episode.

Giant Sea Creature: I know. But now I do.

Me: Yep.

Giant Sea Creature: And here's the next Hitotsuki.

Out came KABUTOKI! The Kamen Rider Kabuto Hitotsuki.

Kabutoki: Kabutoki, Kamen Rider Kabuto Hitotsuki.

Me: Whoa! This one is gonna be fast.

Nokama: Yeah no kidding!

Kabutoki: Yep I have intense speed.

Me: Whoa!

Nico: And you are?

He reverted back and it was MILES QUARITCH AS A NA'VI!

Me: WHOA!

Quaritch: Remember me J.D.?

Me: Wait? Quaritch!? You were turned into a Na'Vi!?

Quaritch: That's right. It's fitting for me too.

Me: In all honesty you look amazing as a Na'Vi. I didn't think they would be able to revive you as one.

Quaritch: I know. But I think it's cool for me.

Jake Sulley: I had a feeling you would come back one day.

Me: Except we aren't on Pandora.

Quaritch: That is a fact.

Me: I'm amazed. Quite an improvement if you ask me. Did Anti-Monitor do this?

Quaritch: No this was Dark Spicer. He decided to bring me back in this form.

Me: Very genius.

Nico: Just so you know, we're keeping an eye on you.

Quaritch: I know you are.

Me: If I were to guess you are still pissed about Jake and us defeating you.

Quaritch: That is a fact.

Me: Yes it is. But we should thank you Quaritch. If it weren't for you we wouldn't have brought Pandora and Earth together in terms of friendship.

Nico: That's right. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Lucy Heartfilia, Slinkman, X-Squad Bangray, Shelley Laurence, Thomas, Gordan, Kagura (Gintama), Twilight Sparkle, Stellar Sparkle, Starshine Sparkle, Magic Skylanders, Laxus Dreyar and Alan & Ann VS Count Spankulot, Lady Quark, Rugal Bernstein, Big Daddy Boo, Cave of Wonders Tiger God Head, Gluttony (Full Metal Alchemist), Count Nocturne and Prince of Vampires (Theme including Slinkman) - Nico's rescue on Chikyu

---

Count Spankulot was first.

Count Spankulot: (to Lucy) (Transylvanian Accent) Nico's rescue was on Chikyu. Did he face any people that were very bad?

Lucy Heartfilia: Oh we sure did! We battled a menacingly crazed version of Himiko Toga! She was Dr. Bloodsplash Crazy!

Slinkman: Her quirk got so badly unstable that it destroyed her sanity completely beyond all repair.

X-Squad Bangray: Yeah it was brutal! SHE WAS BEYOND MESSED UP IN THE HEAD!

Twilight Sparkle: The Hernandez Sisters made a really good call in using their powers to save Himiko from herself back then.

Stellar Sparkle: Yeah they sure did! This version of Himiko Toga from Nebula Bikini's world was beyond the point of reason.

Starshine Sparkle: We banished her to the Black Abyss.

Spyro: Yeah that was crazy!

Count Spankulot: Wow no kidding! And thank goodness the Hernandez Sisters did that to Himiko too back then. Who did you rescue there though?

Lucy Heartfilia: Her name is Melanie Ageha and she is the long lost princess of the Māmeidoagehachō Kingdom. They are mermaid warriors there and she is also the Sapphire Blue King Ohger for the Swallowtail Butterfly.

Count Spankulot: WOW! That is amazing! Glad you all saved her.

Lucy Heartfilia: And not just that but the Mascots killed the Blood and Honey versions of Pooh and friends!

Count Spankulot: Oh man! I knew it was a matter of time before they returned. I'm glad they destroyed them! Kudos to the mascots! Lets do it!

Xigbar was next.

Xigbar (to Erza): Nico, Spring Man's team, Splash Warfly's team, and the others did good battling Another Splash Warfly, Glaspinas, Meteosam, Skeletony, Raprad and Fourmore. They are the gene-slammers of Monstrous Bird, Fungi of The Musk, Silver Fang, The Pots of Greed, Sloth, Pride, Envy, Lust, Gluttony and Wrath, Maiden of the Aqua, Lunar Queen Elzaim, Eldeen and Yashinoki.

Erza: Yeah and it was amazing. We were shocked to hear and see that there were gene-slammers of Pot of Greed and all that. Also we had no idea there were pots OTHER than Greed. There was one for each of the Seven Deadly Sins.

Mirajane: That was really cool to see. Also we met a gene-slammer for Thundurus too and she was the older sister of Adagio Dazzle. She was looking for Adagio over the last 1,000 years to find her and destroy the curse that Opaline put on her. J.D. did some research on those magic jewels the Dazzlings had and discovered that the curse can be broken by shattering the jewels completely.

Xigbar: WOW! That is amazing!

Botan: (British Accent) It was amazing! J.D. freed them from Opaline's evil curse forever and destroyed their bindings to her.

Starlight Glimmer: After 1,000 years their curse was destroyed.

Moonlight Glimmer: They still retain their powers to absorb negative energy and get stronger from hate, but now they are pure.

Cozy Glow: Thank goodness for that.

Raven Bishop: Yeah that was crazy! J.D. destroyed those jewels just with one swipe of his sword.

Hex: It was amazing.

Xigbar: That is good that he freed them. Lets do it!

ERZA SCARLET! CRUSH CRAWFISH!

Erza: And here is my book.

It was called Erza Scarlet and the Swords of Magic Bane.

Roulette: And the Joker too!? OH MAN!

Trap Jaw: And Oogie Boogie's shadow too!? MAN THAT BIG MOUTH JERK JUST WON'T TAKE A HINT!

Dino Saber: I agree! Especially after how he sent Nico into that depression during the 20 Days of Darkness!

Michelangelo 2003: Yeah no kidding! The real deal isn't even on Chikyu thank goodness. But Nico and some of us sang a song like before.

Dawn: That is pretty much an iconic thing now these days with him. But it was cool battling Maleficent, Joker and Minongan Moth too! J.D. insulted her and said that Xehanort is dead and is not going to help her too. And she turned into an evil dragon and J.D, Sora, Gira and Kaito stabbed her through her black heart!

Trap Jaw: WHOA! How did the Joker die?

Zoey: Batman, Racules and Stacey took turns pulverizing him like in the Robot Chicken Sketch where he was sent to death row and then in a huge twist of irony, J.D. use a flag gun gag from the Joker and skewered him through his black heart and banished him to the Warp!

Trap Jaw: WHOA! At least it wasn't from someone fucked up by the Joker!

Georgina: Yeah it's the first time we fought him since we faced him at the Sea Temple and that was fun. But the rest we faced before too. And it was crazy.

Dinobot: But we are very confident that we can make sure that they will be brought to just like a certain rodent that needs to learn some manners.

Rattrap: (Offscreen) HEY SHUT UP LEATHERLIPS!

Me: YEAH!

Nico: Awesome!

Lincoln threw them in a portal that led to Officer X back to The Saturn Insane Asylum's Supermax Solitary Confinement Wing and Phantom, Fifi, and Shaw back to The Uranus Prison's Supermax Solitary Confinement Wing where they're chained back to the walls of their doorless windowless cells with Neutronium Chains lined with rainbow energy.

Officer X: When I get out of here...

Phantom: Oh, shut your trap, landlubber.

Fifi: I was so close to killing those wilds!

Shaw: The least they can do is put us in seperate cells.

Poromon and the other mascots laughed before leaving them there.

We laughed too.

Me: Enjoy your stay in the nuthouse bin.

Qin: Good riddance.

We cheered as we holstered our weapons and powered down.

Poliwag: That's it for The Anti-Mascot Four.

Unicorn: Later, Loser X!

Hsi Wu: And your buddies too!

Mummy: Poromon, we're very proud of you guys.

Killer Shrike: We sure are.

Shendu: This calls for a celebration!

Me: Not yet. We have one last thing to do.

We then turned to Sergio who was now in a shit ton of trouble.

Poromon: And now, we turn our attention to the repulsive rat with wings who broke those four out.

Sergio: (GROWLS) YOU ALL RUINED ME! YOU RUINED MY REVENGE! YOU RUINED THE SERGIO!

POW!

POROMON PUNCHED SERGIO IN THE FACE AND GAVE HIM THE BLACK EYE!

Poromon: Shut up already! After what you did, you realize what you did was absolutely crossing a severe line, Sergio! You busted Officer X, Phantom, Fifi, and Shaw out of prison, you tried to kill us with a very massive army of grunts that the Power Rangers have had to deal with, and on top of that, you also showed you wanted revenge on us once again for ruining your party animal reputation and lifestyle! You really haven't changed at all!

Lincoln: Now, you've left us no other choice! Guardian Angels, Operation: Party Bird Punishment is a go!

Sergio: (GULPS)

Suddenly, Lincoln and his Guardian Angels got out 666 bottles of the hottest hot sauce, spicy fireball tamales, and tons of the spiciest Mexican food ever!

MY GEIGER METER WENT THROUGH THE ROOF!

Me: WHOA!

Then, they began force feeding the spicy fireball tamales and tons of spicy Mexican food to Sergio and they forced him to drink the 666 bottles of the hottest hot sauce. AND THEN...!

KABOOM!

A MASSIVE EXPLOSION ERUPTED AND SERGIO SCREAMED AS FIRE CAME BLASTING RIGHT OUT OF HIS BEAK AND RIGHT OUT OF HIS BUTT AND WE ABSORBED THE FLAMES AND THAT MADE US EVEN STRONGER THAN EVER! AND

WORSE THAN THAT, SERGIO'S FEATHERS FELL OFF OF HIM!

Nicole: Yeesh! I never knew that could happen!

WE WERE LAUGHING OUR BUTTS OFF!

Poromon: That was really awesome. Now, it's our turn, and you've had this coming for a long time, Sergio.

The Mascots got out 666 Chanclas and a rolled up newspaper, and then...!

THE MASCOTS SWATTED SERGIO REAL HARD ON THE BUTT WITH THE 666 CHANCLAS, AND THEN, POROMON TOOK THE ROLLED-UP NEWSPAPER, AND...!

BANG!

POROMON SWATTED SERGIO IN THE FACE WITH IT AND SENT HIM FLYING INTO A GUILDED CAGE TRAP LINCOLN SUMMONED AND SERGIO ALSO GOT TIED UP IN A RAINBOW ENERGY STRAITJACKET AND WE ALSO PUT A MUZZLE ON HIS BEAK!

Nico: Sergio Casagrande, for the crimes of treason against us and the world, You are hereby kicked out of the team forever and condemned to eternal exile and imprisonment in the Moon Prison!

Sergio gasped!

He was locked up in the Moon Prison in a special cell forever!

Lincoln: Serves you right, Sergio. Maybe, next time, you'll think twice about messing with us.

Nico: If there is a next time.

Me: That'll teach him!

Lincoln: You got that right. Now, there's one last thing to do and one last loose end to tie up: Abraxas.

?: You will all pay for what you did in killing me, Team Loud Phoenix Storm!

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Abraxas.

A figure came out, and it was none other than Abraxas.

Kali Timestream: Abraxas, I should've known you'd show up here once again, and this time, it was due to the dark magic of Morgana Midnight Sparkle!

Abraxas: And I will have my revenge on you for not only stealing my chance to kill Galactus, but also, for ruining my plan to destroy all universes!

Jenny Kuradoberi: There's no way in Hell am I going to allow that, and I will make sure of that!

Lincoln, Jenny Kuradoberi, Nico, and I went after Abraxas, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, ice blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Abraxas, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive

greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Jenny Kuradoberi did the same by firing ice blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Jenny Kuradoberi, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Abraxas even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Abraxas, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Abraxas.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Abraxas' stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Abraxas hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Abraxas was now on his last legs and he was really really mangled.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Abraxas' chest, and he began absorbing him, and he and all of us assimilated

Abraxas' Vast cosmic powers, Immortality, Immense strength, and Universal knowledge, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Abraxas except for his toga, and he drained his soul of energy, and he sent him to The Black Abyss.

We cheered wildly as we holstered our weapons and powered down and Jenny Kuradoberi's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large ice blue planets orbiting around her legs and twenty five smaller ice blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized ice blue planets orbiting around her wrists and ankles, eleven massive and long brown wolf tails, and massive brown angel wings and nine sets of large brown angel wings underneath her massive brown angel wings are permanent.

Jenny Kuradoberi: This is the price that you must pay for all of your crimes, you genocidal monster! Thanks for helping me take down Abraxas, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Jenny.

Me and Nico: Our pleasure, Jenny.

Suddenly, Jenny Kuradoberi wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Jenny Kuradoberi's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and The Ice Barrier Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Jenny Kuradoberi sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Abraxas. (Suddenly felt something) Wait, I'm feeling something happening.

Suddenly, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of

205'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 185'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 165'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 145'0" and the another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 125'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 105'0" and and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 85'0", and and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 65'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 45'0 and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 25'0", and the shoulder blades of his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings now have four sets of eyes with rainbow iris and his large brown wolf ears on his head and eleven massive and long brown wolf tails grew a bit larger and longer.

Me: Whoa, what the?!

Nico: This must've been from after you absorbed Abraxas, but this is also a future precursor to what'll happen on your big day.

Lincoln: Looks like it.

Me: But, still, that's awesome. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Fairy flying in the skies and it left a wave of magic across the skies.

Selene Arcangela: (GASPS) The Fairy...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Fiona Fairy, Avatar of The Fairy.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Fiona Fairy, Avatar of The Fairy, is Lincoln's Guardian Angel and she's known as The Magic Fairy Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Fiona is a powerful master of the powers of light, magic, and the Fairies, and she's also known for her mastery of light and magic. She lived during an age of light and she was said to be born in a fairy kingdom where she's the ruler and she's also the Guardian of The Secrets of The Fairies, and over time, as she grew, she gained all of the incredible strengths and powers of the Fairies along with immortality and she also mastered the powers of light, magic, and The Fairies, and she'd fought against the most despicable humans and protected her people, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of light, magic, and the powers of The Fairies, and he also gained all of the incredible strengths and powers of the Fairies, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Fairies and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Fiona kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would banish them to a land full of beasts and monsters.

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: Banished to The Land of Beasts, and I remember that place all too well.

Hsi Wu: He had it coming. It was only a matter of time.

Nico: Good riddance. But great job today everyone. But this day belongs to the Mascots. They deserve most of the credit.

Poromon: Thanks Nico! This was fun! Beer for everyone!

We laughed!

Poromon: Just kidding. (To the viewers) NEVER MESS WITH THE MASCOTS! US!

Me: That is for sure!

We went and enjoyed New York Pizza.

We returned home, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Cage Blunt: And now, tomorrow's the big day for Izzy and her team, though I don't know who's the next of Anti-Monitor's minions we're gonna face.

We then got ready for bed.

Meanwhile in Japan, Kengo and the Ultraman Decker Team was getting ready for our arrival.

Kengo: I'm ready to take down Mother Sphere. Lets do it! DECKER!

He turned into Ultraman Decker and went at the screen and it froze!

Alright, and for tomorrow, the match-up is for Izzy Moonbow and her team as they destroy the next of Anti-Monitor's minions.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Syria, and we're going to destroy the Graveyard Fire terrorist group along with its founder and leader and he's another of my enemies and Lincoln's enemies, his name name is Duncan Bloodthorne, he was the worst of the worst. Back in your OC's high school days in Colorado, he terrorized all of the students and teachers and even killed some of them, he was absolutely devoid of humanity and absolutely heartless and ruthless to anyone who got in his way. His parents caused him to spiral down that road, and he sought to destroy the lives of everyone around him and he also sought to destroy the world because that's all he ever cares about: causing chaos and absolute destruction to anyone who crosses his path, and five weeks before your OC moved to Royal Woods, Michigan, your OC stopped Duncan from blowing up Washington DC and killing the president and he threw him to the cops who arrested him and because of what he did, he was found guilty and sentenced to death. But, before his death sentence could be carried out, he caused a riot in a prison in Denver and escaped from there, and he fled to Royal Woods where he still continued to cause havoc, and he began to gather tons of followers to help him in his wanton desire to bring death and destruction to the world and kill the entire human race, thus Graveyard Fire was born, and according to the intel Lincoln's Guardian Angels gathered on them seven years ago, apparently, Duncan Bloodthorne gathered 666,666,666,666,666,666,666,666,666,666,666,666,666 men for his insane twisted plan to bring death and destruction to the world, thus Graveyard Fire was born.

But, a week before you moved to Royal Woods, Duncan Bloodthorne was about to launch his attack, but Lincoln's Guardian Angels and Lincoln defeated and took down Duncan Bloodthorne, but before the cops could finally re-arrest him, he and the entire Graveyard Fire group fled Royal Woods, and he and his entire group have been hiding in an abandoned building far from Syria, and that's where the whole Graveyard Fire group is located at and stationed their operations, but you got to watch it, their numbers have grown since he established their group seven years ago, and Duncan murdered his parents years ago when he reached eighteen, and they tried to piss him off by trying to sell him off to a drug dealer, but he killed them and the drug dealers, and they were found the next day with their throats slit and shot in the head. In other words, this guy is absolutely dangerous to the core, so we really really need to watch it with him.

But, we're going to end that piece of shit once and for all along with the majority of Graveyard Fire, but there will still be remnants of that group with Paul, Wertz, and Kurata, but when we go to kill them once and for all in the future, we'll make sure they stay gone forever, and we're going to meet the next of the Avatar of The Mythical Beasts, her name is Fiona Fairy, Avatar of The Fairy, she's Lincoln's Guardian Angel and she's known as The Magic Fairy Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. ULTRAMAN DECKER FURY POWER

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE AWESOME

This is for Ultraman Decker

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, but his dream wasn't good at all, in fact, it was a premonition to what's going to happen tomorrow: apparently, his dream took him to the foothills of The Carpathian Mountains, and as he was flying, he saw something on the ground: it was a rainbow version of The Seal of Harmony, but it's also the magical seal he and The Daydream Princesses had put after they'd defeated The Midnight Princesses in Royal Woods seven years ago, and he saw it cracking and dark energy was flowing out, and it was a sign that Morgana and her minions are going to escape. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Catherine Fontaine: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream: Morgana Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer going to escape!

Maria Nightingale: And there's no doubt they're not going to ally with Elise Elexton and Dark Gale, they want to destroy us themselves.

Elena Elexton: Elise is already a dangerous threat to the world, but

The Midnight Princesses are a big dangerous threat on the level of Queen Opaline of our world, but it doesn't matter, both of them must be destroyed once and for all.

Lincoln: I agree on that one, Elena.

Girl Jordan: We've got to tell everyone about this first thing tomorrow, Lincoln.

Lincoln: Right, Girl Jordan. We better brace ourselves for tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you and it's not good: last night, my dream took me to the foothills of The Carpathian Mountains, and as I was flying, I saw something on the ground: it was a rainbow version of The Seal of Harmony, but it's also the magical seal The Daydream Princesses and I had put after we'd defeated The Midnight Princesses seven years ago, and I saw it cracking and dark energy was flowing out, and it was a sign that Morgana and her minions are going to escape.

WE GASPED!

Me: Oh man!

Nico: They're finally going to show up and in the same manner as The Chernabog Sisters. But, we'll be ready for them and Dark Gale tomorrow.

Lincoln: That's right, but we also got to be ready for a sudden surge of Morgana's resurrected minions once the seal is broken.

Eli: This is going to get messy.

Lincoln: I know, but we've dealt with them before, we'll do so again, this time however, we'll make sure The Midnight Princesses stay gone forever. Oh, and just in case, I got this list made.

Lincoln got out a list and it details which one of The Daydream Princesses are going to take down one of The Midnight Princesses.

Me: Nice one.

Maria Nightingale: So, the one that we're going to face tomorrow on the day of The Ridonculous Race is Gina Midnight Glimmer, I knew it would be her.

Lincoln: Yep, we'll start with Gina first and work our way to the top: the top being the insane Morgana Midnight Sparkle.

Me: In the same way you did with The Chernabog Sisters and The Order of The Black Cross and many other dark organizations.

Lincoln: That's right.

Nico: We'll make absolutely sure Morgana and her minions pay for all of their crimes once and for all.

Melanie Harmonia: That's right, but we got to watch it with them, they're not only powerful, but they are full-blown insane and monstrous, and they've got nothing to lose in their desire to destroy the world, they're just as evil as Queen Opaline.

Me: And Grogar as well.

Lincoln: But, there is a difference: Queen Opaline wanted all the magic and power for herself, but The Midnight Princesses wanted to destroy the world, but they're both irredeemably evil to the core and the only thing awaiting them was death.

Opaline Arcana: What your world's version of myself was about to do was truly evil, and she had to die, and The Midnight Princesses also have to suffer the same fate as well.

Nico: I agree completely.

Me: You said it.

Suddenly, the door slammed open, and we saw Sebastian, and boy, was he mega pissed off.

Lincoln: Oh, speak of The Devil.

Sebastian Mendez: Who...leaked my file to every last person in the world?!

We then took a look, and what he said was true: someone leaked Sebastian's crime file to the world, but the results were that no one gave a shit about his past crimes.

Sergio: (From his Prison Cell) Rrawk! I can't believe it!

Lincoln: Sergio, what the Hell?! You were the one who...?! (GROWLS)

Sebastian Mendez: I'm going to kill you for this, you don't deserve to live ever again!

But, before Sebastian could, Lincoln trapped him in a globe of red rose energy.

Lincoln: Nice try, Sebastian.

Ronnie Anne: Seriously, Sergio, you never learn, do you? (Sighs) This is why you got your butt swatted many times by the Mascots yesterday and why we gave you that hot food treatment and Lincoln clobbered you.

Bobby: Seriously, you really are repulsive!

Mariposa Santiago: Even after all that, you never learn your lesson and still continue to cause trouble wherever you go and continue to make things hard for us. This is exactly why Paco cut all ties with you after the trials for your crimes.

Paco: (Spanish Accent) Exactly.

Pamela Nicholas fired a blast of lightning and electrocuted Sergio.

Pamela Nicholas: That's what you get, you rat with wings!

Sergio: Ow!

Nico: You reap what you sow, Sergio.

Lincoln: It's clear to us that you weren't going to change at all, you're still the biggest troublemaker ever and you never stop causing trouble wherever you go. Let's finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Linka woke up to see Regisky staring at her

Regisky: Morning Linka. Time for breakfast.

Linka: Oh boy! Cajun Sausage Omelette Day.

ZOOM!

She went and got dressed and went to the table and had a lot omelettes.

Nico: Whoa you sure are hungry Linka.

Izzy Moonbow: She must be excited for our big day today!

Qin: She sure is Izzy.

She ate a lot of omelettes and her mouth was on fire but loved it.

Later it was time for the rescue. We're going to resurrect Cadance from Sunny's world and bring back the Crystal Empire.

Me: The Crystal Empire was destroyed completely because of Opaline.

Izzy Moonbow: I know. It's horrible.

Camie: But we're going to make sure that damage is gonna be undone.

Lola: That is for sure.

Lana: Yeah I'll say!

Nico: Spark Man, I want to thank you, Neon Tiger, and your teams for coming

Spark Man: No problem Nico. This is gonna be most electrifying!

Me: And awesome.

Thunderbolt: A Storm is Coming! A Storm of Good!

Qin: Yeah!

Nico: Thunderbolt, what do you like to do in your free time?

Thunderbolt: Never really gave it much thought. I've been so busy protecting Skylands that it never came to me.

Me: That's okay Thunderbolt. You'll think of something.

Thunderbolt: Well if I want to be anything I want to be a meteorologist and watch the weather.

Camie: That's always a good job.

Nico: That's actually a good idea.

Thunderbolt: Thanks Nico. I think so too.

Qin: Yeah.

Lola: Wow! Yesterday was REALLY EVENTFUL!

Maria: The Mascots REALLY Dominated the whole day!

Me: They killed the Blood and Honey versions of Pooh and Friends and brought down Officer X, Shaw, Fifi and Phantom! Wow!

Lola: And we banished that repulsive rat with wings Sergio!

Kevin Levin: There are 2 things you don't scratch in front of me. My car and Mevya!

Me: You got that right Kevin. That car is very important to you. Same with Mevya.

Xenia: Agreed.

Me: May you should be very proud of Manaphy and the mascots.

May: I am! Boy That was awesome!

Nico: It sure was!

Me: Nico you proud of Poromon and Poliwag and Hippowdon for their day?

Nico: Yep. I just hope they don't have nightmares

Me: Me too. But Ino will help them out if they do.

Eddy: And I'll give them jawbreakers when they are cured.

Me: Good for you Eddy.

Ace: Wow! Yesterday was so fun guys. I hope Rosa is not upset that Sergio is gone.

Me: Nah. Rosa and the Casagrandes were glad to see him leave. They've had him for... I don't know how long exactly. Parrots can live as long as humans can. They can live up to 100 years old. Which is very impressive for birds.

Ace: That is very interesting.

Lola: Yeah!

Eddy: I still think we should've kicked him out in the wild

Me: Nah he wouldn't survive a week out there. And I wasn't up to making a wager or bet.

Eli: I would have banished him into space.

Me: Nah. He wouldn't last even 10 seconds out there. So I went with the Moon Prison. Hopefully he'll learn his lesson there.

Maria: Seriously, Horsea, did the whole thing give you nightmares?

Horsea: No way! I am glad we can now rest easy now that Officer X and his goons are locked up behind bars.

Manaphy: And that Sergio is in prison.

Poromon: Good riddance!

Me: Yep. Whew! But Poromon, you and the mascots deserve most of the credit yesterday.

Lola: Yeah!

Laney: I agree.

Poromon: Thanks J.D.

Poliwag: That was so fun.

Eddy: Ok. Then you won't mind if we do a little test to see if you're not scared?

Poromon: Bring it on!

He showed pictures. First a flower.

Mascots: A flower.

Next a fish.

Mascots: A Fish.

Next a vampire.

Mascots: A vampire.

Next a ghost.

Mascots: A ghost.

Next was Red Guy's butt.

Mascots: That's Red Guy's Butt.

Eddy: Whoops. How did that get in there?

Eddy then showed pictures of Officer X, Shaw, Fifi and Phantom

Elliot: Boogey boogey boogey!

Poromon: Nice try.

Poliwag: They don't scare us.

Manaphy: Nope.

Horsea: No they don't.

Then he showed the Haunted Car, Were-Poromon and other horrors.

They weren't scared at all.

Me: WHOA! They really conquered their fears.

Nico: Yep they sure did. Oh we're here.

We gasped!

WE SAW RUINS OF THE CRYSTAL EMPIRE DESTROYED! Everything was covered in moss and had trees and grass.

Me: Oh my god.

SOMBER VIOLIN MUSIC PLAYS

Flurry Heart (G5): (Crying) My home!

She broke down crying and Twilight comforted her.

Me: Opaline really sent this entire empire to Hell

Nico: We need to fix this.

Me: Question is how?

Then my sword started reacting to something.

Me: Whoa.

I unsheathed my sword.

We felt the light from the blade and went into the ruins of the palace of the Crystal Empire.

Me: It's getting stronger.

Nico: Whoa! Lets see here.

We got to the middle of the palace. Then I saw something in the floor.

Me: What's this?

I brushed the moss off and saw a slot.

Me: Looks like some kind of slot.

I brushed off more and it was an inscription.

Me: It's an inscription. (Reading) "The Sword of Harmony and Love can bring the Empire Back from doom, insert the sword in here to save the Empire and restore it from Gloom."

Nico: Go for it. You heard what it says.

Me: Here we go.

I spun the sword and then inserted the sword and then the sword glowed and then a massive flash of light blasted out and a MASSIVE BLAST OF ENERGY SURGED ALL OVER THE PLACE! THE MOSS AND GRASS AND PLANTS BLEW OUT FROM ALL OVER!

Laney: WHOA!

Then we saw an amazing sight unfold! We saw ALL THE EMPIRE REBUILD ITSELF! IT WAS REPAIRING AND REBUILDING!

Nico: WHOA! THIS IS INCREDIBLE!

EVERYTHING WAS BEING RESTORED! THEN THE PALACE RESTORED AND THEN THE HEART AND THE STATUES OF ME AND SPIKE! THEN THE PONIES OF THE CRYSTAL EMPIRE CAME BACK TO LIFE! THEN WE SAW CADANCE OF SUNNY'S WORLD COME BACK!

Cadance (G5): Whoa what?

Me: WHOA!

Nico: IT WORKED!

Xenia: WOW!

The Crystal Empire was FULLY RESTORED!

Nico: WOW! THIS IS AMAZING!

The sword was released!

Me: Cadance! You're back!

Flurry Heart hugged her mom!

Flurry Heart (G5): MOM! You're back!

Cadance (G5): Oh Flurry!

Me: Cadance it's great to have you back.

Cadance (G5): J.D., Everyone, Everypony? You're all here!

Blossom Z: Hi, Cadence!

Cadance (G5): Blossom! Good to see you! What happened?

Me: You were killed by Opaline. Really ugly story. You were dead for over 1,000 years.

I told her everything that happened and more and it was shocking!

Cadance (G5): (GASP) Oh man! So Opaline was behind it all!?

Me: Yep.

Malachite Arcana: But my sister is on the road to redemption because of me. It's a long story.

Nico: We'll tell it to you later.

Cadance (G5): Well we owe you again. J.D. you too. You saved us all from 1,000 years of death. We thank you Oh J.D. the Light and Glorious Hero.

Me: Aw shucks.

Nico: (LAUGHS) Don't give him a swollen head.

Me: I had no idea I had a title like that.

Spike the Dragon: Just like me as Spike the Brave and Glorious.

Me: That is true. But I do all this just out of the goodness of my heart and to keep everyone safe.

Camie: Yep.

Nico: Now for some fun!

Me: Yep.

We went to Neo Phoenix Land

We arrived in Neo Phoenix Land.

Me: Here we are.

Camie: Always love coming to Neo Phoenix Land.

Qin: Same here.

Lola: So cool!

Poromon: Now we can go on the roller coaster without supervision.

Me: That's what you said you were going to do.

We went to the roller coaster! We were at THE CARDIAC ARREST!

Me: There it is guys! THE CARDIAC ARREST!

THUNDER AND LIGHTNING CRASHES!

Nico: HOLY SHIT!

We saw how fast it went! It went really fast on a track that looks like a heart monitor line! Then it dropped a bunch of dead people into funeral hearses.

Nico: (GULPS)

Qin: HOLY CRAP!

Me: I know. Scary huh?

Nico: It was nice knowing you guys

Me: Cross your fingers guys.

We did so.

The mascots got into the cars.

Please Remain Seated and Keep Your Arms and Legs Inside at All Times.

Lawyer: Now if you can just sign this waiver absolving Neo Phoenix Land of any death lawsuits against it in the near and foreseeable future. Nice knowing you.

They signed it.

Poromon: Here we go!

Then the Roller Coaster started!

ZOOM!

THEY SCREAMED AND WHOOPED AND HOLLERED AS THEY WENT FAST WITH MACH 1 SPEED ON THE TRACK!

Me: WHOA! THAT IS FAST!

ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM!

Nico: WOW!

They stopped and got out AND CHEERED WILDLY!

Me: WHOA!

Nico: They're okay!

Me: WOW!

Poromon: THAT WAS SO FUN!

Me: You guys sure survived that! Wow!

Lola: You sure did!

Camie: Wow! That was awesome guys!

Me: At least you guys didn't lose your spines!

Poliwag: That is for sure!

Nico: Yeah that would hurt!

Lily: That would not feel good.

Camie: Wait you guys lost your spines before?

Me: Before this we had a roller coaster named after the Fiery Fist O' Pain at Glove World and it caused Spine Loss. Your spines would fall out.

Lisa Loud: Indeed. We had to surgically reinsert it back into a few people.

Lincoln: Yeah it was crazy.

Camie: Ouch!

Nico: Are you sure they didn't lose their spines?

They looked themselves over.

Poromon: Nope we're good.

Manaphy: Whew! Thank goodness!

Horsea: Yeah.

Nico: Thank God!

Me: Yeah.

Rainbow Dash: Thank goodness that didn't happen to me.

Lincoln: I know.

Qin: Yeah.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Neo Phoenix Land, but here's the really bad news: it appears our old enemy, Madison Storm, has come back from the dead once again, and he still out for revenge for everything you did to him, J.D., and he's going to really try and kill you.

WE GASPED!

Me: What the fuck?! That shithead bringer of fear's back once more?!

Nico: You've got to be fucking kidding me! I thought we were done with him forever!

Lincoln: He's not going to learn that easily.

Me: Figures. Well, this time for me, it's personal. I'm going to make absolutely sure that Madison Storm dies here and now, and this time, he's never coming back.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected that insane psychopath, Jack Delenney, and sent him after us, and if that's not bad enough, she's also resurrected the other members of The Knights of Royal Woods' Eternal Destruction and sent them after us too.

Lincoln: You have got to be kidding me! Morgana, you little...!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected my old enemy and Joan's ex-brother turned insane vengeance-crazed psychopath, Jack Delenney, and sent him after us, and if that's not bad enough, she's also resurrected the other members of The Knights of Michigan's Eternal Destruction and sent them after us too.

Me: WHAT THE FUCK!?

Nico: SAY WHAT?!

Nico opened his mouth so wide, his skeleton came out.

Qin: I thought we were done with that insane psycho.

Nico put his skeleton back in.

Nico: I hate when that happens. Lincoln, I hope you and The Knights of The Michigan Table destroy them.

Lincoln: Oh, believe me, I'm going to make sure of that, Nico.

Ed Cowart: Thank goodness all of us are here in full force.

Lori: I literally thought we were done with Madison Storm, but I was wrong, and to also find out that insane witch has brought Jack Delenney back along with his whole group, The Knights of Michigan's Eternal Destruction, she's really crossed a serious line.

Lincoln: But, that ends here and now, Lori. I'm getting rid of Jack and his group once and for all, and they are never coming back.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms,

and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're

even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Madison Storm) AHA! There you are, you deranged psycho! I just spotted Madison Storm, he's 20 yards away and he's really coming after J.D. (Sensed Jack Delenney and The Knights of Michigan's Eternal Destruction) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Megan heard a Pokémon cry

Megan: Look here.

We saw an Honedge.

Me: Cool an Honedge. That's perfect for you Megan since you are the Ambassador of the Saber Riders.

Megan: It sure is.

Honedge: That is cool.

Megan: Are you hungry?

Honedge: I sure am.

She gave it apples.

Honedge: Thank you.

She ate them.

Megan: Wanna come with us?

Honedge: Sure!

She wrapped her arm around Megan's waist and turned into a cool sword for Megan.

Megan: Wow! I didn't know you could do that.

Honedge: I am a sword Pokemon. I function as both a Pokemon and a weapon.

Nico: Very cool.

But then...

KRABLAM!

I got hit on the head with a big rock!

Me: OUCH!

I got hit REALLY HARD!

Me: (Groans) Okay that really hurt!

Nico: Who did that?!

Me: YEAH WHO IS THE WISEASS!?

Eli: I think that one!

We saw a Landorus!

Me: WHOA! Landorus!

Lola: GEEZ!

Qin: Boy that one hit you hard!

Me: HIT ME ON THE HEAD WITH A ROCK WILL YOU?!

Nico: What's that doing here?

Me: I think I know.

Sonata Dusk: Same here.

Sonata used her Telepathy and gasped!

Sonata Dusk: That's Opera Dawn! She's my sister!

Me: Oh man! Lets go!

We went to face her.

Sonata Dusk: Opera it's me Sonata!

All she did was use Sandsear Storm

We dodged it.

Me: Whoa! This is a powerful one.

Sonata Dusk: No kidding.

Me: Lets go!

Me and Sonata fired waves of lightning and energy and blasted her all over.

Sonata Dusk: Boy she is strong.

Me: So are we.

We fired waves of energy and blasted her. Then I snapped my fingers and she reverted back and was a girl with orange hair, purple eyes, orange angel wings and had Landorus in the middle of her forehead and had an orange and green version of Sonata's cutie mark on her arm.

I wrapped her in a blanket and we brought her over to a bench.

Me: Whew!

I healed my wound.

She woke up.

Opera Dawn: (Groans) What hit me? (Sees Sonata) Sonata? (GASP) Sonata! You're okay!

She hugged her.

Sonata Dusk: I am too.

Opera Dawn: I thought I would never see you again. And those jewels are gone.

Me: Yes they are. Thanks to me. Also you hit me on the head with a boulder.

Opera Dawn: Oh man! I'm sorry.

Me: It's okay. But it was because you were turned into a Landorus by Dark Gale.

Opera Dawn: I remember!

Opera was in an orange suit and strapped to a table and then injected. She turned into a dust cloud and turned into Landorus and flew out of the lair.

FLASHBACK ENDS

Opera Dawn: That was awful.

Me: I know but we'll kill Dark Gale Soon. We start the Ridonculous Race tomorrow. My grand plan is complete.

Nico: Awesome. So we're ready to go.

Me: Yep.

Nico: Your role in Sonya's team?

Opera Dawn: I am the Weather Mage of the team and I use dust storms, earthquakes and avalanches to destroy our enemies. Also I am the Taco Chef of the team and I make amazing tacos.

Sonata Dusk: Opera is also the one that got me to loving tacos. She taught me how to make tacos too.

Me: Cool!

Opera Dawn: Yeah and outside the team I work at a taco restaurant and fight crime with my powers.

Me: Cool!

Nico: Your sis loves tacos.

Me: She can't get enough of them. She practically raids every taco shop in the city of them.

We laughed!

Qin: (LAUGHS) Yeah.

Sonata Dusk: What can I say? I just love tacos. Every Taco Tuesday I even go to Lincoln's School for some fun.

Homer: (LAUGHS) Yeah she, myself, Lenny and Carl go to the cafeteria for it too. (SEASON 25 EPISODE 12)

Nico: (LAUGHS) That is funny.

Horsea: Really?

Me: Really.

Nico: Yeah it's true.

Lincoln: She can't help it. She loves Tacos so much.

Qin: Yep.

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her amazing brown and orange clothes and an earth sword.

Opera Dawn: I look great.

Me: You sure do.

Nico: Now to go after Storm.

Maria: Where could he be?

Me: (Sniffs) I think I know. I can smell his stench from here.

We then took off into the air and we set out to destroy Madison Storm and send him along with Jack Delenney and The Knights of Michigan's Eternal Destruction to The Black Abyss forever.

We were flying in the air, and we spotted our target: Madison Storm, and he was REALLY AND I MEAN REALLY OUT FOR MY BLOOD!

Lincoln: Yikes, he's really pissed at you, J.D.!

Lincoln fired waves of rainbow, white, golden yellow, and blue energy from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings and they hit Madison Storm and that pissed him off badly as soon as we landed, and when he saw me again, he ran at me with a knife, but I blasted him with an energy blast and sent him flying into a brick wall that formed, and he got back out, but boy, was he even more pissed!

He came at me and I punched him in his face and knocked him down.

Me: You've got some nerve coming back, Madison Storm!

Nico: And from the looks of it, he's just as dangerous and insane as ever.

Lincoln: There is no way we're letting you live once again, you psycho.

Lincoln: Time to give you a taste of your own medicine. BLOODY MASSACRE OF THE HARVESTER!

Lincoln fired a massive wave of darkness and blood, and it formed into The Harvester, who proceeded to slash Madison Storm with his sickle and left really bleeding scars on him.

Me: Whoa, nice one!

Lincoln: I'm just getting started, here's another one. BLOODY RAMPAGE OF MICHAEL MYERS!

Lincoln fired another wave of darkness and blood, and it formed into Michael Myers, who proceeded to stab Madison Storm in the arms and legs with his kitchen knife and Lincoln then blasted his own creation and dispatched it.

Nico: Now, that one was really awesome!

Lincoln: Now, for a little haunting terror. STORM OF THE WAILING SOULS OF THE DAMNED!

Lincoln swung his massive greatsword and fired a wave of darkness and damned souls who went at Madison Storm and they proceeded to tear into him and he was really bleeding like crazy as they all wailed and screamed in agonizing torment at him.

Me: Wow. That was pretty creepy.

Lincoln: He deserved it.

POW!

I punched him in his face and kicked him.

Madison went at me and punched and kicked more at me and I dodged his strikes.

Madison Storm: You scared motherfucker? Well you should be. Because this fucked up mad scientist is going to kick your ugly fucking ass!

Me: I eat fucked up mad scientists like you for breakfast and right now I'm (PUNCHES HIM) REALLY HUNGRY!

I kicked him in his crotch and punched him!

I punched him!

POW!

I knocked him to the ground and he got up and went at me and then...

KROW!

I kicked him in his face!

I sent him crashing into a wall!

He got up and I punched him.

He had blood dripping from his mouth.

Madison Storm: FUCK YOU ASSHOLE!

Nico: Nice one!

Me: Come on you motherfucker! LETS PARTY!

Madison Storm: I WILL KILL YOU!

I punched him and kicked him and I flipped him and kicked him in his face!

Lucy Heartfilia charged at him And kicked him hard in the face and punched him hard!

Me: Nice one Lucy!

He punched at Lucy and she dodged his punch!

Me: Hey! Hasn't your mother taught you never to hit a girl!? Don't you have any chivalry?

I grabbed him and then punched him in his face over and over and over.

POW POW POW POW POW POW POW POW POW!

MORE BLOOD POURED OUT OF HIS MOUTH!

Lincoln: And Jack Delenney, you and the other Knights of Michigan's Destruction better get out here, there's absolutely no use in trying to ambush us!

We then saw our secondary targets: Jack Delenney, Joan's former little brother and Lincoln's hated enemy who turned into an absolute insane psychopath in his desire for revenge, along with many other males and the other members of The Knights of Michigan's Destruction: Marcus Artorgius, Simon Lancelot, James Bors, Mark Tristan, Morgan Mordred, Kevin Chevalierflamboyant, Nathan Viviane, George Gawain, Gabriel Galahad, Peter Percival, Adrian Agravain, Gavin Gaheris, Gregory Gareth, Hank De Maris, Ben Bedivere, Parson Pellinore, Carter Constantine, Gabe Guinevere, Ian Iseult, Morgan Le Fay, Michael Merlin, Aaron Astolfo, Mason Maugris, Oliver Ogier, Orion Olivier, Roland Renaud, and Ryan

Roland.

Melanie Artorgius: I should've known all of you would be back: our order's worst enemies and the absolute disgraces of our ancestors.

Marcus Artorgius: You all ruined our chances to destroy Royal Woods long ago, sister!

Jack Delenney: And now, now we will destroy you all along with Lincoln and all of Michigan shall cease to exist! (LAUGHING LIKE AN NTH DEGREE FUCKED UP MADMAN)

Me and Nico: YOU'RE FUCKING INSANE, JACK DELENNEY!

Lincoln: You're still as insane as ever, Jack. Well, that ends here and now!

Lincoln suddenly raised his massive greatsword into the air, and then, the embedded colored gems, Elements of Harmony, and Unity Stones glow with energy and light, and a gold glow was surrounding the massive, wide, double-edged 9'5" blade.

Lincoln: After everything that you bastards have done, you don't deserve to live ever again.

Melanie Artorgius, Michaela Artorgius, Selene Lancelot, Jamie Bors, Maria Tristian, Nimue Viviane, Gina Gawain, Gabrielle Galahad, Melissa Mordred, Penelope Percival, Adriana Agravain, Giselle Gaheris, Grace Gareth, Helena De Maris, Belle Bedivere, Penelope Pellinore, Carolina Constantine, Gwendolyn Guinevere, Morgana Le Fay, Maria Merlin, Joan Delenney, Katara Chevalierflamboyant, Rebecca Renaud, Abigail Astolfo, and Rachel Roland: And now, it's time for you bastards to fade back into darkness, and this time, you will never ever come back!

Lincoln and the Noble Knight Gene-Slammers began to recite the oath of The Royal Woods Knights of The Michigan Table, and they also unholstered their massive greatswords and raised them high into the air as they crossed.

Lincoln, Michaela Artorgius, Selene Lancelot, Jamie Bors, Maria Tristian, Nimue Viviane, Gina Gawain, Gabrielle Galahad, Melissa

Mordred, Penelope Percival, Adriana Agravain, Giselle Gaheris, Grace Gareth, Helena De Maris, Belle Bedivere, Penelope Pellinore, Carolina Constantine, Gwendolyn Guinevere, Morgana Le Fay, Maria Merlin, Joan Delenney, Katara Chevalierflamboyant, Rebecca Renaud, Abigail Astolfo, and Rachel Roland: Light Burns with love Defending Michigan's Pride, Enemies of Michigan Beware Because On the Ride Comes the Defenders of of Honor, Love, Truth, Justice, Freedom and Power! THE MICHIGAN KNIGHTS OF THE ROUND TABLE SHALL MAKE OUR ENEMIES COWER!

Then, the coat of arms of The Royal Woods Knights of The Michigan Table appeared behind them with light shining down from the heavens, and that pissed off The Knights of Michigan's Destruction big time!

Jack Delenney: That's it, I've had it up to hear with all of you! YOU'RE ALL FUCKING DEAD!

They soon began to recite their oath.

Jack Delenney, Marcus Artorgius, Simon Lancelot, James Bors, Mark Tristan, Morgan Mordred, Kevin Chevalierflamboyant, Nathan Viviane, George Gawain, Gabriel Galahad, Peter Percival, Adrian Agravain, Gavin Gaheris, Gregory Gareth, Hank De Maris, Ben Bedivere, Parson Pellinore, Carter Constantine, Gabe Guinevere, Ian Iseult, Morgan Le Fay, Michael Merlin, Aaron Astolfo, Mason Maugris, Oliver Ogier, Orion Olivier, Roland Renaud, and Ryan Roland: That's it! We've had it up to hear with you! Bringers of Light Beware, because On the Ride Comes the Destroyers of Honor, Love, Truth, Justice, Freedom, and Power! THE KNIGHTS OF MICHIGAN'S DESTRUCTION SHALL USHER IN A REIGN OF ETERNAL DARKNESS AND FEAR!

Then, the coat of arms of The Knights of Michigan's Destruction appeared behind them with flames of Hell and darkness appearing as well.

Lincoln: This is the end for all of you!

They aimed their greatswords at The Knights of Michigan's Destruction!

Lincoln, Melanie Artorgius, Michaela Artorgius, Selene Lancelot, Jamie Bors, Maria Tristian, Nimue Viviane, Gina Gawain, Gabrielle Galahad, Melissa Mordred, Penelope Percival, Adriana Agravain, Giselle Gaheris, Grace Gareth, Helena De Maris, Belle Bedivere, Penelope Pellinore, Carolina Constantine, Gwendolyn Guinevere, Morgana Le Fay, Maria Merlin, Joan Delenney, Katara Chevalierflamboyant, Rebecca Renaud, Abigail Astolfo, and Rachel Roland: This is where our conflict ends here and now! NOBLE KNIGHT SHINING VALOR MEGA BLAST!

Lincoln and The Michigan Knights of The Round Table fired massive beams of gold energy with magic and elemental forces surrounding them, and they hit The Knights of Michigan's Destruction, and we also saw another powerful effect of their attack: Lincoln and The Michigan Knights of The Round Table sucked out all of the life energy of The Knights of Michigan's Destruction, and they flowed into Lincoln and The Michigan Knights of The Round Table and they grew even stronger, and we saw The Knights of Michigan's Destruction suddenly begin to have their skin dry up and their hair turn white.

When Lincoln and The Michigan Knights were done, The Knights of Michigan's Destruction were left as desiccated corpses and their souls were sent to The Black Abyss and the energy auras of Lincoln and The Michigan Knights were like powerful raging flames. Then, Lincoln drained the souls of The Knights of Michigan's Destruction of all their energy and sent them straight to The Black Abyss.

That also really pissed off Madison Storm even more!

Me: He was hoping those bastards would kill us, too bad for him!

Lincoln: Now, we can finally get rid of this monster.

Suddenly, Sebastian began convulsing, and then, he turned to face us and roared at us as we saw he had cat fangs and his eyes turned into cat eyes and his face became distorted and he had cat ears on his head and an extremely malicious smile on his face: WE WERE HORRIFIED! HE WAS AFFECTED BY THE CURSE OF THE CAT GOD AND HE GOT TURNED INTO A WERECAT!

Everyone: WHAT THE HELL?!

Simone Lenoir: Oh no, now, I remember him all too well. A few years ago after we turned to dust the first time, a dark figure appeared and he called upon The Cat God, so that figure was...!

Lori: Was Sebastian, and in the process, he got turned into a Werecat. Looks like he kept it hidden from everyone and he'd went about killing more people by draining them of their lifeforces on the night of The Harvest Moon.

Lena Dupree: Because if he doesn't kill by then, he'll turn to dust.

Lincoln: I still have the spell that we used to free you three from The Werecat Curse, this should help with him as well.

Suddenly, Sebastian roared in fury as he suddenly turned into a full-all out Werecat!

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Only Madison Storm's going to die, but Sebastian's going to be freed. But, he's still getting put in a straitjacket and thrown in a cage!

Lincoln, Robin Hood, and Rayman went after Madison Storm and Werecat Sebastian, and they blasted them with extremely powerful blasts of rainbow, green, purple and red, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit them, and they slashed at them with their massive greatswords leaving bleeding scars on them.

Suddenly, Werecat Sebastian ran at Madison Storm and grabbed him by the shoulders, and he began to drain that bastard of his lifeforce as we saw Madison Storm's skin shrivel and a green outline surrounded them both. Then, Lincoln blasted Werecat Sebastian off Madison Storm who regained his life energy.

Suddenly, Lincoln began to recite the incantation as he levitated in mid-air and he was surrounded by a green energy aura.

Lincoln: Great Powers of The Netherworld, heed my call, we beseech thee on this night. We ask for you to rid Sebastian Mendez of The Curse of The Cat God.

Suddenly, Lincoln's green energy aura fired out a massive green energy blast, and as it hit Sebastian, he screamed in excruciating pain, as we saw his fur disappear, the cat features fade away, and his Werecat powers were stripped from him. Then, as the green light fade, Sebastian was changed back to normal and he got put in a straitjacket and thrown in a cage by Buster Bunny.

Lincoln: And by the way, Sebastian, you're out of my rescue team permanently!

Lincoln beamed him right back to The World Tree Estate and he found himself in the dungeons!

Roxy Drake: Whoa, that was brutal. Alright, boys, time to trash that psycho.

Lincoln, Robin Hood, Rayman, Lizzy Morris, Xenia Utragia, Violette Rainbow, Lana Lobster, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Madison Storm, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, yellow, purple and brown, red, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lizzy Morris, Xenia Utragia, Lana Lobster, and Violette Rainbow did the same by firing yellow, red, purple and brown, white, golden yellow, and blue energy slashes from their gold plated claws and massive greatswords, and Lincoln, Robin Hood, Lizzy Morris, Xenia Utragia, Lana Lobster, Violette Rainbow, Rayman, Crash Bandicoot, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength and that made Madison Storm even angrier than ever.

Suddenly, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and nine sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Madison Storm, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Madison Storm.

Then, Lincoln and I charged and smashed our rainbow energy infused left fists into Madison Storm's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln and I attacked him with two powerful energy slashes, and then...!

Lincoln and Me: NOW, DIE AND GO TO HELL, YOU FUCKED UP LUNATIC!

Lincoln and I did one final powerful energy slash that hit Madison Storm hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Madison Storm world was on his last legs and he was really really mangled.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end it. DEMON DESTROYER KARMA BALL!

Lincoln formed a massive white, golden yellow, and blue energy ball and condensed it to the size of his body and fired it at Madison Storm and it sent him flying out into space and exploded with such incredible power and destroyed him in the explosion and it dissipated harmlessly and he sent his soul to The Black Abyss forever.

Lynn: AND HE'S OUT!

Everyone cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, large twenty-five colored planets orbiting around the legs and twenty-five smaller colored planets orbiting around the waists, eleven massive and long colored wolf tails, longer purple tail and long horn, smaller planets orbiting around the fingers like rings, medium colored planets orbiting around the wrists and ankles and massive colored angel wings and nine sets of large colored angel wings underneath the colored angel wings of Lizzy Morris, Xenia Utragia, Lana Lobster, and Violette Rainbow are permanent.

Me: That'll teach that fucking monster.

Nico: You got that right.

Lincoln: He deserved it. But, this is also a sign: Madison Storm's return means The Evil Goosebumps Monsters excluding those who are sympathetic and tragic lost souls whom we'd faced before in the past have also returned excluding Slappy who got sent to The Black Abyss by us, and by extension that also includes the monsters from Are You Afraid of The Dark.

WE GASPED!

Me: Holy Shit! Lincoln, if what you said is indeed correct, then, this means we've got a bad case of Goosebumps and Are You Afraid of The Dark Monster Trouble once more!

Qin: That's so not good!

Lincoln: But, we'll all be ready for them once again, and with no Slappy to interfere, we'll end the nightmares of The Goosebumps Monsters and the monsters of The Midnight Society's tales once again.

Eli: That's for sure.

Suddenly, more of the team arrived as they had Lincoln's newborn kids and my newborn kids as well in their hands.

Lincoln: Guys, what happened? What's going on?

Thunder Sparkle: Dad, this is something you're not going to like: Sebastian's escaped and he tried to kidnap all our newborn brothers and sisters same with J.D.'s newborn kids as well and he was going to kill them to break you and J.D.

Me and Lincoln: WHAT THE?!

Nico: What the Hell?!

Storm Rainbow: But, we blasted him and drove him out, and based on the direction, it appears he's heading for Syria: specifically the hideout of Graveyard Fire and its' leader, Duncan Bloodthorne.

WE GASPED IN HORROR!

Trudy Lawrence: That motherfucking snake! So, everything he's been doing has just been a fucking ploy! That's it, he's done for!

Nico: Hold it, Trudy, we're not gonna kill him, but we got to restrain him. As it stands, Sebastian's still a danger to everything and everyone who gets in his way: a psychopath who's willing to kill anyone to get what he wants, which is nothing more than blood and the sick twisted pleasure of killing once again.

Qin: And he's still on permanent thin ice same with Sergio, but he's beyond permanent thin ice with what he's done in the past nine years which is absolutely fucking sickening when we looked at his file. Now I know why you guys labeled it as "ABSOLUTELY ICKY, CREEPY, BLOODY, AND DISGUSTING!"

Lincoln: Even I almost barfed when I looked at his crimes and put in that folder, it was so gross!

Luna: But, when Lori, Lynn, Lola, Lisa, and Luan saw it, it was an absolute puke tsunami!

Me: Gross! Nico, I hate to say it, but your old friend was an absolute sick twisted bat out of Hell!

Nico: Ugh, tell me about it. Connor, Mindy, Alicia, and my own parents were absolutely disgusted by Sebastian's crimes after the betrayal at the wedding, and they made the choice to cut all ties with him same with me nine years ago. I wanted to give him a chance, but seeing what'd happened and considering all of the horrendous, inhumane, toxic things he's done combined with him having a total bad temper even worse than the angriest villains ever, I think it's safe to say we need to capture and imprison Sebastian before he tries anything else.

Eli: Right.

Lincoln: And Thunder Sparkle did say that Sebastian's heading for the hideout of Duncan Bloodthorne and his Graveyard Fire group. This is also perfect because we're going to destroy them and Duncan for good. Sure, there may be remnants that'll escape from the slaughter, but they'll be with Wertz, Paul, and Kurata.

Me: Which means when we go after them and kill them in the future...!

Nico: We'll finally be rid of the last traces of Duncan Bloodthorne once and for all, awesome! Lincoln, this is gonna be a total slaughter fest, you up for going totally wild?

Lincoln smirked and showed his vampire fangs and wolf teeth.

Lincoln: You kidding me? (CRACKS KNUCKLES) I've been looking for a good excuse to really go wild, and Duncan Bloodthorne and his group are about to get themselves caught in the whirlwind of fury I'm gonna unleash on them. (WOLF HOWL)

Me: Aw yeah! The wolf's been unleashed! But, first, we got some unfinished business.

Eli: Right, the Anothers.

Lincoln: (Sensed them) Whoa, and I sense these ones have the powers of Sloth, Greed, Gluttony, Envy, Pride, Wrath, and Lust.

Nico: How'd you...? Oh, right, your Guardian Angels and Rulers of Hell and Keyblade Knights of Hell.

Lincoln: Yep, I can track down those who have the powers of The Seven Deadly Sins and The Nine Circles of Hell.

Me: That's really cool.

Nico: This is a fitting grave for him.

Megan: I agree there.

Qin: Yep.

Me: Now Madison Storm is dead and forgotten.

Camie: Yep.

Nico: Good riddance. Nice job Honedge.

Honedge: Thanks Nico.

Poromon: Want some beer?

Honedge: No thanks. I can't drink beer.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Can we play hide and seek later?

Me: Sure.

Qin: Go for it.

Xenia: Yeah.

Poromon: Cool!

Nico: Oh, Spark Man, what do you like to do in your free time?

Spark Man: I work at the power plant and help fix the electric power plants to make them not use coal and all that.

Me: WOW! Make them cleaner and awesome.

Qin: Yeah.

Nico: Good job there.

Me: Yep.

Nico: Now for the Anothers.

Eli: And we have Another Neon Tiger, Linka Loud, Black Skull Dragon, Drillhorn, I M Meen, Infected Airazor and Horned Saurus.

WE GASPED!

Me: WHOA!

Lincoln: WHOA!

Linka: Another me!? Whoa!

Xenia: Yep.

Nico: Who's up?

Spark Man: Looks like me and my team.

Thunderbolt: A STORM IS COMING!

Free Ranger: WHIP UP A STORM!

Warnado: FOR THE WIND!

Stormblade: FEATHER THE STORM!

Wild Storm: THE ROAR OF THUNDER!

Nico: Lets get them!

Eli: And I sent the Anothers minus Another Neon Tiger and Linka are seven people.

Nico: WHOA!

Qin: Nice.

Nico: There they are!

Out came Another Black Skull Dragon, Drillhorn, I M Meen, Infected Airazor and Horned Saurus!

Me: WHOA!

Qin: This is gonna be fun!

Another Black Skull Dragon: (In a girls voice) It sure will!

They merged and reverted back and split into 7 people. They were the gene-slammers of Needle Ball, Mystical Shine Ball, Water Girl, Water Magician, Blue Winged Crown, Kanan the Swordmistress and Summoned Skull!

Nico: (GASP!) Nina Needles, Sally Shine, Mika Water, Charlotte Felson, Selena Aoi, Joan Kanan and Sonia Skullra!

Me: WHOA! The gene-slammers of Needle Ball, Mystical Shine Ball, Water Girl, Water Magician, Blue Winged Crown, Kanan the Swordmistress, and Summoned Skull.

Charlotte Felson: (British Accent) That's right. Pleasure to meet you.

Me: You too girls. Wait Charlotte I see you're a member of the Knights Templar. And your last name? Are you...

Charlotte Felson: That's right. I am descended from Felson during the 14th Century.

Me: WHOA! We helped him and Behman kill Ba'al the Storm demon in the 14th Century and exorcised him from a girl and saved her and sent him back to hell.

Charlotte Felson: And I will always be grateful.

Camie: WOW! I didn't know that.

Me: Yeah.

Sally Shine: That was cool.

Me: By the way girls are the Another Neon Tiger and Linka friendly or hostile?

Nina Needles: Friendly and they are amazing.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: Yep.

Camie: That must've been so cool.

Me: It was. It took place almost 700 years ago.

Qin: Yep I was there.

Lola: It was brutal.

Nico: Yep.

Me: There they are!

We saw Another Neon Tiger and Linka!

Me: Whoa!

Qin: This will be fun.

Another Neon Tiger: (In a Girls Voice) It sure will.

She reverted back and was the gene-slammer of Nightmare Scorpion.

Nico: Naomi Nightmare!

Me: Nightmare Scorpion's Gene-slammer! Wow!

Naomi Nightmare: That's right. Also I am a master of light and darkness.

Neon Tiger: Just like me with light.

Me: Yep. And who is your friend?

Another Linka: Someone Linka knows.

She reverted back and it was a female version of Lincoln from the Project At Eden's Gate Cult!

WE GASPED!

Linka: Linka 2!

She went to hug her.

Me: OH MAN! This must be a Linka from another universe that went to the Project At Eden's Gate Cult.

Linka 2: That's right! How did you know?

Me: Past experiences. Met a Lincoln that did the same thing.

Nico: Oh man! Bad Luck Karma?

Linka 2: Bad Luck Karma. I killed my entire family except for Leon.

WE GASPED AGAIN!

Me: They must've really brought all that on themselves.

Lynn: WHOA NO KIDDING!

Me: I hate Joseph Seed! What he did reminds me in every way of what David Koresh did!

Nico: Yeah no kidding! He was a monster!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Naomi Nightmare: Nope. I summoned a bunch of scorpions and they stung him and we ran.

Me: Ouch! Too bad that wasn't enough to kill him.

Nico: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (gets out Neon Tiger's Ridewatch) With the spirit of the tiger!

Casey Rhodes: JUNGLE FURY RED RANGER!

Nico: Nice.

May: (Gets out I M Mean's Ridewatch) I WILL FUCKING RIP YOU APART!

Maria: (Gets out Infected Airazor's Ridewatch) This bird means business!

Thunderbolt: (Gets out Black Skull Dragon's Ridewatch) A STORM IS COMING!

They used the powers of Neon Tiger, Black Skull Dragon, Drillhorn, I M Meen, Infected Airazor and Horned Saurus and blasted the Anothers.

Then Mutant Gorilla, Mucant, Unctuous, Arachnor, No-Face Zombie and Railway Dopant came.

Me: WHOA! COOL!

Nico: Nice team Mutant Gorilla.

Mutant Gorilla: Thanks Nico!

Ultimate Spidermonkey: That means my team is next.

Camie: Yep.

Nico: It was your pre-evolved form's turn just recently

Ultimate Spidermonkey: I know. So cool!

Qin: Yep.

Then out came ELDORADIMON!

Me: WHOA! ElDoradimon!

Qin: HUGE!

ElDoradimon: Looks like this Golden Road is gonna be fun.

Nico: Shione McArthur!? Wow!

She reverted back and was a girl with yellow hair and blue eyes and had green clothes and green angel wings and had ElDoradimon on her forehead, skirt and shirt and had a golden sword.

Shione McArthur: Awesome to see you Nico. I got this. (ECHOING) GOLDEN ROAD!

She fired a beam of energy and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Shione McArthur: Thanks.

Lola: Awesome!

Nico: Yep.

Thunderbolt: Do you have any favorite memories of Nico?

Shione McArthur: I sure do. When me and Nico found the legendary lost city of gold.

Me: Cool! That was so fun.

Xenia: It sure was.

Nico: Yeah.

They hugged.

Nico: I've missed you.

Shione McArthur: Same here.

We went back home.

Back in my high school days in Colorado, he terrorized all of the students and teachers and even killed some of them, he was absolutely devoid of humanity and absolutely heartless and ruthless to anyone who got in his way. His parents caused him to spiral down that road, and he sought to destroy the lives of everyone around him and he also sought to destroy the world because that's all he ever cares about: causing chaos and absolute destruction to anyone who crosses his path, and five weeks before your OC moved to Royal Woods, Michigan, I stopped Duncan from blowing up Washington DC and killing the president and he threw him to the cops who arrested him and because of what he did, he was found guilty and sentenced to death.

But, before his death sentence could be carried out, he caused a riot in a prison in Denver and escaped from there, and he fled to Royal Woods where he still continued to cause havoc, and he began to gather tons of followers to help him in his wanton desire to bring death and destruction to the world and kill the entire human race, thus Graveyard Fire was born, and according to the intel Lincoln's Guardian Angels gathered on them seven years ago, apparently, Duncan Bloodthorne gathered 666,666,666,666,666,666,666,666,666,666,666,666,666 men for his insane twisted plan to bring death and destruction to the world, thus Graveyard Fire was born.

But, a week before I moved to Royal Woods, Duncan Bloodthorne was about to launch his attack, but Lincoln's Guardian Angels and Lincoln defeated and took down Duncan Bloodthorne, but before the cops could finally re-arrest him, he and the entire Graveyard Fire group fled Royal Woods, and he and his entire group have been hiding in an abandoned building far from Syria, and that's where the whole Graveyard Fire group is located at and stationed their operations, but you got to watch it, their numbers have grown since he established their group seven years ago, and Duncan murdered his parents years ago when he reached eighteen, and they tried to piss him off by trying to sell him off to a drug dealer, but he killed them and the drug dealers, and they were found the next day with their throats slit and shot in the head. In other words, this guy is absolutely dangerous to the core, so we really really need to watch it with him.

But, we're going to end that piece of shit once and for all along with the majority of Graveyard Fire, but there will still be remnants of that group with Paul, Wertz, and Kurata, but when we go to kill them once and for all in the future, we'll make sure they stay gone forever.

Lincoln: Ah, we're here in Syria, and I know what we're going to do here, not only am I going to rescue the nine girls here and Ets is going to rescue the one girl here, but we're going to destroy the Graveyard Fire terrorist group along with its founder and leader and he's another of my enemies and J.D. enemies, Duncan Bloodthorne.

Me: Yep, and as I told we told everyone yesterday, Duncan Bloodthorne was the worst of the worst bullies and bastards ever.

Back in my high school days in Colorado, he terrorized all of the students and teachers and even killed some of them, he was absolutely devoid of humanity and absolutely heartless and ruthless to anyone who got in his way. His parents caused him to spiral down that road, and he sought to destroy the lives of everyone around him and he also sought to destroy the world because that's all he ever cares about: causing chaos and absolute destruction to anyone who crosses his path, and five weeks before your OC moved to Royal Woods, Michigan, I stopped Duncan from blowing up Washington DC and killing the president and he threw him to the cops who arrested him and because of what he did, he was found guilty and sentenced to death.

Nico: What a fucking sicko.

Me: The worst ever. But, before his death sentence could be carried out, he caused a riot in a prison in Denver and escaped from there, and he fled to Royal Woods where he still continued to cause havoc, and he began to gather tons of followers to help him in his wanton desire to bring death and destruction to the world and kill the entire human race, thus Graveyard Fire was born, and according to the intel that Lincoln's Guardian Angels gathered on them seven years ago, apparently, Duncan Bloodthorne gathered 666,666,666,666,666,666,666,666,666,666,666,666,666 men for his insane twisted plan to bring death and destruction to the world, thus Graveyard Fire was born.

In other words, this guy is absolutely dangerous to the core, so we really really need to watch it with him.

Me: That's right, but, we're going to end that piece of dogshit once and for all along with the majority of Graveyard Fire, but there'll still be remnants of that group with Paul, Wertz, and Kurata, but when we go to kill them once and for all in the future, we'll make sure they stay gone forever.

Spark Man: That's for sure. But, this is also where...!

Lincoln: I know, Sebastian's here, I can smell the blood that's still on his hands. Let's get going.

We moved out immediately.

We arrived at the abandoned building where Graveyard Fire is literally stationed, and security there is tight, and we saw our target: Duncan Bloodthorne, the leader and founder of Graveyard Fire and the 666,666,666,666,666,666,666,666,666,666,666,666,666 men he gathered.

Me: There's that piece of dogshit.

Nico: And look at the men he's gathered. Shit, this really is dangerous.

Lincoln: They're all over the place, there's no way we can get after Duncan Bloodthorne not without getting caught. We need a plan to lure the men out, so that way, I can go Lincoln The Nocturnal and slaughter them.

Suddenly, we heard a bloodcurdling shriek of anger and rage, and we then saw our second target: Sebastian Mendez, and he was really and I MEAN REALLY OUT FOR BLOOD! The Graveyard Fire soldiers saw it, and they began firing at Sebastian, but then, he summoned shadow versions of The Z-Fighters' old foes to attack them.

Krillin: He still has that ability to summon shadow versions of our old foes?

Lincoln: Wait a second, I think his arrival is exactly what's needed. Look.

We then saw the 666,666,666,666,666,666,666,666,666,666,666,666,666 men Duncan Bloodthorne gathered years ago scatter and are heading for us leaving Duncan Bloodthorne alone to deal with that lunatic.

Goku: They left Duncan all alone to deal with Sebastian? There truly is no honor among scoundrels.

Lincoln: Not in their case, Master Goku. But, now that the men are heading for us in a panic, it's my turn. Time to really go wild on those Graveyard Fire bastards.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of wolf's teeth remained the same, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild white hair with orange streaks and rainbow highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)

Then, Lincoln came out and that caused the soldiers to panic.

Lincoln: (Beastly Voice) Going somewhere? (Smirks) Besides to The Black Abyss?

Graveyard Fire Soldier: TEAM LOUD PHOENIX STORM?! HERE?! GET THEM!

The soldiers got out their guns, but Lincoln fired magnet blasts that magnetized their weapons.

Lincoln: (Beastly Voice) Too bad, men. Now, it's my turn. Time to unleash the wolf!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at the 666,666,666,666,666,666,666,666,666,666,666,666,666 Graveyard Fire soldiers and he proceeded to brutally smash all of them into the ground with his massive superhuman strength, slashed at the 666,666,666,666,666,666,666,666,666,666,666,666,666 Graveyard Fire soldiers with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, Cosmos energy, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE SOLDIERS! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

THEN, LINCOLN PROCEEDED TO LITERALLY RIP THEM APART AND HE DEVOURED THEIR RIPPED OFF SEVERED LIMBS AND HE EVEN RIPPED THEIR HEARTS OUT OF THEIR CHESTS AND DEVOURED THEM AND HE ALSO RIPPED OUT THEIR BRAINS AND GUTS AND ORGANS AND DEVOURED THEM AS WELL AND HE BELCHED OUT THEIR BONES!

WE GASPED AT THE SHEER BRUTALITY OF WHAT LINCOLN JUST DID! LUCKILY, HIS HAREM DIDN'T EVEN LOOK, BUT WE UNFORTUNATELY DID!

Me: OH MY GOD! LINCOLN, THAT WAS JUST CANNIBALISTIC!

Nico: (ABOUT TO BARF) Lincoln, that was just absolutely savage!

You ripped them to shreds and you tore them apart and devoured them!

Lincoln: (Beastly Voice) I wasn't about to let them leave here. (To the surviving remnants) (Savage grin on his face) (CRACKS KNUCKLES) Alright, who's next?

Graveyard Fire Soldier: We can't fight against him! He's gonna rip us apart like he did to the others!

The surviving small remnants screamed and pissed their pants!

Duncan Bloodthorne saw it.

Duncan Bloodthorne: (Sees the survivors about to run) What the?! Hey, where are you all going?! Get back in there and kill them all!

Graveyard Fire Soldier: Screw you, Duncan, and your plans!

They ran away, and that really infuriated Duncan Bloodthorne as he let out a scream of pure rage and insanity.

Lincoln: (Beastly Voice) What a bunch of wusses. Now, to deal with you, Duncan.

Me: When Lincoln told me that you were the head of Graveyard Fire, I knew this was your handiwork from the very beginning, you piece of dogshit.

Duncan Bloodthorne: SHUT THE FUCK UP! I WILL DESTROY ALL OF TEAM LOUD PHOENIX STORM AND EVERY LAST LIVING THING ON THIS MISERABLE PLANET!

Lincoln: (Beastly Voice) For that threat, you just signed your own death warrant, bastard!

Me: You better be ready to get torn to pieces!

Suddenly, we saw a Fairy flying in the skies and it left a wave of magic across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, blue eyes, massive pink fairy wings, white short-sleeved blouse with a fairy on it and on her forehead, pink bra, pink skirt, pink knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, light, magic, fairies, phoenixes, and angels on the coattails, and on the back is the fairy, she has a light greatsword and with her are the nine girls Lincoln is to rescue and the one girl Ets is to rescue along with another fairy.

Lincoln: (Beastly Voice) (GASPS) Fiona Fairy, Avatar of The Fairy and Collora, the Fairy of Columbines.

Fiona Fairy: That's right, and we got the girls away from Duncan Bloodthorne.

Collora: Along with Sebastian.

Suddenly, Buster Bunny and his friends appeared and they proceeded to attack Sebastian.

Buster Bunny: Lincoln, we'll handle Sebastian, you go ahead and trash that monster.

Lincoln: (Beastly Voice) You got it, Buster. Alright, Duncan, it's time for you to pay for all your crimes in Colorado and Royal Woods. This is where we end your miserable life here and now! (HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Duncan Bloodthorne, and he proceeded to brutally smash him into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON HIM! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIPS! HOING! SHRILL GIRL SCREAMS!

LINCOLN ALSO GAVE DUNCAN BLOODTHORNE AN IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIE!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! IRREVERSABLE SUPER QUADRUPLE MEGA WEDGIE!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far and pissed him off, I don't blame him for going apeshit on you!

James Blunt: And you're already out of luck, your surviving men have abandoned you for good, and you're all alone.

We saw Duncan Bloodthorne shaking and begging for mercy, and he was a mess: Lincoln tore some of his hair off and he left claw marks on his face and on his clothes.

Duncan Bloodthorne: YOU THINK I'M GONNA BEG FOR FUCKING MERCY FROM YOU!? HUH! FUCK YOU! FUCK YOU ALL! YOU SHOULD ALL JUST DIE ALONG WITH THIS MISERABLE PLANET AND EVERY LAST FUCKING LIVING THING ON IT!

Lincoln: (Beastly Voice) God isn't going to forgive you for your atrocious actions, nor will I, The Eye of Dread and Scorn, henceforth forgive you! You deserve only death for all of your crimes, Duncan!

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE DUNCAN BLOODTHORNE SO SCARED, HE SCREAMED IN FRIGHT AND PISSED HIS PANTS IN HORROR!

Duncan Bloodthorne: (BLOODCURDLING SCREAM)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT HIM DOWN WITH THAT AND A DEATHLY GLARE AT HIM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKER, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELF A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKER!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN! SCREW YOU! GO TO HELL, YOU PIECE OF DOGSHIT!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending threats at Duncan Bloodthorne, and they're also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to that dirtbag!

Buster Bunny and his friends managed to knock down Sebastian and banish his shadow summons of the Z-Fighters' old foes and just in time too as we now have Duncan Bloodthorne on his last legs.

Buster Bunny: They got him on his last legs. Now, all that's left is to end it.

Sebastian Mendez: No! No! It's not over until I say it's over!

Sebastian Mendez knocked Buster Bunny and his friends off and he charged out to stop Lincoln from killing Duncan Bloodthorne.

Buster Bunny: Lincoln! Now! Kill him before Sebastian tries to stop you!

Lincoln raised his massive greatsword and he ran at Duncan Bloodthorne with full force!

Sebastian Mendez: No! I will not allow you to ruin evil's glorious plans once again!

But, before Sebastian could attack...!

SHEEN!

Lincoln stabbed Duncan Bloodthorne in the chest with his massive greatsword!

Sebastian Mendez: No!

Lincoln: (Divine Echoing Beastly Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony

United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, goodbye and good riddance, Duncan Bloodthorne!

Lincoln pushed his massive greatsword through Duncan Bloodthorne's chest even more and it exited through his back as blood exploded out!

Sebastian Mendez: (DEMONIC VOICE AND THE SCLERA OF HIS EYES TURN BLACK AND MIDNIGHT BLUE EYES TURN RED) NO! NO!

Then, Lincoln set Duncan Bloodthorne's body ablaze with rainbow fire and his wicked soul was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

And when Sebastian saw it, suddenly, we saw blasts of white light burst out of him, and we saw the last bit of the souls of The Ginyu Force and Cui escape and went back to their owners, and Sebastian screamed in agony as flames covered his body.

Nico: Whoa!

Sebastian Mendez: NOOOOOOO!

Sebastian Mendez turned to ashes and we saw his eyeballs land on the pile.

Sebastian Mendez: (Groans) Damn it.

Lincoln: (Beastly Voice) I certainly didn't expect that, plus, we saw the last fragments of the souls of The Ginyu Force and Cui escape and go back into them.

TLPS Mr. Wolf: I remembered Captain Ginyu telling me that he and his men were missing a piece of themselves. Then, that must mean...!

Vegeta: Sebastian had those fragments of their souls inside him and were holding them captive and wasn't going to release them ever.

Lincoln changed back as the slit pupils of his deep sapphire eyes and Third Eye changed back to normal pupils and his large dark blue halo with four large dark blue orbiting rings changed back to gold.

Lincoln: He must've thought he still held ownership of their souls along with the souls of the other Z-Fighters' enemies. But, when we killed that clone of Frieza by drawing the souls of every last one of his victims out of Sebastian, that must've also freed the fragments of their souls as well.

Me: He had them held prisoner inside him for so many years and thinks he still owns them, he really is insane.

Sebastian regenerated as his ashes came back together.

Sebastian Mendez: It looks like I'm not going to be forgiven any time soon.

Lincoln: As long as this doesn't happen again, Sebastian. But, you're still permanently off my rescue team.

Sebastian Mendez: I understand.

We teleported back to Gotham Royal York.

Lincoln: But, we did it, Duncan Bloodthorne is gone forever along with the vast majority of Graveyard Fire, but as I expected, the remnants are now with Paul, Wertz, and Kurata. When the time comes to kill those three, we'll also end them as well and bring Duncan Bloodthorne's diabolical desire of death and destruction to a permanent end.

Me: That's for sure, Lincoln, but at least, we finally got rid of that shithead.

Nico: Along with the vast majority of his men, that was one slaughter fest you pulled, Lincoln.

Lincoln: That's for sure. (To Fiona Fairy and Collora) And it's so good to see you again, Fiona. You too, Collora.

Fiona Fairy: You too, Lincoln, it's been seven years since we last met.

Collora: Indeed, it's been seven years since that day.

Suddenly, Fiona Fairy had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Fiona Fairy was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Fiona Fairy: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Whitney Wendigo and hugged her, and Fiona Fairy is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Fiona Fairy: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Fiona Fairy, Avatar of The Fairy, she's Lincoln's Guardian Angel and she's known as The

Magic Fairy Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Fiona is a powerful master of the powers of light, magic, and the Fairies, and she's also known for her mastery of light and magic. She lived during an age of light and she was said to be born in a fairy kingdom where she's the ruler and she's also the Guardian of The Secrets of The Fairies, and over time, as she grew, she gained all of the incredible strengths and powers of the Fairies along with immortality and she also mastered the powers of light, magic, and The Fairies, and she'd fought against the most despicable humans and protected her people, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of light, magic, and the powers of The Fairies, and he also gained all of the incredible strengths and powers of the Fairies, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Fairies and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Fiona kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, she would banish them to a land full of beasts and monsters.

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Enya Phoenix: And the fairy with her is Collora, she is the Fairy of Columbines, and she is her friend.

Lincoln: She's also as amazing as Fiona, and no one would ever mess with them, and now that you're here, Fiona.

Lincoln with his massive muscular arms still wrapped around Fiona Fairy's leaned his head down first to the right side of Fiona Fairy's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Fiona Fairy: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Fiona Fairy with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Fiona Fairy: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Fiona Fairy.

Fiona Fairy had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Fiona Fairy's waist, and he leaned down to her face and kissed her on the lips, and with Fiona Fairy's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Fiona Fairy had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Fiona Fairy: (In Heaven) My God.

Then, Ets went up to the one girl, and he saw who it was, the girl was Meadow.

Ets: Oh wow, it's Meadow.

Then, when Meadow saw Ets, she ran up to him and hugged him and kissed him.

Nicole: It has been a long while since Ets had rescued a girl from some heartless bastard.

Fiona Fairy: But, he was rewarded for his valor. Oh, Lincoln, the nine girls we rescued for you are...

Travis Tackett: Boys, to your rooms, and if you so much as look at the girls, you're going to get your asses handed to you!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, his harem, and the girls in the living room, and when Lincoln saw the nine girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The nine girls are Uka Ishimori from Honey Lemon Soda and Fuuma Saika, Amamiya Shisui, Eleonor, Aishu Hebiko, Spinel, Lina, Lapis, and Phantasma from Taimanin.

Lincoln: Oh whoa, it's Uka Ishimori from Honey Lemon Soda and Fuuma Saika, Amamiya Shisui, Eleonor, Aishu Hebiko, Spinel, Lina, Lapis, and Phantasma from Taimanin.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Uka Ishimori: Yes, we're okay, thanks to you.

Uka Ishimori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Fuuma Saika: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Uka Ishimori, Fuuma Saika, Amamiya Shisui, Eleonor, Aishu Hebiko, Spinel, Lina, Lapis, and Phantasma with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, you can come out now.

We came back out, and we told them everything.

Maria: Whoa, so you guys went after Graveyard Fire, it's about time. Plus, I'm still stunned that this group was formed by another old enemy of yours and Lincoln's, J.D.

Lincoln: And that he caused trouble in Colorado before he escaped to Royal Woods and that he was a Death Row inmate.

Me: Yep.

Nico: And as you said, Lincoln, the surviving remnants have fled to Wertz, Paul, and Kurata, which means when we go after them in the future, we'll also get rid of them as well.

Me: And the world will be rid of the last remnants of Duncan Bloodthorne forever, but I'm so glad that I finally got rid of that pile of dogshit, that guy was absolutely the worst of the worst bullies ever and the biggest sicko in Colorado.

Eli: Disgusting. He's even worse than The Vexos Brothers.

Cadenza Cthugha: Even worse than that, Duncan was an absolute unhinged destructive monster and the world's better off with him finally gone forever.

Lincoln: That's for sure, Cadenza.

We then saw on the news that everyone in Colorado was having a wild party to celebrate the recent death of Duncan Bloodthorne.

Laney: Whoa, all of Colorado really hated him!

Luna: You said it.

Lori: That guy was literally a disgusting pile of garbage.

Me: He was all that and much more, Lori.

Lincoln: But, now he's gone for good, and it won't be long before we go after the remnants in the future along with Wertz, Kurata, and Paul, and we'll be rid of his dark shadow forever.

After Lincoln and all of us finally got rid of Duncan Bloodthorne and the vast majority of Graveyard Fire once and for all and sent them to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Fiona Fairy saw Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Fiona Fairy: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Fiona, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Fiona Fairy: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Fiona Fairy: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Caleb Maxwell took out a video.

Caleb Maxwell: Okay, now this video I got here is one that's one of the biggest moments since I came back from the dead, The Council came from New York to check up on me and Mr. Blunt, but it's also from there I was reunited with Mom and Allie, and I had a premonition of Cage and Travis' return, and the night Cage returned, I told him of what happened after I came back from the dead.

Caleb Maxwell put the video in and it played on the big screen and it shows James Blunt's home in West Virginia as he and Caleb Maxwell were outside.

Past Caleb Maxwell: This is quite a surprise that The Council is coming here from New York, though I feel as though it's more than just a checking up on me and you, Mr. Blunt, it's as if someone from the past is also coming here as well.

Past James Blunt: I think you're gonna be in for quite a surprise.

Suddenly, they saw many figures flying in the skies and they landed right in front of them, it was the Vampire Council from New York.

Past Marcus Mackenzie: I see you've settled in quite well, Caleb.

Past Caleb Maxwell: Yes, I have, Mr. Mackenzie. Mr. Blunt helped out a lot after I came back, and for the past two years, I felt as though for the first time in my life, I can finally smile once more despite all of the pain Drake made me, Mom, and Allie go through eight years ago when I was sixteen. But, ever since I died, the world has changed a lot since then and I missed out on it.

Past Marcus Mackenzie: That may be true, but you haven't changed at all, you're still the same young man from long ago, and there are two people who also wish to see you once more.

Suddenly, Caleb Maxwell saw two figures approach, and when he saw them, he felt a sudden pang in his heart as though a missing part of his heart had been returned: the figures were his mother, Marlene Maxwell, and his youngest sister, Allie Maxwell.

Past Caleb Maxwell: (Slight Gasp) Mom..., Allie...? Is that really...?

Past Marlene Maxwell: (Smiles) Yes, Caleb, it's us.

Caleb Maxwell had tears in his eyes as he ran to them and hugged them and they hugged him back: for the first time, he felt the warmth of his family once more.

Past Allie Maxwell: It's been eight years since you died and I'm now in my senior year of high school and I'm going to head for NYU same as you when I graduate.

Past Marlene Maxwell: Allie became that determined in her academics, and she was determined to see that she got justice for your death, but it hadn't been without its challenges.

Marcus Mackenzie explained that after he died, Drake began trying to kill Allie and his mother and it's not just him, but his dad's scumbag relatives have tried to take their house and money and kick them out of the house. When he was done, Caleb Maxwell was absolutely furious.

Past Caleb Maxwell: Those...goddamn...! I don't believe them! They truly are the scum of the earth, I'm disgusted to know that I share the same blood as them!

Past James Blunt: Caleb told me everything about his life and when he told me of everything he went through when he turned sixteen due to Drake's change from a good brother to a ruthless gangster and how he subjected you all to violence for his own amusement, I was disgusted. Plus, he showed me all of his bruises and how the repeated acts of violence had shortened his lifespan to a dangerous degree.

Past Marlene Maxwell: I wanted to take Caleb to the hospital, but Drake threatened to kill us if we did.

Past Allie Maxwell: Because if that happened, they'd find out sooner or later that Drake was the one who did this and they'd discover the secret. But, when Caleb got a concussion thanks to Drake, that was the last straw and we decided to go to the hospital, and we had a doctor's report on it as we told the police everything.

Past Vampire Elder: It was the right thing to do, and that along with Caleb finding out their secret two years later, that led to Caleb taking action.

Past Caleb Maxwell: That's right, and since I was eighteen and legally an adult, I made the choice to disown Dad and Drake and cut off all ties with them and convince Mom to get a divorce from Dad and disown Drake as her son. It was the only way, I couldn't keep living with a bastard like him anymore and if he kept it up, one day soon, he was gonna kill us.

Suddenly, as Caleb Maxwell was talking, he'd let out a sharp gasp as he felt his chest tightening and a cold feeling rushed through his body: it looked as though he had a heart attack, but it wasn't.

Past Allie Maxwell: Brother, are you okay?

Past Caleb Maxwell: I'm fine. I just had a painful premonition: it appears that Cage Blunt and Travis Tackett, the two vampires whom I've had repeated run-ins with eight years ago have returned to life somehow.

Past Vampire Elder: Ah, yes, this is something we had to tell you. After you died, we had those two captured and brought to Yuridia to face trial for what happened not only with The Hallowshade Bloodbath, but back in 1969, three teens from Kentucky were found butchered.

Past Caleb Maxwell: 1969, the murders of three teens from Kentucky. I remembered hearing about it, but I was only four at the time. So, what happened to Cage and Travis?

Past James Blunt: They were found guilty and had to spend 10 years in The Pit and they were drained of blood and left in a death-like state while I spent 5 years of house arrest for the murders of the mine workers after what they did in hogtying my son.

Past Caleb Maxwell: I...I see. What time will Cage arrive here?

Past James Blunt: Caleb..., what are you planning?

Past Caleb Maxwell: I want a fresh start by putting aside the nightmares that I had of your son and Travis always coming after me every night. I'm sure they've changed.

Past Allie Maxwell: How can you be so sure, you suffered horrible nightmares of them coming after you for nearly a month eight years ago and we couldn't forget of the night we first met them and what they did after you trounced them.

Past Caleb Maxwell: That's a risk I'm taking, Allie.

The vampires saw that Caleb was willing to take that risk. Then, hours later, they proceeded to head back to New York and Caleb swore that he would see his mom and Allie again as they bid farewell, and the sun began to set. Then, a figure approached the door and knocked, it was Cage Blunt, but his hair changed back to brown with black tips and he has on different clothes and we saw that he had a weary look in his eyes.

Past Cage Blunt: It took a while to find this place. May I come in?

Past James Blunt: Of course. Plus, there's someone who also wants to see you.

Suddenly, Cage Blunt saw Caleb Maxwell once again, but he was much different from eight years ago and he was alive once more.

Past Caleb Maxwell: I can guess you thought you saw a ghost, but I'm not a ghost, I'm back after I'd died eight years ago. (Sighs) Cage, I...

Suddenly, Caleb Maxwell was hugged by Cage Blunt.

Past Cage Blunt: I'm glad to see you once again, Caleb.

Then, Caleb Maxwell returned it.

Past Caleb Maxwell: It's good to see you again too, Cage.

The video ended.

Me: You really took that risk, Caleb, but you saw it for yourself.

Caleb Maxwell: That's right, Cage had changed in the ten years of his punishment same with Travis.

Travis Tackett: The first thing I did was fix things with Dad after everything that happened, and Cage did the same with James, and we both managed to fix things with Caleb and we understood why he sacrificed himself that day, he gave us a chance to redeem ourselves after that day.

Cage Blunt: But, while our paths grew, Drake's path fell even further into darkness and the murder of Caleb that day led to him being kicked out of The Syndicate and he turned into a rampaging thug, he was absolute scum to this very day.

Lincoln: What a sicko.

Jack Howard: All of us wanted nothing more than to throw him in the worst prison in New York for what he did.

Roxy Drake: Of course, we weren't the only ones who wanted Drake to pay.

James Blunt: The vampires also decided to hunt down Drake, but instead of wanting to throw him in prison, we were going to kill him, he was unworthy to live.

Lisa Loud: Like a certain evil genius I know all too well.

Alex Maddock: (British Accent) You're still talking about that wanker, Ophelia Shroud?

Lincoln: Afraid so, I can't help but get the feeling we're going to deal with her once and for all.

Nico: I just know you're going to be proven right.

We got a shower, and then, Lincoln, Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth are heading to Emerald Coast.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had

his weapons holstered in case of trouble.

And Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all, and Tammy found out about everything about what Flip did, and she realized that she won't be happy with him, and she decided to join Lincoln's harem.

Tammy Gobblesworth: Wow, so this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Tammy, and it's perfect for our first date, shall we?

Lincoln, Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Tammy Gobblesworth: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth and hugged them in their abnormally massive and powerful muscular arms, and Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth are in your harem, Linky.

Simulator Mizuki Yukikaze, Ana Ronalda, Katie Crest, and Tammy Gobblesworth showed the marks Lincoln made on the right sides of their necks.

Luna: I was stunned Katie Crest joined Lincoln's harem.

Ronnie Anne: Same with Ana Ronalda, but it's so awesome! Ana Ronalda is one awesome hero and she knows how to teach the bad guys a lesson they'll never forget.

Laney: And when Tammy found out about what Flip did, she was disgusted with him and she decided to join Lincoln's harem.

Jenna: You guys had no trouble at all.

Tammy Gobblesworth: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM,

Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy,

Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Izzy's big day mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Namine: Where are the mascots?

Me: Playing hide and seek.

Qin: Yep.

Me: Three guesses as to where they are.

* * *

Grodd was walking to his room

Grodd: Time for some fun in my room.

He went in.

Grodd then sensed Poromon.

Grodd: Okay Poromon I know you're in here. You can't hide from my psychic senses.

Poromon: Aw man! But your room is amazing Grodd.

Grodd: Thanks. It's a jungle. The mascots should be coming now.

They came in.

Poliwag: Found you!

Izzy Moonbow: We might as well find them. Yay!

Me: Yep. And I have a feeling they are in M.O.E. HQ.

We were of to the M.O.E. HQ

Qin: Yeah!

We were flying.

At M.O.E. HQ the mascots were swinging on vines.

Mascots: (TARZAN YELLS)

Grodd: (laughs) You've certainly earned this after doing a good job yesterday!

Poromon: We sure have!

We arrived.

Me: Here we are.

I knocked on the door and Vypra answered.

Vypra: Hey guys. Mascots here playing hide and seek?

Me: Yep.

Vypra lead us in and we went to Grodd's room.

Vypra: Grodd's room.

Me: Cool!

We opened the door but then...

BONK BONK BONK BONK BONK!

I got hit in the head with 5 coconuts!

Me: OUCH!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH FIVE COCONUTS!

Me: Patrick that guy was me!

Poromon: Sorry J.D.!

Me: Ouch.

We were amazed!

Me: Wow! Grodd your room is an amazing jungle!

We saw them fighting Kremlings.

Me: Kremlings?

Grodd: Yeah, the Kremlings are because of Donkey Kong being my archenemy.

Donkey Kong: Just like old times and your room is amazing. Just like how I am back home again.

Me: It sure is.

Qin: Wow!

They bashed the Kremlings all over the place.

Grodd: Also, you guys should be very proud of the mascots.

Demolishor: Of course we are.

Me: We really are.

Qin: That was so cool.

Lola: Yeah.

They were really bashing the Kremlings left and right.

Me: I guess Grodd found you so easily with his psychic powers.

Poromon: He sure did.

Grodd: Of course, you guys can still show the trailer.

Wideload: And include any mascots we've forgotten that like beer.

Me: That works.

Nico: Yep.

I healed my head.

Xenia: That was cool though.

Me: Your room is cool though Grodd!

Grodd: Thank you. It's awesome.

Laney: Just like my room back home. It's a jungle too.

Lana: Same with mine.

Me: Yep.

We later went back home.

Drillhorn: You guys haven't played hide and seek in a while

Me: No they sure have.

Poromon: I know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Mother Sphere, and she's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're on the move, Mother Sphere.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was Mother Sphere, and she's causing havoc.

EVERYONE GASPED!

Izzy Moonbow: I knew she'd be on the move.

Pepperdance: Now, we can deal with her for good.

Namine: That monster's going to regret the day she was born!

Nico: That's for sure, Namine, she's going to get it. Alright, team, let's get going to Japan and take her down!

Lincoln: She's not getting away with her schemes, this is where she dies here and now.

The previous group came.

Spankulot: (Transylvanian Accent) Can me, Xigbar, SkullMeramon, Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Killer Shrike and Shendu go with you guys?

Nico: Yes you all can come with.

Me: Awesome.

RD Lola: Nico, which Gene Slammer do you think you'll meet next?

Nico: Venusmon next.

Qin: COOL! Pretty.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Ophelia Shroud, she's escaped from The Warp and she's completely lost her mind and she's absolutely deadset on getting revenge on us. When we saw it, we knew it meant trouble.

Lincoln: So, you've come back for one final round, Ophelia Shroud.

Me: Wait, Ophelia Shroud's escaped from The Warp, but how? Wait, this means...!

Lisa Loud: Anti-Monitor put a Monitor Orb in her. It's true Morgana brought her back from the dead, but, after Lincoln got rid of Morgana's dark magic, we didn't look to see if she had a Monitor Orb on her person before she was sent to The Warp.

Nico: But, either way, we're getting rid of Ophelia Shroud permanently. Alright, team, let's go, we're off to Japan to help the Decker team get rid of Mother Sphere for good.

Lincoln: Mother Sphere's time is up, and now, we will make sure she pays for everything she's done, and once we get done with her, you're next, Ophelia Shroud, and we'll make absolutely sure that you never rise from the dead again!

Namine: We've had it with you running loose for the final time, Ophelia Shroud, this time, we're gonna make sure you never come back to antagonize the Loud Family again. Kanata, we're coming, hang in there.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Kanata and the Ultraman Decker team destroy Mother Sphere, and once we got done with her, we're also going to destroy our old enemy, Royal Woods' evil criminal genius, Ophelia Shroud, the land version of Plankton, and we're going to make absolutely sure she never ever rises from the dead again!

We were off to Japan.

We arrived.

Me: Awesome to be in Japan.

SkullMeramon: Let's call Eccentro

Me: Good idea.

Eccentro came.

Eccentro: Hey guys.

Me: Awesome you're here.

Akira Nijino: This is going to be Ophelia Shroud's place to die.

Me: Along with Mother Sphere.

Nico: Yep.

Qin: Their funerals will be ones for hell.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: WHOA LOOK!

We saw intense lightning with no clouds coming from on top of one of the buildings!

Qin: WOW! That is powerful lightning!

Me: Wow no kidding!

Lincoln: Yeah! Lets find Kanata.

We arrived at GUTS HQ.

Beast Man: Hey, Kanata!

Kanata: Hey guys! You made it.

Pepperdance: (Cajun Accent) Ooowee! We're ready for some fun!

Me: Yep.

Kanata: Awesome. Mother Sphere is back.

Me: Yep and so is Ophelia Shroud.

Kanata: The land version of Plankton?

Time Force Dash: The same one

Plankton: It was funny that she is like me.

Qin: Yeah no kidding.

Camie: I agree.

Hsi Wu: Kanata, is your favorite attack the Selgend Beam?

Kanata: That's right.

Me: Cool and it's awesome.

Qin: Yep.

Lola: So awesome and fun.

Varie: Yeah.

Azula: Ok, that lightning can't be normal

Kanata: Its been striking like that all day.

Qin: Oh boy.

Lola: That is not normal too.

Camie: Yep.

Killer Shrike: It's not even raining.

Qin: Yeah.

Kanata: Too weird.

DANCE OF THE SUGAR PLUM FAIRY PLAYS!

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to the Ultraman Decker team): Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Ring Man: If you're good, you get one under your pillow!

Yuna Shizuma: Oh Poromon looks so cute in a fairy costume.

Me: He sure is.

Kanata: But I can't drink beer.

Poromon: Oh. Okay.

Poliwag: (Does Puppy eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Yuna: Wo what is Gotham Royal York like?

Me: Amazing! It's a huge and amazing city and we live in a massive 528,000 foot high tree. But the city has it's ups and downs. And yesterday the mascots eliminated certain abominations.

Poliwag: SAID ABOMINATIONS ARE IN THIS TRAILER! (shows trailer close to Kanata's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Kanata: (GASP) IS THAT BLOOD AND HONEY!?

Poromon: (shows trailer close to Ultraman Ribut's face) YOU LOOK AT IT!

Ultraman Ribut: OH MAN THAT IS HORRIBLE!

Manaphy: (shows trailer close to Marluru's face) YOU LOOK AT IT!

Marluru: THAT IS SO DISGUSTING!

Horsea: (shows trailer close to Ultraman Regulos's face) LOOK AT IT!

Ultraman Regulos: GET THAT AWAY FROM ME!

Jirachi: (shows trailer close to Kengo Manaka's face) LOOK AT IT!

Kengo: HOW HORRIBLE!

Tentacool: (shows trailer close to Yuna Shizuma's face) LOOK AT IT!

Yuna: THAT IS AWFUL!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Shendu: We apologize for this!

Kanata: OH MAN! THAT WAS AWFUL!

Mummy: We know, right? And no, we didn't give the creators the Black Gates

Me: We can't do that because they are innocent people. And our code forbids us to destroy the innocent. The mascots destroyed those abominations yesterday.

Himiko: It's a cool story.

Poromon: Yep.

Me: So we went with Blu's idea and did a lawsuit.

Blu: It's true and it was awesome.

Qin: Yep.

Kanata: Wait. They were killed yesterday?

Donna Diego: One abomination by one mascot.

Me: Yep. It was cool.

Qin: It's true.

Lola: Yeah.

THUNDERCLAP!

Me: WHOA!

Unicorn: Ok, that's it. We're finding out what's causing that lightning!

Lincoln: And I think I know! I just had a premonition! That lightning is coming from Linka's Akuma, Thunderflight Angel. The Hypothetical Akuma of Linka Loud and she is a deadly lightning wing angel with intense lightning powers and wings surging with powerful lightning. She was made because of her brothers banishing her to our dimension and vowed to electrocute them to death

WE GASPED!

He showed us the sketch of her and she was an angel with wings surging with intense lightning!

Me: WHOA! She's beautiful and electrifying!

Loki: WOW! And we made her this way because of us banishing her!? Oh man! That is literally horrible!

Kitten: I don't blame her!

Me: Yeah! Well we got to find her.

Nico: Right! Lets go!

We went to the building where the lightning was coming from.

We saw it.

Me: There!

We saw THUNDERFLIGHT ANGEL!

We landed!

Thunderflight Angel: So you made it. Like my little lightning show?

Me: Very Electrifying!

Papillon: Linka? Is that you?

Thunderflight Angel: Yes it's me.

Me: Your brothers aren't like that anymore Linka. They changed.

Camie: I'm confused.

Me: Oh right you guys don't know about this.

Thunderflight Angel: It centers around how you all met me.

Me: Yep.

Nico: I don't think I heard about this.

Me: Well here goes.

I went over what happened in Chapter 35 of Loud House Revamped.

When I was done everyone was shocked!

Nico: WHOA! So that's how you met Linka. And you guys fought over a baseball card!?

Loki: Yeah we literally did.

Me: It was a 1954 Ted Williams Card. It was priced at $50,000.00.

Qin: Just peanuts compared to what we have.

Me: I know.

Nico: I've never been into collecting baseball cards but that is amazing that you guys had one worth that much.

Lola: Yeah!

Thunderflight Angel: Yeah I know.

Eccentro: You need to calm down!

Thunderflight Angel: Not until those brothers learn some manners.

She fierd a blast of lightning and I deflected the lightning back and it hit her.

Me: Then we do it by force.

Nico: (gets out Splash Warfly and Neon Tiger's Ridewatches) Time for this tiger to make a splash!

He activated them and fired waves of light and water and smashed her.

Eccentro charged at her and kicked her down.

Lola: YEAH!

Thunderflight Angel: My turn.

She fired waves of lightning and I deflected it back and hit her.

Then a blast of energy hit Thunderflight Angel and we saw ENAMORUS!

Me: Whoa! Enamorus!

Nico: Where'd that come from?!

Me: Since the Mario missions are done they have to appear from somewhere.

Sonata Dusk: And I think I know who this one is!

She used Telepathy and gasped!

Sonata Dusk: It's Soprano Dusk!

Opera Dawn: Oh man! She's my twin sister!

Lars Loud: Gasp! This is gonna be rough. Lets go help her.

Me: Right.

Me, Lars and Sonata went to face her.

Sonata Dusk: Soprano it's me Sonata!

Lars: And Lars.

All she did was use Springtide Storm

We dodged it and it hit Thunderflight Angel.

Me: Whoa! Looks like we're going to have to face her.

Me, Lars and Sonata fired waves of energy and blasted her all over.

Me: I got this.

I snapped my fingers and she reverted back and was a girl with pink hair, purple eyes, pink angel wings and had Enamorus in the middle of her forehead and had a pink version of Sonata's cutie mark on her arm.

I wrapped her in a blanket.

Soprano Dusk: (Groans) What hit me? (Gasp) Sonata? Sonata!

They hugged.

Soprano Dusk: I thought I would never see you again.

Sonata Dusk: Long story.

Me: You were turned into Enamorus by Dark Gale.

Soprano Gasped.

Soprano Dusk: I remember!

FLASHBACK!

She was in a pink suit and injected and turned into hearts and flew out of the lair and then turned into Enamorus!

FLASHBACK ENDS

Soprano Dusk: That was awful.

Me: I know. We kill Dark Gale soon.

Maria: Lets get you new clothes.

The Fashion Brigade gave her amazing pink clothes and a pink love sword.

Soprano Dusk: I look amazing.

Me: Yep.

We fired waves of energy and blasted Thunderflight Angel and knocked her out.

Me: There we go.

Nico: How did you meet Lars?

Soprano Dusk: I met Lars and helped him in singing for opera. He's really good at it.

Lars: (SINGS REALLY WELL!)

Me: Ooh! Bravo!

Qin: Nice!

Nico: Just like the 3 Tenors.

Qin: Yep.

Nico: Your role in Sonya's team?

Soprano Dusk: I am the Light and Dark Master of the Weather Mages and I also spread love and hate too.

Me: Whoa!

Soprano Dusk: Yep and also I make perfumes.

Me: Ooh! Lola would like that.

Soprano Dusk: That's what I do outside the team

Me: Cool!

Trap Jaw: Now for the fun part

Me: We have the usual battles.

Kanata: Awesome!

Then Goro, Scorpion, Six Gum Gang, Wiggum, Larxene, Whiteout, Evil Green Ranger, Dark Laser, Ghost and Living Laser came.

Nico: Goro, Scorpion, Six Gum Gang, Wiggum, Larxene, Whiteout, Evil Green Ranger, Dark Laser, Ghost and Living Laser.

Goro: So the Crystal Empire is back?

Mortal Kombat Scorpion: Sure looks like it.

Me: Yep. We brought the one from Sunny's world back and resurrected Cadance too.

Goof: I'm happy about that.

Wilbur: Me too.

Dixie: It's about time.

Me: We all are happy about it too.

Wiggum: (to Nico) We heard you killed Madison Storm.

Nico: It was a brutal fight! But it was awesome! J.D. really kicked his butt all over the place.

Living Laser: (to Megan) You should take care of that Honedge

Megan: Oh I will.

Mantor then came.

Me: Mantor, up for another round?

Mantor: I sure am.

Me: Cool.

Mantor: Yep and here's the next Hitotsuki.

We saw the Den-O Hitotsuki! Denoki!

Denoki: Denoki, Hitotsuki of Den-O.

Me: WHOA! Awesome to meet you.

Taro: May we see your human form?

He reverted back and we saw that it was someone that is a true hero!

We saw that it was HARRY STAMPER!

Me: (GASP) Harry Stamper!?

Nico: Oh wow! You're back!

Harry Stamper: It's great to see you all again.

Me: Same here. Harry you gave your life to save the Earth from that asteroid.

Ace: Who is he?

Me: His name is Harry Stamper. He was one of the astronauts that we helped when a HUGE Asteroid over 710 miles wide was on a collision course with Earth. That asteroid was going to destroy the entire planet.

Nico: Yep.

Camie: I heard all about that! That was amazing!

Qin: Yeah it was!

Lola: That was an amazing adventure.

Me: Yep it was almost 3 years ago.

Harry Stamper: That's right.

Me: Yeah. There's even a statue of you erected in both NASA and in the United States Capitol Building in Washington DC.

Harry Stamper: I'm glad there is.

Horsea: Were you brought back as a Hitotsuki?

Harry Stamper: I was.

Me: You must be pissed off about something.

Harry Stamper: I was pissed about being left on that asteroid to die.

Me: You had no other option. The asteroid damaged the trigger and you had to detonate it manually. You did it for your daughter and for everyone.

Harry Stamper: I know.

Nico: And because of that, Earth lived.

Me: You're a hero Harry. You saved everyone from impending doom.

Qin: Yeah.

Harry Stamper: I am glad I did. How are A.J. And Grace?

Me: Happily married and raising 3 beautiful girls.

Harry Stamper: I missed a lot.

Me: You sure did.

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER?!

We got the battles underway.

Scorpion was next.

Scorpion (to Flare Corona): Neo Phoenix Land was where you guys battled Madison Storm. It's actually fitting

Flare Corona: It sure is! And it was a really brutal fight! J.D. REALLY Beat the living crap out of him!

Torch: It was brutal and awesome! They really mangled him all over!

Hanabi: And Lizzy Morris got some well deserve payback on him. He was really infuriated that J.D. and all of us destroyed Horrorland forever. And he was after J.D. for revenge.

Aries: That jerk had it coming!

Sunset Shimmer: Yeah no kidding! We haven't seen anyone so mad and deranged like that!

Firestorm Shimmer: Yeah that was nuts!

Pipsqueak: (British Accent) It was intense.

Sunburn: Yeah that was crazy!

Flare Corona: Yeah they sure did! It was awesome! They had a lot of fun!

Scorpion: WOW! Glad they had fun. Lets do it!

FLARE CORONA! BLITZWOLFER!

Flare Corona: And here is my book.

It was called Flare Corona's Redemption in Fairy Tail. They fired waves of fire and smashed them down.

Kanata: You're not conquering this world at all!

Me: And I'd say it's nice to see you again Ophelia but I would be lying.

Lynn Sr.: That's right! You have survived for far too long!

Ophelia Shroud: I've tried being reasonable, Lynn Sr. And I've also tried being unreasonable. Yet you refuse to submit. Why?! Why won't you just give me your secret ingredient?!

Nico: Because you're a horrible person!

Plankton: And you are in every way like me on Land!

Lynn Sr.: Also you served your food with chum! WHICH IS TOTALLY DISGUSTING!

Me: And a huge health hazard!

Mother Sphere: YUCK! For once I agree with you. Chillers!

An army of Chillers appeared

Me: Chillers! Nice!

I fired waves of fire and blasted them and melted them into nothing.

Then they jumped and pinned the Decker Team down.

The Decker team lay defeated at the hands of the Chillers.

Mother Sphere: (laughs evilly) I'll enjoy killing the rest of you. Ophelia can gladly kill the Louds.

Mother Sphere: WHAT!?

Ophelia Shroud: NO!

Kanata: Thanks for the help, everyone.

Ultraman Ribut: I didn't think we'd get lots of fans.

Marluru: Neither did I

Yuna Shizuma: Let's finish this!

Me: YEAH!

Mother Sphere: You have ruined all of my schemes for the very last time, you will all pay!

Ophelia Shroud: (SCREAMS) YOU OVERGROWN..!

Lincoln howled and summoned wolves who mauled Ophelia Shroud.

Izzy Moonbow: Yeesh! Getting mauled by wolves, that's painful. Namine, Pepperdance, we better get a move on and transform before they do anything else.

Kabuto and Gatack Zecters: Henshin!

HENSHIN!

As the Zecters repeat the battle cry, armor begins to form over the two Riders in hexagonal energy patterns. From this Sojigains silver and black armor with red accents and a giant blue visor, while Arata summons blue and silver armor with a segmented red visor and shoulder mounted guns. But just as the two form their armor, each modifies their Zecter, Soji by pulling the bettle horn back, and Arata by pulling apart the stag beetle's horns. This causes the armor they just summoned to start begins to segment and pull apart from their main suits)

Soji and Arata: Cast Off!

With that, the two completely alter the Zecters, Soji putting the horn on the complete opposide side, opening part of a panel on the Zecter, and Arata bending the horns completely against the Zecter's body.

Kabuto Zecter: Cast Off! Change, Beetle!

Gatack Zecter: Cast Off! Change, Stag Beetle!

With these announcements happening, the armor explodes from Soji and Arata's suits, reveaing Soji's red chestplate and Arata's shoulder swords while folding horns resembling the beetles they use into place on their helmets.

Sasword Zecter: Standby!

So and Shun pressing a button on the top of their belts, causing a track to be revealed behind the silver plate as each catches their Zecters, and as this happens, each Rider grabs their Zecters save Daisuke, who's Zecter just settles into the gun grip, Shun and So slide their Zectors onto their belts, and Tsurugi places his onto his sword

Shun, So, Daisuke, and Tsurugi: Henshin!

Zecters: Henshin.

With that, each Rider starts generating armor like Soji and Arata did earlier, only Shun and So are already battle ready, in suits if silver and brown with yellow eyes for Shun and silver and green with red eyes for So, but with both having a golden extender resembling a grasshopper leg, on Shun's arm and So's leg

Hopper Zecter 1: Change: PunchHopper!

Hopper Zecter 2: Change: KickHopper!

(While Shun and So transform, the armor forms completely for the rest: Tsurugi in a purple and brown armor covered in what look like hydraulic tubes, Daisukein some sort of aviation gear. Daisuke pulls the hammer on his now finished gun while Tsurugi lifts up the tail on his scorpion.

Tsurugi and Daisuke: Cast Off!

Zecters: Cast Off!

And just as with Soji and Arata before them, the armor on these riders starts to break apart before exploding off. Tsurugi reveals a more purple armor as he slams the tail of his scorpion back down, revealing a scorpion tail headpiece over green eyes and generally purple and silver armor. And Daisuke reveals his blue and silver armor with dragonfly wing visor

Drake Zecter: Change: Dragonfly!

Sasword Zecter: Change: Scorpion!

Takumi opens his Faiz Phone and punches in the code 5-5-5 followed by the "Enter" button before closing it

Faiz Phone: Standing By.

Meanwhile, Syuji presses an unseen button on his gun stock device while Takumi closes his phone and holds it to the sky.

Takumi and Syuji: Henshin!

As the call of "Complete" is given, Takumi and Syujiare surrounded by red and blue lines of energy, which consolidate into armor, both primarily black and silver. Takumi's armor has red lines corresponding to the energy lines, and a head resembling the letter Phi, primarily colored silver and black, outlined in red with two huge yellow eyes. Meanwhile, Syuji's armor consolidates as almost all black save the blue energy lines that consolidate onto it, becoming silver for some reason. And this is the primary scheme of the suit, save the large orange eyes resembling the logo on his belt.

Kiba puts on his belt complete with his gun, and pulls out his phone from earlier and enters the code 9-1-3 onto the keypad before swiveling the phone shut.

Kaixa Phone: Standing By.

Kiba: (As he places the phone into the belt, but not enough to activate it) Henshin!

With his battle cry known, Kiba slams the phone down into the belt, initiating the transformation

Kaixa Phone: Complete.

As Kiba initiates the transformation, golden lines of energy form across his body, consolidating into a gold and black suit with violet eyes crossed by an x-like design. With the suit formed, Kiba slides the emblem on his phone that resembles his head off of it, revealing it to be a sort of key-like device. Kiba then removes the x-looking gun from his belt and places the key into one of the arms, causing a yellow light blade to emerge from the bottom of it.

We were amazed by the transformations of Izzy Moonbow, Pepperdance, and Namine, but when Mother Sphere and Ophelia Shroud saw it, they went mad with rage. But, before Ophelia Shroud could try to attack them, Lincoln and his family blasted that madwoman and she went mad.

Ophelia Shroud: (SCREAMS) DAMN YOU! DAMN YOU! IF YOU HADN'T GOTTEN IN MY WAY, I'D HAVE THE WORLD AND EVERY LAST LIVING SIMPLETON ON IT SCREAMING FOR THE SAFETY OF THEIR MOMMIES! I'LL KILL YOU! I'LL FUCKING KILL YOU! YOU HEAR ME, YOU FUCKING LOUDS!

Lincoln: (CRACKS KNUCKLES) Ophelia Shroud, I've had it up to hear with you for the very last time. You've caused us more than enough trouble with all of your schemes, but I can already tell you this: you're never getting your grubby little hands on Dad's recipe book or the secret of Lisa's inventions ever again, this time, we're going to put an end to you once and for all, and this time, you are never ever coming back!

Lisa Loud: I concur. You've had this coming for so many years, Ophelia, I always knew your schemes would result in your mind forever deteriorating so much, you would eventually become only driven by your obsessions and you would never know when to give up. And quite frankly, we're sick and tired of all of your shenanigans and always giving us trouble, this time, we're going to put you down once and for all, and this time, you're never coming back.

Lincoln and his entire family went after Ophelia Shroud, and they proceed to blast her with extremely powerful blasts of rainbow, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit her, and they slashed at her with their massive greatswords leaving bleeding scars on her.

Then, Lincoln and his family pounced on her, and THEY UNLEASHED A HELLISH MAELSTROM OF PAIN ON OPHELIA SHROUD!

LYNN SR. BLASTED HER WITH GRAPE BOMBS AND MANY OTHER FRUIT BOMBS AND HE EVEN FIRED WINE AT HER THAT MADE HER EXTREMELY DRUNK AND INSENSIBLE!

LANCE SMASHED HER ALL OVER THE PLACE WITH HIS MASSIVE SUPERHUMAN STRENGTH AND HIS FAMILY ALSO DID THE SAME TO HER AS WELL!

RITA ELECTROCUTED HER WITH MASSIVE BLASTS OF LIGHTNING AND SHE TOOK SOME PLIERS AND SHE RIPPED EVERY LAST TOOTH OUT OF THAT EVIL GENIUS' MOUTH!

LINCOLN SHAVED OFF ALL OF OPHELIA SHROUD'S HAIR, BLASTED HER WITH ELEMENTAL BLASTS AND LIGHTNING, GAVE HER A WET WILLIE, THREW HER IN A PILE OF DIRTY DIAPERS BELONGING TO HIS INFANT CHILDREN, BASHED HER SKULL IN WITH HIS LEFT FIST, SMASHED HER TEETH OUT WITH ONE PUNCH, AND THEN, SLASHED AT HER WITH HIS GOLD-ARMORED DRAGON CLAWS AND GREATSWORD!

LORI TURNED OPHELIA SHROUD INTO A HUMAN PRETZEL BREAKING EVERY LAST BONE IN HER BODY, AND THEN, SHE TURNED HER INTO AN INSIDE OUT HUMAN SAUSAGE! GRUESOME!

LENI FIRED GRAVITY BLASTS AT OPHELIA SHROUD AND SHE WAS CRUSHED BY THE GRAVITY AND SHE ALSO HIT HER WITH A SANDAL!

LUNA BLASTED HER WITH WATER AND ICE AND SHE PLAYED SO MEGA LOUD ON HER GUITAR, SHE SHATTERED THAT INSANE EVIL GENIUS' EARDRUMS AND RENDERED HER PERMANENTLY DEAF IN BOTH EARS, AND SHE SMASHED HER CYMBALS RIGHT IN HER FACE!

LUAN BLASTED HER WITH LIGHT AND RAINBOWS, AND THEN, SHE THREW OPHELIA SHROUD INTO A MINEFIELD MADE OF HER EXTREMELY DEADLY APRIL FOOLS' PRANKS AND SHE REALLY REALLY GOT MANGLED!

LYNN BLASTED HER WITH LAVA AND EARTH, AND LIKE LINCOLN, SHE SMASHED HER ALL OVER THE PLACE WITH HER SUPERHUMAN STRENGTH AND SHE EVEN GAVE OPHELIA SHROUD A NASTY DUTCH OVEN! GROSS TO THE MAX!

LANEY BLASTED HER WITH RAINBOW FIRE AND SHE EVEN LASHED AT HER WITH POISON IVY VINES AND SHE WAS SCRATCHING HERSELF RAW ALL OVER THE PLACE!

LUCY BLASTED HER WITH DARK FIRE AND DARKNESS AND SHE FIRED A BLAST OF DARK LIGHTNING THAT MADE OPHELIA SHROUD'S WORST NIGHTMARE COME TO LIFE: ALL HER PLANS FAILED AND SHE WAS NOW MADE AN OUTCAST OF THE WORST ORDER!

LANA BLASTED HER WITH ICE AND SNOW FREEZING HER IN A BLOCK OF ICE WHICH SHATTERED FROM A PUNCH LANA GAVE, AND SHE EVEN DUMPED MUD INTO HER PANTS! GRODY!

LOLA BLASTED HER WITH FIRE AND GAVE THAT EVIL GENIUS A NASTY CASE OF THIRD-DEGREE BURNS AND SHE EVEN GAVE OPHELIA SHROUD A NASTY WEDGIE!

LISA BLASTED HER WITH LIGHTNING AND SHE EVEN FIRED GEARS AT HER WHICH REALLY LEFT SOME MARKS, THEN SHE THREW CHEMICALS AT HER WHICH EXPLODED AND LEFT SOME REALLY NASTY BURNS!

LILY BLASTED HER WITH SCALDING HOT GLOWING WATER AND THAT MADE THE BURNS HURT EVEN MORE!

LEE, LYRA, AND LIBERTY POUNCED ON AND SMASHED OPHELIA SHROUD ALL OVER THE PLACE AND THEY BLASTED HER WITH FIRE, LIGHTNING, AND MAGIC!

ERIC, LANDON, AND HAN BLASTED HER WITH CRYSTALS AND FIRE AND SHE REALLY GOT MANGLED!

ALBERT, SAMUEL, AND MYRTLE SMASHED HER ALL OVER THE PLACE! THAT'LL TEACH HER TO RESPECT HER ELDERS!

MY JAW AND NICO'S JAW AND EVERYONE ELSE'S JAWS DROPPED TO THE FLOOR!

CLANG!

ELI PUT OUR JAWS BACK!

Me: HOLY FUCKING SHIT! THAT'S JUST BRUTAL!

Nico: You said it! Jeez, the whole Loud Family really bashed her brains in!

Qin: I think it's gonna get a lot worse!

Lincoln: (Smirks) Let's send her on a little trip to The Sushimaker!

Loud Family: YEAH! SUSHIMAKER! SUSHIMAKER! SUSHIMAKER!

Everyone: THE SUSHIMAKER! (SCREAMS IN TERROR)

Lincoln grabbed Ophelia Shroud by the collar of her shirt and he made The Sushimaker appear, and then, he tossed her in, and what followed was her screaming in so much pain and terror and we saw the horrors of what she was forced into in The Sushimaker and it's so graphic, we can't even begin to describe it! But, when it was done, Ophelia Shroud was mangled up and beaten up, and she had tons of broken bones, missing teeth, black eyes, broken eardrums, and she looked really horrific!

Me: OH! OH! OH, NOW, THAT'S PLAIN NASTY!

Nico: Jeez! Brutal!

Ophelia Shroud: Ouch!

Qin: You know what they say, Ophelia Shroud, karma's a bitch!

We laughed!

Mother Sphere: Ophelia Shroud, you stupid loudmouth!

Ophelia Shroud: SHUT THE FUCK UP!

OPHELIA SHROUD FUCKING SNAPPED AS SHE TURNED AGAINST MOTHER SPHERE AND SHE THEN PROCEEDED TO ATTACK HER BRUTALLY, BUT BEFORE SHE COULD STAB HER IN THE HEART WITH A KNIFE AND SHE WAS CACKLING MANIACALLY AND INSANELY, LINCOLN FIRED A DRAGON OF PURPLE ENERGY AND IT HIT OPHELIA SHROUD AND SENT HER FLYING INTO A TREE AND GOT HER OFF OF MOTHER SPHERE AND TRAPPED HER INSIDE A POWERFUL ENERGY BARRIER AS SHE SCREAMED IN PURE RAGE!

Nico: I don't believe it, Ophelia Shroud's fucking snapped!

Me: She tried to deny us the chance to kill Mother Sphere, that does it! That insane madwoman is going down to Hell!

Getting the idea, Syuji assembles his gun then slides the emblem of his face off the belt and into the top of the gun, causing the barrel to extend before activating the microphone on the Delta Phone

Syuji: Check.

Delta Phone: Exceed Charge.

As Syuji shoots his gun at Mother Sphere, Takumi takes up the Faiz Blaster and inputs the code 5-5-3-2 into it, followed by the "Enter" button.

Faiz Blaster: Exceed Charge!

As the simultaneous activation concludes, Mother Sphere is surrounded by a trio of energy cones: one red, one gold, one blue; each matching the Riders who created them. With their energy cones formed, Takumi, Kiba and Syuji leap into the air, Takumi assisted by the jetpack on his back, and each enter their respective energy cones, Takumi and Syujiwith one foot, Kiba with both feet. The energy cones begin to rotate as they hit their mark. After a few seconds of impact, Takumi, Kiba and Syuji phase to the opposite side of their kick.

We then turned to the barrier with the angry and now deranged Ophelia Shroud inside it.

Lincoln: And now, we got one final piece of business to take care of Ophelia Shroud.

Ophelia Shroud: THAT'S IT! I'M GOING TO MAKE YOU ALL PAY!

Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with rainbow, white, golden yellow, and blue energy that protected all of us from Ophelia Shroud who tried to destroy the barrier with laser blasts but we absorbed the energy and it made us stronger, then she tried to destroy it with her fists, but it didn't work, and her fists wound up getting bloody and her bones shattered.

Namine: Seriously?! You're still at it again?! Well, I shouldn't be that surprised though.

Pepperdance: That's true, she's still as violent and insane as ever.

Izzy Moonbow: But, don't worry, we're going to kill you and make sure that your name is entirely forgotten and you'll be nothing more than a forgotten memory.

Suddenly, the eyes of Izzy Moonbow, Namine, and Pepperdance turned neon purple, neon blue, and neon green, and they were surrounded by colored energy auras with stars, light, fire, flames, peppers, magic, Alicorns, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Ophelia Shroud, they left colored energy, stars, light, fire, flames, peppers, magic, Alicorns, phoenixes, and angels with every step.

Izzy Moonbow: Even after all this time, you're still nothing more than an absolute monster, Ophelia Shroud. But, no matter how many times we kill you, you always come back for more, and it's no wonder why Lincoln and his family despise you for what you tried to do in stealing Lynn Sr.'s recipe book and the secret of Lisa's inventions, so that you can take over the world.

Pepperdance: But, then, your insane plans failing one after another led you down into madness, and you became a total threat to everyone around you and you now want nothing more than to kill The Louds

Namine: Even to this day, you disgust us, Ophelia Shroud. Now that we're done with Mother Sphere, it's your turn to die here and now, and this time, you are never ever coming back from the dead.

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Ophelia Shroud, and he proceeded to brutally smash her into the ground with his massive brute superhuman strength, slashed her with his gold-armored dragon claws, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at her, and it was brutal, and he fired a rainbow energy beam that shattered the Monitor Orb in her forehead and it shattered, and not only did we get a massive power boost, but Ophelia Shroud was screaming in agonizing pain as she held her head in pain.

Lisa Loud: See you never, you brainless insane monster of madness.

Nico: See you never, bitch.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Griffin flying in the skies as it left a trail of wind gusts and we felt a breeze blow through us.

Selene Arcangela: (GASPS) The Griffin...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Gina Griffin, Avatar of The Griffin.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Gina Griffin, Avatar of The Griffin, is Lincoln's Guardian Angel and she's known as The Griffin Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Serena is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Griffin. She was born to a family of Griffins during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Griffin, along with immortality and she also mastered the powers of The Griffins, and she'd fought to protect the Griffins from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Griffins, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Griffins and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Griffins and be blown away by the winds!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: Blown away in the winds. And now, we got to ready for tomorrow, The War Against Dark Gale is on along with The War Against The Midnight Princesses.

Me: That's right. (Eyes turn red) Get ready, Elise Elexton, we're coming for you, and we're going to make you pay for all of your crimes, you evil bitch!

Lincoln: (Deep Sapphire Blue Eyes turn red) And the same goes for you and the rest of The Midnight Princesses, Morgana Midnight Sparkle.

Tara punched Sphere-Megalothor!

She punched him all over and fired lightning blasts.

Lucy, Brittney and Dora fired waves of darkness and blasted him and the exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOO

Tara Duncan: Oh yeah! To quote Nico, Sphere-Megalothor you have failed this world!

Brittney: You're learning fast.

Tara Duncan: What do you guys wanna do now?

Lucy Loud: I got a deck of fortune telling cards.

Tara Duncan: Cool.

They gathered round.

We later returned.

Me: Wow! That was awesome!

Larxene: Mother Sphere has been destroyed.

Nico: Yep.

Whiteout: And Ophelia Shroud has been vanquished.

Tara Duncan: We'll be waiting. Good luck in the Ridonculous Race tomorrow. The competition is gonna be brutal.

Me: Thanks for telling us Tara.

Kanata: Yep.

Kanata and Tara high fived.

Me: Remember this Tara, if any vampire starts pushing you around, tell them this. You obviously do not know WHO YOU ARE FUCKING WITH!

Tara: YEAH!

Dark Laser: Now what?

Ghost: Let's take a selfie of this moment!

We did so.

Nico: Boy that was awesome! Great job everyone! Izzy, Pepperdance and Namine you all did great!

Pepperdance: Ooowee! That was fun!

Lola: It sure was.

Izzy Moonbow: (To the viewers) WOOHOO! We all had a great time on this one! YAY!

Qin: We sure did!

We returned home, and we helped Kanata and his team settle in and we got ready for tomorrow: the day of The Ridonculous Race and The War Against Dark Gale and The Midnight Princesses. Then, as the sun set and night fell on the city, Pepperdance and Izzy Moonbow and the rest of Lincoln's harem were heading to bed after an awesome mission and party to celebrate the end of Izzy Moonbow's big day mission.

Izzy Moonbow: That was a really awesome mission!

Girl Jordan: You said it, plus, we finally got rid of Ophelia Shroud forever.

Pepperdance: Hoowee! You said it, she deserved to die big time.

?: Glad you all enjoyed the show.

Suddenly, Lincoln's harem entered into Lincoln's room, and they saw Lincoln lying on his super extra-extra-extra-extra large bed fit for his expanding harem and he was only in a pair of large red underwear, and when they all saw Lincoln, his harem had massive atomic red blushes on their faces, hearts in their eyes, and their noses were really gushing upon seeing their hotter, sexier hulking hunk of a future husband.

Lincoln: (Seductive Voice) Like what you see, ladies?

Lincoln's Harem: (In Heaven) Oh yeah.

Lincoln made clones of himself and they walked up to his harem and they wrapped their abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces as their chests pressed against the massive pecs of Lincoln and his clones and their stomachs pressed against their ten-pack abs, which'd brought an atomic red blush to the faces of Lincoln and his clones, and they shared a deep passionate and romantic kiss as the girls placed their hands on the massive pecs of Lincoln and his clones.

Izzy Moonbow: (In Heaven) Uh oh, I can tell you're an even more happier mood after getting rid of Ophelia Shroud, and you're in for a wild night with us.

Lincoln: (Seductive Voice) You guessed it. Alright, ladies, hope you're all ready for one...wild...night.

Lincoln's harem went inside Lincoln's room and Lincoln used one of his eleven massive and long brown wolf tails to close the door to his room and the barrier came on.

Meanwhile, across the globe in The Carpathian Mountains in Romania, the seal that was put up by Lincoln and The Daydream Princesses to keep The Midnight Princesses trapped in The Netherworld began to glow demonic red, and then, it shattered, and within the mist are many figures with demonic wings spread out and they were cackling insanely!

THE SEAL HAS BEEN BROKEN AND THE MIDNIGHT PRINCESSES HAVE RETURNED AND TOMORROW, THE WAR TO DESTROY THE MIDNIGHT PRINCESSES ALONG WITH DARK GALE IS FINALLY ON!

UH OH!

TO BE CONTINUED...

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the north of Gotham Royal York, and we got bad news: it appears that Dr. Regal and Dr. Gero, the two mad scientists and the former members of Team Rocket have returned from the dead and they want revenge on us. But, we're going to destroy them both and send them to The Black Abyss, and Lincoln's also going to send a very explicit and brutal message to that fucked-up genocidal lunatic, Kurata, telling him that he'll be joining his two cohorts in The Black Abyss very soon in the future, and we're going to meet the next Avatar of The Mythical Beasts, her name is Gina Griffin, Avatar of The Griffin, she's Lincoln's Guardian Angel and she's known as The Griffin Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Serena is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Griffin. She was born to a family of Griffins during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Griffin, along with immortality and she also mastered the powers of The Griffins, and she'd fought to protect the Griffins from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Griffins, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Griffins and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Griffins and be blown away by the winds!

THE RIDONCULOUS RACE IS ON! We're going to the Pokemon Regions for this one and first we're going to Kanto and we're going to battle Hro during Hawkgirl's day to shine.

SEE YOU ALL NEXT TIME

RIDONCULOUS RACE 2024 PART 1 - KANTO 1

THE RIDONCULOUS RACE IS ON!

Kanto Region Part 1

At the estate, me, Nico, Laney, Lincoln and Camie were looking at the stars from our observatory.

Me: Nothing like looking out at the stars huh?

Laney: You said it. Look how they float in the sky like that.

Camie: Like diamonds.

Me: Yep.

Laney: Ooh look at all the nebulae. They are so beautiful. WHOA! Look at this one.

Laney saw a nebula in the shape of the Star of Satan!

I looked.

Me: Whoa! That one looks like the Star of Satan!

Lincoln: Let me see!

Lincoln saw it and it was a very ominous warning!

Lincoln: I think it's a sign. An omen!

Me: Lets head to the library and consult Nostradamus' book.

Nico: You think it's like what we saw with the Devil Nebula?

Me: It must be.

We went to the library and got the book and then flipped the pages.

Me: Lets see here.

I scrolled to the Nebula page.

Me: Lets see. Here it is! (Reading) "A Nebula in the shape of the Star of Satan means The Coming of The Midnight Princesses!"

WE GASPED!

Nico: (GULP) Oh no.

Lincoln: Just like I predicted!

Me: Yep. "At Midnight on the eve of the Spring Solstice, The seal that holds the Midnight Princesses in their prison will break and the Princesses will Return to Exact their Vengeance Upon the land!"

Nico: OH MAN!

Nico looked at his watch and it was 12:15 AM.

Nico: OH NO! They were released from their prison!

Lincoln: After 7 years they waited for this day!

Me: The time has come. Now we can battle them one at a time and defeat them during the Ridonculous Race.

Nico: Yep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had two dreams: one of the dreams took him to Reefside, and as he was flying, he saw The Tyrannozord, Tricerazord, Pterazord, Brachiozord, Dragozord, Stegozord, Cephalazord, Dimetrozord, Parasaurzord, Ankylozord, and Styracosauruszord, and then, he saw eleven girls with said Dino Zords on their foreheads and clothes, but then, he went into his second dream, but this one wasn't good at all: his dream took him back to the foothills of The Carpathian Mountains, and as he was flying, he saw that the rainbow version of The Seal of Harmony, the magical seal he and The Daydream Princesses had put after they'd defeated The Midnight Princesses in Royal Woods seven years ago had been broken, and it was a dark sign that Morgana Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer have escaped. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Catherine Fontaine: Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream: Morgana Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer have finally escaped!

Selene Arcangela: Without a doubt, and the first dream you had. Oh man! Lincoln, what you just told us, there's no doubt about what you just saw in your dream: that was The Dino Thunder Squad.

Nicholette Torrington: It's been a very long time since we've last seen them.

Michelle Emperyous: It sure has.

Paige: I had no idea they're also members of The Dino Thunder Rangers, that's so awesome. Connor, Kira, Ethan, Tommy, and Trent are in for a huge surprise tomorrow.

Lincoln: You got that right. Well, we better brace ourselves for tomorrow.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my first dream took me to Reefside, and as I was flying, I saw The Tyrannozord, Tricerazord, Pterazord, Brachiozord, Dragozord, Stegozord, Cephalazord, Dimetrozord, Parasaurzord, Ankylozord, and Styracosauruszord, and then, I saw eleven girls with said Dino Zords on their foreheads and clothes.

Nico: Wait, what? Gene-Slammers of The Dino Thunder Zords?! Unreal! Who are they?

Lincoln: They're The Dino Thunder Squad.

CONNOR AND THE OTHERS GASPED IN SHOCK!

Connor: No way! The Dino Thunder Squad!

Ethan: It's been a long time since we last saw them.

Kira: And now, we know why they went missing: Team Rocket.

Tommy Oliver: Figures they'd be behind this.

Trent: They really are lowlives.

Me: That's so awesome, and what about your second dream, Lincoln?

Lincoln: My second dream is not good: my second dream took me back to the foothills of The Carpathian Mountains, and as I was flying, I saw that the rainbow version of The Seal of Harmony, the magical seal I and The Daydream Princesses had put after we'd defeated The Midnight Princesses in Royal Woods seven years ago had been broken, and it was a dark sign that told me that Morgana Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer have escaped.

WE GASPED IN HORROR!

Me: So, The Midnight Princesses have escaped! Not good! But, it's time to finally put them down once and for all!

Connor: The war's finally begun. So, when's our Dino Thunder Squad going to show up?

Lincoln: They should be arriving (Looks at his Swiss Watch merged with his left gold Bracer of The Champions of The Universe on his left wrist) Right...now!

Suddenly, we saw the Tyrannozord, Tricerazord, Pterazord, Brachiozord, Dragozord, Stegozord, Cephalazord, Dimetrozord, Parasaurzord, Ankylozord, and Styracosauruszord appear and our rainbow, white, golden yellow, and blue energy auras flared up as we suddenly gained a massive power boost, and then, tornadoes of colored energy and elements appeared, and then, the tornadoes disappeared and in their place were eleven girls who were tall at 7'0" in height, they have the bodies of a goddess and large breasts, long colored hair, the Dino Thunder Zords on their foreheads, skirts, and blouses, blue eyes, massive colored angel wings, white short-sleeved blouses, colored clothes, long white sleeveless trenchcoats with stars, elemental forces, animals, phoenixes, and angels on the coattails, and on the back are the Tyrannozord, Tricerazord, Pterazord, Brachiozord, Dragozord, Stegozord, Cephalazord, Dimetrozord, Parasaurzord, Ankylozord, and Styracosauruszord, and they have greatswords in hand.

Lincoln: (GASPS) Paprika Nursehero, the Tyrannozord Gene-Slammer, Min Jing Qiao, the Tricerazord Gene-Slammer, Minnie Miratisa, the Pterazord Gene-Slammer, Fuu Birdhero, the Brachiozord Gene-Slammer, Melona Wheelhero, the Dragozord Gene-Slammer, Noriko Ninjahero, the Stegozord Gene-Slammer, Fujiko Todoroki, the Cephalazord Gene-Slammer, Georgia Staractor, the Dimetrozord Gene-Slammer, Cathy Essaywriter, the Parasaurzord Gene-Slammer, Thursday X, the Ankylozord Gene-Slammer, and Hilary Technoshock, the Styracosauruszord Gene-Slammer.

Connor: They're here! Our Wild Force Brigade's returned!

Kira: Awesome!

Me: No way, that's so awesome! And Lincoln, you know them?

Lincoln: Indeed I do.

Connor: And so do we and the rest of the team. Everyone, meet Paprika Nursehero, Min Jing Qiao, Minnie Miratisa, Fuu Birdhero, Melona Wheelhero, Noriko Ninjahero, Fujiko Todoroki, Georgia Staractor, Cathy Essaywriter, Thursday X, and Hilary Technoshock, the Gene-Slammers of The Tyrannozord, Tricerazord, Pterazord, Brachiozord, Dragozord, Stegozord, Cephalazord, Dimetrozord, Parasaurzord, Ankylozord, and Styracosauruszord.

Me: WHOA!

Tommy Oliver: And it gets even better, these eleven girls are Lincoln's Guardian Angels from Japan and classmates in Math, and they're also part of the Dino Thunder Power Rangers, and here's where it gets really interesting, what most people don't know is that Lincoln's part of The Dino Thunder Squad as well.

OUR JAWS DROPPED TO THE FLOOR AT THIS SUDDEN REVELATION!

CLANG!

ELI CLOSED OUR JAWS!

Nico: Wait, what?! Lincoln's also part of The Dino Thunder Power Rangers too.

Paprika Nursehero: We already saw his Orange Dino Thunder form, and it's really awesome!

Kira: And you guys are gonna be surprised when you find out which member of The Dino Thunder Squad is related to in Lincoln's harem: Paprika Nursehero is Cinnamon's twin sister and she's also a Reploid with pink hair and red clothing with t-rex on it, Min Jing Qiao is Mei Ling Qiao's twin sister with red hair and blue clothing with triceratops on it, Minnie Miratisa is Lumie Miratisa's twin sister with blue hair and yellow clothing with Pteranodons on it, Fuu Herobird is Feng's twin sister with red and blue hair plus red and blue and black clothing with Brachiosaurus on it, Melona Wheelhero is Carol's (Skullgirls) twin sister with blue hair and white clothing with Tupuxuara on it, Noriko Ninjahero is Marino's twin sister and is also a Reploid with green hair and crimson and blue ninja clothing with Stegosaurus on it, Fujiko Todoroki is Fuyumi Todoroki's twin sister pink hair and purple clothing with Pachycephalosaurus on it, Georgia Staractor is Florence's (Skullgirls) twin sister with green hair and blue clothing with Dimetrodon on it, Cathy Essaywriter is Aileen's (Skullgirls) twin sister with blue hair and yellow clothing with Parasaurolophus on it, Thursday X is Tuesday X's twin sister with pink hair and orange clothing with Anklyosaurus on it, and Hilary Technoshock is Giffany's twin sister with orange hair and red clothing with Styracosaurus on it.

Me: Whoa!

Trent: And as Tommy said, they're also part of the Dino Thunder Squad, a team extension of The Dino Thunder Power Rangers, but they also discovered something really bad, it appeared that Team Rocket got their hands on the DNA of The Zords, the plot twist: it turns out that genocidal fucked-up mad scientist, Dr. Akihiro Kurata, Dr. Regal, and Dr. Gero have even stolen the DNA of the Zords from the Super Sentai teams and Power Rangers teams for Team Rocket.

WE GASPED IN HORROR!

Me: That genocidal fucked up madman! Kurata, Dr. Regal, and Dr. Gero are going to pay for this!

Lincoln: We'll save Kurata for the main day missions, but Dr. Regal and Dr. Gero will be the first ones to go.

Kira: That's for sure, and the entire Dino Thunder Squad and Lincoln helped us battle Mesogog and his goons.

Min Jing Qiao: And there's no doubt Mesogog's back along with Zeltrax.

Lincoln: When we face them on Connor's big day, we'll destroy them both and send them straight to The Black Abyss.

Paprika Nursehero: Awesome!

Ethan: And Lincoln made The Dino Thunder Squad bikinis based on their favorite colors and dinosaurs, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry the entire Dino Thunder Squad along with the rest of his harem, and they hate the jerks and perverts with a blazing passion.

Me: I can't wait to get rid of Mesogog and Zeltrax once again, those two are done running loose.

Lincoln: Yep, and luckily, we'll make sure Smitty and Anton Mercer are kept safe from those two.

Minnie Miratisa: That's good, I don't want them to get hurt by them again.

Suddenly, Lincoln made seven clones of himself, and while he pinned Paprika Nursehero to the floor, his clones also pinned the other seven to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his already flared up rainbow energy aura with elemental forces and mythological animals had flared up even more extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln and his clones slowly unlatched their fangs from their right trapezius and the marks sealed up and Lincoln and his clones kissed the spot where they bit them and helped them up, and they also had eight Elemental Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and twenty-three white and gold accented Elemental Thunderbird Choker of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Then, he and the clones helped them up and the clones vanished.

Fujiko Todoroki: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And we had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, even more handsome, and extremely manly rugged heartthrob hunk of a man and wolf, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Lincoln had a blush on his muzzle.

Lincoln: Sorry about that.

Nico and I snickered.

Me: Lincoln, you really are a sly wolf.

Girl Jordan: But, he's our sly wolf and an awesome husband.

Lincoln had another blush on his muzzle as his harem hugged him, and he returned it.

Lincoln: Alright, we should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

Hawkgirl woke up to see Pidgeot staring at her.

Pidgeot: Morning Shayera.

Hawkgirl: Morning Pidgeot.

Pidgeot: Time for breakfast.

Hawkgirl: I hope we aren't having bird seed.

Pidgeot: No way! I think that's an offensive stereotype for Thanagarians. But we're having french toast and waffles.

Hawkgirl: That works.

She went and got dressed and we were having french toast and waffles.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Later it was time for the rescue and the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12381.3: The U.S.S. Valorous Phoenix is en route to the planet Chikyu for another awesome and fun rescue and we have a really strong feeling that this is gonna be just as fun as all the others.

Nico: Just like on TV.

Qin: Yeah.

Sakura Knudson: It sure will be awesome.

Lola: Yeah!

Nico: Ultimate Spidermonkey, I want to thank you, Mutant Gorilla, and your teams for coming

Ultimate Spidermonkey: No problem Nico. This is gonna be fun and cool.

Konan: I'm excited for all this.

Yoruichi: Same here Nico. It's gonna be fun and cool.

Nico: Yoruichi, what do you like to do in your free time?

Yoruichi: Haven't given it a lot of thought. Being a Shinigami, I'm pretty busy.

Me: It'll come to you.

Orihime: Yeah. But it's great that we get to be part of a team too.

Rangiku: It sure is. I can't wait to kick some bad guy tail.

Me: We're glad you all can join us.

Nico: I'm sure you'll figure something out.

Me: Yeah.

Yoruichi: If I were to pick something it would be a swimsuit model.

Qin: Ooh! Just don't let any perverts look at you.

Nicole: I'll make sure they don't.

Yoruichi: Thanks guys.

Me: You're welcome. Wow! Izzy you and Namine and Pepperdance did great yesterday!

Izzy Moonbow: WOOHOO! That was so much fun!

Namine: I thought it was fun as well

Me: Same here.

Xenia: Yeah! Now Mother Sphere and Ophelia Shroud are both forgotten memories.

Plankton: That is for sure.

Lynn Sr: Ophelia won't trouble my family anymore!

Me: No way, no how, not ever again Mr. Lynn.

Lynn: You said it!

Qin: Yeah!

Me: That was still fun.

Plankton: Unlike her, I've seen the error of my ways!

Me: Yeah! No kidding!

Nico: Now that makes Sunny and Izzy done with their ambassador missions.

Twilight Sparkle: That makes my legacy and Pinkie Pie's legacy done with their missions.

Pinkie Pie: That is amazing!

Lola: It sure is!

Nico: Yep. Before we land on Chikyu, I want to go over how the Ridonculous Race for this year is gonna go.

Me: Lay it on us.

Nico: There are 6 Pokemon regions. Kanto, Johto, Hoenn, Sinnoh, Unova, and Kalos. There are 2 bases in each region.

May: Whoa! So we found 2 Dark Gale Bases in my neck of the woods.

Dawn: And 2 in my home.

Iris: Same with me.

Serena: And me.

Me: And their main base is located in the Solomon Islands.

Nico: Yep. So throughout these next 12 days we're going to battle 2 bases in each of the 6 regions and then on the final day, head to the Solomon Islands for the Final Showdown on Day 12.

Me: Nice.

Qin: Yeah.

Me: Good thing, Alola, Galar and Hisui are not part of it.

Flurry Heart: Including Arizona where my missions were held.

Nico: Yeah. And Pokemon Park. Now that I've established this, we're here.

Lisa Loud: We did arrive at our Destination.

Nico: On screen.

We saw that we were at Chikyu.

Me: Here we are.

Nico: We're going to meet up with Jeremie and the King Ohgers at Shugoddam and then once we get the rundown we're going to Jeremie's kingdom for the rescue.

Horsea: Great!

Me: I hope the King Ohgers still aren't shaken up about the truth of Blood and Honey being revealed too soon.

Nico: Yeah.

We got to landing and we landed outside of Shugoddam and we went into the kingdom.

Me: Wow!

Varie: Gira's kingdom is amazing.

Nico: It sure is. We were amazed when we were here the first time.

Gira: Hey guys!

Me: Hey Gira. Awesome to see you all.

Lana: Glad we all can be here again.

Gira: We have a lot to tell you.

We went into the castle.

Me: Are you guys still shaken up about seeing the Blood and Honey versions of Pooh and friends appearing with Evil Himiko?

Gira: Not really.

Racules: But we still would like an explanation of their origin when Lana's big day comes

Nico:...you guys are in for a crazy sight then.

Me: Well it's not gonna be pretty. But that aside you guys should be really proud of the mascots. They had an amazing day to shine 2 days ago. They did amazingly well against their enemies from the past and the Blood and Honey Versions of Pooh and Friends.

Hymeno: Itachi told us yesterday and we are so proud of them.

Me: We are too.

Rita Kaniska: We're sorry you had to kick out Sergio.

Me: I know. Sergio breaking out the mascots enemies was the final straw that broke the camels back.

Gira: (to the mascots) You guys aren't having nightmares about your enemies, are you?

Poromon: Not at all! Eddy tested us and we are not scared anymore of them.

Poliwag: Yeah! We're cured of all that.

Izzy Moonbow: And we're really happy for them.

Camie: We sure are.

Hymeno: That's great!

Me: Yep. Sorry you had to hear about Lana eating Oogie's bugs like that Hymeno. I didn't know it would make you turn green around the gills.

Hymeno: It's okay.

Qin: Good.

Hymeno: But as soon as Lucy's Mission is done, I hope you guys immediately go after Ursula!

Me: I hope so too!

Ariel: That is for sure! That witch will pay for everything she did to my kingdom!

Eli: Especially with hiring Davy Jones to kill Athena!

Me: Yeah!

Jeramie: We should get down to business. We got word that there's a princess in my kingdom.

He showed his kingdom and it was a scary volcano mountain kingdom.

Me: Whoa that is a scary volcanic mountain wasteland.

Jeramie: I will lead the way.

Me: Okay.

We were off.

We later arrived at Jeremie's kingdom and it was a REALLY FRIGHTENING place.

Me: Whoa! So this is the Bugnarok Kingdom.

Camie: Scary place.

Me: Like something out of the fires of Hell.

Jeramie: It sure is. But look there.

He pointed to a town in front of an ALL TOO Familiar mountain.

Gira: How long has that been there?

Nico: No idea.

Jeremie: It just suddenly appeared.

Me: Wait a second. I know that mountain. (GASP) That's bald mountain! Then that must mean!?

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Chikyu again to rescue another amazing princess: but here's the emergency, it appears Chernabog, The Disney Devil, has returned!

WE GASPED!

Me: WHAT?! CHERNABOG'S BACK?!

Nico: Oh man, I can't believe it!

Lincoln: I was stunned to find out Chernabog had returned once more, but we're ready for him once more.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected The Red Falcon Organization, Black Viper, Claudius, and Colonel

Bahamut and sent them after us.

Lincoln: You have got to be kidding me! Morgana, you little...!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected The Red Falcon Organization, Black Viper, Claudius, and Colonel Bahamut and sent them after us.

Me: WHAT THE?!

Nico: Oh man, now they're really coming at us with a fucking vengeance. Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: Luckily, all of us are out in full force.

Lori: So, we're finally going to kill Chernabog once and for all, and I can't believe Morgana and her minions have brought back The Red Falcon Organization, Black Viper, Claudius, and Colonel Bahamut, she really is insane.

Lincoln: Now that they're running free once again, the resurrections of my old enemies will become even more frequent, but I'm ready for them.

Hymeno: Who is Chernabog?

Me: Walt Disney's version of the Devil. He first appeared in the 1940 film Fantasia and he was part of the segment for the world famous musical called A Night On Bald Mountain by world famous Russian Composer, Modest Mussorgsky.

I went over his history

Chernabog is the main protagonist of the Night on Bald Mountain/ Ave Maria segment of Walt Disney's 1940 third full-length animated feature film Fantasia. He is the tyrannical ruler of a dark realm called

Bald Mountain, where he summons demons and damned souls to sacrifice and do his bidding.

In House of Mouse, he was voiced by Corey Burton, who also voiced the Hatbox Ghost in Disney Parks' "Haunted Mansion" attraction, Captain Hook and Shan Yu in Kingdom Hearts, Brainiac in the DC Animated Universe, Megatron in Transformers: Animated, Scarecrow in Batman: Gotham Knight, Quint in Disney's Timon & Pumbaa series. and Count Dooku in Star Wars: The Clone Wars.

Chernabog is seen rising from the top of Bald Mountain, where he opens his enormous wings, extends his arms, and summons spirits from the lands below, including the ghosts of soldiers, criminals, and those not buried on sacred ground. Using the souls, Chernabog awakens Bald Mountain, summoning fire and demons from its maw.

He proceeds to amuse himself by forcing the demonic figures to dance for him. He creates beautiful dancers out of fire, then wickedly transforms them into vile barnyard animals. Chernabog proceeds to summon Harpies to grab other demons and toss them into the hellish inferno of Bald Mountain, and joins in himself by bringing forth life, then proceeding to kill it again by tossing it into Hell. The madness accumulates into a massive infernal flash.

As Chernabog prepares to continue his wickedness, he is suddenly interrupted by the sound of church bells and the light of dawn. Though he attempts to resist it, the bell tolling and morning light become too much goodness for him to withstand, causing the ghosts and demons to retreat. Disgusted, Chernabog folds his wings back over his body to protect himself from the sunlight, hiding in Bald Mountain as the sun rises and a church choir sings "Ave Maria", hailing and praising the Lord God and Mother Mary.

When I was done everyone was shocked!

Hymeno: OH MAN! So he's one of the very first Disney Villains!?

Me: Yep. Chernabog is Raw Evil whereas Maleficent is PURE EVIL!

Nico: Out of all the villains of Disney, Maleficent is the worst of them all.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Chernabog) AHA! There you are, you demon of Hell! I just spotted Chernabog, he's 20 yards away and is fighting the princess there. (Sensed The Red Falcon Organization, Black Viper, Claudius, and Colonel Bahamut) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Sakura Knudson: I'll never forget seeing Chernabog! Every time I heard that song A Night On Bald Mountain, it sends shivers of fear down my spine. I introduced Swartz to it and he got scared too.

Nico: GEEZ!

Me: Yeah! That was creepy.

Camie: It sure was.

Konan: Now the Angel of The Rain is gonna power up against him too.

Me: Yep.

Spiderman heard a Pokemon cry.

Spiderman: Look here!

We saw a Galvantula!

Me: Cool Galvantula!

Jeramie: Fitting for you Spiderman.

Galvantula: Yeah. I'm hungry.

We gave it apples.

Me: There you go.

Spiderman: Wanna come with us?

Galvantula: Sure!

Qin: Cool!

Lola: Whoa look!

We saw a Volcarona!

Me: Cool! Volcarona!

Nico: What's that doing here?

Me: No idea.

Daring Do: I think I might know.

She used Telepathy and gasped!

Daring Do: That's my sister Phoenix Temple!

Rainbow Dash: You have a sister Daring!? That is so awesome!

Me: We better go help her then!

We went to face her!

Daring Do: Phoenix it's me Daring!

All she did was charge at her and Daring jumped and did a flip.

Me: Looks like we got to do this the hard way.

Me and Rainbow and Daring fired lightning blasts and blasted her.

Me: Now for this.

I snapped my fingers and she reverted back. She was a girl with red, orange and yellow hair and had purple eyes and had Volcarona in the middle of her forehead and had phoenix angel wings and had an orange and red version of Daring Do's cutie mark on her arm and we wrapped her in a blanket and brought her over.

Me: There!

Nicole: Wow! I bet she is an amazing adventurer like you Daring.

Daring Do: She's just as good as me Nicole.

Me: Wow.

Nico: Oh Ultimate Spidermonkey before I forget, what do you like to do in your free time?

Ultimate Spidermonkey: I like to help out at the zoo and bring food to the monkeys and apes.

Becca: He's very good at doing that too.

Qin: Cool.

She woke up.

Phoenix Temple: (Groans)

Daring Do: Phoenix?

Phoenix Temple: Daring? (GASP) Daring! You're here!

She hugged her.

Daring Do: I'm so glad you're all right.

Phoenix Temple: Me too. Where am I?

Me: You're on the home planet of the King Ohgers, Chikyu. You were turned into a Volcarona by Dark Gale.

Phoenix Temple: (GASP) I remember!

FLASHBACK!

She was in an orange suit and was injected and then she bursted into flames and flew out of there. She turned into Volcarona!

FLASHBACK ENDS

Phoenix Temple: It was awful.

Me: I know. But we're going to start killing Dark Gale soon. We start the Ridonculous Race in a few hours.

Lola: Yeah.

Nicole: Your sister Daring has done amazing treasure hunts and adventures. Also her books are awesome and she uses my treasure hunts and adventures for more of her books as inspiration.

Daring Do: It's true.

Phoenix Temple: That is amazing!

Me: It sure is.

Nico: Your role in Sonya's team?

Phoenix Temple: I am the fire butterfly master of the team and use fire and butterflies to burn our enemies. Outside the team I go on treasure hunts and go find treasures all over the world.

Nicole: That is awesome. I am a treasure hunter myself and find awesome treasures too.

Lola: They are so fun.

Phoenix Temple: Wow!

Me: Yep.

Rarity: Lets get you some good clothes darling.

The Fashion Brigade gave her amazing orange and yellow clothes and an amazing phoenix sword.

Phoenix Temple: Wow! I look great.

Me: You sure do.

Gira: Should we get our Zords?

Me: Keep that option available. First we got to find the princess.

Eli: She's in that tower there.

We saw a tower next to the town and it was enshrouded in shadows.

Me: That must be it.

Jeramie: Yep. That is the tower of the Nisshokutsukiga Kingdom.

Me: Wow! That name means Eclipse Moon Moth.

Eli: Cool!

We saw a figure poke her head out the window of the tower.

Nico: There she is!

We flew at the tower and went over to the window.

Mai Moonmoth: Whoa! You're team Loud Phoenix Storm! I am Mai Moonmoth, Princess of the Nisshokutsukiga Kingdom.

Me: Pleasure to meet you. Stand back.

She did so.

I fired a blast of energy and blasted the window down and she flew out and had amazing Atlas Moth Wings.

Mai Moonmoth: Thank you so much.

Me: You're welcome.

Nico: Princess, someone big is here

Mai Moonmoth: I sensed it. Chernabog.

Me: Yep. He usually appears when the song A Night On Bald Mountain plays.

A NIGHT ON BALD MOUNTAIN PLAYS

Me: There it is.

We were flying in the air and on the mountain top we saw 2 huge wings open and then, and we spotted our target: Chernabog, The Disney Devil!

Lincoln: Your time's up, Chernabog.

Me: There he is!

Lincoln fired waves of holy light from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings and they hit Chernabog and his armies of demons and they screamed in agonizing pain, and that angered Chernabog as he saw us.

Konan: I always knew that one day you'd return to cause trouble once more, Chernabog.

Me: We all knew this day would come when we would come after you once more.

Nico: And for you to try and come here to destroy Chikyu, you truly are nothing more than The Devil.

Lincoln: Now, it's time for you to pay for all of your crimes, Chernabog!

Chernabog: MINIONS, DESTROY THEM!

Chernabog sent his minions after us. Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to a heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

God: (Through Lincoln's body) Servants of Chernabog, I cast you out and condemn you back to Hell! DIVINE HEAVENLY JUDGEMENT STYLE: BLADES OF HEAVENLY LIGHT!

Lincoln swung his massive greatsword and fired waves of heavenly light that transformed into a very massive shower of blades made of light and they skewered Chernabog's army of demons and they all exploded into hellfire and they were all condemned back to Hell and the blades also slashed at the evil Chernabog as well and he screamed in pain.

Konan: None of us were expecting this surprise visit from you once again.

God: (Through Lincoln's body) I apologize, but when the news of Chernabog's return hit, I'm afraid I had to get involved in this once more.

Me: It's all right my lord.

I fired a massive blast of light and blasted him.

Galvantula charged at him and fired waves of lightning and blasted him.

We then saw our secondary targets: Black Viper, Claudius, General Bahamut, and The Red Falcon Organization

Black Viper: You miserable Gods among men shall pay for what you did in destroying us.

Lincoln turned the tips of his wolf tails into Cell's stingers and he stabbed them into the chests of Black Viper, Claudius, Colonel Bahamut, and the Red Falcon Organization, and one by one, he began absorbing them, and he and all of us assimilated Black Viper's Brainwashing and Mutation, Claudius' high-tech weaponry, Colonel Bahamut's strength and leadership, and The Red Falcon Organization's agents and creatures' Advanced military technology, parasitizing and brainwashing humans, Turning humans into humanoid creatures to do Red Falcon's bidding, and Remarkable alien vitality, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

God: (Through Lincoln's body) That'll teach them.

Lincoln and Me: NOW, DIE AND GO TO HELL, DEVIL OF THE WORLD OF DISNEY!

Lincoln and I did one final powerful energy slash that hit Chernabog hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln and I landed and Chernabog was on his last legs and he was really really mangled.

God: (Through Lincoln's body)(Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end it. DEMON DESTROYER KARMA BALL!

Lincoln formed a massive white, golden yellow, and blue energy ball and condensed it to the size of his body and fired it at Chernabog and it sent him flying out into space and exploded with such incredible power and destroyed him in the explosion and it dissipated harmlessly and he sent his soul to The Book of Vile Darkness.

Lynn: AND HE'S OUT!

Everyone cheered as we holstered our weapons and we powered down, and Konan's new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large twenty-five blue planets orbiting around her legs and twenty-five smaller blue planets orbiting around her waist, eleven massive and long blue wolf tails, smaller planets orbiting around her fingers like rings, medium blue planets orbiting around her wrists and ankles and massive blue angel wings and nine sets of large blue angel wings underneath her blue angel wings are permanent.

Me: We did it! But, wait, did you send Chernabog...?

God: (Through Lincoln's Body) Yes, I sent him into The Book of Vile Darkness, I knew what you were planning, J.D., you were planning on sending him to The Masters of Evil, and you have a plan to keep him in line. If it was the old you, you would've sent him to The Black Abyss, but you changed, it's due to The Dark Orbs and Xehanort getting sent to The Black Abyss forever, and I'm proud of you.

WE GASPED!

Nico: Wait, so you knew what J.D. was planning on what to do with Chernabog, and you'd decided to help out with that?! Oh man!

Luna: I'm so stunned, I can't even describe it!

Laney: Same here!

Lana: Me too!

God: (Through Lincoln's Body) Sorry about that. And by the way, Lincoln did make the right choice in kicking Sebastian off his rescue team permanently, even though he did make up with Nico, Qin, and their friends, I knew he still harbored hatred towards Lincoln, his harem, and Guardian Angels, and he tried to find ways to break them and destroy them.

Sebastian Mendez: WHAT?!

Kali Timestream: So, that explains it, and I knew he had written some diabolical schemes on how he was going to do that in his journal and one of them included burning our wedding dresses and Linky's wedding tuxedo and trying to kill us! I knew he was still unbelievably toxic, but this, this is just too evil on the borders of madness and insanity!

Nico: What the flying fuck?!

Eli: Of all the...!

Selene Arcangela: Well, unlike with Sergio, there's only one punishment awaiting a piece of trash like you, Sebastian. Kali, if you would.

Kali Timestream: Understood, Selene. Sebastian, you're done for, you piece of shit! Firaza, would you do the honors?

Firaza Diamond: Of course.

Nico: Wait, Firaza, what are you...?

Firaza Diamond: Take this, you piece of shit!

Sebastian Mendez: WHAT THE HELL? W-WAIT!

But, before Nico could do anything, Firaza Diamond went at Sebastian and she really beat him into a bloody pulp and she even broke his arms and legs so badly that his bones were protruding out, she even snapped his fingers, gave him two black eyes, a bloody nose, and she even smashed a couple of his demonic sharp teeth out of his mouth!

Nico: Holy shit! You beat him to a bloody pulp!

Firaza Diamond: I didn't tell you this, but I also got into fights with some of the local gangs, thugs, and delinquents in Japan and they thought they could take me on in a fight, in fact, they tried to take all of us on in a fight, but we were stronger than them and we always leave them in the same kind of state as Sebastian.

Me: (WHISTLES)

Qin: Damn, so even Japan's local tough guys didn't stand a chance against you all. If you got into a fight with New Jersey's bastards, you'd do the same to them too.

Eli: Jeez, that was brutal.

Drakus: Shit! I can't believe you did that to him! Well, he pretty much had it coming. Stupid toxic bastard. He's just like Sergio!

Lori: Only he still harbored toxic hatred towards our little bro, his harem, and Guardian Angels. And now, I remember him all too well, that depraved fiend tried to kill Lincoln and his Guardian Angels with those phantoms of The Z-Fighters' old foes, only for Sebastian to be hit hard by them and the phantoms vanished and he fled swearing revenge on us.

Me: I still remember that incident, it was years before Nico moved in.

Nico: What? So, Sebastian tried to kill Lincoln and his Guardian Angels years before we moved here. I don't believe this, but this was after the whole wedding incident and since he couldn't try to kill us knowing of what we'll do to him, he tried to go after Lincoln and his Guardian Angels along with Buster and his friends in Acme Acres, but he didn't count on that.

Suddenly, Sebastian's nose, arms, and legs popped back into place with sickening crunches and his eyes healed and he regrew his teeth, but boy was he mad. He roared at Lincoln's Guardian Angels with his head spinning around and he hissed at them and his forked snake's tongue came out, but Buster Bunny whacked him in the head with a frying pan and a lump formed on his head and he ran back to The World Tree Estate.

Lincoln's Guardian Angels: THAT'S RIGHT, BITCH! FUCK YOU!

THEY ALSO GAVE HIM BOTH MIDDLE FINGERS AND THAT ROYALLY GOT HIM MEGA ANGRY!

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) I think you should all stop with that, you are just going to make him even more angrier than ever.

Selene Arcangela: We understand.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue.

Lincoln: Alright, we took care of Chernabog, now we can take care of one final business: The Anothers.

Me: Right.

Nico: Is it okay if we stay here until the rescue's done?

Gira: Sure Nico. Always awesome having you here.

Lola: Yeah!

Nico: Nice job Galvantula.

Galvantula: Thanks Nico.

Poromon: Want some beer?

Galvantula: Oh no thanks. I can't drink beer or I short out.

Me: Oh boy.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Galvantula: Nice try pipsqueak.

Poromon: What does raw evil mean?

Me: Raw evil means that he was made that way little at a time. Pure Evil Means you were literally born that way. Maleficent was born that way.

Camie: Oh boy.

Laney:Yep.

Poromon: Oh boy.

Nico: Now for the Anothers

Me: Yep.

Itachi: This is what we battled every day so far guys.

Gira: Wow!

Lola: Yeah it's fun.

Eli: And I sense that we got Another Mutant Gorilla, Hawkgirl, Mucant, Unctuous, Arachnor, No-Face Zombie and Railway Dopant.

Me: WHOA!

Hawkgirl: Another me? Wow!

Eli: WHOA MAN! I sense the Anothers are 20 people.

WE GASPED!

Me: HOLY COW!

Nico: WOW!

Eli: Yep. The Anothers minus Mutant Gorilla and Hawkgirl are 18 people.

Me: Wow! So Yoruichi, Rangiku, Akeno, Orihime and Nemu are up.

Lola: Yeah!

Nico: THERE THEY ARE!

We saw Another Mucant, Unctuous, Arachnor, No-Face Zombie and Railway Dopant!

Me: Here we go!

Lola: Yeah!

Another Mucant: (In a girls voice) This will be fun and cool!

They merged and split into 18 people! They were the gene-slammers of The Legendary Planets and Agents of the Planets!

Me: Whoa! The gene-slammers of the Agents of the Planets and the Legendary Planets!

We were introduced to Alexandra and Camille Galaxia, Ellie and Erica Mizuno, Mera and Mindy Aino, Emiko and Catherine Baker, Eri and Fira Hino, Valerie and Rita Kino, Emiko and Yuriko Tomoe, Lucy and Gina Tenoh, and Penelope and Wendy Kaioh!

Me: WHOA! Awesome to meet you girls!

The Sailor Soldiers went and hugged their sisters and it was a huge reunion.

Me: Wow! What a reunion. I guess the gene-slammers of Pluto aren't far behind.

Camille Galaxia: I'm so glad you're all safe.

Ellie Mizuno: Me too. Ami wow you have grown.

Sailor Mercury: I know sister.

Catherine Baker: Wow! Molly you're Sailor Earth. That is so cool.

Sailor Earth: It sure is.

Me: You girls should be proud of your sisters. They have come a long way.

Eri Hino: Rei are you still causing Sailor Moon grief?

Sailor Moon: Yeah but it's to keep her in line.

SAILOR MOON ROARED!

Me: By the way girls are the Another Mutant Gorilla and Hawkgirl friendly or hostile?

Mera Aino: Friendly and the Another Hawkgirl is related to one of your enemies.

Me: Oh boy,

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Gira: WOW! That is amazing!

Qin: Yep.

Maria: Time for backup! (TURNS DIAL) TIGER FURY FORCE!

She summoned Neon Tiger, Black Skull Dragon, Drillhorn, I M Meen, Infected Airazor and Horned Saurus.

Me: YEAH!

Sailor Moon: (ROARS) REI!

She charged and she and Sailor Mars punched and kicked each other in a ferocious fight!

Sailor Moon: YOU DISGUSTING LITTLE TRAMP!

Sailor Mars: WHAT DID I DO SERENA!?

Nico: And now we wait. Let's seperate those two in the meantime

They were fighting in a fight cloud.

Eli: Pardon me...

Eri Hino: Wait Eli. Allow me.

They were fighting and Eri stepped in and grabbed them.

Eri Hino: Pardon me you two, but you need an attitude adjustment!

BLANG!

She bashed their heads together!

Sailor Moon and Sailor Mars: OUCH!

Eri Hino: You two act like a couple of two year olds. Rei has always had a lot of problems picking on people that she thinks are stupid. But she is a good girl. She just needs to be kept in line.

Nico: I know!

Gira: That must happen to them all the time.

Me: UCH! You have no idea. They fight like that on a daily basis and it's crazy.

Qin: Yeah.

Lola: It's crazy.

Me: Yep. Oh there they are.

We saw Another Mutant Gorilla and Hawkgirl!

Me: This will be fun.

Another Mutant Gorilla: (In a girls voice) It sure will.

They reverted back and were the gene-slammes of Pluto! We were introduced to Leia and Luna Meioh.

Sailor Pluto: Leia and Luna!

She went to hug them.

Leia Meioh: Awesome to see you Trista!

Luna Meioh: Same here!

Sailor Pluto: I'm glad too.

Leia Meioh: Same here.

Nico: Awesome to see you girls again. Leia and Luna are as strong as a thousand gorillas too.

Mutant Gorilla: Just like me! That is cool!

Nico: And your friend?

Another Hawkgirl: Someone that hates Hro!

She reverted back and was a girl with brown hair, green eyes, yellow clothes and black shoes and had brown angel wings and she had a cool sword.

Hawkgirl: (GASP) Calyana Talak!

Calyana: Good to see you again Shayera!

She and Calyana hugged.

Nico: You know each other?

Hawkgirl: We sure do. She's one of my best friends. And she is also Hro's little sister.

We gasped!

Me: So you're from Thanagar. Then you must be aware of...

Calyana: Yeah my brother was a monster! I knew that Hro had some dangerous problems but I didn't think he would do this to my best friend. I hate my brother!

Me: We do too. I have this feeling that on Shayera's day to shine today it's time for him.

Lola: Yeah!

Calyana: I have all the evidence needed to bring him down and kill him.

She went over an gave me a folder and it had all the crimes he did down to the slightest detail.

Me: This is perfect evidence!

Calyana: Yeah but a broadcasted confession will make it a slam dunk to seal his death warrant.

Me: We know just how to do it too. Leave that part to us.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (Gets out Jetman gear) Because we can grant it instead.

They got Mighty Morphin and Jetman weapons.

Leia Meioh: No he didn't because he feared us.

Calyana: We just ran out of there.

Me: No surprises there. But Calyana your brother did all kinds of unforgivable things. He tried to take over Earth and that is something we never take kindly to. Anyone that tries to invade Earth has to go through us.

Calyana: I know.

Sougo (gets out Mighty Morphin Ridewatch): You should give that evidence to the president anyway.

Geiz (Gets out Jetman Ridewatch): And show said evidence to your people.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor

Calyana: I will. Thank you.

Vince: I'll take you to the White House after we a done here.

Lincoln: For now lets get the Anothers done.

We separated them.

Me: Lets rock!

Nico: (gets out Mutant Gorilla's Ridewatch) I'm gonna go ape on you!

May: (Gets out Unctuous' Ridewatch) Time for some fun.

Maria: (Gets out No-Face Zombie's ridewatch) This is gonna be fun!

Yoruichi: (Gets out Mucant's ridewatch) Time for some fun!

They used the powers of Mutant Gorilla, Mucant, Unctuous, Arachnor, No-Face Zombie and Railway Dopant and blasted the Anothers all over the place!

Then Hanzo Suiden, Aligned Contagion, Eight-Armed Willy, Falkar (X-Squad), Thunderon (X-Squad) and Zword (X-Squad) came.

Me: WHOA!

Nico: Nice team Hanzo!

Hanzo Suiden: Thanks Nico!

Mike Corbett: OH YEAH! My team is next!

Leo Corbett: Right on brother!

Horsea: YAY!

Qin: Yeah!

?: That is awesome!

Venusmon came!

Me: WHOA! Venusmon!

Venusmon: Lets make this fun too!

Nico: Aphrodite Venus Daniels! Wow!

She reverted back and was a girl with long blond hair, had blue eyes, had the symbol of Venus in the middle of her forehead and she had a white dress on and it had Venusmon on it and she had yellow angel wings and had a golden sword.

Aphrodite Venus Daniels: Awesome to see you again Nico. I got this. (ECHOING) LOVE YOU!

She blew a kiss and it hit the anothers and they exploded and I caught the ridewatches and purified them!

Me: OH YEAH!

Nico: Nice kiss!

Aphrodite Venus Daniels: Thanks Nico! I am the daughter of the goddess of Love and Beauty.

Me: WOW! The daughter of Aphrodite herself. It's awesome to have you with us.

Aphrodite Venus Daniels: Same here.

Yoruichi: Do you have any favorite memories of Nico?

Aphrodite Venus Daniels: I sure do. When me and Nico went to an orphanage that had lots of kids hurting from hate and I gave them love and hope.

Me: That is awesome. Perfect way to give them a hopeful life in a family.

Nico: Yep.

Rainbow Dash: (Crying) That is so amazing!

Me: Oh R.D. it'll be okay.

Rarity: Yeah darling you'll be fine.

Me: She got a little choked up hearing that.

Nico: Yeah.

Nico and Aphrodite hugged.

Nico: I've missed you.

Aphrodite Venus Daniels: Same here.

Gira: Awesome having you guys here again.

Me: Same here Gira. Wow! All your kingdoms are amazing!

Hymeno: They sure are.

Me: Well we got to get back to Earth.

Gira: See you around guys.

We went back home.

But, we're going to destroy them both and send them to The Black Abyss, and Lincoln's also going to send a very explicit and brutal message to that fucked-up genocidal lunatic, Kurata, telling him that he'll be joining his two cohorts in The Black Abyss very soon in the future.

Lincoln: Ah, we're here in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the twelve girls here, we got bad news: it appears that Dr. Regal and Dr. Gero, the two mad scientists and the former members of Team Rocket have returned from the dead and they want revenge on us.

Me: I always knew that fucked-up mad scientist of The Red Ribbon Army would come back.

Nico: Along with your old archenemy, Dr. Regal, Lincoln.

Lincoln: And this was no doubt Morgana Midnight Sparkle's doing. But, we're going to destroy them both and send them to The Black Abyss, and I'm going to send a very explicit and brutal message to that fucked-up genocidal lunatic, Kurata, telling him that he'll be joining his two cohorts in The Black Abyss very soon in the future.

Selene Arcangela: Kurata, Dr. Regal, and Dr. Gero were once the scientists in charge of the Gene-Slammer project when they were in Team Rocket, and for years, they've stolen DNA from many species in order to create a Gene-Slammer Army for Giovanni to use to take over the world, but now, Team Rocket's gone for good along with Giovanni, and now, we got to clean up the mess that fucked-up genocidal mad scientist, Kurata, made, along with the mess Dr. Regal and Dr. Gero made as well.

Ultimate Spidermonkey: I was shocked to find out those three were also members of Team Rocket as well.

Lincoln: We looked into them a bit more, and that's when we came across this bit of information, and that's how we found out about their Gene-Slammer project and their connections to Team Rocket, and Elise Elexton's trying to pick up where Giovanni failed. But, this is where it all ends for her, on the final day of The Ridonculous Race, we're going to kill her!

Me: What about Morgana?

Lincoln: That'll be on April 4th, she's not going to show up alongside Elise Elexton, but this is sure to piss that she-demon off even more. Now, let's go and find Dr. Regal and Dr. Gero and end their lives for good, and for a little added damage.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of wolf's teeth remained the same, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild white hair with orange streaks and rainbow highlights became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)

Suddenly, we saw a Griffin flying in the skies as it left a trail of wind gusts and we felt a breeze blow through us across the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair with sky blue streaks, blue eyes, massive blue angel wings wings, white short-sleeved blouse with a griffin on it and on her forehead, sky blue sleeveless crop top, sky blue skirt, sky blue knee-high high-heeled boots with butterfly buckles, long white sleeveless trenchcoat with stars, wind, griffins, phoenixes, and angels on the coattails, and on the back is the griffin, she has a wind greatsword and with her are the twelve girls.

Lincoln: (Beastly Voice) (GASPS) Gina Griffin, Avatar of The Griffin.

Gina Griffin: That's right, and I got the twelve girls away from Dr. Regal and Dr. Gero who were trying to Gene-Slam them and send them after us.

Lincoln: (Beastly Voice) It's time, let's get going and tear them to shreds before Sebastian tries to come after us.

We then headed out to help Lincoln destroy Dr. Regal and Dr. Gero and send them to The Black Abyss and send a threatening message to that genocidal fucked-up psychotic mad scientist, Kurata, and we also had the help of Buster Bunny and his friends from the shadows now that Sebastian was back to being a troublemaker and menace to Lincoln, his harem, and Guardian Angels.

We were flying and there we saw our targets: Dr. Regal and Dr. Gero, and they were indeed out for our blood!

Lincoln: (Beastly Voice) There they are.

But, then, we felt a very dark ominous presence and we dodged a dark energy blast heading for us, it was Sebastian and he was out for revenge on us. Lincoln fired dark blue energy blasts that hit Dr. Regal and Dr. Gero, and Buster Bunny and his friends showed up and they fired energy blasts that hit Sebastian, and we landed.

Buster Bunny: I should've known we'd run into the mad scientist of The Red Ribbon Army and the despicable scientist whom Mega Man despised and who were also members of Team Rocket who'd handled Giovanni's Gene-Slammer project.

Dr. Gero: Our project would've finally given Giovanni the chance to rule the world!

Dr. Regal: But, you! You stupid heroes ruined everything!

Lincoln: (Beastly Voice) You shut your mouth, Regal! You two along with that genocidal fucked up psychopath, Kurata, were the ones who've been messing with nature to help Giovanni with that project of his, but it didn't end as a failure: instead, you just gave us some equally powerful members of the team and you've both sealed your fates.

Buster Bunny: Lincoln, we'll handle Sebastian, you go ahead and trash Dr. Regal and Dr. Gero.

Lincoln: (Beastly Voice) You got it, Buster. Alright, Dr. Regal and Dr. Gero, it's time for you to pay for all your crimes against mankind and the world. This is where we end your miserable lives here and now!

(HOWLS)

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a dark blue vortex flared up behind him, and he charged at Dr. Regal and Dr. Gero, and he proceeded to brutally smash them into the ground with his massive superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of dark blue wolf fire, darkness, moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THEM! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

RIPS! SLASH!

LINCOLN ALSO SLASHED DR. REGAL'S ARMS AND DR. GERO'S ARMS OFF AS THEY SCREAMED IN AGONIZING PAIN!

May: OH! AND HE ALSO RESORTED TO THAT! EUGH!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL! HE SLASHED OFF THEIR ARMS!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far and pissed him off, I don't blame him for going apeshit on you!

James Blunt: After everything that you two along with Kurata have done with Gene-Slamming the Guardian Angels of Lincoln along with J.D. and Nico's friends and all for Giovanni's twisted schemes, you two have had this coming for a long time.

We saw Dr. Regal and Dr. Gero shaking in rage, and they were a mess: Lincoln tore some of their hair off and he left claw marks on their face and clothes.

Dr. Gero: YOU THINK I'M GONNA BEG FOR FUCKING MERCY FROM YOU!? HUH! FUCK YOU! FUCK YOU ALL!

Dr. Regal: YOU SHOULD ALL JUST DIE ALONG WITH THIS MISERABLE PLANET AND EVERY LAST FUCKING LIVING THING ON IT!

Lincoln: (Beastly Voice) God isn't going to forgive you for your atrocious actions, nor will I, The Eye of Dread and Scorn, henceforth forgive you! You deserve only death for all of your crimes, Dr. Regal and Dr. Gero!

LINCOLN SHOT HIM AN EXTREMELY DEATHLY GLARE AND THAT MADE DR. REGAL AND DR. GERO SO SCARED, HE SCREAMED IN FRIGHT AND PISSED HIS PANTS IN HORROR!

Dr. Regal and Dr. Gero: (BLOODCURDLING SCREAM)

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, HE REALLY DID IT, HE TRIED TO BEG FOR MERCY, BUT LINCOLN SHOT THEM DOWN WITH THAT AND A DEATHLY GLARE AT THEM TOO!

Eli: They are done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKERS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST BOUGHT YOURSELVES A ONE-WAY TRAIN RIDE TO THE NINE CIRCLES OF HELL!", "TAKE THAT, FUCKED UP FREAKS OF NATURE!", "YOU BOTH DESERVED TO GET BEATEN DOWN

BY LINCOLN! SCREW YOU! GO TO HELL, YOU PILES OF GARBAGE ALONG WITH KURATA!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending threats at Dr. Regal, Dr. Gero, and Kurata, and they're also really explicit!

We saw the explicit threats, and they were too graphic to even say!

Me: Wow. I didn't think they'd also put that kind of language in the posts as well.

Nico: Man, they really are going all out to say those threats to those assholes!

Buster Bunny and his friends managed to knock down Sebastian and banish his shadow summons of the Z-Fighters' old foes and just in time too as we now have Dr. Gero and Dr. Regal on his last legs.

Buster Bunny: They got him on his last legs. Now, all that's left is to end it.

Sebastian Mendez: No! No! It's not over until I say it's over!

Sebastian Mendez knocked Buster Bunny and his friends off and he charged out to stop Lincoln from killing Dr. Regal and Dr. Gero.

Buster Bunny: Lincoln! Now! Kill them before Sebastian tries to stop you!

Lincoln raised his massive greatsword and he ran at Dr. Regal and Dr. Gero with full force!

Sebastian Mendez: No! I will not allow you to ruin evil's glorious plans once again!

But, before Sebastian could attack...!

Lincoln pushed his massive greatsword through Dr. Regal and Dr. Gero's chests even more and it exited through their back as blood exploded out!

Sebastian Mendez: (DEMONIC VOICE AND THE SCLERA OF HIS EYES TURN BLACK AND MIDNIGHT BLUE EYES TURN RED) NO! NO!

Then, Lincoln sucked out their energy and set their bodies ablaze with rainbow fire and their wicked souls were sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

And when Sebastian saw it, suddenly, we saw blasts of white light burst out of him, and Sebastian screamed in agony as flames covered his body.

Nico: Whoa!

Sebastian Mendez: NOOOOOOO!

Sebastian Mendez turned to ashes and we saw his eyeballs land on the pile.

Sebastian Mendez: (Groans) Damn it.

Lincoln: (Beastly Voice) Sorry, Sebastian, but you've had it coming. Now, to send my very explicit and brutal message to that fucked-up genocidal lunatic, Kurata.

Suddenly, Lincoln's deep sapphire eyes glowed and he found Kurata hiding out in the shadows. Then, Kurata screamed in agonizing pain as he felt something being carved into his flesh with a knife, and as soon as the pain subsided, he saw that a message in kanjis has been etched into his flesh and it said this.

倉田明宏先生、あなたはこれまで、あまりにも多くの罪のない人々に、あまりにも多くの計り知れない痛みと苦しみを与えてきました。また、あなた、リーガル博士とレッドリボン軍のマッドサイエンティスト、ドクター・ゲロが、ロケット団のために何年にもわたって多くの生き物や生物の遺伝情報を盗んだことについても皆さんに話しました。ジーン・スラマー計画、そしてあなた、リーガル博士、ドクター・ゲロもロケット団の主任研究員としてのメンバーだったということ。しかし、どうだろう、私たちはすでにリーガル博士とドクター・ゲロを殺害し、彼らをブラックアビスに送った、そして私たちが彼らに与えた痛みは、私たちがあなたとあなたの墓地の残存者に与えた痛みとまったく同じになるでしょう将来、私たちがあなた、ポール、ワーツを追いかけるときは火をつけてください、地獄の底から来たクソ大量虐殺の精神異常者の狂人よ！あなたはすぐに自分に値するものを手に入れるでしょう、そしてあなたが

多くの罪のない人々に引き起こした計り知れない痛みと苦しみの代償を払うつもりです、その日が来るまでそのメッセージを持ち続けた方がよいでしょう。

リンカーン・ラウドとチーム・ラウド・フェニックス・ストームから！

Translated: Dr. Akihiro Kurata, you've caused far too much untold pain and suffering to too many innocent people for the last time. We've also told everyone about how you, Dr. Regal, and the mad scientist of The Red Ribbon Army, Dr. Gero, were the ones who'd stolen the genetic information of many creatures and living beings over the years for Team Rocket's Gene-Slammer project and that you, Dr. Regal, and Dr. Gero were also members of Team Rocket as their chief scientists. But, guess what, we've already killed Dr. Regal and Dr. Gero and sent them to The Black Abyss, and the pain that we'd dealt unto them will be the very same pain we deal unto you and your remnants of Graveyard Fire when we come after you, Paul, and Wertz in the future, you fucked-up genocidal psychopathic deranged lunatic from the depths of Hell! You're gonna get what you deserve soon and you're gonna pay for the untold pain and suffering you've caused to so many innocent people, you better carry that message with you until that day comes.

From Lincoln Loud and Team Loud Phoenix Storm!

WHEN KURATA SAW THIS AND FOUND OUT THAT WE NOT ONLY KNEW OF HIS ROLE AS ONE OF THE THREE SCIENTISTS IN TEAM ROCKET AND HAD A ROLE IN GIOVANNI'S GENE-SLAMMER PROJECT, BUT ALSO, THAT WE ALSO KILLED HIS FELLOW SCIENTISTS, DR. REGAL AND DR. GERO, HE HAD A TOTAL MENTAL BREAKDOWN AND HE SCREAMED TO THE HEAVENS IN PURE ABSOLUTE FUCKED-UP RAGE AND MADNESS!

Paul: Kurata, calm down! This isn't the time to...!

Kurata: SHUT THE FUCK UP!

KURATA LOST IT AND STABBED PAUL IN THE CROTCH WITH A KNIFE AS HE SCREAMED IN AGONY AND PAIN AND HE DID

THE SAME THING TO THE ETERNALLY DRIVEN INSANE WERTZ! WE SAW IT THROUGH A VISION ORB LINCOLN FORMED!

May: Aw, I was gonna do that to Paul.

Nico: But, that was so awesome, Lincoln, you sent that message loud and clear and made Kurata lose it even more!

Lincoln changed back as the slit pupils of his deep sapphire eyes and Third Eye changed back to normal pupils and his large dark blue halo with four large dark blue orbiting rings behind his head changed back to gold.

Lincoln: Thanks, plus Kurata had it coming.

Me: He'll suffer the same fate as those two fuckers when we do go after him, Wertz, and Paul in the future.

Sebastian regenerated as his ashes came back together.

Sebastian Mendez: Dang it.

Lincoln: (Smirks) Sorry, but you've had it coming, Sebastian.

Buster Bunny: That's right. (Dramatic Voice) Now, return back to the pit from whence you came!

Sebastian hissed as he crawled away on all fours like a spider and fled back to The World Tree Estate.

Me: (Shudders) He just gets creepier and creepier.

Nico: Don't remind us.

Lincoln: Well, either way, we took down and got rid of Dr. Regal and Dr. Gero and sent my message to Kurata. (To Gina Griffin) And it's so good to see you again, Gina.

Gina Griffin: You too, Lincoln, it's been seven years since we last met.

Suddenly, Gina Griffin had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Gina Griffin was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Gina Griffin: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Gina Griffin and hugged her, and Gina Griffin is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Gina Griffin: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Gina Griffin, Avatar of The Griffin, she's Lincoln's Guardian Angel and she's known as The Griffin Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Serena is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Griffin. She was born to a family of Griffins during a time of light, and over time, as she grew, she gained all of the incredible strengths and powers of The Griffin, along with immortality and she also mastered the powers of The Griffins, and she'd fought to protect the Griffins from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of wind, and he also gained all of the incredible strengths and powers of The Griffins, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Griffins and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Angela kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Griffins and be blown away by the winds!

Nico: You have no idea how much we were impressed when Enya told us about you.

Me: Same here.

Lincoln: She's an amazing high-flier and master of the wind and no one dared to mess with her, and now that you're here, Gina.

Lincoln with his massive muscular arms still wrapped around Gina Griffin's leaned his head down first to the right side of Gina Griffin's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Gina Griffin: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gina Griffin with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Gina Griffin: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gina Griffin.

Gina Griffin had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Gina Griffin's waist, and he leaned down to her face and kissed her on the lips, and with Gina Griffin's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Gina Griffin had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Gina Griffin: (In Heaven) My God. Oh, Lincoln, the twelve girls I rescued are...!

Travis Tackett: Boys, back to The World Tree Estate, and if you so much as look at the girls, you're going to get your asses handed to you!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The twelve girls are Mirai Asahina A.K.A. Cure Miracle, Riko Izayoi, and Hanami Kotoha A.K.A. Cure Felice from Witchy Pretty Cure, Jill Cervel from The Do-Over Damsel Conquers the Dragon Emperor, Shizuri Ideura, Ayame Momochi, Hina Izumi, and Kanna Natsumi from NEET Kunoichi to Nazeka Dōsei Hajimemashita, and Liz Smart, Sitri Smart, Lucia Rogier, and Tino Shade from Let This Grieving Soul Retire!

Lincoln: Oh whoa, it's Mirai Asahina A.K.A. Cure Miracle, Riko Izayoi, and Hanami Kotoha A.K.A. Cure Felice from Witchy Pretty Cure, Jill Cervel from The Do-Over Damsel Conquers the Dragon Emperor, Shizuri Ideura, Ayame Momochi, Hina Izumi, and Kanna Natsumi from NEET Kunoichi to Nazeka Dōsei Hajimemashita, and Liz Smart, Sitri Smart, Lucia Rogier, and Tino Shade from Let This Grieving Soul Retire!

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really sexy and voluptuous.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Mirai Asahina: Yes, we're okay, thanks to you.

Mirai Asahina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Riko Izayoi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mirai Asahina A.K.A. Cure Miracle, Riko Izayoi, Hanami Kotoha A.K.A. Cure Felice, Jill Cervel, Shizuri Ideura, Ayame Momochi, Hina Izumi, Kanna Natsumi, Liz Smart, Sitri Smart, Lucia Rogier, and Tino Shade with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. They returned to The World Tree Estate.

Maria: J.D. told us everything and showed us what you did to Kurata, that was so awesome!

Lincoln: And we also got rid of Dr. Regal and Dr. Gero in the process.

Nico: And Buster and his friends took down Sebastian again.

Me: But, the way he fled was just absolutely creepy.

Maria: (Shudders) Don't remind us, he came back in crawling like a spider and hissed at us with his tongue flaring out like that before he fled to his room.

William: I almost got out a giant flyswatter to use on him.

Babs Bunny: It'll take more than a flyswatter to put him down.

Buster Bunny: We've used tons of things on him: explosives, blunt objects, and those didn't work.

Plucky Duck: But, it got serious when someone decided to use energy blasts to blast his right eye out like that only for that regrow back and we saw the bloody tears.

Shirley the Loon: Isn't that right, boys?

Gohan: She's right, you two were the ones who blasted Sebastian's right eye out years ago and when it regrew, that's when we saw the bloody tears: the curse that was put on him.

Nico: Okay, that's it, now we really got to hear the story of how Buster and his friends formed an alliance with all of you when Sebastian was running loose.

Fifi La Fume: (French Accent) Well, since you asked.

Hampton Pig: We'll show you guys on the big screen in the gym.

Buster Bunny: And only we were the ones who kept this alliance a secret from our teachers.

Trunks: Until Plucky's big beak spilled it.

Nico, me, Eli, and Lincoln: I should've guessed it.

We looked at Plucky Duck who was laughing nervously.

Daffy Duck: When Plucky's big beak spilled it, we eventually found out about it and you'll see how we also got involved as well.

Bugs Bunny: Trust us, doc, nothing was kept secret from us for long.

Lola Bunny: Even Babs, Fifi, and Shirley tried to keep their traps shut.

Qin: Even Babs? I don't believe it, we all know she can't help herself.

Lola: Ain't that the truth.

* * *

After Lincoln and all of us finally got rid of Dr. Regal and Dr. Gero and sent them to The Black Abyss and Lincoln sent his threatening message to Kurata, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gina Griffin saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Gina Griffin: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his

hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Gina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Gina Griffin: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Gina Griffin: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Buster Bunny got out the video tape.

Buster Bunny: Alright, guys, now here's the video that detailed the beginning of the alliance that we and The Z-Fighters formed when Sebastian attacked after his descent into madness nine years ago and how our alliance hadn't faltered even now.

Buster Bunny put the tape in and it played on the big screen and it showed the city: Acme Acres, four years passed since Montana Max and Elmyra Duff had been thrown in prison and everyone was living in peace. At the Acme Looniversity, Buster Bunny and his friends were having lunch in the cafeteria.

Past Buster Bunny: Ah, now this is the life. Thanks to what J.D. and the others did, Monty and Elmyra are now in prison forever.

Past Babs Bunny: And we never have to see them ever again.

Past Hampton Pig: We can't get careless though, there's still the matter of Perfecto Prep running loose in Acme Acres along with all our other enemies.

Past Plucky Duck: No need to worry about, Hampton.

Suddenly, Calamity's alarm sounded, and it showed many individuals heading for them.

Past Buster Bunny: Calamity, can you get a clear view on who's coming after us?

Calamity Coyote did just that on the screen, but when he did, the toons did tons of wild takes galore!

Past Shirley the Loon: Like, total mondo badness! Those are the enemies of The Z-Fighters!

Past Fifi La Fume: (French Accent) Oui, and those guys are absolutely crazy!

Past Hampton Pig: Hey, take a look, there's someone else.

They soon saw a young man with long black hair darker than the night itself, pale skin like a vampire, red eyes full of bloody murder and madness, black sharp claws on his fingers, dressed in a long black trenchcoat, white dress shirt, black jacket, black vest, black pants, and black boots, and he had a massive double-edged sword in hand.

Me: (GASPS) That's Sebastian.

Lincoln: There's no mistaking the deranged bloodthirsty madness in his eyes.

Past Buster Bunny: I don't know who this guy is, but he's got some nerve leading those maniacs to attack Acme Acres, he's gonna pay for this. Let's go!

The Acme Acres gang charged out ready for battle, but not realizing whom they're facing.

Lori: Are you guys literally that crazy?! You knew whom you were going up against, not only the old foes of The Z-Fighters, but also, Sebastian himself.

Buster Bunny: We weren't going to let him destroy Acme Acres and cause death and destruction, Lori, he had to pay for what he did.

Nico: Still, that was pretty reckless though, you know how powerful the Z-Fighters' old foes were and how dangerously murderous and deranged Sebastian was.

Babs Bunny: Yeah, we know and we knew how dangerous he was along with those maniacs.

The Acme Acres gang confronted the old foes of The Z-Fighters along with Sebastian.

Past Buster Bunny: You all have some nerve showing up in Acme Acres. (To Sebastian Mendez) And I don't know who you are, but based on the madness in your eyes, you're one truly despicable person. So, we'll only say this once: leave Acme Acres right now or we'll force you out!

Past Sebastian Mendez: KILL THESE PATHETIC INSECTS!

Raditz and Nappa charged at The Acme Acres gang to kill them until they got hit by some incoming energy beams. That angered Sebastian greatly, but when he saw who it was that did it, his pale face turned even more deathly pale: it was The Z-Fighters.

Past Buster Bunny: No way, you guys came to help us?

Past Goku: Of course. (To Sebastian Mendez) And looks like you haven't changed one bit, Sebastian.

Past Krillin: I would've thought you were locked up in the nuthouse like the basket case that you are.

Past Sebastian Mendez: (DEMONIC VOICE) WHAT THE HELL DID YOU JUST CALL ME, YOU STUPID MAGGOTS?!

That's when we saw Sebastian turn totally demonic!

Past Babs Bunny: Whoa, talk about absolutely demonic!

Past Shirley the Loon: Grody to the max, his bad energy is affecting my aura!

Past Tien: When we found out Sebastian was at it again, we had to get after him.

Past Buster Bunny: Wait, what can you guys tell us about this freak?

Past Gohan: I'll keep it short and simple: that kid with the black hair is Sebastian Mendez, he's one of the most dangerous and psychotic sadistic monsters ever to live. Once, he was a kid with ambitions to change the world, but then, the combined tragedies of his father's death along with some unknown forces caused him to descend into darkness and madness, and he's tried more than once to kill us all, but we've driven him back to the shadows.

Past Vegeta: Only for him to come back once more. He's an absolute headache.

Past Babs Bunny: What the heck?! This guy's an absolute monster!

Past Sebastian Mendez: (DEMONIC GROWL) Vegeta, you've got some goddamn nerve saying that to me, I'll wipe that smug grin right off your face! Raditz, Nappa, KILL HIM!

But, before they could do so, Vegeta blasted them right through the chests with an energy blast and killed them and their souls were sent back to The Hell for Infinite Losers, and that angered Sebastian to no end.

Past Sebastian Mendez: WHAT THE?! (GROWLS) THAT'S IT, NOW YOU'VE GONE AND DONE IT! ZARBON, DODORIA, KILL HIM!

Past Zarbon: (Monotone Voice) Yes, Master.

Buster Bunny saw an inverted pentagram on their foreheads with a goat head on it.

Past Buster Bunny: So, that's how they're able to respond to his commands and how they've gotten that much stronger. Guys, we need to blast them right in the chest and destroy the heart, that'll break the darkness that has a hold of them.

Past Gohan: Using black magic to control them? You realize that spell won't last for long.

Past Sebastian Mendez: SHUT UP!

Sebastian fired a black and red darkness blast at them, but they dodged it. But, before they could attack, Frieza suddenly broke free and tried to attack Sebastian with a Death Beam, but he dodged it, and he was seriously angered at Frieza's betrayal!

Past Sebastian Mendez: FRIEZA! WHAT THE HELL?!

Past Frieza: You've committed the worst kind of humiliation you dealt unto me. I don't take orders from a human like you!

Past Sebastian Mendez: Frieza! (DEMONIC ANGRY VOICE) I WILL KILL YOU!

Suddenly, a demonic black and red energy aura surrounded

Sebastian, and he went at Frieza and he chopped the tyrant's tail off and that caused him to land on his back, and Sebastian approached him with a crazed look in his eyes, and he placed his left foot on Frieza's chest, and he raised it up, and then...!

SQUELCH!

SEBASTIAN STOMPED ON FRIEZA'S CHEST HARD AND CRUSHED IT AND BLOOD SPLASHED ON HIS FACE!

Then, he went after the remaining foes of The Z-Fighters, and he unleashed a maelstrom of death as he slashed their throats open and decapitated them, slashed their arms and legs off, and they heard his wild demonic laughter echoing. When he was done, he left a bloody mess of severed arms, legs, heads, and torsos and an ocean of blood on the ground and Sebastian was still laughing demonically as he was covered in blood!

Luan: OH! GROSS!

Lynn: He...seriously did that?! THAT'S DISGUSTING!

Me and Nico: GROSS! SEBASTIAN, YOU ABSOLUTE SICKO!

Past Babs Bunny: Barf-O-Rama! He's one sick twisted individual!

Past Goku: This certainly doesn't last for long though. When Frieza turns on him, he loses it and he kills him and the others, this proves how he has no honor and proves what kind of sick twisted and sadistic individual he is.

Past Buster Bunny: This can't go on! Everyone, GET HIM!

They went at Sebastian, and they hit him with everything they got, and then, he got hit in the chest by an unknown energy blast that killed him and he fell back first to the ground.

Past Plucky Duck: That's the end of him! And he better stay dead!

Past Sebastian Mendez: I will not stay dead that easily.

Suddenly, Sebastian's chest healed and he got back up like a vampire.

Past Sebastian Mendez: You may have won the day, but this is far from over. Savor this moment of victory, for soon, it will be your last. As long as I am alive, no one will ever be safe, I will destroy you and have my revenge, and then, I will destroy all life on Earth and the universes beyond! Death and destruction shall reign upon this miserable plane! (LAUGHING DERANGEDLY AND DEMONICALLY)

Sebastian Mendez vanished in a tornado of black and red darkness!

Me: Oh man!

Lincoln: So, that explains the reports of a bloody massacre four years ago! Sebastian was the one who did this!

Buster Bunny: Yep. Now, here comes the moment where our alliance was born.

Back at Acme Looniversity, Buster Bunny and his friends were with The Z-Fighters.

Past Buster Bunny: I want to thank you all for coming, we weren't a match for any of those sickos nor the one leading them.

Past Babs Bunny: But, we heard what he said, Buster, he's never gonna stop.

Past Buster Bunny: Right, Babsy. So, I want to propose an idea: I wish to form a pact with all of you, we need a strong alliance if we're to stand against Sebastian the next time he comes to Acme Acres to cause havoc. We swear to you, we will not let you down! We'll train hard and be ready for when that murderous lunatic arrives!

Past Goku: Alright, then, Buster. You got a deal, and of course, this also means you and your friends will be joining Team Loud Phoenix Storm.

Past Plucky Duck: This'll be an opportunity we can't waste!

Past Babs Bunny: But, we got to keep this secret, Plucky. We can't risk your big beak spilling this sort of news to Bugs and the others, nor are we also risking hearing your toxic waste dump of a beak, Fowlmouth!

Past Buster Bunny: So, it's agreed.

They shook hands and the alliance was forged as the video ends.

Me: That was so incredible!

Nico: So, that's how you forged that alliance with The Z-Fighters, that's really incredible, Buster!

Buster Bunny: Thanks.

Lincoln: And you lived up to your words, right?

Babs Bunny: Yep, we underwent extremely intense training and we even used The Hyperbolic Time Chamber to do so along with The Gravity Chamber, but we did everything Buster said: we trained hard and got stronger and the results spoke for themselves when Sebastian showed up to get revenge and we destroyed his minions and sent him running back to the darkness where he crawled out of.

Buster Bunny: And it was so hilarious to see Sebastian lose it and start swearing and cursing like a mad basket case.

Nico: We've heard him say a whole lot of nasty swears and dirty curses whenever we made him lose it, and it was funny to see him lose it and get what's coming to him.

Me: I had to put on earmuffs to keep my ears from bleeding! No offense, Sebastian, but you've got a toxic waste dump for a mouth.

Sebastian Mendez: None taken.

Nico: Next time, we're getting the duct tape so that way you won't open your big fat mouth.

We got a shower, and then, Lincoln, Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim are heading to Lake Lamode.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Selina: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Selina, and it's perfect for our first date, shall we?

Lincoln, Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Garie Tuman: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim and hugged them in their abnormally massive and powerful muscular arms, and Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim are in your harem, Linky.

Selina, Garie Tuman, Micha Jawkan, Phara Suyuf, and Leiur Darahim showed the marks Lincoln made on the right sides of their necks.

Bloom: We told Lincoln of how Selina redeemed herself, and he already accepted her knowing that her heart had changed after she redeemed herself.

Jenna: You guys had no trouble at all.

Micha Jawkan: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later we were getting ready for Silverstream, Shining Armor, and Bebe's first mission.

Spiderman: You guys are going to love meeting Hunter Steele and his friends. They are part of a subterranean world called Arachna and they are called The Spider Riders.

Me: WHOA! This will be interesting.

Camie: Yeah.

Nico: Anyone else want to go with Silverstream, Shining Armor, and Bebe? Besides 4 Rabbids?

Flash: I'll go.

Speed Demon: So will I.

Sunny Starscout: And me and my friends will go too.

Me: Okay then.

Blackarachnia: Me and Tarantulas will go too.

Tarantulas: It will be most interesting to see this world.

I opened a portal and we were off.

We arived in Arachna. It was an amazing Subterranean World within the world.

Me: WOW!

Nico: Amazing! So this is Arachna!

Sunny Starscout: This is so awesome!

Eli: I had no idea this world was here!

Spiderman: Yep and it's awesome too!

Then a bunch of figures came and it was THE SPIDER RIDERS!

Me: WHOA! Those are cool spiders!

Hunter Steele: Spiderman, is that you?

Spiderman: Hey Hunter! You and Shadow are looking great!

Hunter Steele: Yeah and wow! Team Loud Phoenix Storm! It's an honor!

Corona: It's an honor to meet you all!

Shadow: We heard so many good things about you.

Silverstream: We're honored. I am Silverstream.

Shining Armor: I am Shining Armor, Captain of the Guard for Canterlot.

Bebe: And I'm Bebe Bolton of the Bolton Siblings. We're your ambassadors.

Me: It's part of a Diplomatic Mission Program we made.

Corona: It's an honor!

Flash: Same here. I'm Wally Barry but everyone calls me Flash. Fastest Man Alive.

Speed Demon: I'm James Sanders, but everyone calls me Speed Demon.

Corona: It's a pleasure.

Tarantulas: I am Tarantulas, ninja warrior of the Predacons.

Blackarachnia: I am Blackarachnia, Double Agent of the Predacons.

Corona: Wow! A pleasure.

Shadow: Cool to meet fellow spiders.

Sunny Starscout: I'm Sunny Starscout, Legacy of Twilight Sparkle.

Zipp Storm: I'm Zipp Storm, Legacy of Rainbow Dash.

Pipp Petals: I'm Pipp Petals, Legacy of Rarity.

Izzy Moonbow: I'm Izzy Moonbow, Legacy of Pinkie Pie.

Hitch Trailblazer: I'm Hitch Trailblazer, Legacy of Fluttershy.

Sprout Cloverleaf: I'm Sprout Cloverleaf, Legacy of Applejack.

Misty Brightdawn: I'm Misty Brightdawn, Legacy of Sunset Shimmer.

Comet (MLP): And I'm Comet, Legacy of Starlight Glimmer.

Corona: Oh wow! It's an honor.

Hunter Steele: Spidey told us so much about you.

Sunny Starscout: I'm glad.

Rabbids Gibbering.

Silverstream: (sighs) And these are Rabbids.

Corona: Oh they are so cute.

Eli: Yeah but they aren't the brightest lightbulbs in the closet if you know what I mean.

Hunter Steele: I see. We can tell you all about what we do at the castle. Follow us.

We did so.

We arrived.

Nico:This is a nice castle.

Hunter Steele: It sure is.

Corona: It's home and it's fun.

Me: Yeah.

We went in and sat down with them.

Me: Hunter how did you find this place?

Hunter Steele: I found this.

He showed the mandible of the Spider Riders and it was amazing.

Hunter Steele: I found this and was taken here. And then I was chosen to be a Spider Rider.

Corona: Me and my friends taught him everything we knew about how to be one and he learned very fast.

Nico: Spiders are certainly bigger then the ones back home.

Tarantulas: I must agree on that one.

Corona: Yeah but they are great friends.

Me: Yeah we can see that.

Silverstream: Boy no kidding.

Hunter Steele: We should tell you about our target. His name is Lord Mantid.

Me: He must be the target for Silverstream's day here.

He went over his history.

A long time ago Mantid was from the Outer World; who came to the inner world and fought for Spirit Oracle; but after losing the love of his life, Loraine and realizing that; all the fighting he was doing became pointless, he became the leader of the invectives, Mantid, determined to make the humans suffer as he did. For years, Mantid ruled the Invectid Nation from the top floor of his fortress, he would direct the Invectid troops. As he claimed; in order to remove the wasteful and hated humans from the Inner World and find the Oracle Keys.

Once it was that; discovered two of the keys rested in Nuuma, Mantid ordered Stags and his troops be deployed to obtain them. While the invasion took place Mantid began to grow weak each passing day. Despite his weak condition, Mantid was able to hang on until Buguese returned from the invasion with one of the Keys in hand. With two Oracle Keys, Mantid's actions caused the Oracle sun to go dark and prevented Hunter Steele from using the two Keys in his possession. However, after regaining that ability, Mantid decided to meet Hunter face-to-face.

After Hunter was captured in the Labyrinth, Mantid had him brought to his citadel and finally came face-to-face; with the earthen boy. Mantid planned to trick Hunter into giving the Oracle Keys to him. But before he could obtain them, the hero Quake appeared and told Hunter of Mantid's true intentions.

Later, Mantid revealed to Hunter and the spider riders that; he had been an Earthen once, a chosen warrior of the Oracle, pulled against his will; into the Inner World. His reasons for taking the Oracle's power being fueled; by the desire for revenge upon the Inner World and the Oracle herself; who he had felt distorted his humanity; by taking him from his own world and forcing him to fight; which led to the death of his love, Loraine.

When Hunter had Mantid at sword point, he instead spared Mantid and asked the disillusioned man to; allow him to help. Mantid then changed back to his human form and was sent back to the surface world, where he was reunited; with his revived lover, Loraine, granted; by the Oracle.

* * *

When he was done we were shocked!

Me: Man what a monster!

Nico: Yeah! What a heartless fiend!

Me: At least we know who we're going to kill and his minions will be perfect for the M.O.E.

Eli: Also Mantid is going to the Black Abyss.

Hunter Steele: YEAH! Wait I thought it was the Black Gates?

Me: Oh right you guys weren't told about this. We have a new big baddie. Xehanort is dead and a new big baddie has taken his place.

Nico: The Anti-Monitor.

Me: Yeah.

Corona: Oh man! That's awful!

Hunter Steele: Oh man!

Me: Yep. He breached the Black Gates and broke the sacred seals and spells and resurrected many of our most dangerous enemies. Now we have not just him but many of our old enemies that we destroyed to deal with from over the last 7 years.

Nico: Yep.

Me: We have the Black Abyss now. It's more powerful than the Black Gates and anyone that is pure evil that goes to it is eternally permanently erased from existence forever.

Corona: Oh wow!

Me: Yep. But it's only for those that are beyond pure evil.

Nico: Which of your enemies is active at the moment?

Corona: Beerain is out there.

Hunter Steele: She is not a nice girl.

He went over her history.

A bee-type Invectid who wields a whip. She is a member of the Big Four and commands the Buzzrays and has a certain charm about her. When fighting, Beerain has no regard for honor and thinks winning is everything. In "Spies and Lies," she states that she is losing faith for Lord Mantid but still has faith for Buguese and in a flashback to when he was giving her assignment, it is hinted that she may have feelings for him. In the episode "Lumen's Love," Beerain dresses up as Lumen's childhood friend. Even after Lumen finds out, he still willingly gives her the Oracle key. After Beerain is blown away and his real friend arrives, he keeps searching for her calling Beerain his "true love". She is also a former member of the Big Four but was kicked out when she found out Mantid's secret of what he wants to do with the Oracle's power. When she returned to the Invectid Fortress, Beerain overheard Mantid planning to grasp all of Oracle's power and not share it with anyone else. She barely managed to escape with her life at the hands of Mantid and Aqune. With her wings damaged, Beerain felt useless and for the first time in the series, she cried. She attempted to warn Buguese of Mantid's true intent, but he refused to believe her saying he is still faithful to Mantid and cannot trust a 'traitor'. Princess Sparkle calls her Auntie Bee. Beerain saved Buguese just when he was about to fall off a cliff after Mantid's attack. Her name is notable in that it is one 't' removed from the name of Bee Train, the company that produces Spider Riders.

When it was done we were shcked!

Me: Oh man! But she is perfect for the M.O.E.

Spiderman: Yeah. I believe the Big Four would be perfect for them.

Nico: Where is she right now?

Hunter Steele: In the Village of Fragrant Blooms.

Me: Okay you guys lead the way there. Oh and be on the lookout for Blackwing Eatos 12 Carriers.

Corona: What are they?

Me: They are the embodiments of Ben's aliens and they are girls that I know. They are recognizable because of having piercing red eyes, black angel wings and clothes.

Shadow: (From the mandible) I think I saw one! She moved really fast and bashed numerous Invectid forces all over.

Me: WHOA! That is amazing. I have a feeling it's who I think it is.

Silverstream: Maybe we can have our own spiders.

Corona: We'll look into that.

Me: For now we got to get moving.

Spiderman: CALLING ALL SPIDER RIDERS!

Riders: ARACHNA POWER!

They transformed and summoned their spiders!

Me: COOL!

Eli: Awesome!

We were off!

We were amazed seeing the world of Arachna.

Me: Wow! This is amazing that this world is hidden in Earth.

Eli: It sure is!

Nico: So cool!

Silverstream: There she is!

Me: Allow me!

I fired a powerful blast of energy and it hit her forces and destroyed many of her soldiers!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Beerain: WHAT!?

We landed.

Me: Beerain!

Beerain: WHAT!? Team Loud Phoenix Storm!?

Nico: That's right! Lord Mantid's days are numbered.

Me: We're going to kill him along with all his followers!

Beerain: So, Spider Man returns? Did you think you were safe when you revealed your identity?

Spiderman: Not at all. But things are now different

Beerain: Tell that to your Yost Counterpart's version of Aunt May that almost died.

Me: Shut your fucking mouth bitch!

Beerain: WHY YOU INSOLENT FOOL! I WILL KILL YOU FOR THAT!

Me: Go ahead and try. I'm immortal. I can't die.

Eli: Yeah!

Me: I should have brought some bug spray for this. But I have a message for Lord Mantid. Tell him that we're coming for him and we are going to kill him!

Beerain: NO ONE CAN KILL LORD MANTID!

Me: Wrong!

Spidey got out his Rider Card

KAMEN RIDE! VANITAS!

He fired waves of dark fire and blasted her.

I teleported and bashed her in her face and sent her crashing into a rock wall!

I got out my Rider Card!

KAMEN RIDE! LORD DRAKKON!

I fired waves of green energy and blasted her.

Silverstream got out her Rider Card

Silverstream: Test your might!

KAMEN RIDE! GORO!

Silverstream ran and punched her and smashed her all over.

Eli: Take this!

He fired a blast of Force Lightning and electrocuted her all over.

Me: Ooh watch this!

I formed a huge pillar of light!

Beerain: Wow!

Man: NO! BEERAIN NO! DON'T LOOK AT THE LIGHT!

Beerain: (Hypnotically) I can't help it. It's so beautiful.

ZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

Beerain: WOOOOHOOOOO!

She fell to the ground burned.

Me: Okay that was funny!

Hunter Steele: It sure was!

Bebe got out her Rider Card

KAMEN RIDE! BADRAT!

Bebe fired waves of lightning and blasted Beerain!

Hunter Steele: Bebe I forgot to say this. I sense something inhuman about you.

Bebe Bolton: Oh I'm a Tiger Shark Gene-slammer. I am one of the Street Sharks.

Eli: Long story.

Spiderman: Yeah.

Hunter Steele: Get her, Shadow!

He fired laser blasts and energy beams and blasted Beerain.

Me: YEAH!

But then crystals appeared and trapped Beerain!

Me: WHOA! Who did that?

Nico: I have no idea!

Eli: LOOK!

We saw a Diancie!

Me: Cool! Diancie!

Nico: What's that doing here?

Hunter Steele: Something else we should know?

Me: Oh the Ridonculous Race is on shortly. Also we have gene-slammers made by a group we're going to destroy called Dark Gale.

Eli: They were turned into a bunch of powerful legendary pokemon by them.

Hunter Steele: Oh man! That is nuts!

Spiderman: It sure is.

Me: Yep.

I used Telepathy and gasped!

Me: OH MAN! Vienna Cadenza! She's Princess Cadance's Twin Sister!

We gasped in shock!

Me: I'll face her.

Nico: Okay!

I went to face her.

Me: Vienna calm down and lets talk about this!

All she did was charge at me.

I dodged her.

Me: Guess we do it the hard way.

I fired waves of lightning and blasted her.

Me: Okay then!

I snapped my fingers and she reverted back and was a girl with magenta hair and purple eyes and had Diancie in the middle of her forehead and had pink sparkling angel wings and had a pink version of Cadance's Cutie Mark on her arm.

I wrapped her in a blanket.

Vienna: (Groans)

She woke up.

Vienna: What happened? Where am I?

Me: It's a really ugly story Vienna. You're in the world of Arachna inside Earth. Also you were turned into Diancie by Dark Gale.

Vienna: I remember!

FLASHBACK!

She was in a pink suit and was injected and turned into crystals and then turned into Diancie and flew out.

FLASHBACK ENDS

Vienna: That was awful.

Me: I know. We'll explain later. Right now we're in the middle of a battle.

I snapped my fingers and gave her amazing pink clothes and a crystal sword.

Vienna: Wow! I look awesome!

Me: You sure do.

She fired crystals and smashed Beerain all over.

Nico: Take this!

Nico fired energy blasts and smashed her all over. But then...

ZOOM!

A figure ran fast by us and punched and smashed and pulverized her all over and we saw that it was a girl with aqua blue hair and had black clothes and wings and red eyes and had a tiara with XLR8 on it. Also she had an intense lightning aura around her.

Kiara Kinet: (GRUNT) Time for this girl to run faster than a speeding bullet.

Me: Kiara Kinet! Wow!

Nico: XLR8's Embodiment! Wow!

Me: And she is really fast! She and Ellie Singh would love to run together.

Kiara lost control and ran forward at high speeds to strike Speed Demon

He dodged her with his speed and punched her.

Then I fired the Antidote ray and injected her.

Me: There!

ZOOM!

I ran fast with Rainbow Dash's speed and kicked her down.

Flash: Time for the Fastest to go!

ZOOM! ZOOM!

Flash charged at her And so did Speed Demon and they kicked her.

Flash got out his Rider Card!

KAMEN RIDE! GOLDEN GLIDER!

Flash skated fast and kicked her.

Sunny and friends blasted her.

Blackarachnia and Tarantulas blasted Beerain all over with blasts and bullets.

Flash: Gotta think fast to be fast!

Me: You also got to BE Fast to BEAT Fast!

Eli: Yep!

Me and Flash kicked her down and the antidote took effect. She had blue eyes.

Kiara Kinet: (Groans) What hit me?

Me: Ugly story.

We blasted Beerain and smashed her down. She was defeated.

Me: That's that.

Vienna: That was so fun!

Nico: Yeah! What is your roll in Sonya's team?

Vienna: I am the Crystalmancer of the team and confine our enemies in crystal prisons to take to court.

Me: Cool!

Vienna: Yep. Outside the team I go to the Crystal Empire to help my sister out.

Me: That is cool!

Sunny Starscout: Then you know she and Shining Armor are married and also have Flurry Heart too.

Vienna: I do. I'm so happy. As well as my sister in law Twilight Sparkle.

Me: Cool.

Hunter Steele: One of our enemies down.

Me: Yep.

Spiderman: Like old times huh.

Hunter Steele: That's right.

We later came back home.

May: Hey guys. How did it go?

Me: Really awesome!

We told them everything and it was cool!

Qin: WHOA! That is cool!

May: WOW! A Hidden World within ours!? How cool!

Lola: That is amazing!

Leni: Thank goodness I'm not afraid of spiders anymore.

Me: No kidding!

Nico: Next time, Cole, Chiro, Kendra, Cheese and MJ should come.

Me: Good idea.

Cole: Yeah!

Kendra: I like it.

Me: Cool.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger

than ever and he was sweating like crazy.

Lincoln: We don't have long before The Ridonculous Race starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep. Our plan is now done. We're ready to take off.

Camie: Cool.

Laney: Have you seen Lori, Luan, Lynn, Lola and Lisa and Chandler?

Me: I think they went to the park down into the city.

---

20 minutes earlier, they came down to the park to relax and saw Ed in a rotten mood.

Lori: WHOA! Ed looks really mad!

Luan: UH OH!

Ed: [enraged] "RAAAAAAHHHHHHHH!" [His eyes turn red and he rips his eyebrow in half and angrily screams loudly at the world.] "BIIIIIIIIG TROUBLEEEEEEEEEEEEE!"

[Ed grabs his stump and proceeds to smash the playground with it. Eddy frantically fans Edd. Ed bites into various pieces of playground equipment and tosses them in the air. Jonny, caught on the seesaw, actually enjoys this.]

Jonny: "Yee-haw!"

Eddy: [desperately shaking Edd] "Double D, wake up! Aah!" [He cowers. Broken pieces of playground land around him and Edd. Eddy then takes cover as the seesaw lands over Edd without crushing him.]

Jonny: "Right on!"

[He lands on one end of the seesaw, Plank on the other]

THEN ED MERCILESSLY THRASHED LORI, LUAN, LYNN, LOLA AND LISA AND CHANDLER AND BRUTALLY SMASHED AND PULVERIZED THEM WITH INTENSE FURY AND SAVAGERY!

PRESENT

Then they came back all horribly beaten up and mangled up!

Me: OH MY GOD!

We went to them!

Me: WHAT HAPPENED!

Angel: Guys, what happened?! Why are you beat up?! Who did this?!

Lynn: (SPITS UP BLOOD) It was Ed!

Qin: UH OH!

Lola: Ed beat us up! He was in a horrible mood!

Me: Oh no! Varie, get them to the infirmary stat!

Varie: RIGHT!

We went down to the park and saw the entire place completely in shambles and an absolute mess! We saw Ed smashing and pulverizing the place!

Me: I think something is in his shoe!

Hawkgirl: Ben, turn into Grey Matter and get what's in his shoe!

Ben: I don't think Grey Matter is small enough to fit.

Me: HULK, KRUNK! HOLD HIM!

They jumped and held him.

Hulk: Hulk say hold on Puny Ed!

Krunk: Krunk holding!

He was roaring in fury!

Me and Nico got his shoe off.

POP!

Then a sharp metal rock fell out.

Me: Hmm.

I picked it up.

Me: A sharp rock!

Ed: ED IS HAPPY ONCE MORE!

Needlenose: How did that get in there?

Me: Whoever did this really was planning this.

Nico: What do you mean?

Me: I think someone put this in Ed's shoe so that he would go apeshit all over the place and you would be forced to kick him out of the team.

Nico: WHAT!? Oh man!

Eli: He's right! I sense it. Someone snuck into the estate in the middle of the night and put it in his shoe.

Rollbar: Who was it?

Me: I have a hunch.

Eddy: Kankers?

Me: Kankers. Lee and evil versions of Marie and May.

Nico: Those repulsive monsters!

Qin: Yeah!

[Ed sits down and starts to cry.]

Edd: "There, there Ed."

Eddy: "What's he blubbering about?"

Me: Ed you're not going to get kicked off the team.

Qin: Yeah big guy.

Tae Kwon Crow: Ed, rest assured you will not be kicked off the team

Ed: BUT I HURT THE LOUD'S AND CHANDLER GUYS! (CRYING)

Eddy: Lumpy, listen to me. The only ones responsible are Lee and the evil version of May and Marie! Besides, this happened before!

Me: Yeah Ed.

Qin: It sure did.

Eddy: So, c'mon, Lumpy. Smile. Even got a Jawbreaker for you.

Me: We'll let you even pet Rolf's Chickens.

Rolf: NO CHICKENS!

Eddy: Ok, maybe not the chickens. How about Gravy and buttered toast?

Me: And I'll have the gravy given.

Ed: (GETS HAPPY) GOODY GOODY! GRAVY!

I activated Gravyzilla's ridewatch and fired waves of gravy into his mouth and bloated him up

Nico: This IS his Akuma, after all

Me: Yep. One of them.

Qin: Yep.

He was really bloated.

We went back home.

Lori, Luan, Lynn, Lola and Lisa and Chandler were healed.

Me: There we go.

Nico: Alright! Everyone, grab the essentials you need for the first part

We went and did so.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Hro Talak, the Mad Thanagarian, he's come back and he's in The Kanto Region and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: ARE YOU FUCKING KIDDING US?!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing in the slightest: I just had a vision and I saw who it was that we're going to confront today: it was Hro Talak, the Mad Thanagarian, he's come back and he's in The Kanto Region and causing havoc.

EVERYONE GASPED!

Hawkgirl: Hro Talak's back?! (Realizes something) Wait a second, is he among those in Dark Gale?

Lincoln took out the list of Dark Gale's members, and lo and behold, he is.

Lincoln: He is. That must mean, Elise Elexton broke him and several other villains out of prison to join Dark Gale!

Me: That bitch!

Nico: She's got some nerve getting some old enemies to join her organization. Well, no matter, she'll watch as we destroy her members one by one. Lincoln, where's that Mad Thanagarian at?

Lincoln: He's in The Kanto Region.

Me: So, that's our first stop.

Nico: The members of Dark Gale are in each of the Regions, smart move. But, not smart enough, alright, let's get The Flying City Fortress ready, The War Against Dark Gale is finally on!

Lincoln: We'll meet with Don at The Kanto Region to hunt down Hro Talak once and for all.

The previous group came.

Larxene: Can me, Goro, Scorpion, Six Gum Gang, Wiggum, Whiteout, Evil Green Ranger, Dark Laser, Ghost and Living Laser go with you guys?

Dixie: And do we even want to know what happened?

Me: Ugly story.

Nico: And yes you all can come with us.

Lana: Yep.

Camie: Yeah.

Me: Now to initiate our plan. Nico, I'll need your help.

Nico: Okay.

I gave Nico a key.

Me and Nico went to the main computer in the living room.

Me and Nico put our hands on scanning pads.

Then a beep was heard and then a console came up.

Nico: Cool!

Me: That's just the beginning.

Me and Nico put our keys in.

Me: On my mark. 3...2...1... ACTIVATE!

CLICK BEEP!

There was a rumble and the city turned into a HUGE DOME and lifted out of the ground and it was now a FLOATING CITY FORTRESS! The entire World Tree estate was now a floating huge city fortress!

Nico: WHOA!

Xenia: WOW! This is amazing!

Me: WOW! It works better than what I expected.

Lola: WOW!

Me: All systems and environments at 100% Efficiency.

Nico: Awesome!

Komba: Nico, which Gene Slammer do you think you'll meet next?

Harpus: I hope it's a powerful one!

Goof: I hope so too!

Nico: We'll go for Marsmon next.

Qin: OOH! Fiery.

Camie: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Gina Midnight Glimmer, Midnight Princess of Dark Magic Stars Sadism, and she's coming after us at The Kanto Region. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, the first of The Midnight Princesses, Gina Midnight Glimmer, Midnight Princess of Dark Magic Stars Sadism.

Maria Nightingale: I knew she'd be the first one we'd face. But, this also means we'll be running into Morgana Midnight Sparkle and the rest of The Midnight Princesses.

Nico: Just like when we first met The Chernabog Sisters two years ago, but we're now ready for them. Alright, everyone, let's get The TLPS Flying City Fortress ready and head out to The Kanto Region!

Lincoln: The 2024 Ridonculous Race: The War Against Dark Gale and The Midnight Princesses is finally on, and we'll start with getting rid of Hro Talak, and once we get done with him, you're next, Gina

Midnight Glimmer!

Me: Lets see what this baby can do.

Maria Nightingale: The suffering you've caused all those years ago can never be forgiven, Gina, and now, I will see to it that you die here and now!

Then we headed out to The Kanto Region to meet up with Don and hunt down Hro Talak, the first of Dark Gale's members, and once we got done with him, Maria Nightingale and Lincoln are going to destroy Gina Midnight Glimmer, The Midnight Princess of Dark Magic Stars Sadism.

We were off. Jared was at the helm,

* * *

We arrived at our first stop: The Kanto Region, and we disembarked.

Mortal Kombat Scorpion: Here we are in Kanto.

Me: Ah, The Kanto Region.

Nico: This is our first stop on The Ridonculous Race.

Then, we saw Don arrive.

Don: That's right, guys. So, how are you feeling?

Lincoln: We're ready for this race, and you've heard of the news of Dark Gale, right. Well, we're also ready to take down those monsters along with their leader, Elise Moonscar Elexton, the powerhungry world domination crazed old enemy of J.D. and Sakura.

Sonya Solovyova: We're going to make her and all of them pay for their crimes.

Me: This is just stop one.

Wilbur: Let's call Magneto

Me: Good idea.

We did so.

Chop Shop: (to Magneto) Thanks for coming.

Magneto: No problem.

Me: This will be good.

Nico: It sure will.

Wiggum: This is where Ash's journey began, right?

Eevee: It sure is

Me: From what I remember, Jessie, this is where Ash and Pikachu first battled you right?

Jessie: That's right. This is where Ash and Pikachu met us and battled us. His Pikachu battled us and showed amazing power.

James: And from then on we pursued him relentlessly to get him for Giovanni.

Deadpool: (To the viewers) And to all Pokemon fans out there that was back 28 years ago.

Jamesdean5842: Boy that was crazy! Team Rocket was trying to steal Pikachu since 1996. That was really nuts!

Me: I agree there.

Flywheels: We need to find where the first base is

Me: I have a good idea where it is.

Nico: Me too.

Qin: Same here.

Evil Green Ranger: You know where it is? Great!

Me: Yep. Giovanni's old gym.

Ash: That's right! This is where we battled Giovanni and we had no idea he was Team Rocket's boss.

Lola: Yeah!

Pikachu: Now he's gone for good too.

Terrorsaur: Wait. Pikachu can talk now?!

Pikachu: HEY YEAH! I can!

Me: Wow!

Ash: That is awesome!

Me: Nice!

Meowth: Wow! That is awesome Pikachu.

Ghost: Okay. Let's go approach the base's entrance. But let's also be careful

We nodded.

Lincoln: J.D can I talk to you for a second alone?

Me: Sure. Be right back guys.

I went to talk with Lincoln and he whispered in my ear that he senses that Morgana Midnight Sparkle poisoned the rest of her followers with evil and made them evil against their will. He has a plan. He is going to purify them and make them good before we kill Morgana Midnight Sparkle.

Me: (Whispers) Oh I get it. (Winks)

We later came back.

Nico: There it is.

We arrived at Giovanni's gym.

Me: The Viridian City Gym.

We saw it rebuilt.

Me: Looks like it was rebuilt since last time.

Ash: Last time we were here it collapsed from the battle.

Pikachu: I remember.

Me: Yeah.

Mewtwo: And from the looks of things after Giovanni bit the dust, is was left here abandoned.

Nico: Someone should remodel or buy it

Me: Yeah. But this is definitely where the first battle will be. We're going to kill anyone that gets in our way.

?: Not before we destroy all of you in the process! (LAUGHING INSANELY)

Suddenly, we saw a girl with the same hair color and clothes as Midnight Sparkle and she has large purple demon wings appear and she has Midnight Sparkle's cutie mark on her forehead!

WE GASPED!

Catherine Fontaine: Morgana Midnight Sparkle!

Lincoln: The leader of The Midnight Princesses, and she's not alone.

Me: So YOU Are Morgana Midnight Sparkle! We heard so many huge things about you!

Morgana Midnight Sparkle: I'm flattered that you know me. Here's my sisters.

Then, we saw many other girls appear with the same hair color and clothes as the other Midnight 16 members and they have colored demon wings and the cutie marks of the other Midnight 16 on their foreheads too!

Reina Brenton: Sarah Solar Shimmer, Midnight Princess of The Hellish Flames of Hell!

Sarah Grettleton: Celine Crazy Gem, Midnight Princess of Dark Magic Gem Greed!

Katie Callisto: Carly Creepy Apple, Midnight Princess of Dark Magic Apple Dishonesty!

Rebecca Hernandez: Relena Rainbow Dark, Midnight Princess of Dark Magic Rainbow Treachery!

Anna Medina: Felicia Fluttermad, Midnight Princess of Dark Magic Nature Cruelty!

Valerie Quinn: Phoebe Pinkie Dark, Midnight Princess of Dark Magic Insanity!

Lunaria Luna: Natalie Nightmare Moon, Midnight Princess of Dark Magic Eternal Night!

Solana Celestia: Caitlyn Midnight Celestia, Midnight Princess of Dark Magic Dark Sun Tyranny!

Rayna Cosmos: Laura Midnight Lulamoon, Midnight Princess of Dark Midnight Magic Insanity!

Maria Nightingale: Gina Midnight Glimmer, Midnight Princess of Dark Magic Stars Sadism!

Callie Parsons: Selena Midnight Sunny Flare, Midnight Princess of Dark Magic Sun Cruelty!

Jessica Chambers: Serena Midnight Sugarcoat, Midnight Princess of Dark Magic Fireworks Fury!

Laura Tempest: Irena Midnight Indigo Zap, Midnight Princess of Dark Magic Indigo Lightning Madness!

Melanie Harmonia: Sarah Midnight Sour Sweet, Midnight Princess of Dark Magic Sour Madness!

Allie Davies: Leanne Midnight Lemon Zest, Midnight Princess of Dark Magic Lemon Insanity!

Caitlin Lusignan: And Marianne Midnight Moonslayer, Midnight Princess of Dark Moon Fire Magic Insanity!

Me: So, they are The Midnight Princesses! They're just like The Midnight 15!

Lincoln: And a lot more insane!

Morgana Midnight Sparkle: LINCOLN LOUD! DAYDREAM PRINCESSES! YOU WILL ALL PAY FOR RUINING OUR PLANS TO DESTROY THIS MISERABLE PLANET!

Lincoln: GO TO HELL, MORGANA!

Me, Lincoln, and Nico: We will never allow you monsters to destroy our planet!

Eli: You want to get to the planet, you have to go through us!

Vypra: That's right!

Dark Spicer: Prepare for the biggest ass-kicking ever!

Me:And it's going to hurt bad!

Celine Crazy Gem: (Laughs Insanely) Then, death is all you will get!

Felicia Fluttermad: I'm going to enjoy hearing your screams of agony!

Sarah Solar Shimmer: YOU WILL ALL BURN!

Me: NOT ON OUR WATCH!

The other Midnight Princesses left leaving Gina Midnight Glimmer on her own.

Don: So, those are The Midnight Princesses.

Lincoln: Yep, in addition to battling Dark Gale, we've also got unfinished business with The Midnight Princesses, and they like The Midnight 15 desire to destroy the world, but we're not going to let them do so, we're taking them all down starting with you, Gina Midnight Glimmer.

Gina Midnight Glimmer: We will triumph and you and this entire planet will be destroyed!

Gina Midnight Glimmer disappeared in a tornado of dark purple darkness and dark magic.

Lincoln: She'll be back soon after we deal with the first of Dark Gale's members.

Me: Yep. (In my head) I do sense good still in some of them. I know we can help them.

Nico: Well, that was nice and ominous

Qin: So they were the Midnight Princesses!?

Me: Yep. And their leader is Morgana Midnight Sparkle. Just like Lincoln and his Guardian Angels predicted. They were released from their prison and are now back for revenge.

Nico: Oh man! And we thought the Midnight 13 were crazy!

Qin: I know!

Me: Yep. But me and Lincoln have a plan.

Lincoln: The Spirit of Harmony came to me and I told J.D. about it. We're going to purify them and have them turn against Morgana and join the side of good.

Lola: WHAT!?

Me: SHH!

Lola: Sorry.

Me: Hear me out on this. I know it's crazy but it's part of the plan. We're going to use the evil containment wave and trap them and then Lincoln and his Guardian Angels and myself will purify them. Trust me on this.

Nico: Sure. But their agents and scientists die.

Me: Understood. But Dark Gale's scientists and agents go to prison. They aren't worth it. But whoever is affiliated with them, will be destroyed.

Camie: Yeah!

Me: And Hro being the first.

Nico: Right.

Lincoln: Also I just had a premonition. I found out we're going to face for the Akuma. It's Hawkgirl's Akuma, Corvusflight, The Hypothetical Akuma of Hawkgirl and she is a dark angel mage and a master of dark magic and fire and she has wings that are as black as night. She was made because of the crimes of Hro and what lead to her to be exiled falsely from Thanagar and she vowed to kill Hro and punish those that betrayed her.

WE GASPED!

Me: WHOA MAN!

He showed us a sketch of her and she was a black wing version of Hawkgirl and had dark clothes and a black and purple aura and had red lightning in it and had fire in her hands.

Me: WHOA!

Hawkgirl: Black Wings on me? That is scary.

Me: And the black aura and red lightning is fitting too.

Spinister: Where is she?

Eli: She's on the roof of the Pokemon Center.

We looked and saw her on the roof.

Me: There she is. Lets go.

Nico: Right.

We went to face her.

We flew and landed.

Corvusflight: So you are all here.

Me: You look amazing like this Shayera.

Corvusflight: Crow Wings aren't my style but it fits me.

Me: It sure does.

Living Laser: Hawkgirl? Is that you?

Corvusflight: Yes it's still me. I'm here for revenge on Hro.

Me: I know. We have enough evidence to make him pay for his crimes.

Lola: It's true.

Corvusflight: I'm glad. But he branded me as a traitor.

Me: I know. We're doing everything we can to clear your name and help you get allowed to go back home.

Magneto: Which is why you need to calm down.

Corvusflight: Not until he is dead.

Me: Then we fight.

I fired waves of lightning and blasted her.

Nico fire waves of lightning and blasted her.

Magneto fired magnetic waves and blasted her all over with nuts and bolts.

Corvusflight: My turn!

She fired fire blasts and Brittney fired waves of darkness and the blasts collided and exploded!

MASSIVE EXPLOSION!

Me: WHOA!

I fired a blast of energy and blasted her down and knocked her out.

Lola: There!

Qin: That did it!

Billy Gilbert: She was right.

Cycloid: Crow wings don't fit you

Hawkgirl: I agree.

Me: Now to go after Hro.

Lana: That is for sure.

Vypra: But we're ready for anything.

Me: Awesome.

Eli: He's in the gym.

Nico: Lets go. Entrance time.

We flew at the gym.

Hro was waiting. But then the spirits of Thanagar came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a Phoenix Cry was heard and we landed.

We were facing HRO TALAK!

Me: Hro Talak.

Hro: Team Loud Phoenix Storm. How nice to see you again.

Me: We would say the same thing but we would be lying.

Hro: And Shayera you are looking as lovely as ever.

Hawkgirl: I can't believe that you'd stoop that low as to ally yourself with Elise Elexton. You truly are the most shameless and disgraceful Thanagarian, Hro Talak.

Me: I thought we were done with you when you got locked up.

Nico: But, it looks as though Elise broke you out to get revenge. Well then, you've left us no choice, you just sealed your own death warrant, you mad Thanagarian!

Hro Talak: We'll see about that!

Suddenly, we saw a massive army of demons arise and they bore the mark of Gina Midnight Glimmer along with Dark Gale grunts and scientists.

Lincoln: So, Gina's sent her army of Dark Magic Star demons and the Dark Gale Grunts and scientists have also come out, huh?

Lincoln fired magic draining blasts that hit Gina Midnight Glimmer's Dark Magic Star Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Then, he fired energy draining blasts that hit the Dark Gale grunts and scientists and drained them of their energy and knocked them down and out. Then, he beamed them to prison leaving Hro Talak alone.

Dark Laser: Oh, we'll get to you in a second. (to Flipsy) Flipsy, go with the others and dismantle the base

He did so.

Me: Before we fight Hro, Answer me this.

Hro: Of course.

Me: Why did you try to launch an attack on Earth. Shayera calls Earth home and you tried to take that away from her! These are her friends! She has a home here and also on Thanagar! Thanagar is her home planet and her people! You took that away from her! Why!?

Hro: Oh, I did nothing really. She had a choice between Earth and us. And she was so close to making the right choice. But she chose Earth. And therefore, made her choice.

Me: That's not a good reason. There has to be more to it than that! What you did is considered war crimes. Shayera came to Earth to bring both our planets together! She did so many good things not only for Thanagar but also for Earth! She saved this planet countless times from doom.

Calyana: That's right brother!

Calyana went up to her brother.

Calyana: Hello brother.

Hro: Calyana. My dear sister.

Calyana: I know why you wanted to bring Earth down. You wanted to conquer it so you can have a band of soldiers under your command destroy Earth and make Humans Slaves! That is not the friendship we Thanagarians have with Earth is all about! We have helped Earth on numerous occasions and you were destroying that treaty!

Hro then laughed malevolently!

Hro: I WANTED TO MAKE THANAGAR SUPREME RULER OF THE SOLAR SYSTEM! WITH EARTH ENSLAVED YOU WOULD ALL OBEY US! WE ARE SUPERIOR AND WILL RULE!

NOW THE TRUTH HAS COME OUT!

Me: SO THAT'S IT! It was all for power! You wanted to dominate us for your own selfishness!

Hro: I was doing it for the good of Thanagar! No matter how evil or cruel was always for the greater good of my people!

Nico: That makes you no better than General Zod!

Hro: And now, Shayera, I will give you one last chance. Join me. Like a good girl.

Hawkgirl: You mean like a good dog. That's all I am to you, is it? Just a puppet.

Hro: You are a Thanagarian. I just said all Thanagarians were superior to humans. And if you join by my side, that will include you.

Hawkgirl: NO! I am not going to become like you!

Me: Shayera is not some tool for your own sick pleasure! Like us she is human like everyone else! And that includes the people of Thanagar!

Calyana: And she is also my best friend! And a sister I look up to! A True sister to her than you!

Me: YEAH! Also if I were you I would start making peace with your maker!

Hro: What are you talking about?

I pointed to something behind him and he saw that it was a viewing window and he saw the people of Thanagar looking at him and they were absolutely shocked and disgusted with him! HE USED THEM ALL AND FOOLED THEM AND TURNED SHAYERA INTO AN OUTCAST!

THEY WERE ALL DUPED AND LIED TO AND PLAYED FOR FUCKING FOOLS!

Inside the base...

Ren Krawler: Destroy every last equipment!

Linehalt: Make sure none is left standing!

THEY WERE BLASTING EVERYTHING!

KRABOOOOM! KRABOOOOM! KRABBBOOOOOMM
KRABOOOOMM! KRABBOOOOOOOMM!
KRABBBOOOOOOOM!

They fired waves of energy and blasted and destroyed everything!

KRABBBBBBBBOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOMMMM!

Fiery explosions blasted everything apart!

Trunks: Payback time! For all the Suffering you caused!

They blasted everything into a fiery mess!

They saw the injections and equipment.

Whiteout: This is the equipment for the injections. And here's notes and formulas too.

Squirrel Girl: Lets bring them with us for analysis.

Whiteout: Good idea.

They found numerous scientists and grunts.

Toad Man: You're all under arrest. If I were you, I would come quietly

They came at them and Carmelita Fox blasted them with her shock pistol and paralyzed them and slapped the cuffs on them.

They counted 500 of them.

Lunk: That's 500 of them.

Runt: Did we miss any?

They looked and none were found.

Lunk: We got them all.

Goof: We found a bunch of prisoners.

They saw numerous people in hospital clothes.

Vince: It's all right everyone. We're here to free you.

Woman: Oh thank you so much!

Bludgeon: No problem. Come with us.

Vince: Lets go. This whole place is gonna blow.

They ran and got out and teleported away as the base was destroyed.

Vince: WOOYEAH! That was a blast!

With us...

Goro: Now that everyone knows the monster you are... (punches Hro)

POW!

Me: You played your people for fools Hro!

Raptarr: That makes you no better than when Mephos did to the Avians!

Me: That's right!

Xenia: Yeah!

2003 Leo: That is too true!

Vince: (On the radio to me) J.D. do you read?

Me: Loud and clear partner.

Vince: We found the base and destroyed everything, captured the grunts and scientists and rescued their prisoners.

Me: Great job!

Vince: We also gathered the formulas for the injections they used as well as notes.

Me: Great we can analyze those. Well done Partner.

Pidgeot charged at him And smashed him down.

Me and Hro flew into the air and I kicked him through the roof!

We flew into the sky and I kicked him in his face.

Me and Hro then clashed our weapons!

CLANG CLANG CLANG CLANG CLANG!

SPARKS FLEW ALL OVER THE PLACE AS LIGHTNING STRUCK ALL OVER!

Hawkgirl smashed her mace and bashed him in his back!

KRASMASH! SICKENING CRUNCH!

Me: WHOA! Nice one!

He fell to the ground.

Larxene charged at him and fired lightning blasts and electrocuted him.

Zapdos: Let bring the lightning!

Larxene and Zapdos: LIGHTNING THUNDERSTRIKE BURST!

They fired waves of lightning and blasted Hro.

Camie: YEAH!

He got up and just as he was about to fly again...

SLASH!

I SLASHED HIS WINGS COMPLETELY OFF!

HE SCREAMED IN EXCRUCIATING PAIN!

Lola: OH MAN! That had to hurt!

Goro charged at him and punched and kicked and smashed him all over.

Johnny Cage: Those were $500.00 Sunglasses asshole.

Goro: Sorry.

Goro and Johnny Cage: FURY OF THE MORTAL KOMBAT BLAST!

They fired a massive blast of energy and blasted him.

Mortal Kombat Scorpion: GET OVER HERE!

He fired his whip and wrapped it around Hro and pulled him and Flare kicked him and blasted him with intense fire!

Moltres: Lets turn up the heat!

Mortal Kombat Scorpion and Moltres: FIRE PHOENIX DRAGON BLAST!

They fired a massive blast of fire and blasted Hro down.

Me: Take that!

The Six Gum Gang charged a him and blasted him with gum blasts.

Numbuh 2: Lets bring them down pardners!

Six Gum Gang and Numbuh 2: WESTERN POWER BLAST!

They fired waves of energy and blasted Hro all over!

Me: YEEHAW!

Applejack: TEXAS POWER!

May: Lets saddle up!

Six Gum Gang and May: RAPIDASH FIRESTORM BURST!

They fired waves of energy and fire and blasted Hro all over.

Wiggum charged at him and rolled into him like a bowling ball!

SMASH!

Me: Ready Choji?

Choji: You got it! EXPANSION JUTSU!

He turned into a huge ball and I grew giant!

Me: Ready Chief?

Wiggum: Lets roll boys!

Me, Wiggum and Choji: DOUBLE BOWLORAMA JUTSU!

I threw them and smashed them into Hro!

KRASMASH!

Nico: PERFECT GAME!

Wile E. Coyote: (Holds up sign) Lets bring the pain!

Wiggum and Wile E.: BOULDER ROLLER BASHER!

They rolled huge boulders and smashed Hro down.

Whiteout charged at him and blasted him with light blasts.

Whiteout: Lets bring the light!

Princess Rose: We're ready y'all!

Whiteout and Princess Rose: FROG ROSE BLAST!

They fired waves of light and frogs and blasted Hro all over the place!

Me: OH YEAH!

Evil Green Ranger charged at him and blasted him with energy blasts.

Spiderman: Lets bring the fun from your Friendly Neighborhood Spiderman!

Evil Green Ranger and Spiderman: SPIDER DRAGON BLAST STORM!

They fired waves of energy and webs and blasted Hro all over the place!

Me: Hey Vambre, Prohyas, I got an idea for a combo.

Vambre: (British Accent) OOH! Lets do it!

I spun my magisword bracelet!

CHEESE MAGISWORD!

MICROWAVE MAGISWORD!

CAYENNE PEPPER MAGISWORD!

Me, Prohyas and Vambre: SUPER ULTRA TEAMWORK COMBO: SCALDING HOT NACHO CHEESE DOWNPOUR!

We fired a deadly hot blast of super hot nacho cheese sauce and drenched Hro and burned him bad and he was screaming in pain!

Nico licked some cheese.

Nico: Yummy! Too bad we didn't bring any chips.

Me: Yeah and nothing hurts worse than being burned by Scalding Hot Nacho Cheese Sauce.

Nico: That is for sure!

Dark Laser charged at him And blasted him with lasers!

Plankton: Time for some lasers!

Me: THE EXCALIBUR EMERALD SWORD OF CHIKYU!

Nico: COOL!

Me and Ghost: EMERALD DRAGON KING OHGER BLAST!

We fired a massive blast of energy and light and it hit Hro and exploded!

Ariel: So is this too.

Ghost and Ariel: ATLANTICA MERMAID BLAST!

They fired a massive blast of water and smashed Hro all over.

Natasha Hernandez: (GASP) Lillith Mantalvo!

She went over to her.

Lillith: Help me.

Natasha Hernandez: You'll be okay.

Me: You know her Natasha?

Natasha Hernandez: She is a little girl I met that was attacked by a vampire. She's in the stages of turning into a vampire. She's trying to fight it so she doesn't kill people. I saved her but the she is still having a hard time fighting it.

Blade: How long was it since she got bit?

Natasha Hernandez: I met her 3 hours after she got bit. 3 days ago.

Blade: She's still turning.

Natasha Hernandez: She's trying hard to hold on to her humanity.

Me: She's worried if she turns into a vampire she will kill people left and right.

We held her down!

Me: Her skin is getting colder!

Blade: Vampires are known for their cold skin.

Me: She is really out of her mind with pain from it. Fuck that Frost! Fuck that motherfucker!

Nico: We can still help her!

Me: We can't just kill her! She's a little girl!

Blade: I know what to do. I'm giving her an accelerated retroviral detox. Like a heroin addict, she'll go cold turkey in one night.

Me: Okay Blade.

He injected her.

She screamed.

Natasha: Easy Lillith. Easy. Easy. You'll be fine.

Me: The fangs will still be permanent though.

Natasha: I can live with that!

Lillith: Ow.

Me: You'll be okay. I'm guessing you became Kivaki because of how you were bitten by Frost.

Lillith: Yeah. That monster killed my parents. Turned them into vampires. I have no choice but to kill them.

Magneto: Time for me to end this.

He used his magnetic powers and blasted and smashed and mangled him all over.

Hro Talak: YOU! YOU!

But, before Hro Talak could attack once more, Lincoln grabbed him by the neck with his left hand and he began sucking out and absorbing Hro Talak's Superhuman strength, Superhuman durability, Superhuman speed, Superhuman endurance, Superhuman stamina, Flight, Master combatant, Axe mastery, and skills as a Tactician. Then, Lincoln tossed the powerless Hro Talak in the air with his superhuman strength and fired a blast that took the shape of the legendary Zapdos and it smashed into him and exploded with incredible power killing him and sending him to The Black Abyss.

We cheered as we holstered our weapons and powered down.

Hawkgirl: Rest in The Black Abyss, Hro Talak.

Nico: That extremist got what he deserved.

Me: And we did Thanagar a favor by putting him down.

Lincoln: That's true. Now, there's one last thing to do and one last loose end to tie up: Gina Midnight Glimmer, The Midnight Princess of Dark Magic Stars Sadism.

heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Gina Midnight Glimmer.

A tornado of dark purple energy and dark magic appeared, and as soon as the tornado vanished, in its place stood Gina Midnight Glimmer, The Midnight Princess of Dark Magic Stars Sadism.

Maria Nightingale: We've already taken care of Hro Talak and we not only knocked out the Dark Gale grunts and scientists there, but we also got rid of your Dark Magic Star Demons that you sent after us, so you failed to get rid of us with your minions and using one of Elise Elexton's allies.

Gina Midnight Glimmer: (ENRAGED DEMONIC VOICE) Those idiots failed in their task, and now, I have to do everything myself! Damn them!

Maria Nightingale: Well, you better consider those your last and final words.

Suddenly, Maria Nightingale's blue eyes turned blue and she was surrounded by a purple and cyan blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, magic, darkness, bones, skulls, Alicorns, phoenixes, and angels, she unholstered her scythe, and as she approached Gina Midnight Glimmer, she left purple and cyan blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, magic, darkness, bones, skulls, Alicorns, phoenixes, and angels with every step.

Maria Nightingale: From the very moment that we found out the seal was broken, we'd known you and the other Midnight Princesses would return once again to get revenge on us for banishing you all to The Netherworld seven years ago. But, that is never going to happen, Gina Midnight Glimmer, as The Daydream Empathy Princess of The Undead and member of The Daydream Princesses, I hereby sentence you all to death for all of your crimes.

You wanted to destroy the Earth same with the rest of the other Midnight Princesses, that proves that you're just as dangerous as Queen Opaline, you walked the path of a monster crawling your way through the dark, that's a lonely path, and it's one that'll follow you into death. Gina Midnight Glimmer, Midnight Princess of Dark Magic Stars Sadism, may you suffer for all eternity with not a kindred soul to give you solace!

Lincoln, Maria Nightingale, Nico, and I went after Gina Midnight Glimmer, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, purple and cyan blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Gina Midnight Glimmer, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Maria Nightingale did the same by firing purple and cyan blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Maria Nightingale, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Gina Midnight Glimmer even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Gina Midnight Glimmer, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Gina Midnight Glimmer, this is where your rampage of destruction ends here and now.

Then, Lincoln's massive white angel wings and nine other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Gina Midnight Glimmer.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Gina Midnight Glimmer's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Gina Midnight Glimmer hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gina Midnight Glimmer was now on her last legs and she was really really mangled.

Then, Lincoln fired an orange energy blast that hit Gina Midnight Glimmer and he began sucking out her dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and nine other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Gina Midnight Glimmer was knocked out and I used the Evil Containment Wave and locked her in a bottle!

Me: There!

Me: One down.

We cheered wildly as we holstered our weapons and powered down and Maria Nightingale's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty five large purple and cyan blue planets orbiting around her legs and twenty five smaller purple and cyan blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized purple and cyan blue planets orbiting around her wrists and ankles, eleven massive and long purple wolf tails, and massive purple angel wings and nine sets of large purple angel wings underneath her massive purple angel wings are permanent.

Maria Nightingale: This is the price that you must pay for all of your crimes, you genocidal monster! Thanks for helping me take down Gina Midnight Glimmer, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Me and Nico: Our pleasure, Maria.

Suddenly, Maria Nightingale wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Nightingale's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Daydream Glimmer flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Maria Nightingale sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Gina Midnight Glimmer.

WE HEARD THE LOUD SCREAMS OF DEMONIC RAGE AND INSANITY!

Me: And we've pissed off The Midnight Princesses big time! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a Chimera flying in the skies and it left a wave of darkness across the skies.

Selene Arcangela: (GASPS) The Chimera...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Carly Chimera, Avatar of The Chimera.

WE GASPED!

Me: Wow!

Enya Phoenix: Oh man, I knew you'd pick her, and you guys are going to love meeting her, Carly Chimera, Avatar of The Chimera, is Lincoln's Guardian Angel and she's known as The Chimera Queen of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Carly is a powerful master of the powers of the wind, and she's also known for her mastery of the powers of The Chimera. She was born to a family of Chimeras during a time of darkness, and over time, as she grew, she gained all of the incredible strengths and powers of The Chimeras, along with immortality and she also mastered the powers of The Chimeras, and she'd fought to protect the Chimeras from humans who sought to destroy them, but there was one person that had a true love for everything, along with honor, courage, dignity, and incredible bravery, and that also really strengthened the infinite love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of darkness, and he also gained all of the incredible strengths and powers of The Chimeras, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 Chimeras and men combined, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Carly kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Chimeras and be torn apart!

Me: Oh man!

Nico: So, if anyone dared to anger her by hurting Lincoln, they would be...!

Lincoln: You better make sure you've made peace with God and say your prayers, or worse, you'll have to lie awake at night hoping she never ever comes for you!

Me: HOLY SHIT! (GULP)

Dark Leo: Looks like Thanagar's welcoming back Shayera with open arms.

Abra Kadabra: She's earned it.

Batroc the Leaper: Yes, she has.

Me: She was punished more than enough.

Ragdoll: Still, I wonder who Waller called.

Trapster: We'll find out when the times comes.

Me: Yeah. But that's part 1 of Kanto done. And we caught 1 of the Midnight Princesses.

We then got ready for bed.

In an alleyway, two rapists were about to have their way with a woman.

Woman: No, please!

Rapist 1: Scream all you like. No one's gonna hear ya!

Just then, a figure dropped down.

Rapist 2: What the Hell?!

Peacemaker: Eat peace, motherfuckers!

The last thing they ever saw was Peacemaker shooting his gun at then.

RIDONCULOUS RACE 2024 PART 2 - KANTO 2

Part 2 in Kanto

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had a dream: apparently, his dream took him to Australia, and as he was flying, he saw a young man who was about seventeen years old and he had the same long dark brown hair as Caleb Maxwell, and he was dressed in a red shirt, black pants, black knee-high boots, and he also saw that he had the same vampire cross tattoo on his right arm. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh man! Caleb's gonna be in for a huge surprise!

Michelle Emperyous: Same with Cage, Travis, James, and the NYPD Nightshift.

Lincoln: That's for sure, and I got to ask Captain Whitten about the case concerning that kid that I saw in the dream and how he's connected to Caleb.

Selene Emperyous: From what you told us, Lincoln, he looked like a carbon copy of Caleb before his transformation.

Paige: Could he be a twin?

Lincoln: That may be the only explanation, but we'll have to wait until tomorrow to find out.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their

teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Australia, and as I was flying, I saw a young man who was about seventeen years old and he had the same long dark brown hair as Caleb Maxwell, and he was dressed in a red shirt, black pants, black knee-high boots, and I also saw that he had the same vampire cross tattoo on his right arm.

Caleb Maxwell gasped along with Marlene Maxwell.

Marlene Maxwell: Lincoln, that young man you described...? That was...!

Lincoln: Mrs. Maxwell, you and Caleb know him?

Caleb Maxwell: We do. That was my younger twin brother, Tyler Maxwell.

Caleb Maxwell got out the picture of his younger twin brother, but he was only a year old.

Caleb Maxwell: This was his picture when he was only a year old and it was several years after Drake was born that Mom gave birth to Tyler. I was four at the time around the time Travis got turned into a vampire and the time Trevor and his friends got killed in Kentucky, and it was around that time that Tyler suddenly went missing.

WE GASPED!

Nico: Did they find out who did it?

Caleb Maxwell: No, they didn't, and I was deeply hurt and haunted by what happened to him, and it kept on haunting me for twelve years, and when I was sixteen, I found out through a contact on the streets that Dad's scumbag relatives were the one responsible for

Tyler's disappearance and it pissed me off big time.

Captain Whitten: We searched all over for him for years, but with no luck, and we officially closed the case in 1975. (Sighs) But, Caleb didn't give up, as he got into high school, he made friends with some kids on the street and he wanted to find answers to who's responsible for the Tyler Maxwell case back in 1969.

Roxy Drake: And when Caleb turned eighteen and was in his senior year of high school, that led to him finding out his dad's and Drake's secret and the discovery of The Syndicate and we knew what happened then.

Eli: Yep.

Lori: Those sorts of things should literally be left to the police, Caleb.

Jack Howard: Sadly, you know how stubborn a Maxwell is.

Cage Blunt: Ain't that the truth.

James Blunt: I remembered hearing about it, and I heard Caleb say he made a promise long ago.

Caleb Maxwell: Yes, I made a promise to find my brother and bring him back to our family no matter how much time had passed since then. But, this'll be on your rescue, Lincoln, I got word of something really big happening at Silicon Valley from one of my contacts.

Nico, Qin, and Nico's Harem: How on Earth could Caleb make that many contacts in a short amount of time?!

Jazz Jackson: It doesn't surprise me in the slightest, we all had contacts on the streets, and they had a lot of info to provide for us, and Caleb utilized that talent before he died.

Me: Wow!

Nico: Now, we know another reason why he wanted to become a police officer: with a wide network of contacts, he could've easily taken down The Syndicate and The Big Claw Gang.

Sheila: We have got to get him to help us expand our network of contacts.

Lincoln: If you did that, no crime organization will be able to hide in the shadows forever. We should finish up breakfast, and get ready to take down the bad guy for Nico's rescue.

Nico: Right.

We then finished our breakfast, and we set out to take down the targeted bad guy for Nico's rescue.

Gwen Tennyson woke up to see Arcanine staring at her

Arcanine: Morning Gwen. Time for breakfast.

Gwen Tennyson: I have a feeling it will be good.

She went and got dressed and we were having pancakes and eggs.

Sam, Clover, Alex and Brittney were with us.

Me: Silicon Valley. The Tech capital of the world.

Xenia: Yep.

Camie: So fun and awesome.

Qin: Yeah.

Lola: This is gonna be fun and cool.

Me: Yep.

Nico: Mike, I want to thank you, Hanzo Suiden, and your teams for coming

Mike Corbett: Always love some fun and it's gonna be fun and cool.

Splat: It sure is! I'm ready for some fun.

Qin: It sure is gonna be good!

Nico: Splat, what do you like to do in your free time?

Splat: Well when I'm not defending Skylands from the forces of evil, I use my skills to fight crime and make them a mess.

Xenia: Ooh! Nice.

Lola: Cool!

Laney: That is cool.

Splat: I think it's cool to. It's The Art of War!

Nico: Yes it is!

Qin: Yep.

Nico: Fighting crime is a good job to have.

Maria: I think you especially make things messy for the bad guys.

Splat: You better believe I do.

Lola: Awesome.

Splat: Yeah!

Camie: Sweet!

Me: Yep. Man part 1 of the Ridonculous Race was so fun!

Nico: It sure was!

Eli: Boy no kidding! Hro is now a forgotten memory.

Nico: He sure is. And now, Shayera is welcome in her home planet again.

Me: Yep.

Lola: Yeah. And that's one base of Dark Gale gone.

Nico: That's right.

Lincoln: And number 1 of the Midnight Princesses captured.

Me: So far our plan is working good.

Camie: Yep.

Nico: Oh, that reminds me. Have you guys purified her yet?

Me: Patience Nico. We're waiting till the final day before we do that.

Lincoln: Once it's Morgana Midnight Sparkle that's left we're going to have them all turn against her.

Nico: Oh I get it!

Me: Yep.

Nico: Meanwhile, our plan for the city worked perfectly.

May: It sure did.

Me: So far so good. The City floating as a fortress is awesome.

Xenia: Yep.

Me: And guys the stars warned us about the coming of the Midnight Princesses. We saw a sign in the stars. It was a nebula in the shape of the Star of Satan and according to Nostradamus's book it meant that The Midnight Princesses were coming.

Nico: At 12:00 Midnight on the Eve of the Spring Solstice, the seal that imprisoned the Midnight Princesses would break and release them from their prison and they would return to exact their revenge upon the land.

Qin: WHOA!

Nicole: Yeah! And that prediction came true!

Nico: It sure did.

Lincoln: Yep. And we caught a glimpse of them for the first time in 7 years.

Me: Yeah.

Qin: Scary.

Me: Oh Nico I got reports of a vigilante killing rapists in the city. Sheila said that 70 rapists were killed last night.

Nico: Why are we here again? It can't be to view the sights.

Me: Nope. Lincoln?

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Silicon Valley High School in Silicon Valley, and as Caleb's contact told us: we got trouble, the villains we're going to face are three more of Sam, Clover, and Alex's enemies: their names are Brett Brinkley and Joe Hassler, the two bullies and Vera Vegan, the principal of Silicon Valley High.

WE GASPED!

Me: WHAT?!

Nico: Sam, Clover, Alex, Brittney, tell us everything about these three, I feel like smashing their teeth out!

Sam Simpson: Got it.

Sam, Clover, Alex, and Brittney told us about those three and about how they made a local genius and tech expert named Adam Lewis suffer behind his back which led to him creating a computer program called CHAD, which stands for Computer Home Analyzer and Defender in order to get revenge for the way he was bullied in the past, but the problem was that his program had gone too far and he'd made those people suffer, so, to redeem himself, he destroyed his program. When they were finished, we were shocked.

Eli: Oh man!

Me: (GROWLS)

Lincoln: I can't believe those three would do this to Adam, but from what you told us, he sounds like a good candidate for The Redemption Squad. Plus, he's got some awesome tech skills and built that computer program though it did go too far. Wait, if they're at it again, we need to get to Adam at once.

Nico: I'm gonna end that bitch's career, she's never going to be a school principal ever again!

Me: And I'm gonna smash those two jerk-offs' heads in!

Nico and I were growling like savage wolves, and suddenly, Lincoln grabbed me and Nico by our hair.

Lincoln: Okay, now you two savage wolves have left me no choice. Pardon me, but I must discipline the nannygoats!

Eli: Oh crap!

BLANG!

LINCOLN CLUNKED US ON THE HEADS AND WE HAD BIRDS CIRCLING OUR HEADS!

Me: (Dizzy Voice) Which way did he go, George, which way did he go?

Lincoln: Hmm. (Points both ways and crosses eyes) That way.

Me: Well gee thanks a lot George, thanks a lot.

Then, we both fell to the floor and we got back up.

Nico: Yeesh. It's been a long while since Lincoln's done that to us.

Me: Ouch!

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected The Panther Claw Organization, but then, they had an inverted pentagram with a goat head on their foreheads, and they were put under someone else's control.

Lincoln: Oh crud!

Me: What is it, Lincoln? Oh God, who did Morgana bring back now?

Lincoln: It's not good, it appears Morgana Midnight Sparkle and her minions have resurrected The Panther Claw Organization, but then, an inverted pentagram with a goat head appeared on their foreheads, and they were put under someone else's control.

WE GASPED!

Suddenly, the rest of the team arrived.

Gohan: I think I know that symbol from anywhere: that was The Sigil of Lucifer, the very symbol you saw on the tape yesterday, and Sebastian was a master of black magic back then as he used the Dark Arts to resurrect our old enemies more than once in the past, and I recognize the malevolent energy from anywhere.

Ed Cowart: Is his black magic still running loose even after everything we've gone through with him?

Lori: That might be the case.

Lincoln: Black Magic tends to leave a trail whenever it's been used, and it's easy to trace. But, I need to kill Mr. X and his entire organization and trace the black magic to its original source.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Brett Brinkley, Joe Hassler, and Vera Vegan) AHA! There you are, you varmints! I just spotted Brett Brinkley, Joe Hassler, and Vera Vegan, they're 20 yards away and they're attacking Adam Lewis. (Sensed The Panther Claw Organization) And I just spotted Morgana's next set of puppets.

Nico: Let's tear them apart.

Suddenly, Rita heard a Pokemon cry.

Rita: Does anyone hear that?

Me: Yeah.

We saw Jynx! It was dancing.

Me: Whoa a Jynx!

Qin: Cool! She's quite a dancer.

Jynx: Yeah this is always fun.

Me: It sure is.

Rita Loud: Are you hungry?

Jynx: I sure am.

We gave her food.

Rita: There you go. Do you want to come with us?

Jynx: Sure!

Me: Cool!

Qin: Awesome!

Then we saw a MASSIVE FIELD of flowers grow all around us!

Laney: Oh wow!

Fluttershy: (GASP) Wow! Look at all the beautiful flowers.

Me: Wow!

Poromon sniffed some of the flowers.

Poromon: These flowers smell so nice!

Me: Wow! It's amazing how fast they all appeared like this.

Camie: It's also the first day of spring.

Lola: That's right! It sure is.

Nico: Yep.

Laney: Look!

We saw the legendary Pokemon of Life, XERNEAS!

Me: WHOA! Xerneas!

Nico: What's that doing here?

Maria: Does anyone here know this one?

Dante: I think I know this one.

Princess Luna: And me too.

They used Telepathy and gasped!

Dante: WHOA! Darknight Horror!

Me: Wait you mean the Terror of Dreams!?

Princess Luna: And she is also the sister of Nightmare Moon!

WE GASPED IN SHOCK AND HORROR!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Horsea: I certainly did NOT expect that.

Poromon: Me neither!

Qin: I know! Shocking!

Me: That can't be! How in the world can Nightmare Moon have siblings?

Princess Luna: She was separated from me when I was turned into Nightmare Moon.

Me: Oh man!

Nico put his skeleton back.

Nico: I hate it when that happens. But that is shocking!

Me: I know!

Me, Princess Luna and Dante went up to her.

Me: Wow. You are so beautiful as a Xerneas.

Princess Luna: You don't have to worry about anything Darknight. We're here to help you.

Me, Dante and Princess Luna held out our hands and she nuzzled them gently.

Me: It's okay.

Poromon: That's it? She's not gonna attack us?

Horsea: I guess not.

Xenia: Xerneas is the Pokemon of life and only attacks when provoked. Take it from me. I am a Xerneas myself remember?

Poromon: Oh right.

Laney: If we meet Yveltal, that one is gonna be the opposite.

Camie: Yeah.

Me: It's okay. We're going to revert you back okay?

She nodded.

I snapped my fingers and she reverted back and had blue hair and blue eyes with blue sclera and had blue angel wings and had Xerneas on her forehead and had a purple version of Nightmare Moon's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: Wow.

Nico: For a sibling of Nightmare Moon, she was pretty easy.

Qin: That's because Xerneas is a peaceful and life loving Pokemon.

Me: Yveltal on the other hand attacks and destroys anything in sight.

She woke up.

Darknight Horror: (Groans)

Dante: Darknight?

Darknight Horror: Dante? Luna? (GASP) It is you!

She hugged them.

Darknight Horror: It's good to see you and Luna I'm glad you're okay. After all these years.

Princess Luna: Same here.

Me: You were turned into Xerneas by Dark Gale.

Darknight Horror: (GASP) I remember!

She was in a dark blue suit and was injected and then she turned into Xerneas and glowed and ran out of there in a flash of light.

FLASHBACK ENDS

Darknight Horror: It was awful.

Me: I know. But we are in the process of destroying Dark Gale now. We destroyed one base yesterday and have 11 more to go.

Nico: But you were pretty easy to deal with. What's your role in Sonya's team?

Darknight Horror: I am the dreammancer and horror inducer of the team and it's how I got the title of The Terror of Dreams. But I use this power on Criminals.

Me: She turns Criminals Dreams into their worst nightmares and drives them completely insane! She can destroy their minds to the point where they die from violent brain convulsions! Enough to make their heads explode in their sleep! She turns into a purple ball of smoke and enters their minds. And once she is there you are DEAD!

THEY GASPED IN SHOCK!

Nico: HOLY COW!

Natilee: Wow! That is a deadly power!

Nico: It sure is!

Me: Now I know how all the inmates in that prison all die. All their heads exploded because of you.

Darknight Horror: That's right.

Nico: WHOA! You killed an entire prison!?

Darknight Horror: That's right.

Nico: Just like Freddy Krueger. Who I think we're going to fight on Halloween.

Darknight Horror: Yep. Except I'm over 100,000,000,000 times more powerful than him.

Me: Wow! He is gonna be screwed meeting you. What do you do outside the team?

Darknight Horror: I am a gardener and make all kinds of plants and more.

Nico: Cool!

Poromon: Well, that explains the flowers. I think they smelled very nice.

Darknight Horror: Thanks. I am an amazing gardener and can make flowers and nature appear anywhere.

Me: That is awesome. Oh how did you meet Dante?

Darknight Horror: I met him when he was being bullied by Chandler and I stepped in and gave him one of the worst nightmares ever in school. He was a skinless naked kid and all the kids ate him.

Chandler: That was you!? Oh man! I couldn't sleep for a year!

Nico: HOLY SHIT!

Me: Brutal! I wasn't there but that is scary.

Dante: Yeah we became good friends.

Me: That sounded like something out of 50 Shades of Grey. But that is cool.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new dark blue clothes and a Halloween themed sword.

Darknight Horror: Wow I look great.

Nico: You sure do. But we're not done yet. We still have a job to do.

We then took off into the air and we set out to rescue Adam Lewis and take down Brett Brinkley, Joe Hassler, and Vera Vegan and throw them in prison and send The Panther Claw Organization to The Black Abyss.

We were flying in the air, and we spotted our targets: Brett Brinkley and Joe Hassler, the two bullies and Vera Vegan, the principal of Silicon Valley High, and they're attacking Adam Lewis.

Lincoln: Hey, jerks, you get away from Adam right now!

Lincoln fired waves of lightning from his massive white angel wings and nine sets of larger white angel wings underneath his massive white angel wings and they hit and electrocuted Brett Brinkley, Joe Hassler, and Vera Vegan and that allowed Adam Lewis to get to us, and this also angered Brett Brinkley, Joe Hassler, and Vera Vegan as we landed.

Sam: Seriously, you three just don't know when to stop bullying Adam, do you?

Clover: I would've thought you'd learn your lessons after that whole ordeal.

Alex: But, as always, bullies don't know when to quit.

Brittney: You two were bad enough with torturing and picking on Adam, but you, Ms. Vegan, you also joined in as well, you abused your authority as the principal, you're not fit to be a principal nor are you even considered a human being.

Brett Brinkley and Joe Hassler: YOU STUPID BITCH! WE'LL KILL YOU!

POW!

I punched them both!

Lincoln heard that threat and fired gold spider silk at them and it stuck them to the wall in gold spider silk cocoons.

Lincoln: Oh, and it looks like your reputations are about to become a lot worse.

Suddenly, Lincoln played the video of all the horrendous actions and bullying that Brett Brinkley, Joe Hassler, and Vera Vegan subjected Adam Lewis to, and it was even playing on their phones, and when they saw every last horrid action they did to Adam, they were absolutely disgusted and they gathered alongside us and they were pissed off!

Student: I can't believe you two did this! You know, we always knew you and Joe were nothing more than scum, Brett, but this is a brand-new low even for you two! And you're no better, Ms. Vegan, you abused your own authority as principal and you even joined in with making Adam suffer, you're not our principal anymore, you're an inhuman scumbag and a pathetic excuse for a human being! We're going to take this to the Superintendent and the school board at once!

Suddenly, the Superintendent of Silicon Valley High arrived.

Silicon Valley High Superintendent: There is no need for that, I just saw the video on my phone as well, and the school board has been doing some investigations into your conduct, Ms. Vegan, and they already found the evidence of your abuse of authority and even joining in with Mr. Brinkley and Mr. Hassler to make Mr. Lewis suffer, but we couldn't do anything about it thanks to Sebastian and his horde of monstrous friends who were also here and threatened to kill us three years ago. But, now I can officially say this: Vera Vegan, because of your abuse of authority and gross misconduct in your duties as Silicon Valley High's principal, you're fired and your teaching license is hereby permanently revoked, and as for you, Brett Brinkley and Joe Hassler, you two are hereby expelled from school and you are hereby blacklisted from ever attending any school in the country again!

EVERYONE CHEERED!

Me: Wait, you sent the video to the Superintendent as well, Lincoln?

Lincoln: Yep, and I didn't need to send the intel on those three, the school board already did just that on their own. But, they needed to make this official to them and right in front of their faces.

Silicon Valley High Superintendent: That's right. Now, let me take these three outside, so that way, you all can trash them.

The Superintendent grabbed Brett Brinkley and Joe Hassler by their shirts and he ripped them right off the wall taking most of the gold spider silk out and he also grabbed Vera Vegan and tossed them outside with us following.

Silicon Valley High Superintendent: Alright, now you're free to trash them.

Me: With pleasure!

Nico: Thanks! Alright, assholes, time to pay!

Vera Vegan: You! YOU! Do you realize what you all have done?! My reputation is now in ruins thanks to you! I demand you get on your knees and lick my shoes and beg for my forgiveness, peasants!

Me: SHUT THE FUCK UP!

Lincoln: Yeah! Shut up already.

Lincoln threw a blast of ice water at her and she shrieked and screamed and we laughed our butts off.

Nico: Throwing ice water at her?! That's perfect for a cold-hearted toxic bitch like her.

Lincoln: (Smirks) I'm just getting started. Now, for the morons.

Lincoln ran up to them, and...!

CRACK! CRACK! DING! DING!

LINCOLN KICKED BRETT BRINKLEY AND JOE HASSLER HARD IN THE CROTCHES AND BROKE THEIR REPRODUCTIVE SYSTEMS AND SHATTERED THEIR PELVISES AND THEY SCREAMED IN AGONY AND WERE FOAMING AT THE MOUTH!

Me: (WINCES) OH GOD! NOW, THAT'S GOT TO HURT!

Nico: (WINCES) They're never gonna have sex ever!

Eli: (WINCES) OH MAN! That had to hurt!

Nicole: Better than castrating them, and he even has steel toe attachments inside his boots as well?! Yikes!

Me: Now watch!

I teleported and grabbed their underwear!

HOING!

Me: WEDGIES!

I put their underwear over each of their heads!

WE LAUGHED!

Nico: I think that's gonna be the least of their problems!

Jynx charged at them and bashed and smashed them.

Me: Now watch this! (Activates Count Spankulot's ridewatch) (Transylvanian Accent) THOSE WHO BREAK THE RULES ARE BAD AND MUST BE PUNISHED! PREPARE TO FEEL THE STINGY WRATH OF THE HAND OF JUSTICE OF COUNT SPANKULOT! (EVIL LAUGHTER!)

Then...

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

EVERYONE WINCED AT THAT ONE AS I SPANKED ALL THREE OF THEIR SORE BUTTS AT THE SAME TIME FEROCIOUSLY! Their butts glowed neon red!

Lola: OUCH!

Horsea: That's gotta hurt!

She Hulk got out her Gaia Memory.

She-Hulk: Time to smash your faces in!

Numbuh 4: Lets bring the wedgies mates!

SHE-HULK! WEDGIESAURUS REX! NUMBUH 4!

She-Hulk and Numbuh 4: WEDGIE CARNAGE SURPRISE!

They gave all three of them horrible and terrible wedgies!

HOING!

Poromon: YOU WANNA SEE SOMETHING SCARY?! Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

THE THREE OF THEM SCREAMED IN FRIGHT!

Vera Vegan: THAT IS A HORRIBLE MOVIE!

Manaphy: YOU LOOK AT IT!

Joe Hassler: WHAT IS THAT!?

Hippowdon: YOU LOOK AT IT!

Brent Brinkley: GET THAT AWAY FROM ME!

Poliwag: YOU LOOK AT IT!

Vera Vegan: HORRIBLE!

Horsea: LOOK AT IT!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!
